

KNIGHTS HOLD 'FIELD DAY'

Trinity Commandery Celebrates its Twenty-fifth Anniversary.

LABORATE PROGRAM

Lightful Affair Given at Home of St. F. R. Huntsman—Grand Commandery Present—Dinner is Followed by Athletic Events.

The twenty-fifth anniversary of Trinity Commandery, No. 17, Knights Templar, was combined with the annual "field day," held Saturday afternoon, on the spacious lawn of Sir Robert F. R. Huntsman on Front street, and proved to be one of the most delightful affairs of the kind ever given by the commandery. Weather conditions were ideal for the outing and about 140 knights and their guests gathered to the hospitality of Trinity Commandery and also that of Mr. Huntsman, to whom much of the success of the affair was due. An excellent luncheon was in charge of the arrangements and not a detail was overlooked. From the start to the close of the festivities the entire program was carried out and everyone present enjoyed an afternoon of real fun and social intercourse for which the knights are well-known.

A feature that added much to the pleasure of all was the presence of Grand Commander Nelson Y. Dungan and seven of the associate grand commandery officers as especially invited guests. This, it is believed, is the first time that the grand commandery officers have been here on such an occasion, and they were given a cordial reception.

The dinner was served on the lawn about 2 o'clock, the tables being arranged to represent a cross, with the grand commandery officers sitting at the head. While the guests were enjoying the feast of good things, the Sphinx Club orchestra, of New York, with Frank McKee as leader, gave a real treat in a program of popular numbers. This orchestra, which has a country-wide reputation, delighted everyone and it was considered an honor to be able to hear these famous musicians. In addition to the regular numbers, there were violin solo selections which were equally pleasing.

The novel decorations which were arranged by the committee were not only admired, but afforded considerable amusement. Suspended on many trees were hand-painted signs comprising gentle "knocks" on the members of Trinity Commandery. At the main entrance were stationed two papier-mache heralds, bearing the commandery colors as well as a welcome to the grand commandery. Large American flags were also suspended from the trees which lent a brilliancy to the occasion.

Following the excellent dinner, served by Mrs. Henry Johnson, the assemblage was entertained for awhile by Louis Kieger, of New York, a clever magician and sleight-of-hand performer. He performed some wonderful tricks which combined with his natural wit, kept the gathering convulsed with laughter.

The rest of the afternoon was devoted to athletic sports, beginning with the "Downfall of China" which put the contestants in good condition for the more strenuous part of the program. William R. Townsend, better known as the tax collector, with the assistance of Harry W. Marshall, supervised this part of the "show" in which everyone participated. Then followed a potato race, three-legged race, tug-of-war, wrestling match and many other "stunts" which afforded amusement to the on-lookers and exercise for the contestants.

There was still further amusement when, after the guests were seated for dinner, Dr. D. C. Adams and Mr. Huntsman, wearing large false heads, marched across the lawn with Commander Charles A. Lee, representing "candidate," and securely fastened with a large rope. Mr. Lee was escorted to a seat at the head of the table where he was accorded the honors due him.

The grand commandery officers present, being eight out of the twelve were: Grand Commander, Nelson Y. Dungan; deputy grand commander, William P. Hayes, Trenton; grand captain general, Joseph McDonald, East Orange; grand prelate, David Demarest Newark; grand treasurer, William Carman, New Brunswick; grand recorder, J. M. Wright, Trenton; grand sword bearer, Archibald C. Smith Lambertville; grand warden, Thomas H. Riddle, New Brunswick; also Past Grand Commanders, Dr. D. C. Adams, this city; Joseph S. Davidson, Washington; Peter McNeill, Bound Brook.

Albert D. Honeyman, of the committee, had general supervision of the athletic events, a summary of which follows:

The "Downfall of China." Everyone participated in this event and

HUERTA CANCELS BLOCKADE ORDER

Prevents Anticipated Trouble at Tampico by Doing so and Aids Mediation.

U. S. OFFICIALS PLEASED

Spanish Ambassador Takes News to Bryan—Looks Also as if Carranza Followers Will Be Admitted to Conferences at Niagara Falls.

Washington, June 8.—Huerta has suspended his order declaring a blockade of the Port of Tampico. Word to this effect reached the White House today and was received with every evidence of satisfaction. The action is welcomed as solving a ticklish situation that was filled with grave possibilities.

Senor Riano, the Spanish ambassador, called at the State Department today and presented official despatches from Mexico City, announcing General Huerta's sudden change of front. If any reason for the quick shift on the part of Huerta were contained in the message Secretary Bryan did not make them public.

The communication from the Carranza Junta being replying to the latest communication from the Mediators was sent today. It is admitted here that Armistice will be agreed to by the Constitutionals but they are confident that the terms submitted by them will be acceptable to the Mediators and the other delegates and that the matter of admitting the constitutional delegates to the mediation meetings will be adjusted satisfactorily before the middle of the week.

Niagara Falls, Ont., June 8.—The American delegates arrived at the Clifton House shortly after 11 o'clock this morning for a conversation with the Mediators. They received a message from Washington today informing them that the proposed blockade of Tampico by the Huerta government, had been deferred. The general impression created here is that Huerta by not imposing the blockade is showing a willingness to avail himself of the good offices of the United States.

The conference of the Mediators lasted thirty minutes. In a statement, Associate Justice Lamar said: "The Mediators had heretofore submitted to us a complete plan and we have now submitted to them our plan. Our counter proposition contains the points upon which we have agreed and the plan which we submitted contains also our views on points upon which there has been neither agreement nor disagreement."

MOTORCYCLE RIDER HIT TROLLEY CAR

Italian in Muhlenberg Hospital Suffering From Injuries Sustained Last Night.

Riding a motorcycle along East Second street at midnight last, Dominic Lerney, an Italian, of Berkeley Heights, collided with an east bound Main Line trolley car, sustaining injuries which necessitated his removal to Muhlenberg Hospital. It is said that the victim was driving his machine at a rapid clip, and his escape from instant death is considered miraculous.

He was considerably cut and bruised about the head and body and at an early hour was considered to be in a serious condition, suffering from shock and possible internal injuries. Later he was reported as resting comfortably, and hopes are entertained for his complete recovery. His condition at the present time makes it impossible to secure a statement from him concerning the accident.

CHARLES FREEMAN DIES FOLLOWING BRIEF ILLNESS

Charles Freeman, a resident of this city for the past twenty years, died yesterday afternoon at the home of John Kliner, of Orchard place, with whom he had boarded for some time. Mr. Freeman was a member of Winfield Scott Post, No. 73, G. A. R., of this city. He is survived by one brother, Uel Freeman, of Rahway, of which town he was a native. Mr. Freeman lived a retired life during his residence in this city. He was an uncle of the late Mrs. William Ayers, of West Second street.

The funeral services will be held at the parlors of George W. Cople, 200 West Second street, Wednesday afternoon at 2:30, the interment to be made at Riverside cemetery, Rahway.

OBSERVE 'SCOUT DAY' AT DUNELLEN

Five Troops Take Part in Parade and Ceremonial Meeting.

FLAG PRESENTATION

Addresses by Past State Councilor W. B. LaRue, of Jr. O. U. A. M. and E. J. Drusel, of Advisory Board of Boy Scouts.

Starting from Washington Park, Dunellen, Saturday afternoon at 3 o'clock, five troops of Boy Scouts, two hundred and fifty strong, representing the organization of Plainfield, New Brunswick, Metuchen, Bound Brook and Dunellen, together with a uniformed squad of Jr. O. U. A. M., of Friendship Council, New Market, paraded the streets of that borough, inaugurating the ceremonies of the first annual celebration of "Scout Day." Many of the houses along the line of march by the youthful army dressed in khaki uniforms, had American displayed flags in celebration of the occasion. The parade terminated at 5 o'clock in Washington Park, where the Dunellen Boy Scouts were presented with an American flag by Past State Councilor W. B. LaRue, of the Junior Order of American Mechanics, for the donor, H. S. Titworth. Mr. LaRue in making the presentation delivered an inspiring address on patriotism.

The flag was accepted by President E. J. Dusel, of the Scout advisory board. Mr. Dusel's speech of acceptance was as follows:

"Mr. LaRue and Mr. Titworth, whom you represent, I accept this flag in the name of the Boy Scout Cadets of Dunellen. They thank you, and appreciate your kind courtesy, not alone for the excellent gift itself but, also for the good will and honorable ideals which prompted it. "Boys, the flag is a symbol of union and fidelity to principles and in various forms has floated upon the breezes of every climate for centuries."

"This banner before you, reverently called the Stars and Stripes, appeared with the dawn of liberty in our country. Its exact origin is unknown; its beautiful stars and stripes assembled themselves for the nebulous past, when our light began to shine just as the rainbow appeared after the storm, beautiful and awe-inspiring formed from the mists of heaven."

The squad of the Jr. O. U. A. M. troops then fired a salute to the flag after which Scout Commissioner Beals, of Plainfield, spoke. He told of the qualifications of the scout and what the name scout meant. It carries with it self-respect and honor. It means that all will be helped as much as possible to get a square chance. It also means the doing of good deeds and the helping of one another.

He commended the local troop and asked that the parents give their support as much as possible to its advancement.

RICHARD H. DAY PASSES AWAY AT BONNIE BURN

Richard H. Day, for many years in the liver business in this city, died yesterday morning at Bonnie Burn, after a lingering illness. Mr. Day was well known throughout the city, and had a host of friends.

Mr. Day is survived by one brother, Frank Day, of this city, two daughters, Mrs. Olive Cruber, of Newburgh, N. Y. and Mrs. Ethel Cashion, of this city, and three sons, Frank Russell, and Harold Day, all of this city.

The funeral services will be held tomorrow morning at 8:30 o'clock at the home of his brother, 435 West Fourth street, and at St. Mary's R. C. church at 9 o'clock. Interment will be made at St. Mary's cemetery.

AUCTION OF LOTS SUCCESSFUL

The auction sale of building lots in Holly Park was concluded with the sales of Saturday. A summary of the sales of the four days showed that most of the lots went to New York buyers. Adams & Ingalls, of Stamford, Conn., were the auctioneers.

APPROACHING WEDDING.

Miss Florence Luray Overton, daughter of Mr. and Mrs. Chalmers Overton, of North Plainfield, and Albert E. Crane, of New York, will be married Tuesday evening, June 16, at Holy Cross church North Plainfield.

Fresh fruits and vegetables grown in the immediate vicinity of Plainfield are now being offered at Neuman Brothers' Washington market, the supply including strawberries, asparagus and peas.—Adv.

JOHN R. SILLIMAN.

© 1914, by American Press Association.

Vice Consul John R. Silliman has returned to the United States and was immediately sent for by President Wilson. He told the president of some of his experiences while a prisoner at Saltillo. The vice consul was taken to the White House by Secretary Bryan, and it is understood that he informed President Wilson that the various indignities suffered by him were at the direct orders of General Maas.

GAVE SURPRISE "SHOWER" FOR MISS RUTH STRYKER

Mrs. Clarence B. Vail, of Norwood avenue, gave a surprise miscellaneous "shower" for Miss Ruth Stryker, of West Fourth street, at her home Saturday afternoon, following the announcement of the engagement of Miss Stryker to Horace Vail, son of Mr. and Mrs. Charles E. Vail of this city. There were present about forty members of the Friends' Sewing Circle of which Miss Stryker is one.

Miss Stryker received many useful gifts which were wrapped in crepe paper to represent some fruit, vegetable or flower. After the opening of the packages, refreshments were served by the hostess, Miss Stryker and Mr. Vail will be married in the near future.

WILLIAM H. THOMPSON DIES AT LAKE HOPATCONG

William H. Thompson, aged sixty-seven years, former postmaster of Somerville, died yesterday at his home at Lake Hopatcong. For many years he was engaged in the grocery business at Somerville with his brother, H. M. Thompson. He succeeded James T. Vanderveer as postmaster under President Harrison. Mr. Thompson had extensive bath house privileges at Lake Hopatcong. He leaves a wife, one daughter, Miss Stella Thompson. He was an uncle to Mrs. Armstrong Mulford, of this city.

Funeral services will be held at the Second Reformed church, Somerville, Wednesday morning at 11 o'clock, in charge of Rev. Roy E. Vale, pastor, and assisted by Rev. Dr. E. G. Reed, of this city. Burial will be at Sonerville.

Y. W. C. A. TO HOLD A "SILVER BAY PARTY"

At the annual Silver Bay Vesper service of the Young Women's Christian Association, yesterday afternoon, Miss Helen Day, of the National Board, aroused much enthusiasm by her talk on the Silver Bay conference. At this meeting certificates were given to the Misses Ethel Blazer, Mariella Brokaw, Mildred Brown, Emily Coriell, Marjorie Chandler, and Margaret A. Hawkins for having successfully passed the National Board examination in the second course of Bible study. The certificates were presented by Mrs. Martha B. Tennant in charge of the religious work of the committee.

Final arrangements were made for the Silver Bay party which is to be held Friday, June 12, at eight o'clock in the yard of the association. This party will take the form of a county fair. The admission to the grounds will be ten cents. Features of the entertainment will be the balloon ascension, the Greek dance, and the performance of Blue Bird, which will be given by the same cast that played it at the Silver Bay conference. The proceeds will be used to send the Plainfield delegates to the Silver Bay conference, which will be held the last week in July.

BRIDE AND GROOM RETURN. Mr. and Mrs. William A. Codrington returned last night from their honeymoon trip to Washington, and for the present will reside at 10 Mountain avenue, the borough. Later they will remove to Plainfield.

SUDDEN DEATH OF A. M. RUNYON

Succumbs to An Acute Attack of Heart Trouble After Retiring.

NATIVE OF PLAINFIELD

For Nearly Forty Years Was Engaged in Undertaking Business Here—Was Member of First Baptist Church.

Alexander Manning Runyon, for nearly forty years engaged in the undertaking business in this city, being the senior member of the old well known firm of A. M. Runyon & Son, died suddenly Saturday night at his home on Madison avenue. He was in his eightieth year. Mr. Runyon, although he had been under treatment for slight ailments, had been feeling unusually well on Saturday and during the early part of the evening up to the time he retired.

Later he awakened members of the household complaining of illness and requested that a physician be summoned. Before Dr. P. J. Zeglio, the family physician, could reach the home, Mr. Runyon had passed away, heart trouble being the cause of death.

Mr. Runyon was born in Plainfield, and always lived here. When a young man he engaged in the cabinet-making business with Oliver Runyon, and assisted in the undertaking business which was also carried on by the latter. Later he engaged in business for himself and a few years afterward his son, the late Elmer E. Runyon became associated with his father, continuing in the business under the firm name of A. M. Runyon & Son, until his death on October 16, 1912.

Mr. Runyon was greatly affected by the death of his son, also the death of another son, Frank W. Runyon, as well as that of his wife, and yet he bore up under the affliction remarkably well. He was a life-long member of the First Baptist church, and a regular attendant at the services; also Jerusalem Lodge, No. 26, F. & A. M. He possessed a kindly, genial disposition and had a faculty for making friends. He was a staunch Republican, but never held public office.

Mr. Runyon's wife, who died December 16, 1911, was Miss Elizabeth Williams. He is the last member of his family and is survived by a daughter-in-law, Mrs. Elmer E. Runyon, and a grandson, Kenneth Ellsworth Runyon. The latter, the only remaining member of the family, will continue the undertaking business.

The funeral will be held at the residence of his daughter-in-law, Mrs. Elmer E. Runyon, 608 Madison avenue, at 4 o'clock tomorrow afternoon. Rev. Dr. Philip B. Strong, of the First Baptist church, will officiate. The burial which will be private will be in Hillside cemetery, Wednesday morning.

TWO-MEN TEAMS WILL ENGAGE IN CHURCH CANVASS

Twenty-five two-men teams have been organized at Trinity Reformed church to conduct the every-member canvass which is to be inaugurated at that church one week from tomorrow. The teams are as follows:

Willett and Ralph P. Gay; W. B. Kliney and LeRoy Layton; Arthur B. Cole and John Osborn; L. M. Leek and F. T. Woodhull; W. J. Trembath and George E. Volk; E. J. Sheppard and E. P. Wheeler; C. M. Dolliver and William H. Kirch; H. C. VanEmburgh and C. F. Colthart; F. S. Cutter and C. W. Belter; J. P. Laire and J. S. Miller; B. F. Force and William Nevius; George Kirch and L. Rosenstiel; Albertus Swalm and E. D. Young; C. Q. Dolliver and J. L. Dolliver; J. M. Welsh and J. B. Conkling; E. V. H. Voorhees; and Russell Doeringer; H. P. Seader and W. J. Dunavan; W. A. Woodruff and Charles Debele; C. F. French and B. F. Coriell.

HANSEN-VOLZEN.

Miss Willie Jane Hansen and Axel S. Volzen, both of Plainfield, were married at 7 o'clock last evening, by Rev. Dr. C. M. Anderson, of the First M. E. church. The ceremony was performed at the home of the officiating clergyman on Central avenue. The couple was attended by Miss Mae Baughman and Charles H. Lehman, also of Plainfield. The groom is employed at the Quaker Hill Farm and he and his wife will reside here.

THREE SNARED IN FLATLEY'S TRAP

Patrolman Nabs Autoists Driving Their Machines at Excessive Speed.

WAR ON OFFENDERS

Many More Will Be Watched by Local Authorities—Patrolmen Assigned to Put End to Practice—Two Got Suspended Sentences.

Three motorists, two from this city and a third from Newark, were snared in Patrolman Thomas Flatley's dragnet yesterday afternoon and appeared in the city court before City Judge W. G. DeMeza this morning. George A. Stelle, of Broad street, Newark, fell a victim while driving through West Front street near Grant avenue, at a speed estimated to exceed twenty-five miles an hour. He pleaded guilty to the charge and admitted that the patrolman was right in his accusations. In consideration of his frankness and because the violation was not a flagrant one Judge DeMeza suspended a sentence of \$50 over him with a warning.

Clarence Rocap, of North Plainfield, was also arrested on West Front street charged with driving a car at thirty miles an hour. He also admitted his guilt. In consideration of his admissions and previous good record as an automobile driver he was also given a suspended sentence of a \$50 fine.

Harry Muschgunoc, of the Netherwood section, was apprehended while driving a motorcycle at a forty-mile clip along West Front street. In court the offender denied exceeding fifteen miles an hour, but evidence showed that all efforts to stop his machine within one block and a half of the patrolman were futile. His attempt to evade the law cost him \$10, that being the sentence imposed by the court.

In disposing of the three cases Judge DeMeza outlined to the offenders the crusade against violations of the auto law being waged by the local police department and warned them that all future offenses would mean the full penalty. The names of a number of flagrant offenders living in and nearby Plainfield have been secured by the authorities and every effort will be made to put a stop to the practice. Chief Kieley is determined to stop auto speeding and has assigned men to do this special work.

WILL RAISE FLAG AT MT. ST. MARY

Frank A. Reynolds, of Perth Amboy, the Donor of Pole and National Colors.

Elaborate plans are underway for a flag raising ceremony at Mt. St. Mary College next Saturday afternoon when George F. Reynolds, of Perth Amboy, will officially present to the institution a flag and flag pole to be erected on the premises. A fitting program is being arranged for the occasion.

Several prominent men interested in the institution will attend and make addresses. The Rev. John Baldwin, chaplain of the college, will be in charge of the services and is chairman of the following committee: George J. Tobin, vice-chairman; George F. Reynolds and W. T. Weaver, of Perth Amboy; Edward Radell, of New Brunswick; Martin P. O'Connor, William J. McCloud, Vincent H. Seller, Edward Nugent and James H. Coleman, of Elizabeth; Colonel John M. Rogers and C. A. Goff, of Trenton; A. A. Cannon, John J. Carty, William Wheeler and Robert McCormick, of Plainfield.

REAL ESTATE DEALERS IN PUBLIC FISTIC ENCOUNTER

Henry Fellman, of Mariners street Brooklyn, appeared in the city court this morning, as complainant against Samuel Schwartz, of 1030 Arlington avenue, charging him with assault and battery. The act is alleged to have been committed near the trolley station on Watchung avenue, yesterday afternoon. The defendant failed to appear in court this morning as instructed.

According to Fellman the defendant struck him about the face without provocation. The two men are real estate dealers in this section and the quarrel is said to have arisen over jealousy growing out of sales made by Fellman. Schwartz will be arraigned today and brought into court to answer to the charges preferred against him.

BOROUGH POLICE IN THREE RAIDS

Objectional Resorts "Pulled" By North Plainfield Authorities Last Night.

GET TWELVE PRISONERS

Arraigned Before Recorder Hand in Court This Morning—Offenders Forfeit Fines Aggregating \$95—Were Gambling and Drinking.

Twelve men were taken into custody by the police of North Plainfield, last night, when the borough authorities raided three "speakeasies" that have been under surveillance for some time past. The occupants of the places "pulled" were taken completely unawares and hustled off to the borough headquarters before they could realize what had happened. The disorderly rooms were located just over the city line on Somerset street, in a small radius and intoxicants, it is said, were found to be plentiful in each case.

Chief Weiss had carefully planned the details for the raids and the first place pulled was a room in the top floor of the building located at 47 Somerset street. Sneaking up the narrow staircase leading from the street, Weiss and his men were confronted at the landing with two doors. Both were under suspicion and in order not to allow anything to get by him the chief sent men in at each entrance. To their surprise they encountered disorderly rooms on both sides, one run by Frank Maloney and the other by Joe Regle. The frequenters of the place, together with the proprietors were taken to headquarters and placed in cells for trial this morning. After disposing of the first batch the policemen went to the house situated at 10 Somerset place, a short distance away and found Oreto Rossi conducting an alleged objectionable place.

Arraigned before Recorder Hand in the borough court, this morning, the proprietors each paid a fine of \$20 in default of which they will be committed to the Somerset county jail. In disposing of the cases Recorder Hand dealt out scathing reprimands and warned the offenders that a second appearance on the same charge would mean imprisonment in the county jail without the option of a fine.

Joseph Devenea and Mangle Caronado, of North Plainfield; Pete Bowcoss, Samuel Reno and Louis Parretti, of this city, and Atton Scipion, of Metuchen, were fined \$5 each. The other men taken in the raid were given suspended sentences, not having purchased drinks in the places. This made a total of \$95 collected in fines. Gambling and drinking constituted the offenses in each case.

This is the second big raid conducted by Chief Weiss during the last month. Several weeks ago a number of colored crap-shooters were taken in a raid on a Duer street house and fines collected aggregating \$270.

ENTERTAINED NEW YORK GERMAN SINGING SOCIETY

Thirty-five members of the singing section of the New York German Society visited the local Gesang und Turn Verein Society yesterday. The visitors were escorted to Saengerbund Hall, where a banquet was held in their honor at noon, this portion of the day being under the direction of Steward Kuntz.

During the course of the afternoon, the visitors enjoyed a ramble in the Watchung mountains, the remainder of the time being spent at the grove on Interhaven avenue, the borough.

MR. AND MRS. HUFF ENTERTAIN

Mr. and Mrs. Horace C. Huff, of Codrington avenue, gave a party Saturday night. The evening was spent in playing cards after which refreshments were served. Mrs. C. B. Pope received first honor for the women and Mrs. F. C. Burner received second, while F. C. Burner received the honor for the men. Those present were Mr. and Mrs. William Dunn, Mr. and Mrs. Lorenz Townley, Mr. and Mrs. F. C. Burner, Mrs. C. B. Pope, Mrs. L. B. Pope, Mrs. J. H. Snyder, Walter Walker and Alfred Townley.

SIMON WINS ANOTHER RACE.

The newly organized wheelmen's club, of Plainfield, took its first ride yesterday to Vailsburg. Here Willie Simon entered the two-mile novice on a board track and won by three yards. Simon's time was four minutes and fifty seven seconds. This victory, following his winning the Decoration Day road race, gives Simon a good chance for the city championship.

MILITANTS ARE BADLY BEATEN

Worshippers Throw Them Bodily Out of Church.

FEATHERS STREW FLOOR.

Broken Combs, Torn Veils and Ribbons Found at Foot of Altar—One of the "Wild Women" Bites Verger Severely on Hand.

London, June 8.—Striking evidence that the public has been goaded by the militants beyond the limits of endurance was furnished when suffragettes received rough treatment in various parts of London.

Fifteen suffragettes entered the Oratory at Brompton while mass was being said, and the congregation so resented their conduct that they joined almost in a body in ejecting them, the women taking an active part.

Then a hard featured woman stalked up the nave toward the pulpit and shouted something about forcible feeding. The verger and several other men seized the woman. One man put his hand over her mouth. The woman bit through his glove and nipped the flesh. She was hustled out, struggling violently.

This disturber had just been put out when another woman rushed up to the altar and began to scream. She was seized by several men and was finally thrown out, but not without a violent scene. She hit right and left with an umbrella which she carried as people began to leave their seats to help the verger. Well dressed women in the congregation jabbed her with their umbrellas, while men seized the "wild woman's" wrists and wrestled her umbrella from her. She continued to kick, struggle and scream like a maniac, but was finally ejected.

This virago had hardly been thrown out when others started a racket in the church, and a series of furious fights resulted. The congregation took a hand, which has never been the case hitherto in the church raids, and they showed no mercy to the "furies." The women worshippers in the church were especially fierce in their attacks on the intruders. One after another of the militants was ejected amid shrieks and struggles.

Verger Roll Down Church Steps. There was an amazing scene on the steps of the oratory as the vergers and others plunged out with the wild, yelling women in their grasp. Twice the vergers rolled down the steps clutching and clutching by screaming women. One of the ejected women was just about entering a taxicab when an ingenu woman worshiper who had followed her out rushed up and struck her in the face.

Father Burnham, the superior of the Oratorians, was sent for at the height of the disturbance. Just as he entered the church he was confronted by a wild, elderly Frenchwoman, who yelled in French that "the English are torturing women as they have always done since they tortured Joan of Arc." A hand was clapped over the woman's mouth, and she was unable to deliver the remainder of her speech. She was then ejected.

After the battle was over it was found that the floor near the pulpit was strewn with smashed combs and feathers, scraps of veils, ribbons and handkerchiefs. One woman who had been ejected lay down on the sidewalk outside the church and refused to move. Her teeth had been injured by somebody's fist, and she talked with difficulty. Her hat was torn off, and her clothes were in a disordered condition and covered with dirt, caused by the scufflers trampling over her. Eventually the police arrested her.

"MOTHER" JONES IN CANADA.

Dominion Admits Strike Leader, Overruling Immigration Officials.

Seattle, Wash., June 8.—"Mother" Mary Jones, organizer for the United Mine Workers of America, arrived at Victoria, B. C., the Canadian immigration officials who prevented her from embarking on the previous day having been overruled by their superior officers at Ottawa.

The British Columbia government ordered the exclusion of "Mother" Jones, who had announced her intention of addressing the striking coal miners of Vancouver Island, on the ground that she would be likely to "stir up trouble."

"Mother" Jones at once left Victoria for the center of the coal mine strike district at Nanaimo.

ROOSEVELT OFF FOR MADRID.

Ex-President Fallieres Calls on the American Former Executive.

Paris, June 8.—Colonel Theodore Roosevelt, accompanied by several Americans who are to be guests at the coming wedding of his son Kermit and Miss Belle Wyatt Willard this week, started for Madrid.

The morning was wet, and Colonel Roosevelt remained indoors writing letters at the Hotel de Crillon until he went to the station with Miss Edith Wharton, the novelist, who was his guest at breakfast. Oscar Straus of New York and Miss Page, daughter of the American ambassador at London, who is to be one of the bridesmaids at the wedding, were passengers on the same train.

Imagine Making Dresses Like These for \$9.98

A New York maker, who imports largely of models and materials, turned over dresses last week at a most extraordinary price concession—the remainder of his high-grade lots of summer dresses—exclusive in detail, exclusive in design, and exclusive in materials.

Many of the cloths are imported materials, including crepes, voiles and sheer fabrics, the latter mostly in white. Some of the dresses are daintily trimmed with embroideries, others with laces and nets, still others with the most fetching ribbon captations.

And at \$15 to \$25, their intended prices, these dresses would be considered by many of the exclusive New York shops exceptional values. You'll find them here at Hahne's tomorrow at \$9.98. All sizes, too.

Tailor-Made Suits for the Young Miss at \$9.98

The very kind of suits that the young miss of from eighteen to twenty years will want to wear right now! They are made of an exceptionally fine quality of crepe cloth—a light weight—by expert men tailors, who never knew how to turn out a garment that could be classed as "cheap." The suits come in black, navy, tan and brown; the coats are all cut short, with belted backs, a steamer in the front, and all lined with peau de cygne; double tunic skirts.

Suits usually sold for \$16.50, marked very special at Hahne's tomorrow at \$9.98.

Plainfield, N. J., June 8, 1914.

BON FIRE NIGHTS.

Plainfield might well take a tip from Spokane, Washington, following the clean-up week which the Board of Health says was so successful. The Advertising Club of that city, following a clean-up period, celebrated a series of "bon fire nights" last week, which left the city more spick and span than ever before. The general clean-up in Spokane resulted in the removal from backyards and alleys of more than 1,000 wagonloads of rubbish, and the Ad Club's bonfires effectively cleaned up vacant lots and railroad rights of way.

The ad men organized themselves into flying squadrons, each with a leader and all with a single purpose—to cut a clean swath everywhere. They had the co-operation of the city health department, which heartily endorsed the new idea. Spokane was divided into six districts. One of these was covered each night during the week, the workers raking into piles and setting a torch to dead grass, leaves, rags and other rubbish to be found on vacant lots. Whatever could not be burned, the health department carried away.

These nightly celebrations were more spectacular than planned. The public generally, well satisfied with its clean-up days, fell readily into the plan for clean-up nights and bonfires lighted the city in a manner equal to any campaign jollification ever held. Indeed, it was more or less of a celebration, marking the conclusion of a real and thorough annual clean-up.

Next year, bonfire week will be celebrated again in Spokane. Next year also, Plainfield might have bonfire nights. Everywhere communities are celebrating clean-up days and clean-up weeks. New ideas are being originated here and adopted there. The movement has had a remarkable growth and a wonderful development as well, and the Spokane Ad Club must be thanked for its innovation, which is well worth copying.

COLLEGES AND PUBLIC SERVICE

The colleges are beginning to train young men definitely, practically for public service, opening their class rooms for the study of municipal problems and turning their attention to the question how best to render a service to municipalities. It has come about by reason of the new demand made by citizens who require that municipal government administration be upbuilt on the basis of competency, efficiency and expert knowledge, with practical ability.

It was neither a large nor widely heralded gathering of college professors in New York a couple of weeks ago who met for the discussion of how best to accept this new

duty of their institutions, but it was the beginning of a new and important movement which bids fair to have a great future. In the past, politicians and their friends have filled the bill for "positions of public trust." If they were college men, the steps were simple—college, law, politics, public office. This is being reduced to a single step—college, office.

It does not mean so much that only college men are now necessary for efficient administration and conduct of municipal affairs. Rather, it shows that trained men are being required more and more and the colleges, instead of training for some other professions, are willing to assist in the demanded training for municipal service. Moreover, these institutions have been undertaking the task newly set for them but their product has been men of theory who seldom were able to be of as much practical service in city office or city appointment as the practical politician whose only theory has been that of providing a service to keep himself or his party in power. The men to whom city government is to be entrusted in America in the future must be men of efficiency; they must be both expert and efficient to render the greatest good to the greatest number of people. The expert is theoretical enough to be alive to new duties and possibilities which his position offers; the efficient official is primarily practical, and combining the two will bring about successful, honest and efficient administration of public affairs—the goal for which cities pretty generally over the United States are striving or must strive.

The Richmond Company, publishers of the City Directory, are said to be very much discouraged over the effort which they are being compelled to make to put out an edition this year. The financial depression is given by some as a reason for not subscribing for the book this year and every other reason that can be thought of, when the canvassers approach the business men. We cannot understand how any person can be so lacking in public spirit as to fail to assist in the annual compilation of this most valuable reference book of the city. The Richmond Company have given to Plainfield two editions of the directory, for 1912 and 1913, and they have been the first real directories that the city has ever known, having been carefully compiled and as accurate as books of the character can be. It is sincerely to be hoped that those business men who have declined to subscribe this year will reconsider, and notify the Richmond Company that they can again be depended upon to assist in continuing this splendid and valuable work.

It is now explained that those two motorcycles, purchased for the police department, are needed to assist in enforcing the automobile law. If the city's money must be wasted in this manner, why buy two machines? With the small police department we have, is it necessary to have two uniformed men joy riding about town during the daylight hours? Perhaps two machines are needed so that one can always be depended upon to be in fit condition for service. The city has had one experience of the kind, and every patrolman in the department who was unfortunate enough to be forced to ride them breathed a sigh of relief when they were finally sold for a little more than junk. The purchase presents a fine argument for those who say that small extravagances cause the increase in tax rate.

There are so many arguments in favor of consolidation of North Plainfield with Plainfield, that the people of the borough don't care to talk about the matter. They will vote in favor of the move by a large majority, or the present trend of public sentiment is certainly misleading.

By the way, did the police board patronize a home tradesman when they bought the motorcycles, or did some of the city's money go to New York for an article which is supposed to be sold at the same price by dealers everywhere?

PETIT JURY DRAWN.

Elizabeth, June 8—The following Plainfield men were drawn today as members of the petit jury to serve two weeks beginning next Monday: Charles E. Drake, Joseph A. Meyer, Judson Bonnell, Eugene A. Laing and Charles Burnett. Peter Ritter, of Fanwood, was also drawn.

GREECE DENOUNCES
CARNEGIE REPORTStatement Issued Against the
Peace Investigators.

Washington, June 8.—The Carnegie peace foundation, whose purpose is the promotion of universal peace, is severely attacked by the Greek government in an official statement issued here from the Greek legation. According to the statement, the Carnegie foundation's commission, sent to Europe to investigate alleged atrocities in connection with the Balkan wars, was so pro-Bulgarian that in an effort to shield the Bulgarians it slandered Greece through misstatement in extraneous matter, ignored documentary evidence regarding the barbarity of the Bulgarians and heaped upon Greece false charges.

The official statement is in reality a preface to a lengthy and detailed report prepared by the Greek government for dissemination in this country within the next few weeks as an indignant answer to the charges made against the Greek armies by the findings of the foundation's commission. The statement given to the press by Alexander Youros, the Greek charge d'affaires, replies to statements contained in the portions of the commission's report already given to the public and says:

"In the first place, the commission's report charges that in each instance of atrocities committed the Bulgarians acted under provocation and that in each case the accusation was greatly exaggerated. What does the report mean by 'provocation'?"
"It is a notorious fact that in Nigritia more than 400 inhabitants were slaughtered and the town was sacked by the Bulgarians."
"In Doran the Bulgarians killed the Greek bishop and thirty Greek citizens."
"In Stronmitza the Bulgarians killed three Greek men, one Greek woman and sixteen Mussulmans."

CHILDREN'S DAY EXERCISES
HELD AT HOPE CHAPEL

Children's Day was observed at Hope Chapel yesterday morning, when the Sunday school joined in the regular church service. G. Herbert Condict, superintendent of the Sunday school, presided.

The children of the various departments opened the service by singing the processional hymn, "Onward, Christian Soldiers." The program was in charge of the heads of the various departments, Mrs. Grace P. Williams, Mrs. Frank Rimmer and Miss Flora Williams, assisted by the teachers. Miss Agnes Leight presided at the piano for the children, and Thomas M. Jones at the organ. Rev. Frederic L. Greene, pastor of the chapel, made an address. Flowers prevailed in the decorations of the church auditorium, which were distributed among the sick after the evening service.

MIANTONOMO TRIBE TO
CELEBRATE ANNIVERSARY

Although the event is several months off as yet, Miantonomo Tribe of Red Men is making preparations to celebrate the twenty-fifth anniversary of its organization. The date occurs in October and a committee will be appointed at the next meeting to make preparations. The tentative plans include a big street parade of local and nearby tribes of Red Men, an entertainment and banquet. Miantonomo Tribe is one of the largest fraternal organizations in the city. It also ranks high in New Jersey and it is believed there will be a hearty response when the invitations are sent out.

CONTRACT AWARDED
FOR NEW TERMINAL

P. S. C. to Erect Handsome Structure on Park Place, Newark.

A contract has just been awarded by the Public Service Newark Terminal Railway Company for the foundation for its proposed terminal station on Park place and the subway leading thereto in the city of Newark. The successful bidder was the Holbrook, Cabot & Rollins Corporation, of New York. Seven firms competed for the work. It is expected that the contract will be executed early next week and that actual operations will be begun within thirty days. One year will be the time limit for the completion of the job and it will be stipulated that the foundation shall be ready to permit of the beginning of work on the building itself not more than nine months after the contract is signed. Sealed proposals will be invited for the building during the coming week and it is hoped to award that contract early in July.

The terminal station and its subway approach are part of an extensive plan for the development of transportation facilities and the relief of street railway congestion in Newark which will involve the expenditure of upwards of \$5,000,000. The contract awarded calls for an outlay of between \$600,000 and \$700,000 and covers the work to be done below the ground level.

The additional facilities which the terminal station will provide will favorably affect all municipalities having trolley service with Newark.

WHEN CAT MEETS CAT

The comic possibilities of not only the female of the species on the stage, but the feline, is the latest realization of playwrights whose chief purpose is to contrive witty comedies of contemporary domestic life. People who ought to know say that when making a play out of the book "Tante" Haddon Chambers not only put Tante on the stage, but blended Tante with a very celebrated artistic cat—a once superb "artiste" who still lives, but whose claws, though long as ever, are considerably dulled. It was a fashion with this "artiste" always eventually to snub most cruelly those who had been kindest to her. And the acme of her personal satisfaction—when an idolater had used the colloquial phrase, "I beg you on my knees"—was to quickly retort before the other person's knee was bent, "Rise; your advice is an impertinence." It is at just such a moment that Ethel Barrymore is shown in the above illustration.

EX-BATTERY LOST AN ERRATIC GAME

Many Errors Feature Dunellen's One-sided Victory Over Somerville.

HARNEY PITCHED WELL

Alberts and Etts do Some Good Fielding for Their Team—Little to Choose Between the Two Teams in the Hitting Department.

Jimmy Montross' Dunellenites took Parker's crack Somerville baseball team into camp on Monday, Saturday afternoon by the decisive score of 11-5. The game was a loosely played affair, the two teams having an aggregate of fourteen errors between them. Warry McLaughlin and Lou Dixon, the popular ex-Dunellen battery worked for Somerville against their old teammates. Warry pitched a better game than the score indicates as most of the runs that were made off his delivery came after his opponents should have been retired scoreless.

Lon Dixon is rapidly regaining the form lost by him when he contracted malaria and lost forty pounds in weight on his tryout last year with a league down in Georgia. Lou cracked out two clean singles and was robbed of a three-base hit when Alberts collared his fly after a hard run in deep left. He has not gauged his throw to the keystone sack as yet, but it is only a question of a short time before he will be cutting the base runners off with his old time accuracy, while Pierce Harvey, the Bound Brook boy, who was on the firing line for Dunellen, was touched for ten hits, three of which were two sacks he kept the hits well scattered. In the first inning although Purcell and Etts the two first men to face Harvey doubled in rapid succession, Somerville only obtained one run during that session. Another example of Harvey's remarkable pitching in the pinches was in the sixth inning during which Somerville failed to score although Hickey and Dixon had singled in succession with more gore. Teeling one of the two home players on the Dunellen team had his second tryout in fast company. Teeling who is a catcher, appears to be one of the finds of the season. Joe Alberts played his usual brilliant game in left garden for Dunellen, making five classy catches. Etts, the ex-New England leaguer played a good all around game for Somerville.

HAROLD NEILSON THE STAR OF CONGREGATIONAL MEET

The boys and girls of the Congregational Junior C. E. held an athletic meet at Randolph Field Saturday afternoon, which was much enjoyed by participants and onlookers.

The three-inning baseball game between the boys and the girls resulted rather disastrously for the girls, the score being 15 to 3, but perhaps that was due to the fact that two boys played on the girls' team. The battery for the girls was Marjorie Kirkner, pitcher and Roberta Fuller, catcher.

The winners of the hundred yard dash were Robert Fuller, first place, and Harriet Morgan, second place. Albert Renny was second for the boys and Helen Rice for the girls.

In the running high jump Harold Nielsen was first and Harriet Morgan second. In the running broad jump Robert Fuller was first and Harold Nielsen second. In the three-legged race Helen Rice and Elsie Vail won first place and Harold Nielsen and Lawrence Marshall, Jr., second place. The finish of the sack race was in the following order: Robert Fuller, Harold Nielsen, Harriet Morgan. The base race was won by Robert Fuller and Harriet Morgan. A sub-junior race followed in which Gordon Fuller was first, and Lillian Rice second.

As a grand climax there was a "Daffies' Race," which was won by J. F. Fuller with Lawrence Marshall second. Lemonade and cake were sold and the juniors were much pleased with the amount of money secured.

Winner of Preliminary Matches Between Different Countries Meets American Team For the Trophy in the Late Summer—Antipodeans and Canadians May Play in West.

Tennis players representing the cream of seven nations will contest in the 1914 Davis cup matches to be held in this country and abroad, and definite arrangements are now under way to make this the best season ever experienced in international competition.

England, Australia, Germany, Canada, France, Belgium and the United States will be represented in this year's Davis cup matches, the first six being the challenging nations.

It is generally thought that Australia will be challenger for the cup when the final round is reached, but there may be a few surprises in store. Canada drew Australia in the preliminary tie, but the northern players are not discouraged, and they look forward to the match with pleasure. Canada disposed of both Belgium and South Africa last year and lost the matches with the United States.

nary tie played in that section. R. P. Powell, one of the best of the Canadian racket wielders, and R. P. Schwenger both favor Vancouver or Victoria for the matches.

Australia has officially named its Davis cup tennis team as the players are on their way abroad, and a number are on their way to the scene of the Davis cup matches. From Melbourne comes the report that Anthony F. Wilding, the world's greatest player; Norman E. Brookes, Alfred W. Dunlap and Stanley N. Doust will make up the team.

The sailing of A. W. Dunlap was to have been delayed, owing to the burning of the Colosseum, one of the drag-py stores owned by the company in which Dunlap is a director. But at least at the last minute Dunlap decided to sail on the original date and did so.

Among the leading players in the 1914 matches will be J. C. Parke, England, the great Irish player, who has been ranked by many as being on a par with our own Maurice E. McLoughlin, champion of the United States; H. Kleinsroth, the German; Anthony Wilding and Stanley Doust, Australia; R. E. Powell, Canada, and our own Davis cup stars, Maurice McLoughlin, R. Norris Williams and Wallace E. Johnston.

The players who will probably be selected to represent the various nations are as follows: United States—McLoughlin, Williams, Johnston, Hackett.

England—Dixon, Lowe, Barrett, Parke.

Canada—Schwengers, Powell, Mayes, Foulkes.

Australia—Wilding, Brookes, Dunlap, Doust.

Germany—Rahe, Kleinsroth, Freitz, helm, Kretzer.

France—Decouris, Gobert, Laurentz, Gernot.

SETS SPEEDWAY RECORD.

Boillot Circles Indianapolis Track in 1 Minute 35 4-5 Seconds.

Georges Boillot, the French automobile race driver, set a new record for one lap at the Speedway, Indianapolis, when he circled the two and one-half mile track in 1 minute 35 4-5 seconds. This is the second time that the record has been broken in three days.

The old record of 1 minute 37 seconds, made in 1910, was lowered by Joe Dawson, who circled the track in 1 minute 36 2-5 seconds. Later Boillot equaled Dawson's mark and afterward circled the course in three-fifths of a second less time.

TWENTY-SIX REGISTER BAPTISTS SQUELCHED THE S. O. IN CONTEST BY MONROE PLAYERS

Hope Chapel Ran Away With the Contest in the Last Half of Game. Heavy Hitting Marks Contest Waged in the Sunday School League Saturday.

Hope Chapel came through with a 7 to 3 victory over the Levgar A. C. Saturday afternoon, better hitting being responsible for the Sunday-school Leaguers' verdict. Dick Schott, twirling for the victorious side, allowed but two hits and fanned fifteen of the opposing batters.

McFadden, on the other hand, was no puzzle to the Chapellites and his delivery was touched up for ten swats. He succeeded in disposing of eleven along the strikeout route.

Queries, Comment and Answers

Sporting Editor:

Query—If a man fails to touch first base on a three-base hit, does he get credit for the three-base hit just the same? I mean in the case of his being called out by the umpire for not touching first after reaching third.—K. F. P.

Answer—He is not credited with a three-base hit because he has failed to comply with the base running rules.

Sporting Editor:

Query—I have a puppy 5 months old. Is it necessary for me to take out a dog license this year?—H. G.

Answer—You will have to get a license for the bow-wow. He'll be a dog some day.

Sporting Editor:

Query—Kindly furnish me with the addresses of the motion picture concerns in New York.—L. G. T.

Answer—We do not furnish addresses of business concerns. Secure a copy of the June number of the Motion Picture Magazine and you will get all the information you desire.

Sporting Editor:

Query—Is it possible to get a complete history of Plainfield from the time it was granted a charter? How long has Plainfield had a charter?—Wohlbrab.

M. N.

Answer—You can get full information regarding Plainfield's history at the Public Library. Plainfield has had a charter for forty-five years.

Sporting Editor:

Query—If the new postmaster is appointed in the near future when will he take office? Is Elias Bird allowed to hold the office until any definite date?—P. L.

Answer—Postmaster Bird's term has expired. The new postmaster will take up his duties as soon as he is appointed.

Sporting Editor:

Query—In the absence of the Mayor from the city who discharges the official duties of the office?—T. B. L.

Answer—The president of the Common Council automatically becomes the acting Mayor when the Mayor is absent from the city.

Sporting Editor:

Query—What is the twenty-five record for the bicycle course over which the Decoration Day race was run in North Plainfield?—G. T.

Answer—The route was covered in 1 hour and 3 minutes by Gus Wohlbrab.

AMONG THE HYDE OVAL BLEACHERITES

Even "Canadians" are willing to admit that Ernie Stahl failed to exhibit the steam of a Johnson or the cunning of a Mathewson against the red and blue rivals, but the eight men he had in the field made up for any deficiency in the hurling department, but his exhibition of curvology was not superior to that of Sminck.

Speaking of Sminck we are forced to admit that he has a deplorable habit of taking lofty flights at crucial intervals, but when traveling at his best Saturday afternoon he put some steam pressure on his assortment of benders.

Then again, being called out after covering 100 yards of territory on a healthy wagon tongue lick for not

registering at one of the stations, is enough to take the pep out of any individual. Sminck is one of the players who has the good of his team at heart from start to finish and his little thoughtlessness plainly disconcerted him during the remainder of the contest.

Once more we are going to wield the hammer on this regrettable practice of offering loving cups as an incentive to interscholastic league batting. Very few of the schoolboys have been made to realize that a free ticket to first counts as much as a safety to them in figuring up batting averages, and as a result every man who came to the plate swung his bat with the one thought and that was to register a hit.

The inevitable hit, when it can be eluded out at the right moment is a good thing, but the trouble with these schoolboy games is that the trick can never be pulled at the right time. Both sides had plenty of chances to draw walks from the pitchers and in many cases a batter, with three and one on him, took a whack at the sphere and sent it to a fielder, this resulting in his being retired. He didn't get the hit and his team didn't benefit by his time at the plate. The sooner the schools do away with this batting trophy business the better it will be for the game.

Youngottahandit to that man Victorson as a first baseman. The Plainfield High School youth is the cleverest performer at the first station in this section. In the league game he made a number of hair-raising stops that were ticketed for the outfield and he was the center of attraction for the fans who dote on good fielding. He can also come across with a hit when the bingle is needed. It might be well for some of these semi-professional team managers who are deploring the fact that Plainfield hasn't any home talent, to give this youngster the "once over."

Wrangling with the umpire is another thing that will have to be stopped in the Interscholastic League if it is going to live to a ripe old age. All hands were ready to pick quarrels with the officials in Saturday's contest and although several of the decisions were questionable it would have looked a whole lot better if the suffering side had given in. The quicker the schoolboys are brought to the realization that pestering an umpire profits them nothing the better it will be for them.

In baseball, as in basketball, the officiating task is a difficult one and the first infallible umpire or referee will have to be discovered. In our opinion neither of the men who umpired Saturday's important issue would intentionally deprive a side of its rightful belongings and a majority of the kicks were of the petty variety and wholly unwarranted.

Many there were on the sidelines Saturday who wondered why Bill Peacock did not get into the game and we are still among those who are doing a little wondering on the side. Taken as an all around player, Peacock is far superior to several

of the men who took part in the engagement and his presence would have materially strengthened a faltering lineup. Someone probably harbors the idea that Peacock is needed next year and for that reason he is being saved for we know not what.

PLAY FOR CLUB CHAMPIONSHIP

Three Sixteens Qualify for Match Play Round at Country Club.

GLENNEY WINS MEDAL

Makes Best Gross Score in Competition and Divides Points with H. T. Eaton for Golf Committee Cup.

The blue ribbon event of the year, the golf championship of the Plainfield Country Club, was started on Saturday, and as usual, attracted an unusually large field for the qualifying round. There were three sixteens to qualify, and the competition throughout was exceedingly close, the scores being low on the average. Will T. Glenney, who by his playing on Saturday, proved conclusively that he is now at the top of his game, won the bronze medal for the lowest score of the day in this competition. He made the eighteen holes in 76. He was particularly good on driving and accurate on his approaches and putting.

It has been arranged to continue the competitive, first round match play, Saturday, June 20, to allow those who wish to attend the Princeton game on June 13, but those who prefer can play their first round next Saturday.

Those who qualified in the three sixteens and their pairings for first round play are as follows:
First sixteen—J. Whitney Baxter, 93, vs. S. H. Patterson, 89; Arthur Murphy, 84, vs. A. J. Watson, 89; W. Lester Glenney, 88, vs. L. G. Carman, 85; H. R. Stockton, 84, vs. W. H. Rogers, 93; F. O. Reinhart, 87, vs. H. T. Eaton, 86; Will T. Glenney, 76, vs. Clifton Wharton, Jr., 93; O. H. Fleming, 92, vs. J. E. Erickson, 90.

Second sixteen—D. O. Rogers, 99, vs. W. A. Enugeman, 97; H. G. Lapsley, 95, vs. C. E. Lipscomb, 100; Dudley H. Barrows, 94, vs. B. C. Kenyon, 100; C. C. Burke, 102, vs. P. J. McKeon, 98; H. D. Hibbard, 96, vs. G. S. Cla., 101; W. B. Gresham, 101, vs. D. H. Rowland, 94; W. G. Cooke, 101, vs. R. G. Morse, 102; T. S. Wheeler, 103, vs. C. A. Holmes, 103.
Third sixteen—W. B. Tyler, 111, drew a bye; R. C. Blancke, Jr., 115, vs. A. V. Kleinecke, 105; L. H. Gates, 108, drew a bye; Harry Williams, 109, vs. W. W. Coriell, 108; R. C. Brown, 105, drew a bye; G. H. Hodges, 108, vs. J. P. Stevens, 110; E. A. Lyon, 107, drew a bye.
Will T. Glenney and H. T. Eaton divided first honors for the Golf Committee cup, each returning a net score of 72, with L. G. Carman second with a 73 and Arthur Murphy, and Charles A. Reed third with a 75. These cards were posted for this cup, weekly competition:
Will T. Glenney, 76, 4-72; H. T. Eaton, 85, 14-72; L. G. Carman, 85,

12-73; Charles A. Reed, 88, 13-75; Arthur Murphy, 84, 9-75; J. E. Erickson, 90, 13-77; O. H. Fleming, 92, 14-78; S. H. Patterson, 89, 11-78; H. W. Ravalje, 99, 19-80; E. T. Willson, 92, 11-81.

CHAMPIONSHIP PLAY AT PARK GOLF CLUB

Dr. Carroll, W. E. Lough, R. T. Phillips and R. V. Carpenter in Semi-Finals.

The continuation of play for the Spring championship at the Park Golf Club Saturday, resulted in Dr. H. K. Carroll defeating H. L. Moody, 2 up; W. E. Lough defeated H. H. Woodland, 4 and 3, while Royle T. Phillips won by default from C. B. Morse and A. V. Carpenter won from Clarence T. Hand by default. The semi-final round will be played next Saturday and the finals the following week.

J. V. Beekman won three points for the President's cup, with a net score of 86, while H. L. Moody won two points with an 87 and Dr. H. K. Carroll took the remaining one point with a 92. These cards were returned for the Presidents cup:
J. V. Beekman, 103, 17-86; H. L. Moody, 102, 15-87; Dr. H. K. Carroll, 100, 8-92; Oliver B. Hill, 117, 24-93; Royle T. Phillips, 107, 12-95.

HARNEY BACK FROM GREENSBORO TEAM

Central New Jersey Player Will Perform for Plainfield for the Rest of Season.

Percy Harney, Bound Brook's pride as a twirler, returned Saturday from the Greensboro team, of the North Carolina League, where he has been trying out during the last two months. Hot weather conditions are assigned for the Bound Brook south return from the bushers and he has decided that Central New Jersey promises a good deal more for the young twirler than the sunny south. Immediately upon his return Harney communicated with Manager Dorfing, of the local team, and was given a job in right field Saturday afternoon against Westfield. He cracked out two beautiful bingles in his eastern engagement and will be a permanent occupant of that berth in the Queen City fold during the remainder of the season.

All that remains to put a fitting finale to the schoolboy baseball season in Plainfield and North Plainfield is the playing of a contest between an all-star interscholastic league cast and Manager Ernest Dorflinger's Plainfield Pets and present indications are that this will be the bill at Parker Field next Saturday afternoon. Dorflinger has announced that he will send Russell Stewart, a Plainfield boy, against the interscholastic representative in this all-important contest but otherwise his lineup will be the same that beat Westfield by such a decisive margin last Saturday.

A game of this calibre would interest hundreds of local and borough fans and at the same time would give Dorflinger an opportunity to get a line on some possible talent to represent the city during the summer months. He has long been waiting for just such an opportunity and welcome a chance to send his present lineup against the schoolboys. The all-star cast is a strong one and capable of giving a good account of themselves against any aggregation in this section. The Plainfield team is admitted to be of first-class calibre and in order to pull out on top the youngsters will have to put up a stiff argument.

Nothing remains but to pick the best nine out of twenty-seven representing Leal School, North Plainfield High School and Plainfield High School and that task has been assigned to us. It is an unpleasant duty to single out any nine men when so much is involved and has in some cases engendered considerable hard feeling from different quarters. The picking in some cases has been close but careful consideration has been accorded each player and the team as mapped out looks like a representative one.

To do the hurling we have reserved two men, Donald Smilnick, of P. H. S., and Daniel Denney, of the Borough School. Although he did not get into the game Saturday Denney is a good man and in our estimation is a little better than Stahl. Smilnick should be used to start the game but Denney would prove an able man to relieve the Plainfield ace artist about the fourth or fifth inning.

As a catcher Ralph Smalley, captain of North Plainfield, looks like the one best bet. He can handle any of the twirlers sent in to do duty and his throwing is better than that of

any other man in the league. Ralph is also recognized as somewhat of a hitter and his field generalship cannot be equalled.

At first Victorson is alone. This position is one that is easy to fill. The Dunellen youth, performing for P. H. S., has covered himself with glory in the field and at the bat. His fielding has been little short of miraculous and he will probably be one of the players first to be gobbled up by the semi-pros. Burner is also good but his work is not on a par with that of the Plainfield boy.

Conroy is picked over his other two opponents for the second base job. This is one of the hardest decisions to arrive at, as O'Leary has been a close contender for the berth. Conroy is a consistent fielder and can usually be relied upon for a single.

At short Dilts has loomed up strongly in the interscholastic battles and although not as experienced as Captain Rosenson, of P. H. S., he is a more consistent performer. Rosenson has not been playing up to his usual good standard of late and it would not be fair to concede him the job on his work in the league race. Dilts has developed wonderfully in the past few weeks and can handle all that comes his way around the short field.

Warren Townley is without an equal as a third baseman in the league. One of the smallest performers of the twenty-seven, he may well be classed as the most valuable to his team. Place him on third and you have an infield that will handle any that comes from the Plainfield Pets' bats. He is a speedy fielder, a good hitter and has a wonderful right whip as demonstrated by his many lightning sweeps from third to first. In the outfield Dunning looks like the guardian for the left-hand territory. Van Deventer could be easily shifted to center and Peacock looks like the best right fielder. Because of his hitting and natural qualifications for left field, Dunning is given the choice over Van Deventer. The Plainfield man, in our estimation, would do far better work at all times if shifted to center field as a regular. He has a liking for long straight flies and can leg it with the best of them. He is a good hitter and a timely one. Although he did not play in the last game we have yet to find a reason for keeping Bill Peacock on the bench. An experienced player he would fill in excellently in the right garden and his hitting would no doubt be a big help. Van Mater, like Rosenson, was far better at the beginning of the season than he is now and while he has been suffering a temporary letup Peacock has forged his way to the front.

Although we have consented to pick the team we balk at the task of selecting a captain and it is now up to the schoolboys to get together and select the right man as a leader.

MATTY'S "KID" BROTHER HELPS LOCALS TO DOWN OLD CENTRAL NEW JERSEY RIVAL

Facing the slants of the heralded Cowperwaite, Manager Ernest Dorflinger's Plainfield Pets exhibited their best baseball of the season Saturday afternoon and took the Westfield aggregation into camp by a score of 9 to 1 on the latter's grounds. There was nothing to the issue but Plainfield from start to finish and four runs pulled across the platter in the three opening rounds gave the invaders a lead that was never overhauled. Although thirteen of the locals fell victims to the home twirler's cross-fire, dying on strikes, ten safe bingles were clouted out during the nine rounds of battling and these were ample to sew up the game.

"Hank" Mathewson, a brother of the world famous Christy, adorned the Plainfield rifle pit, and held the home sluggers at bay during the entire contest. He allowed but five clean hits and whiffed five. Just by way of variation he also contributed a brace of two station licks and personally supervised seven fielding chances. The entire Pet aggregation put up a splendid game and the Plainfielders' tight fielding and clever base running came as a complete revelation following the blow-up of the previous week.

Not a Westfield uniform crossed the scoring desk until the ninth session when Matty's temporary let-up allowed Worth to garner the laurel for his side. Harney, fresh from the Cicemboro team of the North Carolina League, graced a Plainfield uniform and looks like a valuable addition to the local combination's roster. He was put in to cavort about the left field garden at the eleventh hour by Manager Dorflinger and played his role to perfection. Harney, Wonders, Mathewson and Stewart led the Plainfield team's hitting, each garnering a brace of safeties during the encounter. The fielding honors of the contest were unusually evenly divided up, all of the eighteen men on

the field putting up a faultless brand of line national pastime. The engagement brought out one of the largest gatherings of fans of the season at Westfield, a meeting between Plainfield and the home boys being of vital interest to every fan in that burg. A large amount of the old time rivalry was exhibited from the sidelines and the home rooters expect to see their favorites reverse matters when they come to Plainfield for a return game.

Wonderful fielding on the part of Ennis Stahl's teammates and some timely binging, intermingled with the opposition's contribution of misplays, gave North Plainfield High School a well deserved victory on the baseball diamond over the city High School youths on Hyde Field Saturday afternoon. The final count of 5 to 2 indicates plainly the superiority of the boroughites over their conquerors in the previous title clash and at no stage of the contest were the home team's chances of ringing up a verdict seriously impaired. Fielding, batting and rounding the bases in a style that overshadowed the local team's playing the "Canadians" early rang up an advantage that was never squelched.

Although he twirled gilt-edged ball in the opening stanzas Smilnick was plainly unnerved after he was called out for not touching first, when he had clipped the pill for a three cushion trip in the fifth canto, and during the last four sessions at the gutta percha North Plainfield indulged in a swatfest. There were frequent intervals when the Plainfield pitcher's teammates handled the pellet like a ball of quick-silver dipped in vaseline, and these erratic stages were gobbled up by the boroughites in a peppery fashion. Opportune hitting also played a conspicuous role and taking a casual resume of the contest from certain rise to curtain fall the two teams exhibited complete reversals of form from that demonstrated in the opening game. Plainfield took the toboggan and North Plainfield mounted the ladder with the fiery little Tommy Mullin ever on the job acting as a booster when he youngsters appeared to be slipping.

Red and blue cohorts clung to a last dying hope, well remembering North Plainfield's likeness to take an aerial ascension but the light failed to shine in the invaders' camp. North Plainfield performed consistently and with a tantalizing confidence from start to finish and little short of a miracle could have deprived them of a decision. Brilliant flashes of good playing were exhibited by both sides in spasmodic intervals but Plainfield's never came at the right moment. When the final punch was called for it could not be delivered by a P. H. S. bat wielder and in other instances inexcusable spills in the field let markers trickle across the pan. Black and red stock-piling sprinters denied the home plating in the first, fifth, sixth and ninth chapters while the local boys supplied

the entertainment to the angry mob of scholastic fans in the fourth and eighth.

No excuse can be advanced for the downfall of the Plainfielders but there is every reason to believe that better baseball was responsible for North Plainfield's decision. To attempt to give credit to an individual for winning the game or monopolizing the limelight would be folly for every man on the victorious side contributed his little might toward evening up matters with the Queen City representatives. It would be equally as difficult to place the responsibility for Plainfield's defeat save by handing it to the conquering crew. Bitter rivalry was apparent at times and both teams fought tooth and nail for everything that bobbed above the horizon in the way of a possible advantage. At times the engagement was interrupted while a war of words was waged and in one instance matters grew hot around the home station while coaches and captains met in a wrangle. Everything was settled after a few minutes of arguing, however, and when the final out was handed in there remained no doubt in the minds of the spectators of the rightful claimant to the victory.

FANS AT SOUTH PLAINFIELD TREATED TO DIAMOND SPORT EXTRAORDINARY

Baseball fans who like the brand of diamond competition featured by lots of hitting and a big harvest of runs got all they were looking for at South Plainfield, yesterday afternoon, when Manager McDonough's aggregation took a crack at the Dunellen baseball clan, weakened, bolstered and cut to pieces by substitutions. The final score favored South Plainfield by a margin of 17 to 12 and incidentally was their first victory of the Sunday baseball regime in that burg.

A throng of fans numbering nearly 500 took advantage of the conveniences offered for reaching the field and plenty of good excitement was given the gathering during the afternoon. Auto buses traveling from Plainfield to South Plainfield at ten minute intervals took charge of a large mob of Sunday baseball goers and none were sorry they made the trip.

Otto Frederickson, the local boy, who has been keeping so much under cover of late, did the twirling for the villagers, and although touched up at times he demonstrated his ability to hold the rival side in check at crucial moments. Freddy was laboring under adverse conditions yesterday, all of the eighteen men on the field being noticeably slow on their feet for some reason or other. When he so chose, Freddy handled the situation in a masterly way and at other times contributed his little share to the entertainment by letting the Dunellenites engage in an occasional batting bee.

Good healthy licks to the cabbage patch in deep left field featured the contest and the guardians of this territory doubly earned their money in chasing the illusive horsehide through the weeds. The long hitting brought forth considerable enthusiasm from the crowd and the visitors to the village were given plenty to keep them awake during

the contest. The score, while large, was always close and it was anybody's game up to the final inning. Bizarre pastime was evident in some stages and this lent the needed spice to the affair from a spectator's point of view.

Although fourteen out of the eighteen players got in at least one healthy lick, Coyle was the laurel winner with the bat. The little third baseman garnered a single, a two-bagger, a three-bagger and a home run.

HACKETTSTOWN TREATED HIGH BRIDGE TO DRUBBING

Hackettstown, June 8.—Hackettstown played its third game Saturday afternoon and won its third victory in an easy contest in a return game with High Bridge at that place. Hackettstown's players batted Peterson heavily throughout the whole game, and there were many two-baggers, and the opponents were not in the game at any time. Loosening up in the fifth inning allowed High Bridge to score five tallies. The score:

SAURERS BLOW UP AND ROYALS WIN

Late Rally Proves Fatal to Factoryites Chances of Getting Away With Game.

After holding the Royal Giants scoreless for five innings the Saurer Club blew up Saturday afternoon, at Parker Field and was defeated by the score of 6 to 3.

Saurer began the scoring in the second innings when Alberts walked, was sent to third on Garretson's long single to right field, Garretson stole second and Dixon knocked the ball into left field for two bases, scoring Alberts and Garretson. Wilson struck out, Conshay singled and stole second, Dixon was thrown out at home, Wilson running for Conshay, stole third. Jaeger's fly to Williams left two on bases. Saurer also scored a run in the fifth inning on the wild throws of Hall and Valentine.

In the sixth innings the Royals tied the score by a splendid rally and took advantage of costly errors by Alberts and Harriman. Banks singled and was sent to third on Williams' two-base hit. At this point of the game Dixon replaced Conshay on the mound, the latter taking DeNizlo's place in right field. Klein fouled out to the catcher and Valentine struck out. Alberts misjudged Fredrickson's drive and Banks and Williams crossed the plate. Maiden singled, sending Ford home and was put out stealing second. In the eighth inning Royal increased its lead by three points. Valentine's triple scored Williams and Klein and he was sent home on Ford's single.

The features of the game were Valentine's three-base hit and the spectacular one-hand catch pulled off by Wilson when he ran down the embankment after Coleman's long drive.

Saurer played the more consistent ball but its players were unable to bunch their hits at the right time. Few Royal men were left on bases. The score:

NEW LAW PUZZLE TO JERSEY CITY

Special Election Tomorrow.
Can't Forecast Result.

TO NAME A COMMISSIONER

Tight Race Is Generally Conceded to
Be Between T. J. Stewart, County
Supervisor J. F. O'Mealia or Henry
Byrnes—Nine Others in Race.

Jersey City, N. J., June 8.—The city politicians are completely at sea over the probable outcome of tomorrow's special election for a commissioner to succeed the late James J. Ferris. They are puzzled as never before, for they have no other way of prognosticating the result. This predicament is due in a large measure to the fact that the new Hennessy preferential primary law is to have its first tryout in Jersey City.

It is generally conceded that the successful candidate will be either Thomas J. Stewart or County Supervisor James F. O'Mealia, although supporters of Henry Byrnes, who owns more real estate in this city than any other citizen, are claiming a victory for their man.

Nine other candidates are in the race. Of these John E. Edelstein is making the liveliest campaign. The other candidates are William E. Heffrich, Henry J. Hill, Joseph Cirrito, Valentine Bausch, Denis Mullins, Morris Sanger, Fred G. Hill and George B. Riley. Stewart has the backing of the regular Republicans and many voters in the Progressive ranks. The reason that many of the Progressives have become reunited with the G. O. P. is because their leader, State Assessor Record, has joined H. Otto Wittmann and his Democratic followers on O'Mealia. There is no Progressive candidate.

Byrnes is being supported by two members of the board of commissioners, Director of Public Safety Hague and Director of Revenue and Finance Brenzinger. County Surrogate Egan, who aspires to the county leadership of the Democrats, is also supporting him.

Edelstein is making the fight alone. This is also true of the other candidates, with the exception of Bausch, who is a Socialist.

In the preferential primary law the names appear on the ballot in alphabetical order without any designation as to what party or faction the candidate belongs. The voter is allowed four choices. If no candidate gets a majority of the votes cast in the first choice column then a total is struck in the second choice column and so on until there is a majority.

There appears to be much doubt that any candidate will get a majority on first choice, and the belief is that it will be the man with the most votes in the second choice column who will win.

GIRL OF 16 REPORTED WED.

Policeman Who Swore Miss Schindler Is Eighteen Must Explain.

Newark, N. J., June 8.—A girl friend who did not want her name to be made public said that Katherine I. Schindler, sixteen years old, and Harold P. Ketchum of East Orange, who eloped were married by a Catholic priest. She refused to say where the ceremony took place. It was said at the Schindler home that a telegram was received from New Brunswick announcing the marriage and saying that the couple was going to Washington on the honeymoon.

Police Lieutenant Joseph K. Ebert, who swore that Miss Schindler was eighteen years old when she and Ketchum obtained a marriage license Friday, may have to explain to the police board, and it is possible that the case will go before the grand jury also.

WOMAN TO HELP CONVICT.

Will Fight For Prisoner Who Is Serving Life Term For Murder.

Trenton, N. J., June 8.—When the court of pardons meets during the latter part of June Miss Eleanor R. Gebhardt of Clinton, Hunterdon county, and daughter of Supreme Court Clerk William C. Gebhardt, will make an appeal for the release of Edmund Schuyler, who is serving a life term in the state prison for the murder of Manning Riley at Clinton in 1907. Schuyler has now been in prison seven years.

Miss Gebhardt will insist before the court of pardons that her client is innocent, and her contention will be supported by an alleged confession of Frank Burd. It is said Burd has confessed to the murder. He is now serving a term of sixteen months for carrying concealed weapons and burglar tools.

STATE NOTES.

Peter Kreuger, who was knocked off his bicycle by a trolley car on Friday, died in the Hackensack hospital.

Work will be started today on the construction of a new \$125,000 building for the Mountaineer hospital in Montclair.

A crusade against cocaine sellers and users has been started by Chief of Police Long of Newark, and as a result two men and three women were arrested.

Every family in Elizabeth was visited and asked if its members are affiliated with a local church. The visits were made by committees under the auspices of the new home visitation campaign.

Proclamation

BOROUGH OF NORTH PLAINFIELD.
Whereas, numerous complaints have been made concerning dogs running at large in violation of an ordinance of the Borough concerning dogs;
Now therefore, I, by the authority vested in me, do order and direct by public notice, that no dog shall be allowed to leave the premises of the person owning or entitled to the custody of such dog, unless securely confined upon a leash and accompanied by a person over the age of twelve years.

Shoes That Wear

Although they are nearly as pliable as a glove. They are called TROT-MOC back-to-nature Shoes. All the boys and girls like them because they are so light and easy on the feet, and because they look so neat.

You'll find Trot-Mocs easy on your pocketbook as well as on your feet. They are made of leathers that have been specially tanned and treated to make them flexible and long wearing. Goodyear welt, no tacks to hurt feet or mar floors.

The water proof soles protect children from colds, and the natural shape of these shoes keep growing feet growing right.

Of course, TROT-MOC back-to-nature Shoes are made for men and women as well as children, and the way the grown-ups buy them they like them as well as the children do. Why?—because they are a combination of good appearance, ease and long wear.
