THE ILLUSION DISPLAYED.

An Army Officer Lifts the Veil from Oklahoma.

DISAPPOINTMENT FOR SETTLERS.

Only a Little More than Half the Land Suitable for Farming.

WASHINGTON, April 17.—A letter has been received here from Lieut. John M. Carson, 3rd, Fifth United States Cavalry, who has been serving in Oklahoma with his regiment for the past four years. This young officer has had more nearly every section of Oklahoma. Being familiar with its topography, climate and resources, and being free from all prejudice his observations are specially valuable and will be found interesting to those who are watching events in Oklahoma. Lieut. Carson's letter is dated at Fort Reno, April 9, to which point he had just returned from a scout along the Canadian River. Lieut. Carson says:

"I fear that neither troops nor United States courts will prevent thousands in the settlement of Oklahoma. The old business have raised a wind that threatens to become a whirlwind, and anticipating that this cannot be controlled are anxious about their chances for securing land. The country has been so tremendously popular by certain men and newspapers and people have thereby been so far misled by inaccurate statements that comparatively few have any idea of what Oklahoma really is—its extent, character of its climate or resources. Perhaps the greatest cause of this is the fact that a new newspaper to the Garden of Eden, where it is simply necessary to cut and paste out of the country, and then to make it appear as if it were all under vines and fig trees, all to speak of the enjoyment of a residence of two months in Oklahoma will completely remove the illusion, destroy many small fortunes, especially should the settlers be lured by the land, and summer, such as we had in 1903 and 1904.

"The great outcry so long maintained about Oklahoma has been the means of attracting people from all parts of the country, and every day brings new arrivals to points along the border, all of whom are impatient to find out the truth. On April 25, the first day for the opening of the gates to this imagined land of promise. As the amount of land to be opened is estimated at about 1,400,000 acres the chances for getting any of it will vary inversely with the number of people who will want it.

Many of the old business men who are daily basing of the 1,400,000 acres are included in the president's proclamation not only the 1,400,000 acres but also the property designated as good farm land. A knowledge of these facts is producing a state of alarm among the old business men who have made some of their desperate. They are forming, I hear, for mutual protection and to keep out of the country. That is what may lead to bloodshed, for there will very probably be men among the outsiders just as determined and just as well armed as the others, and just as well as the old business men.

In conclusion, the lieutenant suggests that it is the wisest policy to open the remainder of the Creek and Seminole purchase and the Cherokee strip, the more it is done the better. He also says that the commissioners appointed to treat with the Indians cannot act too promptly and expeditiously.

Twenty-nine Years in Prison. TRENTON, N. J., April 17.—Another of the lucky captives released from the state prison by the court of pardon was Joseph F. Stewart, who has spent twenty-nine years in the state prison. When 14 years old he was taken from his home in New York and was thrown into the water and drowned. He was found by a fisherman and was taken to the shore. He was then taken to the state prison and was kept there for twenty-nine years. He was finally released by the court of pardon.

A Heartless Wretch. BIRMINGHAM, N. Y., April 17.—John B. Smith, who has been twice living, represented to Miss Laura Grant, aged 17 years, that he was in love with her and intended to marry her. She was very much pleased and agreed to marry him. She was then taken to his home in New York and was kept there for several days. She was then taken to the state prison and was kept there for several years. She was finally released by the court of pardon.

The Chess Tournament. NEW YORK, April 17.—The adjourned game of the first round of the international chess tournament was played yesterday. The result does not change positions of any of the players.
