ot know and scarcely scemed to care. Perhaps an island in the harbor; possibly oven the mainland. What mattered its Either was all one and the same to him. () in onward he walked, head down the pict. ure of self-ubsorbed sorrow. A lonely pine-tree stood back, some di tance from the shore. Seating himself beneath it, he buried his face in his hands. Wearied and worn out in body and soul, was it any wonder that he should pasa. from these gloomy day-dreams into the kindly realms of sleep? And so it was. for he slept; yot, over and anon mound, or sighed in his sleep. Stealthily the cca-tide rose. The careless

knot slipped from its anchoring stope and the loosened boat slid gradually, back from the shore and drifted far out to sea. A snow-white owl whirred softly over the head of the sleeper and, by and by, startled the quiet night with her weird "Tu-whit! Tu-whu !" that echoed far among the pines of the wood. Afterwards, a large red fox came boldly

up, but seeing the alurming spectacle of a human figure crouching down under the fir, turned quickly about and sourried back, in fright, to the forest. Last of all, when the moon reached the

zenith, a strange, dark bird came flying wearily toward the pine and, as if pxhausted, sank down to rest on the topilost boughs. Of singular form and plumage, it looked and acted as if lost on unfamiliar coasts. Then all was silent, until the dreame

moaned. Startled, the bird losked down and, finally, flew to a lower branch whence it could see every thing below Again the unhappy man moved in
