RAHWAY DAILY RECORD, FRIDAY, DECEMBER 1, 1911

The Conductor Hang Up Blddy's fare *** TONS are stupid things, aren't they, daddy?" concluded Evelyn after telling of the trouble she and Jack had every evening getting old Toppie, their pet bantam, into the coop where the hen could sleep comfortably instead of shivering on the back fence "Well," answered daddy, "I've heard it said that bear are not as bright as

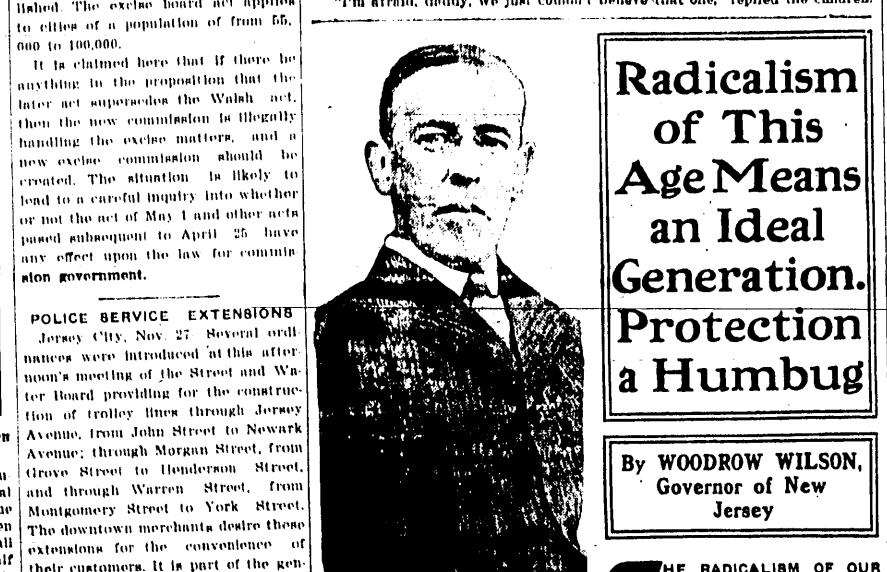

clating to excise boards was apsome feathered folks: but, I declare, if we may believe a story I heard yesterproved by Governor Wilson. The date day we shall have to put chickens down as being quite clover. "This ben is a white Leghorn, a pet in the family where it belongs. The nality, and Sember Celering Spelle the question involved is whether this the Effect. Saye Noted Writer in the authorandes the commission govern- in many ways that she did not like the chause. ment law in a way to recatablish the "The ben's master worked on a weekly newspaper, and so when one day If Leonardo da Vinci had to design a old form of excise commission. The the chicken came hopping into the office no one chased her out. Every one

AZ Leonardo da vinci nad to design a Walah act became a law, of course, there was quite well acquainted with the hen. Biddy picked up a copy of the believe that he would go to the library on April 25, and under it commission paper and scurried out to the street with it. and try to find out how the ancient government was established in this Greeks did it, or if they didn't do it city. That law also legislated the lo-Oreeks did it, or if they didn't do it city. That law also legislated the low butcher put a nickel in Biddy's mouth to pay for the paper. The ben, so he how could what they did be twisted cal excise commission out of office, says, seemed very much pleased and hurried away with the money.

"Just as Biddy reached the corner the street our stopped to let some people off, and the hen hopped on the car. Blie dropped the nickel on the floor, and spoon. bridge or cathedral as deter i provides for an amendment to the "The chicken, so the conductor says, rode peacefully along until she mined by its purpose and majerial act of April 8, 1909, but in tacking reached the place in the country where she used to live-"'Cluck, cluck!' cried Mistress Biddy, and, though he had never studied the

chicken language, the conductor knew she wanted to get off. "She hopped merrily off the car and made a beeline for her old home. elted, and it is now held by some that was locked and empty. Then she went over to a neighbor's. The first thing Of all the ugliness of our modern this reenacts the whole section. The the hen did was to lay a nice big egg in a box of straw to show that she meant towns the least justifiable in the ugil- section provides for the establish to pay her way. After that she was made welcome by the neighbors. "Since then Biddy bas been living in her old home or as near to it as she

son, seconomic, climatic or geographic, sloners of five members to serve for can get board, and she seems a happy and contented ben. "Her master has made up his mind to let her stay where she is for the present. He has told a good many wonderful tales about the hen himself, but this story, which the town's practical joker started about the hears trip to the country, bents any of his yarns. You can believe the story or not, as you like." Daddy turned a laughing face to Jack and Byelyn. "I'm afraid, daddy, we just couldn't believe that one," replied the children. | Have YOU thought of the TIRED
