Township All-Stars go 4-0 in Williamsport; Wildcats, Legion split in weekend play

Ten games into the traveling All-Star Baseball Team season the Clark Major Leaguers are undefeated.

In the most prestigious tournament, Williamsport, Clark is 4 and 0. The team beat Hillside 10-0 in the first game behind Mike Mulberry's two-hit shutout with offense literally supplied by the whole team. Eight players hit a total of nine hits with Chad Williams going two for three.

In the second game against Elizabethport, Ed Cozzi earned the victory by striking out 10 batters.

Butch Zawaki, Tom Bowen, Bill Leber, Kenny King and Bob Firestone each had two hits while Williams went three for five. Down 8 to 4 in the last inning, Bowen, Leber and King loaded the bases with hits. Gianni Provel then hit his first ever homerun to tie the game at 8.

In the seventh inning Cozzi walked, Bowen singled and King hit a triple followed by a homerun by Firestone and a double by Williams for a total of five runs. Mulberry made three clutch defensive throws at home plate, all with the bases loaded, to end the game.

In the fourth Williamsport game Cozzi held Irvington to four hits to win 9 to 4. Both Cozzi and Williams went three for four with

bases loaded, to end the game.

In the third game Mulberry pitched brilliantly to lead Clark to a 7-3 victory over Union. Jeff Woznicki went two for two and scored twice. Mulberry helped his own cause, going three for four, Cozzi hit a single and a double and King had a single while walking twice and scoring a run.

The Pandoras of Long Island defeated the Clark Wildcats Girls Slow-Pitch Softball Team 2-0 at Clark's Arthur L. Johnson Regional High School's Nolan Field on July 29.

Williams hitting his eighth homerun of the All-Star season. Joe Gonsiorowski drove in two runs with a hard line drive single into the left field corner.

Clark is undefeated in three other on-going tournaments: Garwood, Mountaintop and Clark.

The Cats had seven hits. In the first inning Jill De Mark beat out a punt. In the third inning Kathy McNally beat out an infield hit, in the fourth Betty Clifford reached on an infield hit

and stole second base, in the fifth Nancy Kasko hit to left field, in the sixth Gayle Gega drove a hit between the shortstop and second base and in the final inning Sue Bierweise opened with a hit to right field. Between two strike outs Kasko singled for her second of the game to left field but all were left on base.

Al Scherb was a perfect three-for-three in the game. Scherb also earned three bases on balls and drove in three runs while crossing the plate twice.

Edward Hanewald was the winning pitcher. He gave up six hits and struck out five batters to bring his season record to 5 and 1.

Vin Sabba led the Clark team with three hits, including a homer in the seventh inning and three runs batted in.

In an American Legion Baseball League contest Clark used 12 hits, 11 walks and four errors to roll over Kenilworth 12-2.

Norman L. Marocco

Norman L. Marocco

Marcocis headed for college careers

A Clark resident, Norman L. Marocco, the son of Mr. and Mrs. Norman Marocco Sr. of 143 Acorn Dr., will attend graduate school at Arizona State University this fall, where he will pursue a master of public administration degree. The scholar was also awarded a graduate research assistantship by the university based on his outstanding credentials.

On Johnson's Crusaders Girls Soccer Team she played halfback. She also held such team honors as being captain, named to the All-Union County Third Team, a recipient of the Most Valuable Player Award at the Annual Sportsman of the Year Contest and received a Gold Letter Award as a four-year letter winner—the first to do so in the history of the sport at Johnson.

He is currently a member of the Phi Epsilon Kappa Honor Society, a recipient of the Kean College Student

Government Organization's Ginny Durkin Scholarship and donated the Kean College of New Jersey Athletic Sportsmanship Award to the athletic department.

His sister, Susan Marocco, a 1984 graduate of Johnson, will pursue a bachelor of science degree in nursing at Trenton State College this fall.

A 1978 graduate of Arthur L. Johnson Regional High School in Clark, Mr. Marocco received his bachelor's degree from Kean College in 1983.

He is currently a member of the Phi Epsilon Kappa Honor Society, a recipient of the Kean College Student

—Ralph Waldo Emerson

Fairleigh cities Paul C. Raabe

A Clark resident, Paul C. Raabe Jr., was graduated from Fairleigh Dickinson University in East Rutherford on Sunday, May 20, with a bachelor of science degree in business management.

Mr. Raabe's degree was awarded by the College of Hotel Restaurant and Catering Management, where he was a member of the Hotel and Restaurant Society and a faculty intern in the computer laboratory.

Upon graduation Mr. Raabe became an assistant food and beverage director in the New York division of Doka, an executive food service corporation.

Mr. Raabe resides at home with his parents, Mr. and Mrs. Paul Raabe at 71 Stanton St.

Joseph Lomax, a Cape May environmental consultant with 11 years of experience in dealing with wetlands regulations, said, "The College bill does not provide enough guidelines for the applicant or regulatory agency to accurately identify wetlands in the field. The bill's definition depends too much on the subjective opinion of the regulatory agency."

Mr. Fisher also criticized the way in which Mrs. Ogden has been promoting her bill, namely to protect flood-prone areas.

"It is misleading to contend her bill will safeguard the public against future flood damage since many of our wetlands are along streams and rivers which are already strictly regulated by the Dept. of Environmental Protection as floodplains. Contrary to popular belief, more and more literature and research indicates wetland areas do not act as natural sponges for flood waters. Thus, the Ogden bill would provide very little, if any, additional protection against major floods," he noted.

The other major distinction between the two bills are the way wetlands are defined.
