HEARD GLEE CLUB

Fourth Annual Recital of Y. W.
C. A. Singers at the
Y.M.C.A. Auditorium.

FOR MT. ST. MARY COLLEGE.

Timothy McMahon Freely Gives Ser-
vices of His Best Vaudeville

Headliners for the
Performance.

Undoubtedly the fourth annual
concert of the Y. W. C. A. Glee Club
given at the Y. M. C. A., last night,
under the direction of S. Frederick
Smith, organist and choirmaster of
Grace church, was the most notable
achievement of this ambitious organ-
ization, and the large audience pre-
sented greatly enjoyed the exception-
ally fine program. Not only did the
glee club sing well, but the assisting
artists afforded music lovers a rare
treat. They were Mrs. Edward Cal-
well Moore, of Boston, pianist, and
Bart Wirtz, of the Peabody Institute
Baltimore, cellist. Joseph McIntyre
was the accompanist for the assist-
ing artists and Miss Helen Brown
the club accompanist.

The club presented eight numbers
in all and the women showed a
marked improvement over their
work of past seasons. There was
pleasing harmony in every selection,
which was of light character, and
the rendition was such as to call
forth hearty applause. The selec-
tions were as follows:

Voices of the Woods, Wanderer's
Night Song, Rubenstein-Lyones. To
the Dance, Denza; Boat Song, Abt;
Serenade, Schubert; Snow Flakes,
Cowen-Lyones; What the Chimney
Sang, Grieg; Doan ye Cry, Nol.

The work of the assisting artists
was of a very high order. Mrs.
Moore, who is a sister of Mrs. H. L.
DeForest, of this city, has appeared
here before and her selections last
night, as well as the perfect execu-
tion, delighted everyone. Her first
two numbers were Prelude and Bal-
lade in A Flat, by Chopin and they
charmed the audience.

Mrs. Moore's concluding numbers
were Cavotte, Gluck-Brahms; No-
turne for the left hand, Scriabine
and La Campanella, Paganini-Liszt,
in which the artist displayed unusual
talent as a pianist. Especially note-
worthy was the second number for
the left hand. This was truly a won-
derful rendition.

Mr. Wirtz, who is not so well-
known here, made many friends by
his fine work. His executions of
difficult numbers was perfect
throughout, the selections being of a
sort that appealed strongly to the
audience. The work of Joseph Mc-
Intyre was of the usual high order
and greatly pleased the audience.

The first three numbers by Mr.
Wirtz were Larghetto, Mozart;
Traumerl, Schumann and Gavotte,
Padre Martine, and his last numbers
were Kol Nidrei, Max Bruch, an
"Elegy," and Tarantella. Squire.
The assisting artists, as well as every
member of the glee club were gen-
erously remembered with flowers at
the close of the concert.

The members of the glee club are
as follows:

The Misses Clara Allen, Alice Bell,
Nadene Ball, E. J. Calver, Emily Cor-
nell, Katherine Dittmar, Margaret
Falkenberg, Elva M. Force, Sarah
Head, Paula Hansen, Nellie Lake,
Harriet Mattison, Emma Ryno, Myra
Stebbins, Ada Stark, Justina Smith,
Eva Southard, Florence Sertven,
Mabel Trenbath, Wilhelmina Vroom,
Annie Whitehouse; Mrs. Alfred
Seidel and Mrs. J. H. Cudberry.

Boice, Mrs. L. H. Biglow, Mrs. S. T.
Wilson, Mrs. J. L. Manning, Mrs.
William White, Mrs. J. A. Powelson,
Mrs. George Robbins, Mrs. S. St. J.
McCutchen; collectors, Mrs. Alex.

The Christian Endeavor Society of
Hope chapel has been holding fre-
quent rehearsals for the play, "The
Two Idiots," which will be presented
Friday night. Mrs. G. Stuart Sim-
mons, the coach, is much pleased
with the progress made by the cast.
Rehearsals will be held every night
next week.

YOUNG WOMEN SEE ELLIS ISLAND SIGHTS

Members of the Young Women's
Mission Band of Trinity Reformed
church to the number of about twenty-
five, accompanied by Rev. J. Y.
Brook, the pastor, visited Ellis Is-
land yesterday. They made a tour
of inspection, under the direction of
Miss Matthews, a missionary located
there, of the landing place for im-
migrants. All were much interested
in what they saw, particularly in the
arrival of hundreds of future citi-
zens.

Miss Matthews personally conduct-
ed the party about the place show-
ing and explaining the important
details of the great work in handling
the thousands of newly arrived
foreigners. The trip proved instructive,
giving the members of the band a
clearer insight into important
home mission work.

REAPPORTIONMENT OF ASSEMBLYMEN

Based on the certified census re-
turns filed in the Secretary of State's
office yesterday, Assemblyman James
introduced a bill providing for a re-
apportionment of members of As-
sembly to the 21 counties of the
State in proportion to the present
population. Under the reapportion-
ment scheme, Essex, Hudson and
Bergen will gain one Assemblyman
each. Cumberland, Burlington and
Monmouth will lose one. The re-
apportionment will not affect the total
membership of the House which is
limited, under the constitution to 50.
The James bill fixes the apportion-
ment of Assemblymen by counties as
follows: Atlantic, 1; Bergen, 3; Bur-
lington, 1; Camden, 3; Cape May, 1;
Cumberland, 1; Essex, 12; Gloucester,
1; Hudson, 13; Hunterdon, 1;
Mercer, 3; Middlesex, 3; Monmouth,
2; Morris, 2; Ocean, 1; Passaic, 5;
Salem, 1; Somerset, 1; Sussex, 1;
Union, 3; Warren, 1.

BRODHEAD OBJECTS TO SAVE EXPENSES

When Assemblyman Ford's bill to
give an eight hour day for employes
and inmates of the State penal in-
stitutions was brought up for third
reading in the Assembly at Trenton
yesterday the measure was opposed
by Assemblyman Calvin E. Brod-
head, of Plainfield, as a member of
the appropriations committee. Mr.
Brodhead thought the bill a bad one
at this time when the object is to
practice economy in State expendi-
tures. At the State Prison at Trenton,
Mr. Brodhead asserted, there
would be an increase in expenses of
\$40,000 by the measure and a propo-
rtionate advance in the other penal
institutions. When the objection
was stated, Mr. Ford asked that the
bill be held over as he was not ready
to refute the assertions. He did not
want to risk a vote on the measure
at that time.

UNION COUNTY RALLY AT WESTFIELD.

A rally meeting of the Union
County C. E. Union will be held in
the Westfield Congregational church
on Friday evening, at 8 o'clock. It
is expected that the Plainfield so-
cieties will be well represented. S.
D. Riddle, superintendent of the
fresh air department of the State C.
E. Union and Samuel MacIlvray, who
had charge of the fresh air camp at
Netherwood last season, will be the
speakers. The topic for discussion
on Friday evening will be "Plans
for the Coming Season."

Miss Waldorf Critically Ill.
Miss Ruth Waldorf, daughter of
Mrs. Alice Waldorf, of Crescent ave-
nue, is critically ill with a combined
attack of typhoid fever, pneumonia
and Bright's disease. Dr. P. J. Zeg-
lio and consulting physicians are in
charge and three trained nurses have
been in constant attendance. Her
death was momentarily expected the
past two nights but she was some-
what better today.

Funeral of Mrs. S. M. Giles.
The funeral service of Mrs. Sam-
uel M. Giles was held yesterday af-
ternoon at the late home on West
Front street, and was largely at-
tended by relatives and friends. Rev.
Dr. C. M. Anderson, pastor of the
First M. E. church, of which Mrs.
Giles was a member, officiated. The
burial was in Hillside cemetery.

Y. M. C. A. Orchestra Concert.
The 42d concert of the Y. M. C. A.
orchestra will be held on the eve-
ning of Tuesday, March 21, in the
Y. M. C. A. Hall. Tickets may be ob-
tained from the drug stores.

LOCAL KENNEL CLUB BENCH SHOW, JUNE 17

The Plainfield Kennel Club will
hold its third annual bench show
at the horse show grounds, Satur-
day, June 17. At the meeting of the
board of governors this week several
new members were elected and plans
for the show were discussed. It was
decided to have a judging of local
dogs which have never been exhib-
ited. As there are many valuable
dogs in this city and vicinity this
should prove a strong class.

This arrangement will obviate the
trouble heretofore experienced
whereby local exhibitors were ob-
liged to compete against the best dogs
in the country. All of the old exhib-
itors have promised to return, to-
gether with many new ones.

HE DARE NOT DO HIS OWN PLUMBING

Frank Scaraffo, an Italian, living
in the West End, who was yesterday
accused of violating a health ordi-
nance, was arraigned this morning
before Judge William G. DeMeza in
the City court, charged with violat-
ing three sections of the plumbing
regulations. He pleaded guilty to the
charges, but said he was absolu-
tely ignorant of the requirements.
Judge DeMeza explained the ordi-
nances relating to plumbing con-
tracts and why it was wrong for a
mason to usurp the privileges of a
plumber and finally suspended sen-
tence. Scaraffo promised to have
the plumbing torn out and replaced
by a duly licensed mechanic.

BLAZE IN GARAGE CAUSES \$150 DAMAGE

An exposed can of gasoline, left
on a work bench at the garage of
Nischwitz and Bellis at Watchung
avenue and Race street, caught fire
in some unknown way at 8:30 last
night, causing an explosion. One end
of the building was set ablaze and
for a short time serious consequences
were threatened. A large number
of automobiles were in the place
and the first efforts of the proprie-
tors and employees were devoted to
getting them to a place of safety. It
was accomplished with only the hood
of one car being slightly scorched.

The thorough fire department re-
sponded and did excellent work in
putting out the flames. One tank of
the chemical engine was used. Mr.
Bellis had put a garden hose at
work and it kept the fire confined to
the original corner. The work bench,
a door and the adjacent casing were
burned. The damage is placed at
\$150, covered by insurance.

Raymond Smith, a member of the
fire department, was severely burned
about the hands while at work. He
attempted to carry out a can of bal-
izing machine oil. He was given first
aid treatment at headquarters.
Chief McCullough conducted an
investigation but was unable to learn
how the gasoline caught fire. It
had been used to clean auto parts
and was left open temporarily. The
men were all in the centre part of
the building and no exposed lights were
about.

Mr. Pope Surprised.
Charles B. Pope, of Summit ave-
nue, was given a surprise party by
about twenty friends at his home
last night. Prize euchre was a fea-
ture of the affair and four tables
were used in the play. The awards
were made as follows: Women's
first, Mrs. F. C. Burner; second, Mrs.
C. B. Pope; men's Mrs. J. H. Snyder,
playing on the men's side; second,
L. B. Townley. Music and refresh-
ments were enjoyed in conclusion.
The affair was arranged by Mrs. F.
C. Burner and Mrs. B. R. Waldron.

Missionary Societies to Meet.
The Women's Missionary Society
of Hope chapel is holding its annual
meeting at the chapel today, in con-
nection with which there will be an
interdenominational prayer meeting
at which there will be representatives
of Grace P. E. Congregational, First
Baptist, First M. E., Trinity Reformed,
Crescent Avenue churches and
Warren chapel. Addresses will be
delivered by various representatives
and refreshments will be served.

Planning for Annual Ball.
The North Plainfield Baseball As-
sociation has completed arrange-
ments for its fifth annual ball to be
held in Saengerbund Hall on Fri-
day evening, April 28. Music will
be furnished by Prof. Heinemeyer,
of Elizabeth. The association would
like to hear from all first-class uni-
formed teams offering suitable guar-
antees. Address all communications to
Manager William Perry, 48 Har-
rison avenue, North Plainfield.

ANNOUNCE TALENT

Maggie Kline, Andrew Mack,
and Ross and Fenton to Ap-
pear at Big Benefit.

EXCEPTIONAL PERFORMANCE.

Mrs. Edward Caldwell Moore, Bart
Wirts, Miss Helen Brown and
Joseph McIntyre Assisting
Artists.

That the entertainment for the
benefit of Mount St. Mary College
will be one of the best given here in
a long time is assured from the
galaxy of first class artists who
through the agency of Timothy Mc-
Mahon, of New York, who is a friend
of the institution, have been secured.
Such headliners as Andrew Mack,
Maggie Kline, Charles J. Ross and
Mabel Fenton have volunteered and
the affair will be worth a full atten-
dance.

The work of securing Andrew
Mack and Miss Kline was done by
Mr. McMahon because of the feeling
of sympathy he has for the sufferers
by the recent calamity. Mr. McMahon
has used his best endeavors to sup-
ply a bill which will meet with the
approval of all classes. Andrew
Mack's reputation is second to none
as a tenor singer of Irish ballads. He
has appeared in Plainfield and al-
ways to crowded houses. Maggie
Kline, she of the "smile that lasts,"
is too well known to require com-
ment here. Charles J. Ross, Mabel
Fenton and Hill and Sylvia are
headliners in one of the big circuits
and are leaders in their specialties.

Miss Mathilde Brugliere, whose
repertoire includes Wagnerian and
other roles, has consented to sing,
but has not yet made known the
selection she will render. The whole
entertainment will be above the
average and will undoubtedly call
out a great gathering of people.

T. D. Harrington will be in charge
of the box office and the prices of
seats will range from \$2 down to
50 cents. The box office at the Plain-
field theatre, where the entertain-
ment is to be held on March 17, is
now open. The other concert which
it was thought to have arranged for
the 15th has been abandoned.

ARTHUR SPICER WEDS MISS LINDA MORRISON

Miss Linda V. Morrison, daughter
of Mrs. George D. Morrison, of 113
Plainfield avenue, and Arthur J.
Spicer, son of Mr. and Mrs. J. D.
Spicer, of 125 West Fifth street,
were married at 5 o'clock yesterday
afternoon at the home of the bride's
mother. The ceremony was performed
by Rev. Edwin Shaw, pastor of the
Seventh-Day Baptist church, in the
presence of the families of the
bride and groom and a few intimate
friends.

The bride wore a handsome white
embroidered gown and carried a bou-
quet of lilies of the valley and the
bridesmaid, Miss Josephine Morris-
son, a sister of the bride, was gowned
in white embroidery over pink silk
and she carried pink carnations. The
best man was George Morrison, a
brother of the bride.

As the bridal party entered the
parlor, the Lohengrin wedding
march was played on the piano by
Miss Mabel A. Maxson, who also
rendered an attractive program of
music during the evening. During
the congratulations of the friends, a
letter of hearty congratulations was
received from the Potter Printing
Press Works signed by the members
of the firm and others in the office,
where Mr. Spicer has held a position
of trust for many years.

Among the valued gifts were gold,
cut-glass and silver; also a check
from the Potter Printing Press
Works. A wedding supper was
served during the reception by Demoli,
the caterer, after which Mr. and Mrs.
Spicer left for a wedding trip to
Washington, Richmond and neigh-
boring cities. On their return they
will reside in their new home on
West Front street.

Dance at Truell Hall.
Under the auspices of the basket-
ball team of the Plainfield High
School, a dance will be held at Truell
Hall, Saturday night. The affair will
be given under the following patron-
age: Mr. and Mrs. R. H. McCready,
Mr. and Mrs. J. W. Pettit, Mr. and
Mrs. L. E. Woolley, Mr. and Mrs. S.
B. Howe, Jr., Mr. and Mrs. Charles
P. Tittsworth, Mr. and Mrs. Henry R.
Hubbard.

At the regular prayer meeting in
Grace M. E. church this evening,
Rev. Orro J. Shoop, the pastor, will
conduct the meeting. The topic will
be "A Lenten Meditation of the Hu-
man Element in Redemption."

ADMITTS HIS GUILT TO ANOTHER CHARGE

John Consoli, who has had several
days in which to think over the plea
entered by him when arraigned on
charges of permitting gambling in
his store on Somerset street, changed
the original plea this morning, not
guilty, to one of guilty. Judge De-
Meza deferred sentencing Consoli
for two weeks.

This makes two charges upon
which Consoli has pleaded guilty.
He acknowledged on Monday that he
was guilty of breaking the Sunday
closing ordinances and the sentence
in that conviction was deferred for
two weeks. This means that he will
have to stand for two sentences two
weeks hence for separate violations
of the city ordinances.

RESERVES DECISION ON RETRIAL OF CASE

Owing to the fact that Judge Wil-
liam Newcorn will attend the annual
convention of the A. O. U. W., at At-
lantic City tomorrow a District court
session was held this morning.

Through the efforts of Counsellor
J. Henry Crane, attorney for Asa
Collier, the case of Collier against
DeBrigard on a claim for \$73 for
wages and money loaned, was re-
opened by order of the Supreme
court. Harry C. Runyon, represent-
ing Arthur DeBrigard, and Mr.
Crane again went over the case and
brought out evidence similar in
character to that of the first trial,
held on December 2, 1909.

Judge Newcorn reserved decision.

HEAD SPLIT OPEN BY FALL FROM POLE

Fred Withers, aged thirty-four
years, a lineman employed by the
New York Telephone Company, was
removed to Mulenberg Hospital at
noon today suffering from serious
injuries received in an accident at
Farwood shortly after 10 o'clock.
Withers was up a pole aiding men
below to raise a heavy cross arm. It
slipped from its fastening and fell on
the lineman, causing him to lose his
balance and fall. He dropped head-
foremost to the ground a distance of
twenty-five feet. His head was split
open by coming in contact with a
curb and he may have received pos-
sible internal injuries.

He was brought to the local ex-
change where Dr. Dundon gave first
treatment, afterwards taking him to
the hospital. Withers came here
from Newburgh, N. Y., last week and
boarded on Park avenue.

SENATOR'S CONDITION IS MUCH IMPROVED.

United States Senator James E.
Martine, who has been detained at
home with a relapse of his ear
trouble, is greatly improved today
and it is thought that he will be out
again within a short time. The deaf-
ness has almost disappeared, the re-
cent operation by Dr. H. V. Hubbard
having afforded the much desired re-
lief.

Mr. Martine had a comfortable
night and awoke this morning feel-
ing rested and more like himself.
He is now able to be about his room
and anticipates an early and com-
plete recovery.

McIntyre Trio Concerts.
The McIntyre Trio, comprising Jo-
seph McIntyre, pianist; Horace Britt,
cellist, and William Graffing King,
violinist, is giving a series of free
recitals at the music room of Frank
Seymour Hastings, West Fifth
street, New York city. The sixtieth
artists are Francis Rogers, Lucy
Marsh and Emma Sellick. The first
concert was on Monday, the others
will be held on March 13 and 20.

Funeral of Frank B. Clark.
The funeral service of Frank B.
Clark, son of Mrs. Anna M. and the
late Bernard Clark, who died at his
home yesterday, will be held at the

Fourth street, Friday morning at

church, where a solemn high mass
of requiem will be offered for the

ANOTHER BUILDING FOR NORTH AVENUE

David T. Kenney, owner of the
old structure on North avenue, now
occupied by the Postal Telegraph
Company, E. H. Cleveley's restau-
rant and Harry Lister, is planning
to make extensive improvements in
the property at an early date. There
is a total frontage there of 72 feet.
The new building will be
constructed along the same style of
architecture as Mr. Kenney's other
structure known as the Smalley
building, with buff brick front and
sides. A feature in construction will
be a court, sixteen feet wide running
through the centre from North ave-
nue where provision will be made
for three stores with offices above
fronting on the court and on North
avenue. The new building will be
three stories and will have a depth
of about 80 feet.

MOVING PICTURES OF CRIME SCENES BARRED

The Senate at Trenton yesterday
passed a bill which will practically
result in a censorship for moving
picture places. The bill (Senate
143) prohibits the exhibition of
moving pictures that reproduces
crimes against the State and federal
laws. When this bill was being con-
sidered Senator Osborne, of Essex
county, made an impassioned plea in
behalf of the youth of the land.
"Why should these places," he said,
"produce for their subjects highway
robberies and crimes of all kinds;
why should they go down into the
depths of degradation to get a few
nickles out of the pockets of the
children of the land?"

Senator Bradley declared that
these places ought to teach a moral
lesson, and Senator Edge, in sup-
porting the bill, declared with em-
phasis that he wanted the amuse-
ments kept of a clean type. The bill
was passed without objection.

TO PREVENT PUBLIC FROM BEING CHEATED

Senator Prince of Passaic, called
up his bill in the State Senate at
Trenton yesterday, to establish a
uniform system of weights and mea-
sures. Numerous amendments were
proposed and adopted after being ex-
plained by Mr. Prince. Among other
things these amendments defined
size of a bushel of oats to be 32
pounds; a barrel of cranberries to
be 100 quarts, and 32 quarts of cran-
berries for a bushel; and specifically
defining the size of the measures and
various packages.

MISSION BAND TO GIVE RESCUE OF PRINCESS WINSOME.

The Sunshine Mission Band of the
Crescent Avenue church will give a
fairly play in the chapel of the church
edifice on Friday afternoon at 3:30
o'clock and again at 8:15 at night.
The scene opens in an orchard where
the witch and ogre are plotting
trouble for the princess and her
brother. The witch hews a charm
to turn him into a dog, but can't
change the princess because she is
guarded by fairy spell. A fierce frog
comes in dragging the two children
into the ogre's tower. The poor
king and queen are much distressed
till a brave knight comes to their
help and rescues the princess through
the aid of Titania and her flower
fairies. The mission band hopes
that all the children and grown-ups,
too, who like fairy stories will come.
The proceeds are to go to the sup-
port of two little famine orphans in
India, a mission station in Canton,
China, and a school in Tripoli, Syria.
There will be candy for sale.

row morning with Mrs. C. W. Ten-
nant, 750 Kensington avenue.

KILLED BY TROLLEY

Frank Wood, of Westfield,
Struck by Car on West Front
St. Early This Morning.

MOTORMAN RELEASED ON BAIL.

Conductor Orlick and Frank Blum-
berg Held in \$500 Bonds as

Witnesses—Charge is
Manslaughter.

As a result of being struck by a
main line trolley car at 1 o'clock
this morning Frank Wood, 59 years
old, of 459 West Grove street, West-
field, lies dead at Cole's undertaking
rooms, where an autopsy will be
held at 4 o'clock this afternoon to
determine the exact cause of death.
Richard Lewis, motorman of the car
that struck Wood is held without
bail to await the action of the grand
jury. He is charged with manslaugh-
ter. Leo B. Orlick, of 229 Prescott
place, conductor, and Frank Blum-
berg, of Westfield, a companion of
the man who was killed, are held in
\$500 bonds each as material wit-
nesses of the accident.

According to the reports furnished
by the police, Wood and Blumberg
were on their way to Westfield from
Somerville, where they had gone to
deliver a load of shoes and leather
findings for their employer, Daniel
Silverstein, of Westfield. The wagon
was empty and the team of horses
which were young and valued at
\$800 were skittish. As the car ap-
proached DeKalb avenue Motorman
Lewis saw the team ahead of him
and at the moment, so he says, there
was ample room for the car to pass
without striking either the horses or
the driver. However, just as the
car arrived opposite the animals they
gave a sudden jump to the side near-
est the track pushing Wood up
against the front part of the trolley
which struck him with enough force
to throw him ten feet away.

The car was brought to a stop and
the trolley crew assisted by several
residents of the neighborhood who
had been awakened by the crash
went to the assistance of the fallen
man. It was seen at a glance that
Wood was badly hurt and Patrolman
O'Keefe, who was on duty at the
spot called up headquarters and Dr.
C. F. Lufburrow was called. He pro-
nounced Wood dead. There was an
abrasion of the right eye and his left
arm was broken, but only an autopsy
will determine the exact cause of
death.

Neither Lewis nor Conductor Orlick
can give clear statements of just how
the accident occurred, but the horse
jumping theory is believed to be the
correct one.

When the car struck the outfit
the team broke away from the wagon
and ran a distance of 150 feet be-
fore a tree in the road brought them
to a sudden standstill. Neither animal
was injured.

Among those who helped to catch
the team and reharne them to the
wagon were Anthony McDonough,
Harry Pound and Henry Overland.
On instruction from Chief Kiely
given through Captain Chris Fred-
rickson Patrolman O'Keefe took in-
to custody the motorman and con-
ductor as well as Blumberg who
was Wood's companion, and all three
were brought to police headquarters,
where the hearing was held this
morning.

Assistant Prosecutor Walter Het-
field, Jr., representing the State,
a Judge DeMeza to fix bail in
the cases of Orlick and Blumberg.
Joseph Whelan, claim agent for the
Public Service Corporation, was the
only representative of the company
present to look after the interests of
the accused motorman and the wit-
nesses. He asked that the men be
paroled in the custody of the com-
pany without bail. This procedure
was strenuously fought against by
Mr. Hetfield and Mr. Whelan was
given until 4 o'clock this afternoon
to secure bail for the men.

It was alleged by an employee of
the P. S. C. that both Wood and
Blumberg were seen drinking from
a bottle just outside the Dunellen
limits and that the conclusion was
drawn that both men were under
the influence of liquor when the ac-
cident occurred. Blumberg was mum
on this subject and only the autopsy
will reveal whether the allegation is
true.

Coroner E. W. Westcott heard the
story of the accident from Chief
Kiely this morning and immediately

BURDENS LIFTED.

From Plainfield Backs—Relief Proved by Lapse of Time. Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms, Relief is but temporary if the cause remains. Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills help the kidneys. Here's proof that you can verify. A. K. Mattis, 127 West Fourth street, Plainfield, N. J., says: "I gave Doan's Kidney Pills my endorsement five years ago after receiving a cure through their use and today I confirm all I then said in their praise. My cure has been permanent." (Statement given January 20, 1911.) On Aug. 28, 1905, Mr. Mattis said: "I was troubled for years by a dull backache and pains in my head. I believe that my trouble was due in a great measure to a bad fall I had. Nothing seemed to help me and when I read of the good work Doan's Kidney Pills were doing in similar cases, I got a supply at Randolph's Drug Store. Their use drove away my aches and pains and my experience gave proof of their merits."

WOULD BLOT OUT THE PARTY LABEL

It will cost a man \$1,000 in cash and a year's imprisonment at hard labor to call himself a Democrat or a Republican if a "bill" introduced in the House by Assemblyman Hand becomes a law—which is doubtful. The Speaker referred the "bill" to the Committee on Riparian Rights, which is expected to drown the measure.

The bill is admittedly not of a serious character, and was introduced by request.

The text of the measure follows: "All political parties by whatever name known, and particularly the Democratic and Republican parties, be and the same are hereby abolished. Any person over the age of twenty-one years who declares himself to be a member of any political party, and particularly the Democratic or Republican party, shall, for the first offense be subject to a fine of not less than \$1,000 or imprisonment at hard labor for not less than two years, or both.

"No organization known or designated as a political organization shall hereafter be permitted to exist in the State of New Jersey, unless such organization shall be known by the name of an individual, it being the intention of this act to eliminate entirely party politics, and to establish in lieu thereof political organizations which shall have been created in the interest of some particular person. All political organizations shall not only bear the name of the individual organizing the same, but shall have on their stationery, banners, placards and advertisements a photograph of such person, duly signed by the founder of said political organization in his own handwriting."

The Ladies' Guild of the Netherwood Reformed church will meet tomorrow afternoon at the home of Mrs. Enoch Berry, of Leland avenue.

The annual meeting of the First Baptist church will be held Wednesday evening, March 22, for the election of officers and reception of reports.

CUISINE NOTES.

When trimming celery for the table save the tips and stalks. Wash and dry in a moderate oven and keep it by you in a tightly-corked bottle for flavoring soups and gravies.

Bread Sauce—Use stale bread crumbs for this, otherwise have fresh bread crumbs dried in the oven.

Mutton Shallops and Tomato Sauce—Cut some rather thick slices of cold mutton, season with pepper and salt and let them stand in a small quantity of olive oil. Boil over a clear fire and serve on mashed potatoes with tomato sauce.

The Difference.

Why is it that a girl whom a woman would describe either as "rather plain" or "nothing much to look at" may be in a man's eyes "pretty"? Just because a man judges by the general effect, and discounts such to him—unimportant trifles as perfect regularity of feature and fashionable attire. A sweet expression and a clear skin—both of which are within the reach of ninety-nine girls out of a hundred—can carry off successfully the snubbiest of snub noses, and a low, soft voice is, in man's estimation, one of the most infallible charms a woman can have.

Her Scrapbook.

"Do you keep a scrap book, Mrs. Rowdy?" asked her friend, Mrs. McGuffey, apropos of nothing in particular. "Well, in a sort of a way," said Mrs. Rowdy. "I keep a diary, and whenever Mr. Rowdy and I have a tiff I make a note of it.—Judge."

Club Talk.

"What's doing at the Terjanned Club?" "Quite a discussion going on about Plymouth Rock. Some say the Pilgrims brought the rock over with them; others say not."

GOLF.

Another addition has been made to the schedule of nearby golf fixtures since W. D. Vanderpool, secretary of the Metropolitan Golf Association, issued his annual list last week. The Shinnecock Hills Golf Club has been assigned August 3, 4 and 5. This is about the usual time selected by the Southampton cottage colony. Thus far no inkling has been received with regards to a tournament from the National Golf Club, whose new course almost flanks the one at Shinnecock. Probably, after the clubhouse is finished, Charles B. Macdonald and his millionaire associates will have something to say.

According to present indications, there seems to be a good chance of the metropolitan open championship being held in July. As has previously been published, the attraction goes to the Englewood Country Club this year, but thus far no date has been set. H. V. Keep, one of the officials of the club, said last night that July 5, 6 and 7 were being considered. The tournament proper, always seventy-two holes medal play, lasts for two days, but it is customary for the entertaining club to precede the main event with a four-ball competition amateurs and professionals playing together as partners. At present there is an open week in June, but it follows right after the New Jersey championship and will not be desirable for the metropolitan.

DRY CLEANING TALK

Number 2

WHAT IS DRY CLEANING?

Many people have erroneous ideas about what Dry Cleaning really is—believing that their clothes are actually cleaned dry—as if by magic method, we pass our hands over the garment and say "Presto!" It is clean.

Dry is a misnomer. "Chemical" cleaning would be a more intelligent name, but people might confuse "Chemical," thinking of acids, alkalis, etc., not used in Dry Cleaning.

The truth is we depend largely upon gasoline, naphtha, benzine—there's a difference—and other petroleum and coal tar products, for our cleansing bath instead of water as do the launderers.

The secret and successful operations in Dry Cleaning are learned only by hard experience and study, coupled with proper equipment. These are what enable us to do superior work.

We know our business thoroughly and are properly equipped in plant, collection and delivery.

DUNELLEN AND VICINITY.

The Dunellen Board of Education held the monthly meeting last night, at which the budget for the coming year was made up. The taxpayers will be asked for an appropriation of \$7,500, divided as follows: current expenses, \$6,500; building and repairs, \$500; industrial education, \$500. This is an increase of \$1,200 and is due to natural growth of school attendance. In the last ten years the number of pupils has increased 62 per cent, and in the past five years 48 per cent. A similar appropriation of \$500 was asked for industrial education was asked for last year but was voted down. The annual meeting will be held on Tuesday, March 21 and in addition to the appropriation, three trustees will be elected to succeed F. R. Wynkoop, Theodore W. Day and R. F. Bogardus, whose terms expire. No new names were suggested and it is possible the present incumbents will be on the ballot. The board adjourned to meet on Monday, March 20, when the business for the present fiscal year will be closed up.

Walter Clawson has purchased the blacksmith business on North avenue established by William L. Sharkey. The new owner will add a number of improvements and have it conducted in a first class manner.

Word has been received to the effect that Dr. T. H. Platt has reached Jacksonville, Fla., where he will remain for the next few weeks to enjoy the balmy breezes.

LITERARY.

The missionary is the introducer of current Western standards. He instructs his schoolboys respecting bathing, spitting, the use of the handkerchief, neatness of garb, the care of one's room, modesty in personal habits. He teaches the people to clean house and yard, to white-wash the walls of the home, to scour the floors of the schoolroom or church. He enforces the duty of being humane to dumb animals, or rearing defective children, of educating daughters and consulting the wife. —From Prof. Edward Alsworth Ross' "Christianity in China," in the March Century.

In each copy of the March number of Woman's Home Companion will be embodied a copy of the painting "Auburn and White," by Hilda Belcher, which won highest distinction in the exhibits of the New York Water-Color Club, the Philadelphia Water-Color Club and other exhibitions.

The March number of Scribner's Magazine has a very striking series of pictures in color, entitled "On the Highways of the Sky," from paintings by William Harnden Foster. These show episodes in the aeroplane history of the near future such as "The Scout Cruiser," "Catching the Limited," etc. No American writer had better inside view of the social life of the Confederacy than Mrs. Burton Harrison, who belonged to a prominent Southern family and knew the intimate life at Richmond during the war. At the end of the war she married President Davis' private secretary, Mrs. Harrison begins in this number her "Recollections Grave and Gay," a series of fascinating papers reproducing those stirring times with vivacity and picturesqueness.

The editors of the American Magazine, who have been with The Phillips Publishing Company, will continue both as editors of and exclusive writers for The Crowell Publishing Co. This group consists of John S. Phillips, Editor-in-Chief, who now becomes an officer and director of The Crowell Publishing Company; Ida M. Tarbell; F. P. Dunne, creator of "Mr. Dooley;" Ray Stannard Baker; Albert A. Boyd; and John M. Siddall. Mr. William Allen White and other writers who have been closely allied with The American Magazine will continue as contributors.

The National Magazine, realizing the importance of the revival of farming interests in the eastern states, began in the March number a series of articles dealing with this subject. Interest is already aroused in many sections and the coming year will no doubt see an increased demand for farm lands which for some years have been selling at only a fraction of their real value.

In the March Wide World there is an extraordinary article descriptive of how whales are caught with nets near the Bay of Islands, New Zealand. The photographs are no less remarkable than the text, and the sport possesses elements which probably make it the most exciting in the world. In the same issue are fully illustrated articles dealing with the Cave-dwellers of the Grand Canary the Beachcombers of the Pacific Coast, the Dancers of Yaqui-land and the Cannibals of the Congo.

The Strand Magazine for March contains an interesting and exhaustive article on the Associated Press and gives in detail many astounding facts as to how the news of the world is gathered. Mr. Melville E. Stone, the General Manager, declares that the "A. P." is writing the history of all nations through its dispatches. Sir Henry W. Lucy commences a new series of "From Behind the Speaker's Chair," which is amusingly illustrated by the Punch cartoonist, E. T. Reed.

ONE-SIDED FASHION.

The song of the wandering minstrel who proclaimed himself to be a thing of shreds and patches is almost applicable to the gowns of the moment. Especially the patches! It is made possible by the one-sided style that prevails.

Have you noticed how many bodices on afternoon and evening gowns are made of two materials? On the right will be Irish lace brought down to the girdle, while balancing it will be folded satin or draped cloth.

A tunic will be draped over one side of the skirt, allowing the other to remain uncovered. Buttons, braid or embroidery need not be applied with the balanced idea. One line of buttons will be used down a blouse or skirt; braid will drop at one side of a coat.

Sashes need not hang down the middle of the back. Indeed, they are more frequently adjusted at one side of the front or back. Drapery is more often at one side than in any balanced disposition and the favorite patches of embroidery are generally used to decorate one side of jackets, skirts and blouses.

Sleeves do not have to match each other in wraps or gowns, and scarfs most certainly are not decorated similarly on each end.

And as for hats! The question is one that would lead you into endless discussion.

It is a one-sided aspect that gives the artistic contrast for which so many have striven and finally attained.

BOYNTON "Square Pot" BOILERS

are the basis of the best hot water heating system known—the Boynton dealers in your town can demonstrate this to your satisfaction.

Boynton boilers have the same square fire pot which has so long made Boynton hot-air heaters famous. This fire pot gives perfect, hence economical, combustion. Being square cornered, it clears of ashes instantly. It's never necessary to fuss or bother with a "BOYNTON" fire. Boynton "square pot" boilers give even, easily controlled heat, from cellar to farthest radiator.

Look at the sectional cut above and see how perfectly the Boynton is arranged for quick steaming.

We WANT COMPETITION

of the Right Sort, Not the Following Kind!

A Mrs. S— after selecting her outfit and learning the total cost from our plainly marked price tags, said she preferred to make comparisons elsewhere before ordering, to which we readily agreed, for it's a thing we always URGE!

On getting another store's prices (where they were marked in private signs) she found ours were far less, and SAID so. The salesman promptly dropped to our figures—AND GOT THE ORDER.

Here, where there's but ONE PLAINLY MARKED PRICE ON EVERY ITEM, such an "accommodating" and sudden price drop would be impossible—here, when you read the price tag, you KNOW it's already at lowest point, for ALL prices are made and REMAIN on the SAME UNIFORM SMALL PROFIT BASIS. We don't HAVE to run a "leader" here and there for an hour, or a day, to catch trade, as ALL lines are equally good values EVERY day in the year!

All we want is HONEST competition that meet OUR plainly marked prices WITH prices you can READ!

ISN'T THAT FAIR?

EASY CREDIT 6 months, 1 year, or 1 1/2 year's time to pay—or 10 per cent off for cash. EVERY PRICE MARKED IN PLAIN FIGURES.

CHRISTIAN ENDEAVOR.

Prayer Meeting Topic For the Week Beginning March 12, 1911.

Topic—First aid for the tempted.—Heb. ii, 14-18. Edited by Rev. Sherman H. Doyle, D. D.

One of our great artists has painted a picture of a knight on the verge of a dark wood through which he has to pass. The wood contains all manner of lurking perils and stealthy enemies, and before entering it the young knight has taken off his helmet and is pouring out his soul in prayer. And the legend at the bottom of the picture is "Into Thy Hands, O Lord!"

That picture teaches a great truth—a truth which every young Christian especially needs to know. It declares that if one hopes to make his way safely, victoriously, through life, each day and many times each day he must commit himself into the keeping of the almighty and gracious Lord. The odds against us are too great for us to hope to win the battle with temptation if we trust solely in our own strength. We are too weak and frail. We are too prone to do evil. We are too ignorant of Satan's devices. What chance have such as we to overcome the forces which array themselves against us? What match are such as we for the principalities and powers of evil?

"Alas, my master, how shall we do?" cries the servant of Elisha as he rushes into the prophet's chamber, his face pale with terror. The host of the enemy encompass the city like a wall, and the terrified man has seen the morning sun glitter on swords and spears and the awful array of war. Calm and self possessed, his master answers, "Fear not, for they that be with us are more than they that be with them." "Who are with us?" the servant might ask. "Who are with us?" Where are they?" The prophet prays, and in answer to his prayer the Lord opens the servant's eyes. And as if every bush and every tree had suddenly changed into a celestial form, "Behold, the mountain was full of horses and chariots round about Elisha!" In our every time of temptation, when Satan and his hosts, issuing from the pit and drawn up in battle array against us, seem to have cut off every way of escape, and we are ready to cry, "Alas, alas, how shall I do?" we, too, need to have our eyes opened. We need to see Jesus. He is our defense. He is our shield. He is our refuge. He is our ever present helper.

Jesus can deliver us out of temptation, for He has shared this life of ours, with all its struggle, against temptation and sin. He has been tempted in all points, like as we are. He has met Satan and all his legions, and He has overcome them. He overcame them decisively in the wilderness. He mastered them in the garden of Gethsemane. He utterly defeated them by His death and resurrection. All through His life as He trod our earth He was tempted, and from every temptation He came forth the victor. Because our Lord is a victorious Lord, who knows Satan through and through and who knows us through and through, He is able to succor them that are tempted.

This succor is our great, our deadly need. Like Peter upon the water when temptations assail our only hope is to cry out at once, "Save, Lord, or I perish." And He will save. Every moment of every day He is doing it. All around us young people are winning splendid moral victories. Trusting in His strength, they are overcoming dark and terrible temptations. And we also may be more than conquerors through Him that loved us, for Jesus is our Saviour not only because He saves us from our past sin, but also because He is a very present help in every time of trouble. And He will show His saving power to every heart that cries to Him in the hour of its temptation. In your hour of temptation He will save you.

A Sunshine Task.

Youth forgets age until the spirit of the Sunshine committee gets into the hearts of the young people and awakens sympathy.

The experience of a young Australian girl might well be taken to heart. The Christian Endeavor News tells the story:

"You're not as good a gal as you might be," said the old age pensioner to one of the Sunshiners who went to see him.

"Why?" she inquired.

"Waal, you go to church and endeavor a lot, I know, but you don't come often to see us old folk."

"Why do you not come to church?" she replied.

"Oh, I don't know. You ought to come and hold your Endeavor here."

"All right," said the visitor. "We'll come."

And they went.

The roads were bad, but a company got together and held bright Christian Endeavor meetings with the old man and in several other homes. The most sunshiny Endeavorers were always selected for leaders; the cloudy ones were reserved for the church meetings.

We do too little of this kind of Sunshine work.

A Year of Progress.

With gratitude to Almighty God I record that the past year has been one of unexampled progress and prosperity in the Christian Endeavor movement throughout the world.—Francis E. Clark.

WATCHUNG HUNT'S CLUBHOUSE CLOSING

The board of stewards of the Watchung Hunt Club has decided to close the clubhouse temporarily. Probably smaller quarters will be secured at an early date. Meanwhile the hounds, in charge of Huntsman Henry Watkins, will be kept at the kennels and horses may be hired or boarded as usual. The only important change will be that the services of the club steward and chef will be dispensed with for the present. At this season of the year, it is said, there is not the great demand for such service.

On June 13 last the club had an indebtedness of about \$4,000, and all of that indebtedness has been liquidated with the exception of a few small accounts. The additional amount of \$3,800 has been expended within the time mentioned for maintenance and upkeep of the club, including the steward, huntsman and hounds, which amount was raised by subscription and otherwise by the board of stewards. At present there is owing the club from house charges and dues \$1,381.15. The club is on a sound financial basis and arrangements are being made for the annual spring steeplechase meet to be held on May 27 and 29, and it is proposed to make it best meet in the history of the club. Assurances have been received that the entry list will be bigger than ever before. The spring hunting season, weather permitting will commence on or about March 25, due notice of which will be given. The clubhouse will be closed on March 15 and notice will be given of the resumption of service there. The members of the board of stewards who signed the circular letter are Henry L. Finch, C. W. Holland, Edwin S. Hooley, J. Hartley Mellick, Arthur L. Otterson, C. E. S. Bellows, Henry E. Butler, W. J. Butfield, Hart S. Farlee, Robert A. Fairbairn and T. R. Van Boskerck.

LOCAL AMUSEMENTS.

James Forbes' four-act comedy, "The Traveling Salesman," comes to the Plainfield theatre tomorrow night. In this play the author has provided Frank J. McIntyre, who makes his first appearance in Plainfield, the traveling salesman, with a vehicle just suited to his style of acting. As Bob Blake, the jolly drummer, whose specialty is women's apparel, McIntyre is said to conform in every particular to the popular conception of a traveling salesman.

Have you ever stood before a superb oil painting—a masterpiece—and unconsciously said to yourself, "if it was only animated?" Or have you, perhaps, gazed upon a splendid moving picture—photographically perfect—and then thought, "if it only reproduced the colors of nature, instead of merely black and white?" If you have, you will find both your wishes and ideals realized in Lyman H. Howe's Travel Festival at the Plainfield theatre next Tuesday night the 14th.

Mr. and Mrs. Frank Zimmerman, of Bound Brook, have been visiting Mr. and Mrs. George Rockefeller, of Willevier street.

MRS. PIKE PRESIDENT OF MISSIONS' SOCIETY

The Women's Home Missionary Society of the First M. E. church held its annual meeting in Vincent chapel, yesterday afternoon, when reports for the year were presented and officers elected. It was stated that about \$100 was raised during the year. Of this amount a portion went toward a scholarship in Porto Rico, some of it was donated to a hospital in Alaska and the remainder given for the building fund of a Deaconess home in Newark.

These officers were elected for the year: President, Mrs. N. W. Pike; first vice-president, Mrs. C. M. Anderson; second vice-president, Mrs. S. V. Edgar; third vice-president, Mrs. G. M. Rittenhouse; recording secretary, Mrs. M. E. McGrath; corresponding secretary, Mrs. J. Hervey Doane; treasurer, Mrs. L. M. French; mite box secretary, Mrs. S. A. Bingham; secretary for sewing, Mrs. Arthur McVoy; secretary for mothers' jewels, Mrs. John M. Lewis; secretary of supplies, Mrs. G. M. ture, Miss Susie Jackson.

The members will meet in the reception room at 12 o'clock noon. Dr. J. M. Green, Dr. C. S. Chapin, Miss Kate Stout, Prof. F. H. Scobey, Superintendent B. C. Wooster and others will speak. Paul C. Scarborough, formerly of the borough, but now of Demarest, is president of the association.

Burns Were Severe.
Mrs. T. Frank Sykes, of "The Red Cottage," Scotch Plains, was burned much worse than first supposed a few days ago when an exploding alcohol lamp in a percolator threw blazing fluid about her, igniting her clothing. The flames enveloped the entire upper part of her body and for several days she has been in a critical condition. Inquiry at the home today elicited the information that she had improved considerably and prospects for recovery are good.
