JOHN'S REG. SCHEME

To Try and Defeat a Regular Republican Candidate.
A prominent Republican said to a News reporter to-day:

"At the Third Ward Republican caucus, a name he gave, but whom we will call John for short, was notified as a particularly active worker."

Last evening after the adjournment of the Democratic caucus, the very same John was seen stealing under cover of darkness into the house, where a party had met to name a candidate in the Third Ward with the hope of perpetrating the existence of the combine."

It is reported that a Mr. Currie of Eighth street was decided upon, though it is not known that he had any thought in the matter, as he was seen to go.

"Evidently John has got a heavy load of politics on his shoulders, the Fall of leaving to run both parties, as he seems trying to do."

"The Republicans will need to be on the lookout, however, as will also all good citizens interested in rebuilding the city, and he particularly awake for the combine's schemes. We can't afford to have our city divided another two years by such a gang."

"There isn't much likelihood that he will be all our citizens do their duty in election day."
