

FIRE LADDIES TO PARADE

Senator Frelinghuysen to Lead 1,000 Marchers at Somerville Tomorrow.

N. Y. EXEMPTS COMING

Morristown, Flemington and Hackensack Firemen to Participate

—Harry Wilkes' An Attraction.

The firemen's parade at Somerville, tomorrow, promises to be an event of more than passing interest. It is estimated that at least 1,000 firemen will be in the line of march. Plainfield and North Plainfield will be represented there, although neither will take active part in the celebration. State Senator Joseph T. Frelinghuysen will be the grand marshal and his aides will be from among the most prominent citizens of the town. The Hudson River Military Academy Cadet Corps will act as escort.

Among the notable to be in line will be the Exempt Firemen's Association, of New York, with Bain's Sixty-ninth Regiment Band. Other companies will come from Pennsylvania, Morristown, Hackensack and Flemington. The line of march as mapped out covers the town thoroughly. The firemen will be viewed from the balcony of the TenEyck House. One of the attractions will be the globe-trotter, Harry Wilkes, (record 2:13 3/4) 32 years old, hitched to a high wheel sulky. Harry, owned by William J. Keys, of Somerville, will follow the New York veterans and will be driven by an expert horseman.

Somerville Engine Co. will have its headquarters at the Ten Eyck House and will entertain Washington Engine Co. there. Resolute Hook and Ladder Co. will be the guest of Central Hook and Ladder Company and headquarters will be at the H. and E. house. They will dine in the Second Reformed chapel. The Lincoln Chemical Co. will entertain the Slattington Fire Department at the engine house on Warren street. Dinner will be served in the First M. E. chapel. West End Hose Co. will entertain the Hackensack Fire Department. They will dine in St. John's parish house.

The Exempt Firemen of New York will be fed at the Somerset. Ex-Senator Wm. J. Keys, Wm. J. Logan and Job C. Kenyon, members of the old N. Y. Volunteer Fire Department, and A. B. Rohn, Jr., and Joshua Doughty, Jr., ex-Chiefs of the Somerville department, form the committee appointed to entertain them.

When visiting friends, make sure to see the display at Neuman Brothers' store. A new assortment received every day.

MISS NISCHWITZ WEDS

RICHARD LAYTON BELLIS

PLAINFIELD GIRL THE BRIDE OF SOMERVILLE MAN.

Miss Minnie May Nischwitz, daughter of Mr. and Mrs. Henry Nischwitz, of Fairview avenue, became the wife of Richard Layton Bellis, of Somerville, at a quiet wedding yesterday afternoon at the home of her parents. The ceremony, in which two rings were used, was performed by Rev. George A. Warner, rector of Holy Cross church, at 6 o'clock. Only the relatives and a few friends of the couple were present, and the ceremony was performed in the parlor, handsomely decorated with cut flowers and palms, in an effective green and white scheme.

The bride wore a lace robe and carried a lace handkerchief which had been carried by the groom's grandmother at her wedding fifty-three years ago. She was attended by Miss Harriet Ruth Nischwitz, her sister, as maid of honor. Miss Nischwitz was gowned in white Persian lawn, heavily embroidered. The groom was attended by William Henry Nischwitz, brother of the bride. Miss Alice Field, dressed in white, acted as flower girl, and her brother, Roy Field, was ring bearer. Fred W. Hammond and Mrs. F. L. Field played the Lohengrin wedding march for the ceremony. Mr. Hammond furnishing the violin obligato to Mrs. Field's rendition on the piano.

After the ceremony, a wedding supper was served in the dining room. Parker was caterer. The dining room and hall were effectively decorated with autumn leaves. At the conclusion of the reception, bride and groom left for a honeymoon sojourn at Mount Pocono. They will be at home to their friends at their new home in Somerville after November 1.

Mr. Bellis is the son of Lewis A. Bellis, of Doughty avenue, Somerville. He is employed by the Great Northern Paper Co., Wall street, New York. The bride has for some time been an active church worker at Trinity Reformed church, where she formerly taught in the Sunday school.

AFRICAN PRIEST TO SPEAK

Sunday's Meeting at Y. M. C. A. to be Addressed by "Eminent Philosopher."

HE'S A PHYSSILLABICIST

Has Scheme for Making a Colored Nation in Africa and Some Psychological Religious Beliefs.

"Rev. Father C. F. Checizli, B. Sc., M. A. F. R. S. S., former priest of the Coptic Church of Gondor, Abyssinia, East Africa, and at present theological, ethnological and historical preacher and traveler of the world, the defender of Apostolic inspiration, and a Christian gentleman and man of great learning" will be at the Y. M. C. A. Sunday afternoon. He will speak on the "abstruse subject": "Was Jesus the Son of God?" and says he will give "an ethnological, historical and psychologically religious talk on the East African."

The priest comes to this city from Wilkesbarre, Pa., where he delivered a series of sermons and lectures. For the past three years he has been touring the United States and Canada, and says he has spent the time delivering sermons and lectures on the abstruse subjects—"Dores Immortality Constitute a Hereafter?" "Shall the Blacks Return to Africa?" "Was Jonah in a Physical Fish's Belly, or a Ship Called the 'Great Fish?'" "Can the Ethiopian Psychologically equal His Fair Brother?" etc. The heads of the various colleges, churches and associations before which the priest has spoken on these subjects, class him as "one of the remarkable philosophers, theologians and scholars of the age."

The African priest is at present in town and in appearance is a powerful, well-built colored man, with bold features and a forceful "easy" style of diction. He stands well over 6 feet in height. In an interview today he stated that he had traveled all over the world, mingling with all classes of his own race. He claims that out of the "psychical fires" of the South-erners to the negroes "a moulded people shall come forth, superior in morals, more advanced in virtue and religious education than the Southern whites as an average. He has not always been deceived with acclamations, even by his own people, but says he has "had damage suits against southern railroad officials and civil official threats, not to speak of hostility on the part of the negroes in some parts of the south."

Checizli is an enthusiastic speaker when he talks about his experiences and his beliefs. He has an immense vocabulary, consisting mainly of five or six syllable words, but speaks English perfectly and with great power of expression. He has a pet theory that the colored people will soon be a nation of their own. "There on the muddy banks of the Congo," he says, "shall a flag be raised by the blacks, driving out the outrageous Leopold and his diabolical messengers, and with a shout answered in East Africa and Asia, a psychological combination shall bring all the blacks and so-called yellow together to control Africa and Asia, the Eastern and southern Pacific, the Red Sea, Indian Ocean, and South Atlantic—evidently a formidable naval power in time to come."

County Court Sentences.

John Sprague, who set fire to his father's house on West Front street on a grudge in July was sentenced to the Reformatory by Judge Atwater at the session of the county court at Elizabeth today. He pleaded guilty of the charge, asserting that he deliberately started the fire "to get even" with his father for an alleged wrong. Missouri Hurling, the colored servant who recently robbed her employer, D. M. Runyon, of Arlington avenue, was also brought up for trial. She pleaded guilty, but as the valuables were recovered and the charge was not pressed, sentence was suspended. Sentence was also suspended in the case of William Metzler, of Clark Township, who stole some chickens from Andrew Gibson's farm.

No other cases were ready and adjournment was taken until Monday, when Judge Schenck will take up the trial of Justice's Appeal.

YALE CLUB GIVES PRIZES

Awards Three Cups to Bright Pupils.

CHOOSE NEW OFFICERS

E. A. Stevenson Elected President—To Attend Princeton Games—Promote College's Interests.

Plans for rousing Yale spirit in the local schools were discussed, new officers were elected, and the award of club prizes to local school boys was announced at the seventeenth annual meeting of the Yale Club held at the Casino last night. There was a good turnout of Plainfield Yale men, and at the conclusion of the evening's business, there was a college song, smoking and refreshments.

In accordance with a custom of the club, the award of the big silver cups for best work in all-round scholastic athletics was announced at the meeting. William C. Douglass, of the city high school; Otis Averil, of Leal's school, and Clarence R. Steiner, of the North Plainfield High School, were awarded the trophies, as having the highest standing in each school. The twenty-five dollar prize for the best examination standing in entrance examinations at Yale this fall was not announced, because the executive committee of the club has not yet heard the report from the college faculty as to the standing of local freshmen who took the examinations.

In the annual election of officers Edward S. Stevenson, last year's vice president, was elected president for the coming year, succeeding T. M. Day, who has served as president for two years. Clifford McGee was elected vice president and Lewis A. Williams, Jr., was re-elected secretary-treasurer. The new executive committee is to consist of Harry Lovell, Rufus S. Rowland and Henry L. DeForest. The question of the annual dinner to be given by the club was brought up for discussion and referred to the executive committee. It is the purpose of the club to secure a special car and make a trip to New Haven to attend the annual Yale-Princeton football game to be played there this fall. For the purpose of furthering Yale influence in the local schools, it was decided that a file of the Yale Alumni Weekly be kept at the city and borough high schools and at Leal's school. W. C. Hyatt, Elliott Cutter and Thatcher Brown were admitted as new members to the club.

JOHN MATTOX, VETERAN OF MANY BATTLES, DIES.

Marched With Sherman to the Sea. Wife Died Five Weeks Ago Monday.

John Mattox, aged sixty-five years, a Civil War veteran and a brother of Mrs. James H. Huntington and the late Robert Mattox, of this city, died at his home in Newark last week, exactly five weeks after the death of his wife, which occurred August 27. Grief over the loss of his wife hastened his end. He was a sufferer from asthma and heart disease for more than a year.

Mr. Mattox fought with Company G, Thirtieth New Jersey Volunteers, in twenty-five battles. He accompanied General Sherman in his march to the sea and was wounded in one of the engagements. He entered the service August 4, 1862, and received an honorable discharge June 6, 1865, from Harwood Hospital, Washington, D. C.

Mr. Mattox was mustered into the Thirtieth Regiment, August 25, 1862, and left for the front six days later. He served in Gordon's Third Brigade, Second Division, Bank's Old Corps; William's Division, Second Army Corps, Army of Virginia; Army of the Potomac, Twelfth Army Corps, Department of Cumberland, and with the Twentieth Army Corps, military division of the Mississippi. He fought at Gettysburg, Antietam and Chancellorsville and was at the siege of Savannah.

Mr. Mattox started in the undertaking business thirty-five years ago and had conducted it ever since. He was born in Newark and lived there all his life. December 25, 1857, he married Catherine Johnson. He is survived by three daughters. They are: Mrs. Sydney Downs, Mrs. William Roberts and Miss Susan Mattox, all of Newark.

Funeral of Henry L. Nixon.

The funeral of Henry L. Nixon, colored, who died in Muhlenberg Hospital last week, was held at Runyon & Son's parlors yesterday afternoon. It was conducted by Rev. F. D. Tildon, pastor of Bethel chapel, and was attended by a gathering of friends. Burial was made at Hillside.

MRS. GIDEON POLON

SUCCUMBS TO INJURIES

WAS BADLY CRUSHED BY OVERTURNING OF CHICKEN COOP.

Mrs. Gideon C. Polon, who was badly crushed by the falling of a chicken-coop in a yard next to her home on Race street, last Friday, died in Muhlenberg Hospital yesterday afternoon. Although her injuries comprised a broken leg, three broken ribs and a fractured jaw, it was thought at first that she had a chance to recover but complications set in. She began sinking slowly Monday afternoon despite every effort of the physicians.

The accident that resulted in Mrs. Polon's death was brought about by her curiosity. Several laborers were moving the chicken-coop and had placed it on supports previous to getting it on a truck. Mrs. Polon became interested in the work and went over to get a closer view. She was standing alongside the coop when it became unbalanced and fell over on her before the movers could shout a warning. The weight pinned her down and she was unconscious when rescued.

Mrs. Polon was forty-nine years old and was the daughter of Mrs. Ryan, of West Fourth street. She leaves five children, Mrs. Frank Conger, Mrs. Edward Conger, William, Andrew and Frank Polon. She is also survived by a sister, Miss Margaret Ryan, and one brother, Andrew Ryan, of West Fourth street. The funeral arrangements have not been made.

BOROUGH FIRE FIGHTERS TO PARADE AT AMBOY

COMBINATION WAGON WILL BE IN LINE AT BIG CELEBRATION.

The North Plainfield combination chemical truck, drawn by the borough fire team, "Nip" and "Tuck," will be in line in the firemen's parade at Perth Amboy Thursday, October 17. Arrangements have been completed by the borough council fire committee and Chief Howard Woolston for the temporary protection from possible fire on that day and the local outfit is now free to go and take part in the parade. Lieutenant Elden Smalley and Fireman William Gaub from borough fire headquarters will go with the truck, and Smalley is to drive the team. The men will be spick and span in new uniforms and hats and the wagon will be spruced up and polished to present the best possible appearance.

The truck will be driven down Wednesday, the day before the parade. The local boys will be entertained and accommodated for the night by Protection Hook and Ladder Company, of Perth Amboy, which is to have apparatus in line. Chief Howard Woolston is completing arrangements for three call men to be on duty at headquarters the day of the parade in place of the absent regulars. The hose and supply wagon is to be equipped with hand extinguishers and horses will be hired to draw it. It is believed that arrangements can be entered into with the city department, in case any assistance is needed during the day.

WILL VIEW "ABOUT TOWN."

Members of the Shuberts' Staff to See Performance Tonight.

The production of "About Town," which will be given at the New Plainfield theatre tonight, will be witnessed by a large representation from the Shuberts' office. The show is owned by the Shuberts and Lee Shubert and members of his booking staff are anxious to pass on the performance before it goes to Perth Amboy. It will appear in the latter place tomorrow night as the opening attraction of Manager Counihan's new Majestic theatre.

The company is headed by Dave Lewis, a well known Broadway comedian, and includes many other well known principals beside a chorus of fifty. The production is one of the most pretentious booked in recent weeks.

Warrant Out For Miss Seymour.

As a further chapter in the troubles of Miss Donna Seymour, whose "Bluebird" company came to grief in this city, Monday night, Hector Roy, of New York, secured a warrant yesterday for the arrest of the manager-actress. He alleges that she swindled him out of \$385 on the strength of appointing him treasurer of the show. It is understood that Miss Seymour went to Wilmington, Del., and an officer was sent to that place. The remaining members of the troupe were enabled to leave the city today through the generosity of Mayor Fisk and several citizens.

CAUCUSES OF REGULARS

Delegates of First and Fourth Wards Decide Upon Local Ticket.

MONTGOMERY WINS OUT

Suydam and Randolph Also to Be Named for Councilmen-at-Large

—Runyon and Arnold to Be On Ticket.

For City Judge

William Nelson Runyon

For City Treasurer

William F. Arnold

For Councilmen-at-Large

Francis L. Montgomery, 2d Ward

Charles Randolph, 3d Ward

Harry B. Suydam, 4th Ward

Such was the ticket agreed upon at caucuses of the delegates of the First and Fourth ward last night, and as these delegates hold the balance of power, it is unquestionable that their selections will be ratified at the Republican city convention tomorrow night. The convention will be called to order at the Casino promptly at 8 o'clock by City Chairman Winfield Scott Angelman.

At the First ward caucus held last night in the office of the city clerk, each delegate responded when his name was called. Such was the case also at Judge Newcorn's office when the Fourth ward delegates met. Every delegate was a regular and therefore all was harmony. The delegates of the Second ward, all of whom are Colbyites, and those of the Third ward, mostly Colbyites, were not invited. It is said that the Second ward New Idea men favor the nomination of R. Henry Dewey in place of Councilman Montgomery, while some in the third advocate the selection of Joseph Shellabarger. Many disinterested citizens in the Second to a degree support Edward E. Iremonger, but the regulars will not allow Mr. Montgomery to be "turned down" holding that he has proven his efficiency as a member of the city's law-making body. Soreness on the part of a few Colbyite generals in the Second, it is said, has stopped the New Idea from endorsing Mr. Iremonger.

Last night, it was unanimously decided to bring about the renomination of City Judge Runyon although he is the recognized New Idea leader in Union county. This is looked upon as a question of expediency it is argued by the regulars. As for City Treasurer Arnold there never has been the slightest opposition to him from any quarter.

Although Charles Randolph has removed from the Fourth to the Third ward during his term of office, it was deemed proper to renominate him on his record. There was a free and full discussion of a number of candidates from the Third and Fourth wards suggested to nomination and the upshot of it all was the selection of Mr. Randolph and Harry B. Suydam.

BIRD'S NEST IN POOL POCKET.

Sparrows Raised a Family in It During the Summer Vacation.

A Patrick Higgins, a Bloomfield fireman, with two New York friends, visited the fire house in Orange street Bloomfield; yesterday, and while there it was suggested that they play at game of pool. Higgins informed the visitors that the pool parlor had been closed during the summer, and that a game was in order.

When the trio entered the parlor they were greeted by the exciting chirping of a number of sparrows. "Did you ever see the like of that?" remarked Higgins; "the birds think they own the place. Maybe they have a nest in here."

Higgins went poking about, and presently uncovered in one of the pockets of the pool table a nest with a half dozen birds, in the centre of which was the cue ball. The sparrows had raised a family during the summer vacation. The pool game was postponed.

Mrs. Metz's Funeral.

The funeral of Mrs. Mary Metz, who died yesterday morning at the home of her daughter, Mrs. J. P. Taylor, of West Seventh street, will be held in Grace church, Friday morning at 11 o'clock. Burial will be at Hillside.

Because of the bad weather yesterday, the local football team did not go to Elizabeth for the game scheduled as a part of the Old Home Week festivities. Manager Joe Ayres received word from the Elizabeth manager that the grounds were too heavy for play. The local team will open the season Saturday with a game with the Metuchen eleven, to be played at Metuchen. Captain Charles Lake has secured a fast bunch of players for the season, and the lineup will average 165 pounds. Lake will play quarterback this year, instead of end, and J. McMahon, Smith, and Dave Pond will make up the back field.

Borough streets were deluged with rain yesterday morning and the heavy wind played havoc with awnings and signs. A heavy branch fell across the feed wire on the trolley line near Lincoln and the cars were delayed. At the Poor Farm, a chicken coop was blown down.

The two vital questions in your piano purchase are, first, quality; second, price. An unsatisfactory piano, in tone and action, is the most annoying article you can have in your home. You dislike to be expending money on it continually to keep it in playing condition.

KING AND PRESIDENT HONOR EPISCOPALIANS

GIFTS FROM RULERS FORMALLY PRESENTED AT RICHMOND.

With the Bishop of London preaching a sermon in Bruton Parish church, Virginia, the oldest church in point of continuous use of the United States, the services at Richmond, Va., on Saturday, attending the presentation and acceptance of a lectern from President Roosevelt and a Bible from King Edward, were of a peculiar historical interest. After prayers the lectern was presented by Bishop Satterlee, of the diocese of Washington, speaking for the President of the United States, and was received by Bishop Randolph, of the diocese of Southern Virginia. The Bible was then presented by the Bishop of London, who conveyed a message from the American church from King Edward. It was received by President Bishop Tuttle. The bronze bas-relief memorial, given by the American Episcopal church in memory of the life and service of the Rev. Robert Hunt, minister of the colony which landed at Jamestown on May 13, 1607, was installed in the tower of the church, and was on exhibition today for the first time.

The newly organized Young People's Society of the First Baptist church has chosen Friday night of each week as the regular time for meeting, except when the members take charge of the Wednesday night service, which will be once a month. The primary and Junior Sunday School Teachers' Union met at the Y. M. C. A. yesterday afternoon. Mrs. Van Winkle led the devotional exercises and Miss Edna French taught the lesson, "Israel Enters the Land of Promise." A routine business meeting was also held.

Borough Drunks Fined.

Recorder Dolliver collected fines from the three offenders who faced him at the borough court Monday night as a result of too much strong drink Saturday night. Edward Vail, and Mike Gleason, being old offenders, were touched for \$5 apiece by the law, and Fred Conklin left the courtroom with \$3 less ballast in his pockets.

To Judge Competitors.

D. W. Littell, president of the New Jersey Exempt Firemen's Association will be chief judge in the contests and drills at the firemen's parade to be held at Somerville next week.

Always mindful of the little ones, the Woodhull & Martin Company are making a specialty this week of family needs for the little tots. A glance through the firm's advertisement will give you an idea of the countless bargains. There is also a special sale of table linen, boys' wear, china and the basement offers many attractions worth your attention.

A. M. Griffen, the hardware merchant, is advertising this week Hill's yard and balcony clothes driers and ash sifters in different sizes; also the "Universal" coffee percolator. Stoves and heaters a specialty. Prices low.

SPORTS HERE AND THERE

DIAMOND DUST.

There is a strong sentiment not only among the players but the fans as well, in favor of the Y. M. C. A. maintaining an independent team next season, thus making it possible for the lover's of the game to see contests with outside teams, such as Columbia, Englewood Field Club, Crescent A. C., Princeton Prep and others of that strength. It is acknowledged that the fans get tired of seeing a round of games with the same clubs and the proposition to make the association team independent seems quite likely to prevail. The matter will come up for further consideration in the near future when plans for another year will be formulated.

The last local baseball games of the season will be played at Crescent Oval on Saturday, when a double-header will be the attraction, between the Clinton Avenues, champions of the amateur league, Scotch Plains and Y. M. C. A. The first contest between the champions and the 'Plains will be called at 2 o'clock and the second one between the champions and the association boys at 4 o'clock. Both games will be played for the price of one admission.

Sentiment is growing in favor of the Y. M. C. A. playing independent baseball next season. Since the first mention of it in The Daily Press of Monday, a large number of fans have become enthusiastic over the proposition and sincerely hope that the management of the association team will adopt the plan. They realize that it will afford an excellent opportunity to see strong amateur teams and some fast ball.

The chances are very strong that the Clinton Avenues will not be a member of the amateur league next season if one is formed. It is stated on excellent authority that the team expects to play professional ball next year, booking games for Saturday and Sunday with clubs throughout the State and in the Metropolitan district. In case this is done the profits will be divided equally among the players. It is also said that Manager Dorfinger will be succeeded by another man to be chosen later by the club.

With these changes in the Clinton Avenue team's plans, there will also come the retirement of President John Kriney, of the club. Judging from remarks made at the Y. M. C. A. dinner, Mr. Kriney and the team are not enjoying harmonious relations and he will undoubtedly retire from his position this year. He claims that the club has frequently done things without his knowledge and without even consulting him and he is tired of this way of running the club. In any event there are likely to be a number of changes in the makeup of the team before another season rolls around.

It is to be regretted that Walter Nelson, formerly catcher for the Y. M. C. A. team decided to play professional baseball the latter part of the season. He is popular here and the fans would like to see him play in Plainfield. It is possible to secure him for next year's team it should be done without delay.

GOLF.

The Park Club team will meet the team from the Middlebrook Country Club, Bound Brook, on the local course in the third and deciding match of the season. Each team has won a game and considerable interest is being shown in the forthcoming match.

The first tournament over the Salisbury links, Garden City, will be held on Saturday. It will be at eighteen holes, medal play, and will be open to all subscribers. The handicap is under the auspices of William J. Youngs and A. Van Cortlandt, Jr., president and secretary of the Midland Golf Club. Entries should be sent to the latter by October 17. There will be first and second net score prizes and the Garden City Company adds a cup for the best gross score.

Next to the brokers of the Stock, Produce and Cotton exchanges, the oldest trade golf organizations of Greater New York is that of the Eastern Trades Golf Association. The occupation is to make steam radiators and sell things wholesale to plumbers. There is also a Western Trades Golf Association and the national convention of the craftsmen is each year voted to a place that keeps up a good golf course, so that the teams of the two sections may fight out a match on even terms. The Eastern players hold their next tournament on Thursday at the Ardsley Club and a feature will be a match with the golfers of the New York City Association of Master Steam and Hot Water Fitters.

Baltusrol's invitation tournament on October 18 and 19 is unusual in that only players handicapped at 9 or under from par at their home club may start. There are four fine cups for sets of eight as match play prizes, besides medal play prizes in the qualifying round and closing handicap. Competitive play among the members this month will center in the matches for the Baltusrol and duffers' cups, except that on October 26 the team plays at the Morris County Golf Club and on October 30

The Square Pot of the Boynton Furnace

Maximum of Heat Minimum of Fuel Easiest to Care for

These are the cardinal advantages of the famous Boynton Square Pot Furnaces, positively the only correctly designed furnaces on the market.

Ashes can't clog, for the sides of the square pot are perpendicular instead of sloping; quick and rapid combustion at all times; square form gives increased radiating surface; grate construction insures quick and complete ash clearance, without raking or poking. The ash pit, being square, fits the shovel—handiest to clean.

Your plumber, steam-fitter or tinsmith will explain many other points. Remember the Boynton is the only Square Pot Furnace.

Kentucky blue grass could not be induced to thrive on the Atlanta Athletic Club course—the longest in the South—and the putting greens are being turfed with Bermuda grass, according to a note in Golf. Bermuda grass is scarce and as the greens are a full 100 feet square the task is a difficult one. The result will be watched with interest by Southern golfers, for on many of the links Bermuda grass is regarded as too coarse except for the fair green and they have sanded putting greens in preference.

FOOTBALL.

Princeton and West Point were the last of the football teams to enter the competitive stage of football this season, and Princeton made a bigger total of points in her first game than any of the elevens in her class. The hard work the Princeton candidates have been subject to in their daily practice had its effect on their playing against Stevens. They had an opponent which did not serve to test the abilities of the team, individually or collectively, to any great extent but the hustle and drive called for in practice was seen in last Saturday's game.

A majority of the positions at Princeton are very open. In consequence there is the most spirited sort of competition for the places. Thus far the situation has assumed a more definite state in the backfield than in the line. That was expected to be the case. Capt. McCormick at full-back was and is as near to a certainty in holding his position as any future occurrence could be, and the quarterback position, with Dillion and Dawson to choose from, was not causing much worry. There are likely men for the other back positions, and though those positions are anything but settled, the material to fill them is there. Reid, a sophomore, who goes about his work in a businesslike way, was the first choice for right halfback in the Stevens game with the veteran Harlan at left half.

The situation in the line is better on the ends than anywhere else. There are half a dozen promising men for the extremities of the wings, and indeed the end situation at most of the leading colleges is better than usual. It looks as if Phillips would be Princeton's centre. In any event, Mr. Roper, the head coach, is authority for the statement that "for centre Phillips is much superior to all other aspirants." He can play tackle, too, and if another good centre could be found, or made, Phillips would probably be shifted to tackle. The guards are a lot of big men, well qualified in the matter of physique, but need to be quickened up and aroused.

Half a dozen willing workers are trying for tackle berths—Bamman, Hooth, Bucknham, Siegling, King and Scott—but none of them as yet threatens to cause the names of Lea, Church or Hillebrand to be forgotten. Still it isn't necessary that they should make Princeton a winner. Taken as a body, the Princeton squad is earnest and in a mood to learn, and with all the greenness and rawness seen in the Stevens game, the vim and life shown must have been pleasing to the coaches.

When it comes to having a game to furnish experience to the men and a valuable test of what men have in them when forced to get a move on Yale in meeting Syracuse has fared better than any of them. That Yale was forced to do her best to beat Syracuse is by no means likely, but she had to play a good, hard game to win. Games of that sort are calculated to do considerable good.

A steeplechase for ladies held annually in Calcutta is believed to be the only existing event of its kind. The course is two and a half miles long, with many mud fences, and the prize consists of a handsome cup.

TRINITY ENDEAVORS HAVE A MERRY TIME

SOCIAL FOLLOWS THE ELECTION OF OFFICERS.

The Christian Endeavor Society of Trinity Reformed church combined a social with a business meeting, in the lecture room of the church, last night. An interesting and profitable time was spent by the young people. The business meeting preceded the social, when these officers were chosen for the coming year:

President, William Latourette; first vice-president, Miss Harriet Randall; second vice-president, Fred Soper; recording secretary, Miss Eva Dunavan; corresponding secretary, Miss May Randolph; treasurer, Cornelius Schenck, Jr.

After the business session an entertainment was held under the direction of the social committee of which Miss May Randolph is chairman. The first part of the program comprised a piano solo by Miss Elsie May Dunavan, dialogue, "Mr. Bluebeard," by Miss Helen Roberts and Miss Madeline Strader; vocal solos by C. C. Jones, of Brooklyn, and recitations by Mr. Jones and Miss Helen Woolley.

The second part of the program was a novel one, games being played to test the five senses, tasting, seeing, hearing, feeling and smelling. For the tasting test there was a combination of soda, nutmeg, ginger, pepper, cloves, mace, cinnamon and those who took part were expected to give the names of the different articles. The same was required in the smelling process, the articles used being alcohol, almond, nitre, orange lemon, paragon, wintergreen and vinegar. In the test of feeling the young people went into a dark room and a sponge, lemon, half an apple, and a rubber glove, filled with sand were quickly passed among them, the idea being to guess the name of the articles correctly.

For the sight test, candles, shoe horn, book, comb, picture, whisk broom and a box of talcum were placed on a table with a covering. The covering was removed quickly and replaced again, during which one was supposed to remember what they saw and make a correct list. The hearing test, was perhaps the most difficult. All went into a dark room while a mouth organ, banjo, piano, were being played and noise was made on a tin pan and tray. The purpose was to guess the names of the different instruments.

After the entertainment cocoa and cake were served by the social and refreshment committee.

Pollution of Raritan.
New Brunswick's city attorney, Edwin C. McKeag, has called the attention of the City Council to a notice issued by the State Sewerage Commission calling upon the city to stop polluting the waters of the Raritan River. Mr. McKeag practically advised the city to fight the order of the commission, holding that no statutory grounds has been shown why the sewage of the city should not be discharged into the Raritan.

INDUSTRIAL FAIR OPENS

All Sorts of Attractions to
Interest Patrons at Hope
Chapel Bazaar.

PROFITABLE BUSINESS

Fifteen Young Women Act As Messengers—Those In Charge of the Booths—A Restaurant.

Hope chapel's Industrial fair, the most pretentious undertaking yet arranged by the West End congregation, was opened under favorable circumstances, yesterday afternoon. An address benefiting the occasion was given by Rev. Dr. J. S. Zelle, of the Crescent Avenue church, and from then on until late last night those in charge of the various booths and attractions were kept busy catering to the visitors. The attendance in the evening was very large and the profits accumulated accordingly.

The fair is taking place in the Sunday school rooms and they are occupied in all parts by the prettily decorated booths, some of them decidedly unique in construction. The platform was occupied from 8 to 10 last night by the Y. M. C. A. orchestra of nine pieces in charge of Martin A. Korff and added greatly to the enjoyment of the ever-changing crowd. Another feature is an entertainment given nightly in the gymnasium building by Judge Runyon's class.

This diversion is in the form of a tabloid minstrel jubilee with Judge Runyon presiding at the piano. John H. Cose is interlocutor and Hugh Sweeney and Harold Farrar the end men. There is also a large chorus.

For those who come in the afternoon and desire to remain over until night, the Hope chapel restaurant has an appealing look. It is conducted by the Ladies' Aid Society, members of which act as "chefs." Fifteen young women from the Sunday school classes receive and deliver the orders of patrons. The feature of this evening's menu will be clam chowder a la West End.

Directly in the centre of the main room is a large canoe from which pictures, souvenirs and novelties are sold. The little craft has an attractive setting to take the place of water and is guided by Miss Elsie Slorah and Miss Edna Eckert. It promises to be one of the most profitable "concessions" of the whole affair.

The other attractions and those who are in charge are as follows: Japanese hot chocolate—conducted by Mr. Boardman's class, Job Lee, chairman; Mrs. Job Lee, Miss Gray and Mrs. Hughes; Indian novelties—conducted by the Young People's society, Miss Clara Hunter, chairman; Donald Mortimer, Miss Mary Mortimer and Harry Kenny; grocery store and fruit stand—conducted by the Boys' Club, James Kenney, chairman; Clinton Firstbrook, Peter Sweeney, Clarence Hoffman and Frank Rimmer; soap booth—conducted by Dr. Cregar's class; Happy Hooligan's Head—conducted by Dr. Cregar's class, Robert Cratsley, chairman; Clarence Cheshire and Charles Cregar; Ladies' Aid Society; ice-cream parlor and bakery, Mrs. L. R. Howard, chairman; Mrs. Robert Hanglitter, Mrs. Weber, Mrs. Clark, Mrs. Martin and Mrs. Vogel; The Men's Club House—Furnishing Company—Mr. Braunstein, chairman; Robert Slorah, Robert Hanglitter and Thomas Hendry; apron booth—conducted by the Ladies' Missionary Society, Mrs. James Penny, chairman; Mrs. G. H. Condict and Mrs. P. Braunstein; fancy booth, Mrs. Donald McInnes, chairman; Mrs. Neil Head and Mrs. James Bushby; cut flowers and plants—conducted by Men's Bible class, Donald McInnes, chairman; Mr. Johnman, Robert Cartwright, Samuel Cratsley, Alexander Gordon, assisted by Miss M. Hendry; Miss Ethel Manchester, Miss Marion Emery and Miss Madeline Pennington; candy booth—conducted by the Mary E. Wright Memorial Missionary Society, Miss Edith Roseberry, chairman; Miss Belle Slorah and Miss Lillian Braker; The "Old Apple Tree"—conducted by Miss Grace Hazen's class, Miss Grace Hazen, chairman; Miss Duncan; Japanese rolling game, Professor Dencklau, chairman; Miss Elsie Rimmer, Miss Mary Radford and Miss Enna Eckert; lemonade well—conducted by Mrs. Fenton's class, Miss Elizabeth Slorah, chairman; Miss Seals and Miss Heffe; "Metropolitan Museum of Art and Curios," conducted by James Penny and a corps of guides; souvenir postal card booth, conducted by Mr. Leigh's and Mr. Squires' classes; popcorn booth—conducted by Mr. Simons' class, Thomas Heron, chairman; William Richmond and Melville Roseberry; orange booth—conducted by Miss Douglas' and Miss Dennis' classes—Miss Ruth Kenney and Miss M. Hunter.

The Ways and Means Committee which is in general charge of the fair consists of Rev. L. R. Howard, ex-officio member; G. H. Condict, honorary chairman; Mrs. L. R. Howard, honorary member; Donald McInnes, chairman; Ralph Eckert, secretary; John B. Slorah, Henry Vogel, Charles Vincent, David Bowden and Walter Firstbrook.

The proceeds from the enterprise are to be added to the organ fund of the Memorial chapel.

KATZENBACH TOUR BY AUTO.

Democratic Candidate Is to Make a Whirlwind Canvass This Week.

Frank S. Katzenbach, the Democratic candidate for Governor of New Jersey, began today a whirlwind tour by auto of several of the principal counties of New Jersey and keep it up for the rest of the week.

Mr. Katzenbach and State Chairman Robert S. Hudspeth believed that more ground could be covered and time saved in a fast auto than by train. Beginning today the candidate, accompanied by several aides of Chairman Hudspeth, started out to cover Somerset county. Mr. Katzenbach's auto party reached Somerville at 11 a. m., where they were met in Germania Hall, in East Main street, by a committee of seventy-five prominent Democrats. After luncheon the candidate started on a fast tour of the county, making brief stops and short speeches in the towns he covered.

On Thursday Morris county will be tackled. Speeches will be delivered

The spelling match given by the young people of the Baptist church was a great success. Rev. A. C. T. Attlee impersonated the dignified school master, while Mrs. Manning and Philip Smith were his assistants. Miss Marjorie Soper won the first prize as being the best spelled and the fun over the word "pumice" confused quite a number who thought they could spell. Recitations and singing followed, after which ice cream and cake were served.

MEN'S CLUB PLANS

ITS WORK FOR YEAR

FIRST FALL MEETING OF CRESCENT AVE. CHURCH ORGANIZATION.

Committees to take charge of the various branches of the work of the Men's Club of the Crescent Avenue church were appointed and reports of the outlook for the season were read at the meeting of the club last night in the church parlors. Sixteen members were present, and Rev. John Sherridan Zelle, pastor of the church, spoke of the value of the work in the past and made suggestions for the coming year.

L. R. Hopkins was appointed chairman of a committee to arrange for the organization of a men's Bible class, which will meet in the church parlors immediately after the morning service Sundays. A committee on monthly missionary meetings will get to work at once, arranging for study and practical assistance to the foreign missions supported. Lindsey Best was made chairman of a committee to have charge of editing the church paper, "The Messenger." Arthur Lovell, L. R. Hopkins and Frederick M. Gennung will serve with him on this committee, and the paper will aim to keep the parishioners in touch with the work of the various organizations of the church.

At the meeting one of the members of the club reported that he had prepared a card catalog of the parishioners of the church. Such a compendium will be of great use in keeping on all the members of the church, and the need of it has long been felt. At the conclusion of the meeting, refreshments, consisting of sandwiches and coffee, were served.

GRAND JURY TO PROBE STATE ASYLUM DEATH.

Supreme Court Justice Reed demands Thorough Sifting of Silvers Murder Charge.

Supreme Court Justice Reed yesterday at Trenton, at the opening of the October term of the Mercer county court, demanded of the grand jury that it make a thorough investigation into the circumstances surrounding the death of Enoch Silvers at the New Jersey State Hospital, Mercer county, on February 22, 1906.

It was charged and denied before the sessions of the Assembly investigating committee that Silvers had died as the result of beatings he received at the asylum. The case was hushed at the time, but created quite a scandal when ventilated in the State investigation.

The attendants left the hospital soon after the man's death and their whereabouts are not known.

Justice Reed also ordered an investigation into the practice of educated foreigners defrauding their ignorant fellow-countrymen in Trenton by pretending to act as bankers or legal advisers. The grand jury will also investigate the killing of Carrie Williams, a Princeton woman, by James Dowdy, of Morrisville.

DUER STREET'S BRIDGE

Somerset's Freeholders Make Contracts for Structure's Erection.

BOARD BORROWS MONEY

Appropriation Made for Cornerstone Laying Expenses—Board to Meet Saturday.

All the members were present at the regular meeting of the Somerset County Board of Chosen Freeholders, which was held in the court room in Somerville, yesterday afternoon.

County Engineer Doughty reported that the work of straightening the brook at Duer street in the borough of North Plainfield had been accomplished and that plans had been prepared and sent out so that bids for the erection of a stone or concrete bridge at Duer street could be received at this meeting. The action of the committee and engineer were approved by the board.

Bids were opened as follows: Arthur E. Smith, of Plainfield, \$967 on concrete; A. Schuyler, of Somerville, \$8.97 per cubic yard on concrete; Dover Boiler Works, of Dover, \$540 for concrete; W. T. Kirk Company, of Plainfield, \$374 for concrete and \$549 for superstructure; John C. Cooper, of Warrenville, \$5.74 per cubic yard for stone and \$6.74 per cubic yard for concrete; John W. Scott, of Flemington, \$735 for superstructure and \$8.60 a cubic yard for abutments; J. Y. Barrett, of Plainfield, \$6 per cubic yard for concrete and \$5.70 for stone a cubic yard.

The bids were referred to the committee on the bridge, which recommended that the contract be awarded to J. Y. Barrett for concrete at his bid of \$6 a cubic yard and the contract for the superstructure to the Dover Boiler Works at its bid of \$540, with brick arches complete. The Director was authorized to execute the contracts with these bidders.

Mr. Codrington moved that County Collector Allen be authorized to borrow \$20,000 in anticipation of taxes. Carried.

Mr. Gibson read a letter and resolution from South Bound Brook borough, asking that the Board proceed at the earliest possible date to build a new bridge across the Raritan River at Bound Brook, because the borough believes the old bridge is unsafe. Members Thomas E. Gibson, Peter Smith, Joseph Fitzka, Richard W. Hoagland, William M. Demler and Joel Codrington, with Engineer Doughty, were appointed as a committee to examine the bridge and report its recommendation at the next regular meeting.

Mr. Codrington moved that an appropriation of \$100 be made to the building committee for the purpose of defraying the expenses incident to the laying of the cornerstone of the new Court House. This motion was carried by a vote of 8 to 3, William M. Demler, John Emmons and Joseph Fitzka voting in the negative. The ceremonies will probably take place November 8.

County Engineer Doughty reported that it was necessary to have some extra work done on the road being macadamized from North Branch to North Branch Depot, and said same had been done with the consent of the State Road Commissioner. The cost could not now be estimated. The action of the County Engineer was approved.

The Board will meet at the Court House, Saturday, to receive bids for the erection of stone walls along the Pluckemin and North Branch roads at two points where the water washed the roadway.

HAS NO CONTROL OVER PORT CASE AFFIDAVITS.

Attorney-General Replying to Bloomfield Still Thinks Them Not Public Property.

Attorney-General McCarter has sent the following to Charles A. Bloomfield, of Metuchen, in reply to his letter to the attorney-general asking him to cause to be made public the affidavits filed in the case of former Justice John Franklin Fort some years ago:

"Your letter dated the fifth and published in the public press the sixth, was not received in the office until the seventh instant. My sole connection with the matter therein referred to arises from the fact that on the seventeenth of September I gave to the clerk of the Supreme Court an opinion, of which I enclose you a copy. You state in your letter that you and many others hold that these affidavits are public property. Apparently you and the many others to whom you refer take a different view of the law, from that I expressed in my opinion to the clerk of the Supreme Court.

"I, of course, have no information concerning the identity of the 'many others' to whom you refer, nor do I know whether they, like yourself, are laymen or learned in the law. It is always a matter of regret to lawyers that laymen and sometimes even judges, do not take the same view of a legal proposition that they entertain. I am frank to say, however, that my opinion to the clerk of the Supreme Court expressed the views I then enjoyed, and still entertain

LOCAL AMUSEMENTS

"About Town," that great big musical review direct from its most successful six months' run at Lew Fields' Herald Square theatre, New York, where it played to enormous receipts, presented under the direction of Sam S. and Lee Shubert Company (Inc.) with a cast of nearly

Lottie Minto, in "About Town," at New Plainfield Theatre Tonight.

seventy people, headed by that very clever and jolly comedian, Dave Lewis, will be the attraction at the New Plainfield theatre tonight. It is said to be one of the most pleasant surprises in the way of a musical comedy that is likely to be seen in a local theatre during the season.

The remarkable prosperity and wonderful longevity attained by "East Lynn" can be explained only by the fact that the story the play unfolds is intensely human. Although numberless dramas have been written in imitation of this excellent play, not one of them reaches the depths of feeling or sounds the note of human appeal as truly as does this dramatic picture of the joys and sorrows of the beautiful, unfortunate Lady Isabel. To adequately portray the varying emotions of this complex character is a task requiring not only the charm of youthful beauty, but a marked degree of histrionic ability as well. The play will be seen at the New Plainfield theatre tomorrow night.

In the new musical piece, "Two Islands," that will be seen here at the New Plainfield theatre Friday night, there are several songs that have already become so popular that they are being played by the hotel and restaurant orchestras, a sure sign that they have hit the public fancy. The three most decided successes are: "I'm So Demure," "Simply Mary" and "Just For the Sake of Days Gone By." "Two Islands" is in two acts and is said to be full of pretty girls, dainty costumes, catchy songs and barrels of fun. The large company organized by Mortimer M. Theise and destined for a winter run at the Circle theatre, New York, is headed by that king of funmakers, Barney Bernard, assisted by Rice and Cady, John Vincent, Lottie Kendall, Guelda Baker and Lillian Doreen. The chorus is large and attractive, the scenery is beautiful, the costumes novel in design and brilliant in coloring and the mechanical and electrical effects sensational.

The dainty little comic opera star, Grace Cameron, who is to appear

Miss Grace Cameron, at New Plainfield Theatre, Saturday Afternoon and Night, Oct. 12.

with her big musical company at the New Plainfield theatre next Saturday afternoon and night, has not only captured the hearts of the American people but has almost as large a following in London, Berlin, Paris, Cape Town, Johannesburg, and in fact all the larger cities of the world, as she has had in America. During her famous career with such celebrated organizations as "The Bostonians," "Foxy Quiller," Henry W. Savage's Grand Opera Company, "The Telephone Girl," "The French Maid," "The Girl from Paris," "Nancy Brown," "When Johnnie Comes Marching Home," "The Tenderfoot," "Pic, Pat, Pouff," etc., Miss Cameron has never played a part that she did not make a pronounced hit in, and has never had or given a bad performance in all her life. This is attributed as a good and sufficient reason for her present popularity, for as Edwin Booth often said: "The success or failure of actors depends upon their ability and willingness to keep faith with their public."

GYMNASIUM CLASSES START

AT THE LOCAL Y. M. C. A.

Business Men, Police, and Leal's Boys
Had First Classes of Season.

The resuming of athletic activities at the Y. M. C. A. gymnasium on Monday after the suspension of classes during the summer months showed a big increase in the turnout as compared with last year. In the business men's class, there were twenty men on the floor when the class got together in the evening. It being the first meeting, Director Listman put the men through light work, so that the exercise might not have a stiffening effect.

In the afternoon the class from Leal's school met for the first time. There were about twenty-five on the floor and after the exercise there was basketball practice by the candidates for the school team. There are ten or a dozen candidates for the team, and some good material. Regular practice will be held after the meetings of the school class at the gym.

The class for Plainfield cops also had its first meeting Monday

IN THE FOG

BY

Richard Harding Davis.

COPYRIGHT, 1901, BY ROBERT HOWARD RUSSELL.

"All I could see was the square of light from the door I had left open behind me, and a lamp in the hall beyond it flickering in the draught. But even as I watched it, the flame of the lamp was blown violently to and fro, and the door, caught in the same current of air, closed slowly. I knew if it shut I could not again enter the house, and I rushed madly toward it. I believe I even shouted out, as though it were something human which I could compel to obey me, and then I caught my foot against the curb and smashed into the sidewalk. When I rose to my feet I was dizzy and half stunned, and though I thought then that I was moving toward the door, I know now that I probably turned directly from it; for, as I groped about in the night, calling frantically for the police, my fingers touched nothing but the dripping fog, and the iron railings for which I sought seemed to have melted away. For many minutes I beat the mist with my arms like one at blind man's buff, turning sharply in circles, cursing aloud at my stupidity and crying continually for help. At last a voice answered me from the fog, and I found myself held in the circle of a policeman's lantern.

"That is the end of my adventure. What I have to tell you now is what I learned from the police.

"At the station-house to which the man guided me I related what you have just heard. I told them that the house they must at once find was set back from the street within a radius of two hundred yards from the Knightsbridge Barracks, that within fifty yards of it some one was giving a dance to the music of a Hungarian band, and that the railings before it were as high as a man's waist and filed to a point. With that to work upon, twenty men were at once ordered out into the fog to search for the house, and Inspector Lyle himself was dispatched to the home of Lord Edam, Chetney's father, with a warrant for Lord Arthur's arrest. I was thanked and dismissed on my own reconnaissance.

"This morning Inspector Lyle called on me, and from him I learned the police theory of the scene I have just described.

"Apparently I had wandered very far in the fog, for up to noon today the house had not been found, nor had they been able to arrest Lord Arthur. He did not return to his father's house last night, and there is no trace of him; but from what the police knew of the past lives of the people I found in that lost house, they have evolved a theory, and their theory is that the murders were committed by Lord Arthur.

"The infatuation of his elder brother, Lord Chetney, for a Russian princess, so Inspector Lyle tells me, is well known to every one. About two years ago the Princess Zichy, as she calls herself, and he were constantly together, and Chetney informed his friends that they were about to be married. The woman was notorious in two continents, and when Lord Edam heard of his son's infatuation he appealed to the police for her record.

"It is through his having applied to them that they know so much concerning her and her relations with the Chetneys. From the police Lord Edam learned that Madame Zichy had once been a spy in the employ of the Russian Third Section, but that lately she had been repudiated by her own government and was living by her wits, by blackmail, and by her beauty. Lord Edam laid this record before his son,

"IT IS MOST IMPORTANT THAT I PROCEED TO THE HOUSE."

but Chetney either knew it already or the woman persuaded him not to believe in it, and the father and son parted in great anger. Two days later the marquis altered his will, leaving all of his money to the younger brother, Arthur.

"The title and some of the landed property he could not keep from Chetney, but he swore if his son saw the woman again that the will should stand as it was, and he would be left without a penny.

"This was about eighteen months ago, when apparently Chetney tired of the Princess, and suddenly went off to shoot and explore in Central Africa. BOWLING CLUBS' TOURNEY WILL SOON BE STARTED

CENTRAL NEW JERSEY LEAGUE MAKING ITS PLANS.

Preparations are gradually being made by the Central New Jersey Bowling League to resume its annual tournament and the prospects are that the league will be fully as strong, if not stronger than before, owing to the acquisition of new material in the several clubs. Much to the regret of the other members it is expected that the Westfield Club will not continue in the league this season. Why this action was taken is not known definitely, but it is reported that the loss of the club property is the chief reason. In the meantime no efforts have been made to secure another place to bowl.

The league this year will undoubtedly be composed of the following: Jersey City Club, Newark Bay Boat Club, Elizabeth Club, Roselle Casino, Cranford Casino and the Park Club. Plans are underway now to start the games the latter part of November and complete them, as usual, during January. Roselle, Westfield and the Parks have each scored a win on the Journal trophy, which is to be rolled for again this season.

The Park Club team made its best showing last season and efforts will be made to do even better. Practice was started last night by the several candidates for the team and Captain Ball will exercise his usual good care in the selection of a team. The new material at the club this year will make it possible to have a strong combination and it is the hope of the club that it may be successful in winning the trophy a second time.

Conference of Federated Clubs.
The first conference of Federated Clubs of Union county will be held Wednesday afternoon, October 16, in the chapel of the First Presbyterian church, Elizabeth. Rev. William Torrence Stuchell, of Rahway, will make an address on "Child Labor." An attractive program has been prepared and ample time will be given for discussion of matters of local interest to each club and for the presentation of topics relative to the department work of the New Jersey Federation. The local clubs will have a large representation at the conference.

P. S. C. Will Replace the Light.
Councilman F. L. Montgomery, chairman of the light committee, has communicated with the Public Service Corporation regarding the absence of an electric light on West Third street, between Madison and Central avenues, where one is supposed to exist, and the company has promised to attend to the matter at once.

The Plainfield Art Store in the Y. M. C. A. building is the place to secure artists' materials and works of art. Picture frames of all kinds are made to order.

H. K. Lister, of North avenue, invites your attention to his large stock of Edison phonographs and Victor talking machines, and records for both machines. Prices reasonable.

"CENTRAL PARK" Was Is Will Be

IT WAS, only about a year ago, just a pretty farm. IT IS to day the finest building site in Plainfield, with broad avenues macadamized their entire width, concrete curb, sidewalks, trees, gas, electric light, in fact all improvements. Nearly \$100,000 expended in new and handsome dwellings, now ready for the market.

WHAT IT WILL BE we hardly dare predict, with contracts out for even more extensive improvements and twelve more handsome residences.

Central Park is that beautifully situated tract bounded by Park, Prospect, Hillside and Thornton Avenues.

Lots selling rapidly—Prices very low—Great investment or speculative opportunities.

Among the outside attractions on the grounds will be the cane and knife game, baseball dodger, the pancake and hot dog man, all of which will not doubt be liberally patronized.
