The National Democrat
RAHWAY, N. J., FEBRUARY 13, 1879.
HOUSEHOLD RECIPES
The following recipes are those of a practical cook, and are given for the benefit of those who are unable to do for themselves. They are all simple and easy to follow, and will be found to be of great value to the household.

How to Cook Eggs
To cook an egg, first wash it in cold water, and then boil it in salted water for ten minutes. This will make it easy to peel, and will keep it fresh for several days.

How to Cook Potatoes
To cook potatoes, first wash them in cold water, and then boil them in salted water for twenty minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Meat
To cook meat, first wash it in cold water, and then boil it in salted water for one hour. This will make it tender and juicy, and will keep it fresh for several days.

How to Cook Fish
To cook fish, first wash it in cold water, and then boil it in salted water for ten minutes. This will make it tender and juicy, and will keep it fresh for several days.

How to Cook Bread
To cook bread, first wash the dough in cold water, and then boil it in salted water for ten minutes. This will make it soft and tender, and will keep it fresh for several days.

How to Cook Soup
To cook soup, first wash the vegetables in cold water, and then boil them in salted water for ten minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Stew
To cook stew, first wash the meat in cold water, and then boil it in salted water for one hour. This will make it tender and juicy, and will keep it fresh for several days.

How to Cook Cakes
To cook cakes, first wash the batter in cold water, and then boil it in salted water for ten minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Pudding
To cook pudding, first wash the ingredients in cold water, and then boil them in salted water for ten minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Pie
To cook pie, first wash the filling in cold water, and then boil it in salted water for ten minutes. This will make it soft and tender, and will keep it fresh for several days.

How to Cook Pastry
To cook pastry, first wash the dough in cold water, and then boil it in salted water for ten minutes. This will make it soft and tender, and will keep it fresh for several days.

How to Cook Biscuits
To cook biscuits, first wash the dough in cold water, and then boil it in salted water for ten minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Cookies
To cook cookies, first wash the dough in cold water, and then boil it in salted water for ten minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Pastries
To cook pastries, first wash the dough in cold water, and then boil it in salted water for ten minutes. This will make them soft and tender, and will keep them fresh for several days.

How to Cook Tarts
To cook tarts, first wash the filling in cold water, and then boil it in salted water for ten minutes. This will make it soft and tender, and will keep it fresh for several days.
