## Mayor reviews Clark achievements, problems

by Pat DiMaggio

Mayor George G. Nucera's state of the township address on January 1 included references to accomplishments in the past year and a challenge to the council to work on unresolved problems.

"The financial position of Clark has never been better," said Nucera, pointing to the \$120,000 realized by the township in interest on investments and

the "minimal rise" in the tax rate during 1987. Nucera also listed the road improvement and storm drain programs as continuing for the benefit of taxpayers. He pointed to new contracts with employees which would be "beneficial to both the township and the employees."

These contracts will enable the taxpayers to have services from 8 a.m. to 5 p.m. instead of from the

previous 9 a.m. to 4 p.m., said Nucera. Although admitting to problems with the township yard located in back of the municipal building, Nucera said it remained open most of the year for residents' household trash and that the township's clean-up week was a success. He added that the recycling program has been successful enough to offset the cost of the salaries of the personnel hired for it.

With the help of the Board of Chosen Freeholders, the senior citizen program has been expanded to include Clark residents in the Meals-on-Wheels program for 1988, Nucera stated. He also pointed to the recreation department's expansion to include activities for young and old.

Mayor Nucera challenged the council to resolve the problems of leaf collection and the closing of the

township dump. "We have to know what to do with the household trash and leaf clippings," he said. "I challenge the council to resolve the garbage problem with a plan that will help the taxpayers."

After promising to keep

the road improvement program moving, to expand the senior citizen and recreation departments and to maintain tax stability, Nucera wished residents "a successful, prosperous and healthy 1988."

## Clark Council announces appointees, other decisions

by Pat DiMaggio

Clark's Municipal Council took care of business for the new year of 1988 at a meeting held on January 1. Depositories for the township and pool utility were designated and The Rahway News Record, Clark Patriot and The Daily Journal were selected as official newspapers.

Frank E. Supple was appointed township auditor, and a temporary budget of \$1,531,697.74, a debt service budget of \$95,000 and an emergency note of \$45,000 were adopted.

A temporary budget for the swimming pool utility, the amount of \$15,000, was also approved.

The council also appointed the following special law enforcement officers for 1988: Class II, William Hofschneider, James Gillich, Thomas Curtis, Joseph Antenucci, Ernest Pauliny, Patrick Damico, Alexander was appointed as the council's representative to the Planning Board.

Matthew Cassidy; Class IB, Paul Streckfuss and Paul Friedberg. Steven Reichman was appointed an alternate member to the Board of Adjustment for a two-year term, and Councilman Carmine Cristiani was appointed as the council's representative to the Planning Board.

**PRESIDENTIAL FAMILY** ... Fred Eckel, pictured with his daughter Helaine, left, and wife Phyllis, will serve as Clark's Municipal Council President for 1988.

## New council president cites achievements

by Pat DiMaggio

Councilman At-Large Fred Eckel was elected council president at Clark's

organization meeting held on January 1. Starting his eighth year on the council, Eckel has served on various committees including the safety, public works and finance committees and has served as liaison to the police department and the Board of Education. He also served as council president in 1984. Eckel has been a member of the Newark Police Department for 25 years.

"Four years ago I served as council president, and in my remarks that day, I listed certain projects that I would strive for and hope to see them become a reality," said Eckel.

Among the projects were the dredging of Jackson Pond and the installation of a new traffic light on Madison Hill and Raritan Roads, completed in 1987, Eckel noted.

"The most successful of all projects took place when the vacated Brewer School became the new municipal complex," said Eckel, adding that the usage cost was \$1 for a twenty year lease. "Come to Brewer on any given day and find our instructor running our senior

exercise class or a professor from Union County College giving classes for the seniors on American History or Current Events or trips to Atlantic City or to theaters or a Saturday night dance. We gave our seniors a place to call their center."

Observing that, prior to the lease of Brewer School, there was little or no recreational program for the youth of Clark, Eckel went on to list present programs including roller skating, a teen lounge on Friday nights, gymnastics for children, a wrestling program, arts and crafts for children from kindergarten to fifth grade, open gym programs, a teenage dance every other month, a men's over-30 basketball league, women's volleyball, aerobics for women, indoor soccer and plans for a summer program.

"The year ahead holds great promise, and, as elected officials, it is the duty of each and every one of us to put aside our petty differences and work for the betterment of Clark," said Eckel. "I intend to work towards that goal and ask my colleagues to do the same."

**MVPs** ... The Arthur L. Johnson Regional High School Booster Club recently honored the Most Valuable Players of the school's varsity teams at its Fall Sports Awards program. The A.L.J. Fall season M.V.P.s are, from left: Hilary Altman (Girls' Tennis), Donna Black (Girls' Cross Country), Karen Halleck (Gymnastics), Robert Green (Boys' Cross Country), Joe Burkhard

(Boys' Soccer) and Leslie Harnett (Girls' Soccer). Coach Steve Cicciotti, whose Varsity Football team set a Johnson school record for victories in a season by winning nine of 11 games this fall, presented the team Most Valuable Player awards to all 13 seniors on this year's Crusader squad.

**IT'S AN HONOR...** The Railway Retired Men's Club recently honored two members for their outstanding commitment to the group. From left, Chester Arnold, Secretary, honorees Joseph Buffa and Sam Gassaway, and 1st Vice President, Edward Meffe.

**TEAMWORK**... The staff members of the Rahway Hospital Hospice work as a team to meet the physical and emotional needs of their patients. At a team meeting are (from left) Volunteer Coordinator Vita Lee, of Cranford, Caseworker Eve Syvertsen, of Clark,

Hospice Nurse Coordinator Mary Reick, R.N., of Scotch Plains, and Hospice Nurse Jane Dowling, R.N., of East Brunswick. November has been proclaimed National Hospice Month in recognition of dedicated hospice workers throughout the country.

## Rahway Hospital Hospice: A Team Approach

For patients and their families who are undergoing the stress of a terminal illness, the staff of the Rahway Hospital Hospice can step in to provide much needed medical attention and emotional support. Hospice is a philosophy of care which helps terminally ill patients and their families through the trying period of advanced illness and death, with an emphasis on keeping the patient at home with the family unit.

November has been designated National Hospice Month by the National Hospice Organization in recognition of these dedicated people who provide this unique form of patient care. In proclaiming November 1-7 as Hospice Week, Governor Kean praised the teams of hospice workers throughout New Jersey.

The Rahway Hospital Hospice is staffed by a group of professionals who are committed to their work, must have been with the program since its inception six years ago and were instrumental in its establishment.

"This consistency in staff is a great asset," said Mary Reick, R.N., Hospice Nurse Coordinator. "We're like a family ourselves and we complement each other very well," she said.

A multi-disciplinary team — comprised of nurses, volunteers, a social worker, clergy, the medical director, a dietitian and other hospice staff members — works to meet the physical,

emotional and spiritual needs of the patient and family. Mary Reick and Hospice Nurse Jan Dowling, R.N., who coordinate the program, have been co-workers since 1988 when they started out as staff nurses at Rahway Hospital. When asked to participate in the formation of Hospice, they eagerly accepted the challenge.

"As Hospice nurses, we're doing what we went into nursing for: taking care of patients. We get down to basics, making care uncomplicated. It's satisfying to be told by a family that they couldn't have made it through the experience without our help," said Mrs. Dowling.

Mrs. Reick and Mrs. Dowling pay regular visits to all hospice patients at home, giving them individual medical attention with the guidance of the patient's physician, and supplying their own special brand of good humor.

"Besides possessing excellent professional skills, our hospice nurses have a joyful, spontaneous spirit which patients and their families appreciate," said Hospice Caseworker Eve Syvertsen, who is a member of the hospital's Social Service staff.

Mrs. Syvertsen first joined the hospice team as a volunteer, having participated in the first volunteer training program, and later became the official caseworker. She visits each patient at home to perform

an initial assessment and then works with the family to locate the resources they may need. On an informal level, she provides emotional and spiritual support.

"The team members become involved with the hospice families. They frequently accept as extended family," commented Mrs. Syvertsen. The hospice team members are available with the family members, who are also invited to join a bereavement support group which is periodically offered at the hospital.

Other core members of the hospice team who volunteer their time are Michael Kurman, M.D., Medical Director, and Pastor Tom Donahue, of the Zion Lutheran Church in Rahway. Support is also provided by the hospital's Chief Clinical Dietitian, Gerri Dedrick, R.D., M.Ed., and Director of Patient Management, Geraldine Casey, who was instrumental in establishing the hospice program in cooperation with several hospital departments and the Union County Division on Aging.

The Rahway Hospital Hospice is accredited by the Joint Commission on Accreditation of Hospitals and is Medicare certified. Funding comes from Medicare and private donations, so no patient ever receives a bill from Hospice. For more information on the program, contact the Hospice Office at 499-6169.

"I'm grateful for the opportunity to be doing something that gives me so much satisfaction. The love shown to us by the patients and their families, as well as the knowledge that we are helping at a time when our services are needed, make the experience very rewarding," said Mrs. Lee.

## Winter fire safety tips

The following are winter fire safety tips for the home, courtesy of the Rahway Fire Dept., Chief James T. Heller:

**Wood stoves and fireplaces:** Wood stoves and fireplaces are becoming a very common heat source in homes. Careful attention to safety can minimize their fire hazard. To use them safely:

— Be sure the stove or fireplace is installed properly. Woodstoves should have adequate clearance (36") from combustible surfaces, and proper floor support and protection.

— Woodstoves should be of good quality, solid construction and design, and should be UL listed.

— Have the chimney inspected annually and cleaned if necessary, especially if it has not been used for some time.

— Do not use flammable liquids to start or accelerate any fire.

— Keep a glass or metal screen in front of the fireplace opening to prevent embers or sparks from jumping out, and unwanted material (people) from going in.

— The stove should be burned hot twice a day to 15-30 minutes to reduce the amount of creosote buildup.

— Don't use excessive amounts of paper to build roaring fires in fireplaces. It is possible to ignite creosote in the chimney by over-building the fire.

Never burn charcoal indoors. Burning charcoal can give off lethal amounts of carbon monoxide.

Keep flammable materials away from your mantle. A spark from the fireplace could easily ignite these materials.

— If synthetic logs are used, follow the directions on the package. Never break a synthetic log apart to quicken the fire and/or use more than one log at a time. They often burn unevenly, releasing higher levels of carbon monoxide.

— The use of kerosene heaters is illegal in the City of Rahway.

— If a fire occurs, call the fire department immediately.

## Overweight program set for children

"Weights To Play", a 13-week individualized nutrition and exercise program to foster gradual weight loss for overweight youngsters, is now accepting applications. The program, affiliated with John F. Kennedy Medical Center in Edison, is held at its Robert Wood Johnson Jr. LIFEstyle Institute at 2050 Oak Tree Road. It meets twice weekly and participants must have medical clearance from their physicians.

"Weights To Play" was created by an exercise physiologist and a dietitian. The exercise component introduces youngsters aged eight to 12 to games that are engineered to increase energy expenditure and improve body mechanics.

The nutrition segment provides the children with an understanding of the principles of basic nutrition and their application to weight loss. Each child also receives a beginning and a final computerized body composition analysis.

The next workshops are scheduled to start Wednesday, January 6, and Wednesday, February 3.

**Arts Center Offers 'Recognition Seat'**  
RAHWAY — Rahway Landmarks calls it a "Seat of Recognition." Other arts center have different names for it, but the objective is the same — GIVE CONTRIBUTORS THE OPPORTUNITY TO PROVIDE FINANCIAL AID TO THE PROJECT WHILE AT THE SAME TIME PERPETUATING THE MEMORY OF A LOVED ONE VIA AN INSCRIBED PLAQUE ON THE BACK OF AN AUDITORIUM CHAIR.

Rahway Landmarks is a bargain compared with many others. For example, an inscription in San Diego requires a \$5,000 donation, spread over five years, for a center, and the honoree's name will be inscribed on a permanent plaque.

For the same size donation, Landmarks offers a distinctive individual wall plaque and discounts on souvenir items and on tickets to certain events.

**UCC classes at Linden High**  
Linden High School will be the site for six Social Security credit courses to be offered by Union County College as part of its Spring Semester. It was announced today by Dr. Cynthia Hill, the college's Dean of Academic Affairs.

College credit courses available at Linden High School beginning with the opening of the Spring Semester on January 20 are: Mondays, Introduction to Contemporary Business, Law II, and English Composition I; and Wednesdays, American National Government, U.S. History to 1865, and Psychology of Personality.

Upon successful completion of the course, participants will receive a Basic Life Support (BLS) Adult/Pediatric Heartsaver Card, in accordance with the newly-developed American Heart Association standards which make CPR easier to learn.

Rahway Hospital is offering a cardiopulmonary resuscitation (CPR) course for the public on Monday and Tuesday evenings, January 18, 19, 25 and 26, from 6:30 to 9:30 p.m. in Conference Room No. 4 (Community Room).

The fee for the course is \$35 for the course and \$20 for students (\$52 for re-certification). The fee includes the CPR course, a manual, and a CPR certification card. The fee also includes the cost of the CPR course, a manual, and a CPR certification card.

For further information and to register, call the Nursing Education Office of Rahway Hospital at 499-6074.

## CPR Course offered at Rahway Hospital

To receive certification, participants must attend all four sessions. Those who would like to make arrangements for re-certification should contact the Nursing Education Office of Rahway Hospital at 499-6074.

The CPR course is taught by certified basic life support instructors. CPR is an important skill to learn, according to Debra Doroshok, R.N., CPR Coordinator, and Nursing Education Office of Rahway Hospital at 499-6074.

Space in the class is limited and advance registration is required. The fee for the course is \$35 for the course and \$20 for students (\$52 for re-certification). The fee includes the CPR course, a manual, and a CPR certification card. The fee also includes the cost of the CPR course, a manual, and a CPR certification card.

As in seasons past, the Kumpf Student Council once again coordinated the annual Toys for Tots gift drive. Under the leadership of President Brian Parise (right), and Vice President Kristy Parise (left), Kumpf students donated many sacks of toys and demonstrated their boundless good will and generosity in the true spirit of the season.

**These Cinnamon Bars Are Needed at School**

"School is okay. My roommates are pretty nice. Dormitory food is the worst. Please send lots of your cinnamon bars. Love, Betty." Here's a request you can live with. These cinnamon bars are nutritious as well as tasty. They're made with whole grains. Have a real chewy texture plus being well spiced with wholesome cinnamon and nutmeg. They're pretty easy for Mom to make and to pack and can be shipped without crumbling.

**SINGING PRAISES...** Frank Buglione (2nd from right), President of the Rahway Administrators and Supervisors Association (R.A.S.A.), presents in check to Rahway High School Choral Director Donald Pennell in appreciation of the chorus's recent performance at Marck & Company. The much-appreciated performance was in connection with the Management Assistance for Public Schools (M.A.P.S.) program, in which Marck sponsored the Rahway Public Schools Administrators. Also pictured, left to right, are William Clark, R.A.S.A. Treasurer; Eleanor Pires, Vice-President; and Donald Sobieski, Secretary.

**HAPPY ESSAYISTS** ... Arthur L. Johnson Regional High School students, Joanne Goldberg, left, Theresa Loong and Dana Mariano (right), were selected as their school's 2nd, 3rd and 1st place winners, respectively, of the Voice of Democracy Scholarship Program competition, sponsored by the John L. Ruddy Post 7363 of the Veterans of Foreign Wars in Clark. The task was to

write an essay on the topic of "America's Liberty — Our Heritage," before reading the essay and making an audio tape. Entrants were judged on the written content of their essays and on the quality of the speaking style they displayed on the audio tape. Her First Place winner Dana Mariano to compete on the district level.

## Young workers qualify for \$\$ disability \$\$

Retirement is a long way off for young people, but monthly retirement checks are only one of a package of benefits available to anyone who works long enough in Social Security-covered employment.

### Did you know?

Cats have no ability to taste sweet things.

Disability insurance, for example, is an important feature of the Social Security program for young workers. It provides benefits to workers who are so severely disabled that they will be unable to return to work for at least a year.

A worker can start receiving monthly disability

payments after an initial 5-month waiting period, and the benefits are payable any time before age 65.

Benefits continue for as long as the person remains disabled.

A person who receives disability benefits for 24 months becomes eligible for Medicare, which can help meet the costs of health care.

If a married worker becomes disabled, monthly payments can also be made to the spouse and children. And if the person should die, survivor's insurance will help protect the family.

**CAN WE PLAY YET?** ... Aspiring young soccer players hope to get on a team. Registration is January 9 and 13.

## Registration set for spring soccer

Registration for Spring Soccer will be held Saturday, January 9, 10 a.m. to 12 noon, and Wednesday Jan. 13, 5:30-7 p.m., at the Claude Reed Center, 1670 Irving St., Rahway.

Any registrations received after Jan. 13 will be placed on a waiting list.

The cost of the program is \$10 for the first child and \$7 for the second in the same family.

Registration forms will be handed out in the schools and will be available at the Rahway Recreation Department, 1670 Irving St., Rahway.

Boys and girls ages 5-12 (1983-1976) who are city residents may register.

For more information, call the Rahway Youth Soccer Association: 388-2659 or 382-5613.

**IN LIVING COLOR** ... Derrick Baker of Rahway and Debbie Pini of Linden (left and right-center respectively), assume pose as narrators in the Linden Summer Playhouse production of "Joseph and the Amazing Technicolor Dreamcoat," January 9 and 10 at the Union County Arts Center, Rahway. Proceeds will benefit the arts center. Call 499-8226 for reservations and more information.

## "Joseph..." to benefit county arts center

The Union County Arts Center will present the exciting reprise of the Linden Summer Playhouse production of "Joseph and the Amazing Technicolor Dreamcoat" on Saturday, January 9 at 8 p.m. and on Sunday, January 10 at 2 p.m.

Playing to sold-out houses last summer, the energetic Linden Summer Playhouse cast of young musicians, dancers and singers will again entertain audiences with their zesty retelling of the Old Testament story of Joseph and his brothers, complete with scenic wonders and dazzling costumes.

"Joseph..." proceeds will benefit the Union County Arts Center organization, currently raising funds to restore the theatre as a county performing arts facility. This joint effort between the Union County Arts Center and the Linden Summer Playhouse will demonstrate the wealth of talent in Union County.

Tickets are \$8 and may be purchased by calling the box office at 499-8226; group discounts for 20 or more are available. The Union County Arts Center is located at 1601 Irving Street, Rahway.

## Radon test kit offered

New Jersey homeowners can easily determine whether their residences are radon-free with the "do it yourself" Radtrak testing service, which can be obtained through the mail from the American Lung Association of New Jersey.

The Association is offering its 3-month Radtrak testing service to all New Jersey residents. The "do it yourself" device comes with easy-to-read instructions and a return container. The cost to borrow it is \$24.95, and it can be obtained by writing to the Association at 1600 Route 22 East, Union, NJ 07083.

Each order should be accompanied by the full name, complete mailing address and zip code of the individual submitting the request. Telephone orders will not be accepted, and all checks should be made payable to the American Lung Association of New Jersey.

The Radtrak device, manufactured by the R.S. Landauer Company of Glenwood, IL, should be used during the winter heating season because radon levels can be more accurately measured when windows and doors are closed.

A recent survey by the NJ Department of Environmental Protection indicated that 33 percent of all homes tested in the state exceed federal guidelines for maximum acceptable levels for radon gas.

When the test has been completed and the monitor returned, the Lung Association will send an information packet to all participants with advice on how to interpret the results of their test, what steps to take if any are required, and important telephone numbers to call for further information and assistance. Results will be kept confidential.
