Oh, heavens! now it had me by the camp, about a mile away from the pan-tact with were friendly, and game liter. Oh, heavens! now it had me by the camp, about a mile away from the panhair, which, luckily for myself, was not. Then began the work of cutting out the large first real adventure that befell me very long. Then it was my turn to elephants tusken it took over a week,

scream for next instant half a square and for obvious reasons was a disgusting inch of hair was dragged from my scalp task. Indeed, had it not been for the by the roots. I was being plucked alive, help of some wandering bushmen, who as I have seen cruel Kaffir kitchen boys took their pay in elephant meat, I do not pluck a fowl. The elephant, however, think we could ever have managed it. and some roots, which still held, pre-vented it from being turned over, to do this. The tusks lay buried for five though he lifted it so much that, had it years. Then I came and dug them up; I sold the ivory for something twelve hundred pounds—not bad for one day's shooting.

> CHAPTER IV. and havin

now divides the Orange Free state fro Gridinland West, and the Transvael from ailikatzi the Lion, Chaka's general, had swept across it in his progress toward bled stones, and strewn about amon dreds of men, women and children, al We were trekking parallel with the Kolong river whon a herd of blesbock crossed the track. I fired at one of them

thousand yards with the rest of the hero then lay down. As we were in want meat, not having met with any game f a few days past, I jumped on to my remaining horse, and, telling Indaba-zimbi that I would overtake the wagons or meet them on the further side of a rise about an hour's trek away. I started after the wounded buck. As soon as

however, it jumped up and ran away as fast as though it were untouched, only to lie down again at a distance. I folsoon fail it. This happened three times On the third occasion it vanished behind a ridge, and though by now I was out of both temper and patience I thought ! might as well ride to the ridge and see if could get a shot at it on the further

Yes, there was no doubt of it. They were cooking at fires, others were stalksickle. I do not think that in all my ex- | hands; there might have been two thouperiences I ever heard anything to equal sand of them in all While I was won-the sound they made as they crashed dering and that with no little uneasithrough and over the shrubs and trees, ness-what on earth they could be doing Before them was a dense forest belt from there, suddenly I heard a wild cry to the a hundred to a hundred and fifty feet in right and left of me I glanced first one width. As they rushed on it fell, so that be way, then the other. From either side hind them was nothing but a level road two great Zulus were bearing down on way strewn with fallen trunks, crushed me, their broad stabiling assegais aloft branches, and here and there a tree, too and black shields in their left hands. The strong even for them, left standing amid man to the right was about lifteen yards away, he to the left was not more than standing the nature of the ground over ten. On they came, their fierce eyes almost starting out of their heads, and I felt, with a cold thrill of fear, that in another three seconds those great "bangwans" might be buried in my vitals. more from instinct than anything elsethere is no time for thought. At any rate. I dropped my reins, and, raising my gun, fired point blank at the lefthand man. The bullet struck full in the passed through him and over he rolled saddle: most happily my horse was accustomed to standing still when I fired he did not know which way to shy. The other savage was almost on me; his of my gun as I pulled the trigger of the left barrel. It exploded, the warrior sprung high into the air, and fell against

Without waiting to reload, or even to seen the death of their two scouts. I turned my horse and drove my heels into his sides. As soon as I was down the slope of the rise I pulled a little to the right, in order to intercept the wagons before the Zulus saw them. I had not gone 800 vards in this new direction when, to my utter astonishment I struck a trail marked with wagon wheels and the hoofs of oxen. Of wagons there must have been at least eight, and several hundred cattle. Moreover, thay had passed within twelve hours: I could tell that by the spoor. Then I un-

crest of a rise, and there, about five furlongs away, I saw the wagons drawn up in a rough laager upon the banks of the tiver. There, too, were my own wagons trekking down the slope towards them. In another five minutes I was there. The Boers-for Boers they were-were watching the approach of my two warons. I called to them, and they turned and saw me. The very first man my Botha, whom I had known well years

pecimen of his-class, but a very restless person, with a great objection to authorfreedom." He had joined a party of the emigrant Boers some years before, but, ns I learned presently, had quarreled with its leader, and was now trekking volunteered to go out and spy upon their away into the wilderness to found a lit. movements. At first Hans Botha was tle colony of his own. Poor fellow! It was his last trek.

down in the Cape yonder?"
"I don't know what the news is in the Cape, Hans," I answered, solemly: "but have just shot two of their sentries," and For a moment there was a silence of

gave a little scream, and the children crept to their sides. "Almighty," cried Hans, "that must be the Untetwa regiment that Dingann sent against the Basutus, but who could not come at them because of the marshes. and so were afraid to return to Zululand and struck north to join Mosilikaave." "Laager up, Carlest Laager up for your lives, and one of you jump on a

At that moment my own wagons came up. Indaba-zimbi was sitting on the box there will be dead Boers about to-morrow morning, but they will not attack laager so," and he passed his hand be-

I said, though I knew that his words were true. What chance had a laager of ten wagons all told against at lenst two thousand of the bravest savages in the world?

"Macumazahn, will you take my advice this time?' Indaba-zimbi said. pres-"What is it?" I asked. "This. Leave your -wagons ump on that horse, and let us two run for it as hard as we can go. The Zulus won't follow us, they will be looking after the Boers." "I won't leave the other white men said: 'it would be the act of a coward "Very well, Macumazahn, then stay and be killed," he answered taking

pinch of snuff. "Come, let us see about the wagons." and we whiked towards Here everything was in confusion However, I got hold of Hans Botha and put it to him if it would not be best to desert the wagons and make a run for "two of the women are too fat to go a mile, one is sick in childhed, and we have only six horses among us. Besides,

if we did we should starve in the desert. No. Heer Allan, we must fight it out with the savages, and God help us!" "God help us, indeed. Think of the "I can't bear to think," he answered little girl, a sweet, curly haired, blue had often nursed as a baby. WOh, Heer Allan, your father, the Predicant, always warned me against trekking north, I reached the ridge, which was strewn and I never would listen to him because with stones, looked over it. and saw-a I thought him a cursed Englishman;

were halted about a thousand yards away, do, or if you can't save her, kill her, and he clasped my hand. "It hasn't come to that yet, Hans," Then we set to work on the laager. The wagous, of which, including my two, there were ten, were drawn disselboom of each securely lashed

ground and the bed planks of the wag-"wait a bit" thorn that fortunately grew way a barrier was formed of no mean strength as against a fee unprovided with firearms, places being left for the men to fire from. In a little over an hour everything was done that could be disposal of the cattle, which had been driven up close to the camp. Some the Boera were anxious to get them into the langer, small as it was, or at least as many of them as it would hold. ing out that the brutes would probably ing began, and trample the defenders o the luager under foot. As an alternative safety. Of course, if the Zulus saw then they would be taken, but the nature o the ground was favorable and it was possible that they might escape if they once agreed to, and what is more it was the women and children as could travel should go with them. In half an hour tives, the Boer in charge, and the cattle Three of my own men went with the latter, the three others and Indaba-zimi stopped with me in the lhager. The parting was a heart breaking scene upon which I do not care to dwell. Th women wept, the men groaned, and the faces. At length they were gone, and I mained in the laager seventeen white derstood the impi was following the men. four natives, the two Boer fraus track of the wagons, which in all proba- who were two stout to travel, the woman bility belonged to a party of emigrant in childhed and her baby, and Hans Happily her mother was already dead.

And here I may state that ten of the women and children, together with about half of the cattle, escaped. The Zulu day of travel they came to the fortified place of a Griqua chief, who sheltered ment. Thence by slow degrees journeyed down to the Cape Colony, reaching a civilized region within a little more than a year from the date of the attack on the hager. The afternoon was now drawing to-ward evening, but still there were no us that they might have gone on about their business. Ever since indaba-zimbi posed to belong to the Umtetwa tribe. he had, I noticed been plunged in deep thought. Presently he came to me and

Soit was agreed that Indaba-simble should lock, said "All right, Macumarahn," and spears of the Zulus. I did not in the

least believe his explanation, for in my heart I was sure that he meant to take ing me to my fate. I did not, however, interfere to prevent this, for I had an affection for the old fellow, and sincerely hoped that he might escape the doom which overshadowed us. So Indaha-zimbi sauntered off and looked at his retreating form I thought

that I should never see it again. But was mistaken, and little knew; that he was risking his life, not for the Boers whom he hated one and all, but for me. whom in his queer way he loved. When he had gone we completed our reparations for defense, strengthening the wagons and the thorns beneath with earth and stones. Then at sunset we under the circumstances, and when we and it is all concerning the one Glorious Perhalf done. Hans Botha as head of the son, the Lord Jesus Christ, the Lord God of preservation. It was a touching sight to see the burly Dutchman, his hat off, his broad face lit up by the last rays of the setting sun, praying aloud in homely. simple language to Him who alone could prayer was, "Almighty, if we must be killed, save the women and children and my little girl Tota from the accursed

I echoed the request very earnestly in ny own heart, that I know, for in conmon with the others I was dreadfully affaid, and it must be admitted not with-Then the darkness came on, and we took up our appointed places, each with a rifle in his hands, and peered out into the gloom in silence. Occasionally one of the Boers would light his nipe with a brand from the smoldering fire, and the glow of it would shine for a few moments on his pale, anxious face. Behind me one of the stout "fraus" upon the ground. Even the terror flour position could not keep her heavy es from their accustomed sleep, and he snored loudly. - On the further side of her just by the fire, lav little Tota. wrapped in a kaross. COLES

BITTERS

and Vigor to every part of the System

Prepared from the original formula given him by Da. LEWIS DRAKE, and used for many years

This preparation is composed of Peruvian Bark and Wild Cherry, co-ubined with Roots and Herbs, the best known to the medical profession,

and as a Tonic and Invigorator it has no equal.

It improves the appetite, aids dispation, and cures Dyspepaia, Nervous Prostration, Malaria, and all complaints arising from an impure condition of the blood.

PREPARED ONLY BY

PRICE FIFTY CENTS AND SI A BOTTLE.

Sold by G. O. Z:ller and J. H. Terrill, Mair street, Rahway, and to be obtained at all drug stores.
