TO AVOID UNKIND CRITICISM:

head" in every sense of the word—a man who can point to nothing of serv-

should be forgiven for his delay in exposing his confederates in Congress-

What is the Republican party? Why is the Republican party? At Patertwo of the biggest political pirates and public enemies of this republic." If the men who have led the House of Representatives and the United States Sonate around by the nose for years and who have been elected as Republicans are to be declared "Pirates" by a Republican Congressman and the party which has maintained such men in office? Congressman Fowler, but a should be with her church, the Enis sible for all the "good times" the country has experienced, the party led by land, through her home church, the men of brains, the party which was not responsible for the so-called St. James, of Newton, Long Island, amily plot in the cemetery immediately following the services. were held in the background to deceive his Rahway audience? Did Fowler . play fair with the Rahway voters when he induced them to continue sup-COMMUNICATED. porting the "Pirates" and their crowd? Did Fowler ever take any action

measure ever passed by Congress, and witnessing the most violent scramble to insure a decent living under its beneficent (?) operation. President Taft country a vacation of two months out of every twelve. If the President was as hard pressed to secure an honest living in these strenbous times as and tions of government. He has no intention of increasing the burdens upon man can get Saturday half holiday he counts himself lucky, and in the steel mills, protected by our beautiful tariff law, an average of twelve hours per day is necessary to secure even the bare necessities of life.

Congressman Fowler trots in New Jersey as an "Insurgent," but it i a noticeable fact that the well known correspondents of influential newspapers and the most prominent magazine writers of the day have a lapse of memory when they list the men like La Follette and Beveridge, who have put up a fight in Congress for the rights of the people. Fowler's name is tilation of spleen against Cannon has never been construed as an evidence Senator Keen, to glorify Fowler. If the New Idea leaders take up with Fowler as a Senatorial candidate they have a poor stick to lean upon. Silence on this subject, to the Advocate, is golden. Rahway people, if they care at all for the Advocate's opinion on any subject, would be glad to hear from it on the Fowler-Kean controversy.

reginst the erection of a soldiers' monument and the continued agitation of the old-time quarrel, which should be forgotten. There is some merit in Why would it not be possible to compromise on a memorial park or memorial public baths? Money for such a project would result in pleasure or memorial public baths and pool would-improve the health of the community and add most decidedly to its attractive features.
