HOUSEHOLD RECIPES.
To make a good custard, take one quart of milk, one egg, one ounce of sugar, and one ounce of flour. Beat the egg and sugar together, then add the flour and mix well. Pour the milk into a saucepan and heat it to boiling. Then pour the mixture into the milk and stir it all the time. When it is thick, add a little vanilla and a pinch of salt. It is now ready to use.

TO MAKE HONEY. Take one quart of water, one pound of sugar, and one pound of honey. Boil the water and sugar together for one hour. Then add the honey and stir it all the time. It is now ready to use.

TO MAKE BUTTER. Take one quart of cream and let it stand for one day. Then pour it into a butter churn and stir it all the time. When it is thick, add a little salt and a pinch of soda. It is now ready to use.

TO MAKE CHEESE. Take one quart of milk, one pound of sugar, and one pound of cheese. Boil the milk and sugar together for one hour. Then add the cheese and stir it all the time. It is now ready to use.

TO MAKE SOAP. Take one quart of water, one pound of lard, and one pound of soda. Boil the water and lard together for one hour. Then add the soda and stir it all the time. It is now ready to use.

TO MAKE CANDY. Take one quart of sugar, one pound of butter, and one pound of cream. Boil the sugar and butter together for one hour. Then add the cream and stir it all the time. It is now ready to use.

TO MAKE JELLY. Take one quart of water, one pound of sugar, and one pound of fruit. Boil the water and sugar together for one hour. Then add the fruit and stir it all the time. It is now ready to use.

TO MAKE SYRUP. Take one quart of water, one pound of sugar, and one pound of cream. Boil the water and sugar together for one hour. Then add the cream and stir it all the time. It is now ready to use.

TO MAKE SAUCE. Take one quart of water, one pound of sugar, and one pound of butter. Boil the water and sugar together for one hour. Then add the butter and stir it all the time. It is now ready to use.

TO MAKE PICKLES. Take one quart of water, one pound of sugar, and one pound of vinegar. Boil the water and sugar together for one hour. Then add the vinegar and stir it all the time. It is now ready to use.

TO MAKE MARMALADE. Take one quart of water, one pound of sugar, and one pound of fruit. Boil the water and sugar together for one hour. Then add the fruit and stir it all the time. It is now ready to use.

TO MAKE BUTTER. Take one quart of cream and let it stand for one day. Then pour it into a butter churn and stir it all the time. When it is thick, add a little salt and a pinch of soda. It is now ready to use.

TO MAKE CHEESE. Take one quart of milk, one pound of sugar, and one pound of cheese. Boil the milk and sugar together for one hour. Then add the cheese and stir it all the time. It is now ready to use.

TO MAKE SOAP. Take one quart of water, one pound of lard, and one pound of soda. Boil the water and lard together for one hour. Then add the soda and stir it all the time. It is now ready to use.

TO MAKE CANDY. Take one quart of sugar, one pound of butter, and one pound of cream. Boil the sugar and butter together for one hour. Then add the cream and stir it all the time. It is now ready to use.

TO MAKE JELLY. Take one quart of water, one pound of sugar, and one pound of fruit. Boil the water and sugar together for one hour. Then add the fruit and stir it all the time. It is now ready to use.

TO MAKE SYRUP. Take one quart of water, one pound of sugar, and one pound of cream. Boil the water and sugar together for one hour. Then add the cream and stir it all the time. It is now ready to use.

TO MAKE SAUCE. Take one quart of water, one pound of sugar, and one pound of butter. Boil the water and sugar together for one hour. Then add the butter and stir it all the time. It is now ready to use.

TO MAKE PICKLES. Take one quart of water, one pound of sugar, and one pound of vinegar. Boil the water and sugar together for one hour. Then add the vinegar and stir it all the time. It is now ready to use.

TO MAKE MARMALADE. Take one quart of water, one pound of sugar, and one pound of fruit. Boil the water and sugar together for one hour. Then add the fruit and stir it all the time. It is now ready to use.

TO MAKE BUTTER. Take one quart of cream and let it stand for one day. Then pour it into a butter churn and stir it all the time. When it is thick, add a little salt and a pinch of soda. It is now ready to use.

TO MAKE CHEESE. Take one quart of milk, one pound of sugar, and one pound of cheese. Boil the milk and sugar together for one hour. Then add the cheese and stir it all the time. It is now ready to use.

TO MAKE SOAP. Take one quart of water, one pound of lard, and one pound of soda. Boil the water and lard together for one hour. Then add the soda and stir it all the time. It is now ready to use.

TO MAKE CANDY. Take one quart of sugar, one pound of butter, and one pound of cream. Boil the sugar and butter together for one hour. Then add the cream and stir it all the time. It is now ready to use.

TO MAKE JELLY. Take one quart of water, one pound of sugar, and one pound of fruit. Boil the water and sugar together for one hour. Then add the fruit and stir it all the time. It is now ready to use.

TO MAKE SYRUP. Take one quart of water, one pound of sugar, and one pound of cream. Boil the water and sugar together for one hour. Then add the cream and stir it all the time. It is now ready to use.

TO MAKE SAUCE. Take one quart of water, one pound of sugar, and one pound of butter. Boil the water and sugar together for one hour. Then add the butter and stir it all the time. It is now ready to use.

TO MAKE PICKLES. Take one quart of water, one pound of sugar, and one pound of vinegar. Boil the water and sugar together for one hour. Then add the vinegar and stir it all the time. It is now ready to use.

TO MAKE MARMALADE. Take one quart of water, one pound of sugar, and one pound of fruit. Boil the water and sugar together for one hour. Then add the fruit and stir it all the time. It is now ready to use.
