# Have Your Real Estate Title Insured by the Largest Institution

of its kind in New Jersey. That institution is the Fidelity Trust Company. It has its own title plant and with its long experience and unexcelled facilities it does this work with the maximum of speed and at the minimum of cost.

When it insures a real estate title only one charge is made for all the work. There are no monthly or annual premiums to pay. Its policies are sound and liberal and when you hold one it fully protects you and your heirs in case a flaw is subsequently discovered in your title. While you think of it, call, write or telephone
