Entered according to Act of Congress, in the year 1904, by A. E. Reitemeyer, in the office of the Librarian of Congress, at Washington, D. C.

Preface.

IN presenting to the public the Plainfield-Westfield Directory for 1904, we hope we have succeeded in producing as accurate a book of this description as is possible.

We have made a thorough and efficient house-to-house canvass, and no one can appreciate, but by actual experience, the difficulties which constantly arise in procuring the information for a book of this kind.

But by bringing into execution the methods learned by many years' experience, we believe we have reduced the possible errors to the lowest minimum.

Thanking the public and our many patrons for the kind support they have extended to us, we remain,

Yours respectfully,

WAND DIRECTORY COMPANY,
