HAVE TO SAY ABOUT CLOTHING

Since our REMOVAL to our NEW BUILDING we have been busy preparing an entire NEW STOCK of THE BEST SHAPED and FINEST FINISHED GARMENTS ever shown to our customers; and to day we have an immense stock, ALL NEW, STYLISH, HANDSOME, and VERY LOW in price. Never was such a stock of ELEGANT GAR-MENTS shown in the city, each a perfect copy of the most expensive custom-made work; and never before were such low prices named for garments of equal style and durability. It requires no expert to judge of the merits of our stock; for even the most inexperienced at a glance will see their IM-PROVED DRESS APPEARANCE when they try them on. Think of the Finest Cassimere Pants, cut by special patterns, marked in plain figures, at \$5, 5.50 and \$8 a Pair. The new Cheriots and Shaded Striped Pants, now so popular in custom trade, selling for \$3, 3.50 and \$4, or our broken lots of Fine Pants Marked Down daily to close out quick at \$2, 2.50 and \$3 a Pair. We are quoting prices that can only be made under Low Expenses. We may not be clearing large profits; but we are selling goods, and lots of them, pleasing our old customers and making new ones, simply by giving them Better Goods than they ever saw, All Ready to Put On, and saving them all useless expenses like the cost of shows in windows, circus wagons, signs on fences, gifts, commissions or discounts to favored customers or their friends. You can surely save from 20 to 25 per cent. on your FALL SUITS by coming direct to us. We are finishing daily full lines in all the New Cuts. complete for \$10 and \$12. The popular Gold Thread Cheviots that merchant tailors are using, we get up very hand some, and sell at \$13 and \$15 for complete suits, and in Dress Snits we have a complete department, stocked with the very latest garments, where you can select a suit for \$15, 18 and \$201 for which a merchant tailor would surely charge you twice as much and rarely give you such elegant garments. Our New Overcoat Salesroom, on second floor, is now open; and here you can find Montaignac Beavers, satinlined, for \$25: Elysians, in all the new shades, at \$22; Kerseys, in solid and mixed cotors, at \$18 and \$20; Diagonal Velours, (new this season) at \$15 and \$16, and All-Wool Chesterfield Overcoats, lined with cassimere, in all the long cuts, at \$10 and \$12; besides a Hundred Stylish and durable designs, in all shades, at \$7, 8 and \$9. Remember, these garments are cut single by special patterns drafted from actual measurement taken in our oustom department, kept on convenient racks, and handed to you fresh from the hands of our tailors, free from all creases, wrinkles, or any of the usually objectionable readymade look. The materials from which Fine Clothing is made were never as low as now, and as labor is only a trifle higher you should buy your clothing from 20 to 30 per cent. below the rates of former years; and this you can do if you save all Intermediate Profits and Useless Expenses. and come direct to the makers for it. Before ordering your WINTER CLOTHING you should try on our New Garments. They are Custom Made in every detail. No tailor uses Finer or Newer Fabrics, our Frimmings are the same, and the Best Custom Tailors Work for us. Then, how can the difference in the garments be told when worn from 857 AND 858 BROAD STREET, NEWARK. Spods Look When Made Up and have no trouble in waiting. This is where we are pushing our "fine city trade," A Really Handsome, Correct Cut Garment, Finished, with all Custom Extras, ALL READY TO PUT ON It is a fact well known to the public, and not disputed in the trade, that our garments are extensively copied but Navan Reproduced as we set Them Out. SURE CURS DISCOVERED FOR

Reputation!

Reputation is not character, and not always dependent upon character. Reputation is what people think we are, while character is what we really are. A man may have a good reputation and a

bad character, but the trouble is he will not have it long. Now to apply this sound reasoning to ourselves and our business. We have the reputation of selling the best goods

in Newark for the least money, and this is a reputation we have sustained for now nearly a quarter of a century. In the nature of things this reputation would have died out years ago had not the character of our goods sustained it. We are always ready to risk our reputation on the goods we offer, and never more willing to do so han this Fall. Never before in our long history have we had so much cause to pride ourselves on s stock so well bought, so carefully and artistically made, and so remarkably low in price. We are determined that this season's trade shall make s reputation for us for some time to come. Inspection is invited and comparison solicited. We won't have to ask you to buy. If you cast your eyes on the goods you're a goner.
