HOW THEY MAKE THE "MOVICE"

Barry O'Neil managing director of one of the moving picture stock companies, seceives a scenario of a photoplay. It is a melodramatic story which, to the experienced director, is perfectly easy, except that he must make a fire scene with all the circumstances and excitement of the treal thing. He approaches the principals of the firm and tells them that there X is no fire reported in town and he Timust have a lire that afternoon, as the production is late. "Well," replies the chief o

tablishment, "make one," O'Neil explains that it will cos much money. "No matter what it costs. Make the
