power.

A petition from the property-owners
on West Sixth street requesting Cannell
to have that street meandamized and
put in proper repair, they agreeing to
pay is cents per root, was pead.

All, frame thought that the money

should be paid before the work was be you.

On motion the communication was per error to the Committee on Streets.

D. Senmert petitioned for peleast. D. Senmert petitioned for peleast. D. Senmert petitioned for petition was referred to the Committee on Fire and Buildings with power A petition from Mr. 4. B. Busselt re-

questing permission to more a dwelling house was referred to the Committee on Fire and Buildings with power. Various applications for back and eartmen's license were read, referred to the Committee on Licenses and subarquently

men's license were read, referred to the Committee on Licenses and subsequently granted.

Meson. Loomis & Bice petitioned for permission to erect a frame dwelling parmission to erect the dwelling; before the brook and been built. Continuing, he said, "I understand that it has already bour erected."

On motion the petition was referred to the Committee on First and Buildings. Mr. Rockwell and others protesting against the errotion of the house was re-

The members of the Ms. Oliva Baptist shurch, in a communication, requested Joucoil not to grant Eugene Hoerster a locense. The document was referred to the Committee on Licenses.

F. G. Warnich, the pastor of the Mt. Olive Septist church petitioned Council not to grant any more licenses in the Fourth Ward. The petition was on motion referred to the Committee on Licenses.

J. H. Staats petitioned for a license for the City Hotel. It was referred to the Committee on Licenses. President Ginns, who is setting mayor,

rreacest comm, who is sound mayor, while Mayor Gilbert is absent from the city, nominated Edward Appar as pound-keeper and J. H. Frisby and Raleigh Cruse as dog catchers. The nominations were confirmed.

The bill of V. W. Nash was reported correct, referred to the Andising Gonmittee and subsequently ordered paid. Mr. Weber from the Committee on Licenses reported/that Eugene Hoerster's application for a liquor license conformed with the law.

A remonstrance against granting it, which was signed by Robert Gorton, Edward Maymard and others was read. Mr. Marsh moved that the license-berefused. The motion prevailed, all voting nay but Mr. Frazce.

Mr. Walkace V. Miller-naked permission to withdraw his application for a whole liquor license. Permission was granted Mr. Marsh offered a resolution to the effect that the keoper of the dog pound be allowed fitty cents for burying seal dog shot. The resolution was adopted Mr. Johnston from the Street Committee recommended the blook system oumbering the houses and stores in the

Mr. Ackerman in a minority report thought that only certain parts of the city should be renumbered by that system as it would cause the property owners considerable trouble.

Assessor Hubbard was called upon by the president and he said the minority report would not accomplish the purpose.

The majority report was then adopted Mr. Erickson from the Committee on Fire and Buildings submitted the following report:

To the Honoreuble the Common Council of the Olly of Phintsfield. (HINGT-MARKET:—YOUR COMMITTEE, to WHOM was referred the petition of Jenpes Chark, L. V. P. Handolph, Joseph W. he Affairs to He Wound Dp-by a Committee Headed by the Reckefellers and Hagter—The Dissolution is field to Be Good for the Big Stockholders.

May Your, March 22.—The greatest and profitable of all transat—He Standard Educatorillia, seattrilling seven great companies to great states, and having said 28 per cent strikends per annum since January, 1882, or 18,06,000 capital, was discoved yesterslay in determen to the popular outcry against unit seven corporation, whose methods have advarys been a mystery, has prospered by centralization of vast power and by the diffinit ability of its forement managements.

John D. Rockefeller and J. W. Archibald.
The product of the trust has never been protected by the tariff. Its success has shown how a trust could thrive under freest trade. The trustees "dissolved" at noon at 38 Broadway.

John D. Rockefeller, othe president of the trust, presided, and J. D. Archibald sedes as secretary. Henry M. Plagier, the secretary, was absent from the city. Two hast dired and fifty stockholden were present and 190,000 of the absentors besides if Fluider were William Rockefeller and Ber jamin Plewater. The vote to dissolve the trust was unanimous.

The resolutions provided that the affair of the trust shall be wound up by John D Bockfeller, Henry M. Flagler, William Bockstellar, John D. Architbald, Beelgamit Perwster, Henry H. Rogers, Wesley H. 731 ford and G. B. Jennings and the survivon of them in the following manner:

The property hold by said treats, except the stock of corporation, shall be said by said treats stock of corporation, shall be said by said treat stock of corporation, shall be distributed to the owners of treat or still state of the said by the

All purchases, mine, suchanges and cancellations of stocks, or agreements therefor exeuted or sewentory, made by the trusteen during the surfaces of the trust, and all assets by the state of the state of the state of the sales and exchanges of corporate property and to the formation and winding up of corporations, and all other acts of the said trustees the state of the state of the said trustees.

The resolutions were seconded by Alexander E. Orr. Solicider Dood and after the meeting adjourned that it will require about the property of the companies which formed the trust is all owned or controlled by the meawh ower trustees of the trust, and after the liquidation the leasiness will be confacted in precision yield and meanine as it is directed in precision. The property is passes undividually will control their ownstains, but as they are all owned by the same men they will solt of course in harmory. The sector of the companies will be

tioned for the Big Steekholders.
Part of the proposed increase in capitalization will be made in the following route states will be made in the following route states will be made in the following route states and the following route states are states and the following route states and the following route states are states as a following route states are states are states as a following route states are states are states are states as a following route states are states are

with and acuthwest. The cally comment which Wall street has to offer on the action of the stockholders was to point out that it seemed likely that the discolution of the trust would only arraw to point out the trust would entry across the state of the

Mith Chancellor Captric its office such
With Chancellor Captric its office such

With Chancellor Osprivi in office soft freedom is possible, for Caprivi is sequalated with the policy and purposes of the haiser, sate would not be liable to under my mitake. But white consenting to remain a climosolior General Caprivi insisted upon the Raiser accepting his resignation of the office

of Prussian premier.

The resignation of Count Zeditts has best accepted. This will have Dr. Miquel as the controlling spirit of the Prussian cablest and current report associates his mans wit the premierable, although other names are
