Ayer's Hair Vigor
For restoring Gray Hair to Its Natural Vitality and Color.

A dressing which is so agreeable, healthy, and effective for preserving the hair. Faded or gray hair is soon restored to its original color with the glow and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such a remedy can be secured for usefulness by this application. Instead of losing the hair with a jasty sediment, it will keep it clean and vigorous. It occasionally will prevent the hair from turning gray or falling out, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. It is wanted merely for a

HAIR DRESSING
which also can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
