George Smith le Again In Trenton Asvlum, but Only After Giving Of cials Hard Fight-Had \$2,540 In Belt Around His Waist.

New Brunswick, N. J., Aug. 21.-George Smith of Berdine's Corners, who defied a deputy sheriff and two constables when they went to arrest him as a dangegous lunatic, was put in the insune asylum at Treaton. Before he was overpowered and captured he shot a detective, who, however, was wounded only slightly, Smith was discharged from the asy lum in Trenton a few months ago, but had a return of his malady and he ap-

peared before his family armed with a Winchester rifle and two revolvers and threatened to kill any one who tried to leave the house. He carried a satchel containing sticks of dynamite and threatened to blow up the house. A member of the family got out of locked. When they were trying to E. places and don't touch a rein. Leave men instead of one to hunt for." t all to old Buck." He stepped forward and enught the happened. The Lord send nothing foot a minute.

ND where one of Jim's friends good attention, the captain said that he must be getting about his business. "Oh, stay a little longer, fellers, till he comes to," remonstrated Bud. "He'd he captain said that he must be getting about his business. gripping the pommel of the saddle with like to have a chance to say 'Thank all the strength he had and shutting you." hid eyes when he came to the high ers of substance. They were working

their way out to a new country to suit | that ground." their inclinations. It had just been suggested that it was perhaps time to hit the trail again when the captain saw a figure on a horse flying athwart the mountain side. "Huh." said the capiain. "that man's drunk or crazy." "Holy sufferin'." gasped the man next him as the vellow horse slipped on a turn and sent a shower of gravel a thousand feet below, "that was a near touch!" as the horse caught himself and swept on. "Looks to me like a case of trouble, can," said a third speaker. "That nin't no man anyhow. It's only a boy." "Horse running away with him probably. His folks ought to be clubbed for letting him out on such an unimal. Well, spread out, boys, and we'll catch him."----But Buck stopped in two jumps at Ches' command of "Whoa!" "Fr'en's," cried the boy, "me pardner's caught in a tunnel dat caved in on him. Kin yer help us out? Three mile above Jones' hill." He had not finished the sentence be fore two men sprang for the horses. The rest grabbed picks and shovels

and hurled them into the wagon. "We'll be there, a-whooping," said Captain Hanrahan. "T'anks," replied Ches weakly, and then the world went out. The captain caught him as he fell. "Poor little cuss! He rid hard to help his pardner," said the captain. "Humph yourselves, boys! All rendy! Got the whisky, Pete? Picks enough? Stick the axes where they won't, jump loose and cut a leg off some of us. Tie

the horse behind. Good animal, that Ali right, let 'em go!" They went over stones and gulleys, the tools clanging and banging fit to leap from the wagon, the men clinging to the sideboards for dear life; down hillsides like the slant of a roof, the horses keeping out of the way of the wagon; up the other side with the recking animals straining every fiber; over bridges that bent fearfully beneath the shock of their onset; swaying around curves with the wheels slewing and starks flying and over the level as though the devil him-

It was the record trip for eight miles in a wagon in that country. The driver stood up, a foot braced on either side the reins thrown loose, the whip plied hard and every urging that voice could give shricked out by his
