New York, January 16, 1885. I have, on several occasions during the past few years and without the knowledge of the manufacturers, analytically examined cans of CLEVELAND'S SUPERIOR BAKING POWDER purchased by myself in the markets, and I take pleasure in recommending it to public favor as a baking powder that can be relied upon for purity, wholesomeness and strength, as I have never found it to be adulterated with lime or to be impure in any sense whatever.

MARVELOUS STORY FROM THE SON: "28 Codar St., New York, Oct. 28, 1882. Vi. He has been a great sufferer from Scrol ula, and the inclosed letter will tell you what

Aver's Sarsaparilla has had in his case. I think his blood must have contained the humor for at least ten years but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terriby afflicted, and an object of pity, when he began using your medicine. Now, there are few nien of his age who enjoy as good health who would testify to the facts in his case.

Yours truly, W. M. PHILLIPS. FROM THE FATHER: "It is both in pleasure and duty for me to state to you the benefit I

Ayer's Sarsaparilla. Six months ago I was completely covered with liching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every

respect - being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AVER'S SAUSAPARILLA. Glover, VL, Oct. Yours gratefully, HIBAM PHILLIPS," Aven's Sarsapanilla cures Scrotula and all Scrofulous Complaints, Erysipclas, Eczema, Ringworm, Blotches, Sores, Bolls, Tumors, and Eruptions of the Skin. It clears the blood of all impuritids, aids digestion, stimulates the action of the bowels, and thus restores vitality and

strengthens the whole system. PREPARED DY Dr.J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1, six bottles for \$5. QAHWAY POST OFFICE.

CLEVELAND'S SUPERIOR

Manufactured by Cleveland Brothers, Albany, N. Y., is the PUREST, STRONGEST MOST HEALTHFUL, and will always

be found THE MOST RELIABLE AND MOST ECONOMICAL preparation ever produced for making most delicious, light, white, sweet and healthful biscuits, cakes, pastry, puddings, &c., and has met with unprecedented success wherever introduced during the past fifteen years. The public have a right to know what they are using as

food. Anything that so vitally affects the health of the family as the daily bread we eat should be free from any suspicion of taint, and housekeepers should demand that manufacturers plainly state all the ingredients of compounds that are used in the preparation of our daily diet. Do not use baking powders whose manufacturers wholly or partly withhold from the public a knowledge of the ingredients from which they are made. CLEVELAND'S SUPERIOR BAKING POWDER is made only of purest Grape Cream of Tartar, Bicarbonate of Soda, and a little wheat flour, the latter to preserve the strength of the powder. Nothing else whatever is used in its manufacture.

NEW YORK, July 11, 1884. In analyzing samples of baking powder purchased by myself of a number of grocers in New York City, I find that CLEVELAND'S SUPERIOR BAKING POWDER contains only pure Grape Cream of Tartar, Bicarbonate of Soda, and a small portion of flour.
