THIRTY FIVE CASES ARE HEARD DURING MARCH BY JUSTICE

City Enriched By \$101 Collected In
Fines From Various Offenders
Brought to Police Court

TWO HELD FOR GRAND JURY

Monthly Report of Judge John W.
Buckley Indicates Much Activity By
Police—No Pandemonium Caught

The monthly report of Police Justice John W. Buckley, made public today, shows that during the month there were thirty-five cases disposed of in Police Court, most of which were of minor importance. Two prisoners were held for the action of the Grand Jury, the one in \$500 bail for carrying concealed weapons and the other without bail, charged with alleged assault on a young girl.

City Gets \$101 in Fines.
The city was enriched by the sum of \$101 collected in fines for various offenses and the county jail at Elizabethtown received ten persons who had violated the laws in this city during the month of March. Ten persons who had become too well acquainted with the law, were brought before Judge Buckley and received different sentences and suspensions of sentence. There was one person convicted of being drunk and disorderly; seven accused of being disorderly persons and six of conducting themselves in a disorderly manner. One case of alleged larceny was tried, the boy held for the Grand Jury and later released, on probation to report once a month to Judge Buckley. Ten men were arrested for trespassing on the railroad property, but as they were strangers and promised to leave town, their fines were remitted and sentence was suspended in each case. There were two violations of the city ordinance, one in regard to peddling without a license and one of distributing handbills contrary to the provisions of the city ordinance. One alleged misdemeanor was also tried.

Two County Cases.
Judge Buckley also heard one cruelty to animals case and one violation of the law concerning weights and measures. As these are county and society cases they were not included in the regular report which Judge Buckley files with the Common Council.

Police Department Active.
The report for the month speaks well for the activities of the police department and a noticeable improvement in the condition of the city has been noted. Pandemonium, with which the city was infested during January and a greater part of February, have given the city a clean sweep during the past month and Chief of Police Ramsey and the active police department are to be commended for the work accomplished in ridding the city of this pest.

What has evidently been spread among the members of the police department, no more is extended by the police to any who may be caught trespassing in the city, and the "bushy" has been cut out of the city. It is reported that a man of good character, who had been a member of the police department, had been caught trespassing in the city and was fined \$100.

CHIEF EXPLAINS PERMIT ORDER

Police Head Seeks Out Of Town Merchants Who Violate City Ordinance

In explanation of his order that all local merchants should come to him to get permits for distributing handbills in compliance with the city ordinance, Chief of Police David H. Ramsey said this morning, that while it was not necessary for them to come to him, it would be of great assistance to him and would save the merchants trouble if they did so. He explained that he was on the look out for out of town merchants who have been in the habit of coming here and that if he knew exactly what merchants in this city were distributing handbills, and were complying with the law in so doing, he would have a better chance to catch the out of town offenders whom he was seeking.

Chief Ramsey, through the Daily Record, asks the residents of the city to notify him if they find any handbills thrown on their property in violation of the provisions of the city ordinance, so that he may find out who the guilty persons are and watch for them. This method of cooperation with the police department was very effective in the matter of ridding the city of pandemonium and vagrants and the chief believes that it will work in the matter of handbills.

The chief intends that the day patrolmen shall wear the regulation summer caps in place of the helmets and also white gloves.

Pether on Irving Street, was bitten in the calf of his left leg by a bull dog, the property of Jack Brennan. He went to the drug store of W. B. REV. B. O. PARVIN ENDS LONG CAREER

Aged Pastor of Methodist Church In Rahway Dies At Cherry Street Home

Rev. Benjamin O. Parvin, 77 years of age died Saturday afternoon at his home in Cherry Street, following an illness of all winter. His last outing being a visit to his sister at Bridgeport, N. J. last Fall.

Mr. Parvin was born at Cedarville, N. J. He leaves a wife, one sister, Mrs. Wm. Jewell, of Bridgeport, and several relatives more or less distant. Rev. Mr. Parvin was converted when he was a lad of 15 years and studied for the ministry, becoming pastor of what was known as the Second M. E. Church, Rahway, now Trinity.

Sunday next will be the first anniversary of the first service. Mr. Parvin preached in the recently removed edifice that stood by the railroad tracks where he took charge as pastor. During his illness of the past winter Rev. Mr. Parvin often expressed the wish to be able to go to church at Trinity on this coming Sunday and give a ten minute talk of a remembrance of the officers dressed according to regulation this summer.

On June 4 next Rev. and Mrs. Parvin would have been married fifty years and they were calculating on celebrating their golden wedding anniversary. Owing to poor health Rev. Mr. Parvin was put on the retired ministerial list of the M. E. Church thirty-eight years ago, since which he has officiated as a supply for pulpits wherever needed.

He was a man beloved by all and his death is greatly regretted in Rahway. The sympathies of the members of the two Methodist churches particularly go out to Mrs. Parvin in her sorrow.

The funeral services will be held Tuesday afternoon at 2:30 o'clock, in Trinity Church, Rev. C. C. Woodruff being in charge. Other ministers and speakers are expected. The interment will be in Fairview cemetery at Westfield, immediately following the services.

During the Civil War Mr. Parvin had a narrow escape. A salute was being fired from a small cannon in the park opposite the Pennsylvania depot. Owing to a premature discharge the cannon was blown out of the gun and through the window of the room in which Mr. Parvin was dressing for his wedding. The cannon passed close to his head and lodged in the wall.

Since his retirement from the active ministry, Mr. Parvin has been of great service to the community in his capacity as a layman, being at all times willing to do in every way he was able.

LOST CHILD IS SOON FOUND

Dora May Bishop of Philadelphia
Loose Way: Returned to Relative

Six-year-old Dora May Bishop of Philadelphia, who is visiting her grandmother at 56 Central Avenue, set the police department and several other people in full motion last evening when she became lost and could not find her way back to her temporary home.

Imbued with a spirit of investigation and discovery she set out in the afternoon to see the town. When supper time came, and she did not appear, her grandmother became worried. In the meantime, the police had been notified by a telephone message from Bishop's store that a lost child had been found at the corner of Millton Avenue and Broad Street. Patrolman Smith was sent to the store to get the youngster.

Y. M. C. A. BUILDING IN DANGER

Fire by Speedy Action Last Night

Patrolman John Smith last night about 9:45 o'clock climbed in through a window of the Young Men's Christian Association Building on Irving Street and prevented a chance of a fire which might have started at any time from a red hot stove. A child, whose name was not ascertained, was passing by the building and saw a vivid glare inside. He immediately notified the police officer who was near by. The officer entered the building through a window and found the stove almost at white heat and the surrounding woodwork extremely hot. He shut off the draught. This morning Chief Ramsey notified the Y. M. C. A. authorities to be careful in the future.

REV. W. T. STUCHELL RESIGNS HIS SECOND CHURCH PASTORATE

Letter of Resignation, Read at Yesterday's Morning Service, Comes As Great Surprise To Members

PLANS INCLUDE LECTURING

Will Travel Here and Abroad for One Year, and Possibly Three, For Studying and Lecturing

Ray. Wm. Torrence Stuchell, leader of his resignation as pastor of the Second Presbyterian Church, at the morning service yesterday. To a majority of the large audience, the resignation came as a great surprise, and to all it was a cause for the utmost sorrow and regret.

At the conclusion of his sermon during the delivery of which no reference was made to the matter, Mr. Stuchell announced that Rev. Ernest Brown of Danville, Va., was seated on the platform, would read a communication from him. Mr. Brown then arose, and with the remark that wisdom had had a more sorrowful task to perform, read Mr. Stuchell's resignation as follows:

March 31, 1912.
To the Members of the Church and Congregation of the Second Presbyterian Church of Rahway, N. J.:
My dear friends:
In the providence of God, now nearly nine years ago in answer to your call, I came to serve among you as your pastor. All bright with promise, the future seemed golden and in anticipation the years before us seemed long. Now looking back over them how quickly have they passed. What has been the result? The years have been fraught with fullness; we have suffered loss and we have experienced gain; whatever the loss or what the gain the nine years' work endures. Now, perhaps, of all my life, of this period, I come to the sad part, it is to tender my resignation as your pastor, and to ask that you unite with me in a request to our Presbytery to dissolve the relationship now existing between us as pastor and people.

Be assured that these words so easily written are not so easily uttered of the heart, and be assured, too, that all that the words may mean to you they mean the same and the same to me. Perhaps it might not be so, perhaps the receding in the contemplation of a work should be made full and complete than the receding in the contemplation, as the days close in, I am more and more convinced that the opportunity of a greater joy than the joy of the corner stone. Be that as it may, in the days to come, I shall be glad to see you and to hear of you, and to share with you the joy of your success.

My ministry among you has been one of constant and of increasing delight. This church and this city to me will ever be a sacred shrine. May I, in the providence of God, have the privilege of the greatest joy of my life, the joy of seeing you and of sharing with you the joy of your success. I shall be glad to see you and to hear of you, and to share with you the joy of your success.

Very truly yours,
W. T. Stuchell

The Scrap Book

A Portentous Poem.
Mr. and Mrs. Achenbrenner were visiting Europe and had just arrived at Pisa. Mrs. Achenbrenner was all excited upon reaching the leaning tower of Pisa.

As she weighed a shade over the 200 mark, her husband always dug up an excuse when it came to accompanying her on any expeditions.

He was just pondering on the beautiful fall of unintelligible language used by their guide when from the companion rampart came the "little-little" cry of his wife, who was leaning far over the railing.

Mr. Achenbrenner obligingly looked up and then came to life with an exclamation: "Overhead, for your life get back! You're bending the build line!"—Harpers Magazine.

FASHIONABLE HINTS

LATEST IN FASHION FIELD.
New York March 31. There seems to be no season of the year when a new fashion is introduced. This is especially so at this time when one wants a smart top to freshen up a worn suit or coat.

Three or more materials are often used in such waists and net linings are increasingly popular since they are light and permit of elaborate effects with little work. The outer material is usually chiffon, lace or tulle.

Long coats of serge and silk are very much in the running and bib and apron effects are all sorts of garments.

NECESSARY.
Wife—much grip in town. This winter a few words of advice will not be out of place.

First, grip is no trifle. Its after effects are often very serious.

Second, grip is particularly bad on children, old people and all who are not in the best of health.

Third, grip hangs on—takes away your energy and appetite—leaves you feeling weak and played out. That is a dangerous condition.

The best thing you can do is to build yourself up with Vinol, our delicious cod liver and iron preparation without oil. It tones up the system and makes you strong and vigorous.

This letter from R. J. Lown, Oneonta, N. Y.: "I had an attack of grip last January which left me in a very badly weakened and rundown condition. Later I began to take Vinol, and it did strictly all right. It began to help me from the very first and now I am as well as ever."

Remember, we guarantee Vinol to do just what we say—we pay back your money if it does not. Wm. M. Davis, Main Street, Rahway.

AT MANHATTAN THEATRE.

Henry Miller's new play, "The Rainbow," by A. E. Thomas, now in its fourth week at the Liberty Theatre, New York, has been a great success.

As suggested by its title, "The Rainbow" is a charming, colorful comedy, sparkling with wit and with the sparkling chime of real life. It tells a fascinating story and is peopled by interesting characters. There is no subtle plot in "The Rainbow." It is a straightforward narrative in which the dramatic values are expressed in cheerful comedy and tender sentiment.

Robert McEwen, Jr., who plays the character "Mickey" in "The Rainbow" at the Astor Theatre had a funny experience with the pack of cards used by himself to demonstrate his experience in handling cards on the boards. Before becoming a detective in the play he was famed as the best card player in the country. In order to beat a confidence card man on the board he always insisted to be investigated into the game. Before he does so, however, he explains to his treatment: "Just how he is going to stack the cards in order that he does an intricate trick, the result of which is to bring the ace out of the deck seventh in order from the top card. Up to the O.K. point, the trick had worked wonderfully well, but when the audience began to applaud as Louise Woods, the companion, took the card looked at it and made a face it was an ace and not a king. How could it be so? Last night something happened to the deck and when the world famed card checker turned his cards over, he was amazed to find that the audience never failed to applaud as Louise Woods, the companion, took the card looked at it and made a face it was an ace and not a king.
