## Residents rally for 'garbage cause'

by Pat DiMaggio

Last week's public hearing on a Township-wide garbage collection plan deteriorated into a shouting match between residents unable to gain entrance into the meeting because of overcrowding and those who were lucky enough to squeeze into the 135-person capacity room.

Clark's Municipal Council called a special meeting and public hearing last Wednesday to give residents the opportunity to air their views on a proposed townshipwide contract with a private hauler to collect solid waste. Residents presently con-

tract privately for their garbage collection with one of several different scavengers servicing Clark.

Fifteen minutes after the meeting started, representatives of the Fire Department refused to let any more people into the municipal chambers room because of overcrowding.

Shouts of "Let us in" could be heard from the group of more than 100 residents left standing outside. "We have a right to be heard," shouted several people in the crowd. Residents inside the

meeting joined in with their counterparts outside, telling the council that they should move the meeting to larger quarters. "We all have something to say," shouted one man in the room.

Councilman Bernard Hayden made a motion to reschedule the meeting to last night at Brewer School. Councilwoman Carol Plata seconded the motion and all council members approved it.

The Solid Waste Committee was formed to study a suggestion by Mayor George Nucera to contract with one

hauler to service all residents of Clark. The committee has suggested dividing the Township into two special garbage districts. "This will make sure that everyone is paying their fair share for garbage disposal," said Solid Waste Committee Chairman Robert Ellenport.

Residents would pay for their garbage collection through their property taxes which would make the amount tax deductible, according to Ellenport.

The committee mailed out 4700 questionnaires to residents and received 734 re-

sponses. Of the responses, 72 percent indicated approval of the plan and 28 percent voted disapproval, said Ellenport.

Under the proposal, residents are expected to pay approximately \$270 per household for garbage collection. The average homeowner presently pays \$411 per year, said Ellenport.

Last night's meeting brought out crowds to Brewer School for the rescheduled meeting. Events will be reported on in next week's edition of The Clark Patriot.

## Regional Board of Ed appoints substance abuse coordinator for ALJ

by Pat DiMaggio

At a meeting held last week, the Regional Board of Education appointed a substance abuse coordinator to serve the Arthur L. Johnson High School in Clark.

The board appointed Lorraine Olszewski to the position of substance abuse coordinator to serve students at Johnson and also at David Breafield Regional High School in Kenilworth. She has been employed as a guidance counselor at ALJ for the past 12 years. She will begin her new position when a replacement is found for the guidance department.

Clifford Lauterhahn will be the substance abuse coordinator for the two other regional High Schools in the district (Jonathan Dayton in Springfield and Gov. Livingston in Berkeley Heights).

During the 1987-88 school year, Mr. Lauterhahn served as the student assistance counselor for all four regional High Schools. This new appointment enables Ms. Olszewski and Mr. Lauterhahn to better serve all students in the district, according to Thomas Long, spokesperson for the Regional Board of Education. The title of the position has been changed due to the request of the State Department of Education for the purposes of uniformity.

"A Student assistance counselor counseled students who were affected directly or indirectly by drugs and alcohol," said Long. "The substance abuse coordinators will oversee substance abuse education and will be able to reach down into the middle schools. People now believe that to prevent kids from getting involved in drugs, you must reach down into sixth, seventh and eighth grades." The program is fully board funded.

In other business the board:
