BALLADS OF THE OLD BACK LOT. Editor the News-Herald:

Yatty Palls in Leve. Me and Sinny Jones and Arny Think that girls are funny, we Never had a girl; my slater Is as pretty as can be, But she's old, and all us fellers Like to look at her, but then She don't care for us, but always Laughs and smiles at other men.

Little girls are funny. Arny Said he never knew a one Who would touch a cow, and Tomm Said that once he had a gun, And he shot it, but his sister Yelled and held her ears, and he Shot some more, until his father

Said she thought it nice of Jim. When he talked to girls, Us fellers Haven't any use for him. But the girls, they think that Jimmy How he sweets, and all us fellers Hate him when he cusses so.

Fatty said he had a sweetheart-When he came to Glenwood, Geet All us fellers laughed, and Jimmy Kinder sneered to Arn and me, But we didn't look, and Fatty Said his girl had hazel eyes, And her hair was brown, and Jimmy Said that Fat was telling lies.

Fatty said he wasn't. Arny Said that Jimmy didn't know. And that Fatty had a sweetheart. If he told us fellers so. But old Arny said that Jimmy Wouldn't do a thing to me.

So we didn't fight, and Skinny Said that Jimmy didn't know Everything, and that us fellers Often had a girl or so. Jimmy said that me and Arny Always blushed when girls were there, And we tried to run, and Tommy Said so too-but I didn't care. -

Said he had a girl, and we Said of-course he had, and Jimmy Was conceited as could be... Then we went to supper. Skinny Said that we must all be sure To be present at the banquet, That was given to the poor,

So we went that night. Us fellers Wore our Sunday clothes, and Arn Said he'd rather be a playin' In the lot behind the barn.

Looked uncomfortable, and Had a collar that was stiff-like And it it cut me, by and by. Gee! the Fair was nice, and Fatty

Had a lot of money. Tom Said that we had better hold him So he wouldn't come to harm. Jimmy wasn't there, and Arthur Said he hoped he wouldn't come Till us fellers left; and Arny Baid that Fat was sporting some. was nine o'clock when Jimmy

lame upon the scene, and gee! Jimmy had a girl, and Fatty Looked as funny as could be. And he said the girl with Jimmy When he canne to Glenwood, Fatty

Arny said so too, but Fatty Only smiled, and wouldn't stir Not a foot, and then ole Jimmy Left the girl, and came to where All us fellers were, and Fatty Whispered that he didn't care. In the house across the way,

Ought to go and speak to her.

And he said that she had told him Said she'd heard of Pat, but didn't

Then he went to where his sweethear And he spoke to her, and Fatty Looked as happy as could be, And he treated her to candy And to sods water, gee! All the evining she and Fatty

Went around together. Jim looked all angry like, and Arny And at ten o'clock, why Jimmy Asked if he could take her home, But she went away with Faity, And left Jimmy all alone.

All us fellers laughed, and Army When he was alone with me, Said that Jimmy was a braggard, And its wrong to brag, you see. And I said I thought that Jimmy Was a piece of cheese, and I Said I thought that I could lick his When I'm older-ly and ly

But Mr. Tim and his twenty little would-be Giant Efflers seem to this Provident Sherman and Provident Taft have apparently joined the ranks of Independent Firms the New York Glant Killern, a nociety to which their Lillipution politics

Law, Which Raised Duty to 50 per esteem with which the man of Hagamere Mill is regarded, not because it has well of any man who makes enemies of such as Mr. Tim Woodruff and h

cuit trust has been formed, consisting will seen-very seen-realize that they have made a mistake in giving alof from seventy-five to 100 of the front to Bosseveit. They have made the mistake that the little bosses a largest bakeries which have up to now often make, that of misjudging the temper and ignoring the desires of the been independent of the National Bis. people. They will awaken soon to the fact that their puny efforts to destroy cause in this fight the people are with the Giant.

The situation in New York has many features in common with a situation here in New Jersey. We have a giant in this state, and we have the giant. and it is expected that hefore long it balters, too. A dozen or more of little Republican—and Democratic—beases National are trying to desirer Woodrow Wilson. They can't see that behind a man Biscuit company, with which it is on like Weekrew Wilson the great, wise, powerful people are sooner or later Thus a com- sure to take their stand. They can't see that sooner or later the masses of plets monopoly of the biscult trade has the voters, always thinking, always watching, always having their own way practically been secured, and the when aroused, will awaken to the fact that their interests are safer

been miscoverning New Jersey for Afteen years. These little bosses are blisded by an overweening sense importance and power. They are dealened by their own little uprear. Whenever they succoed in rippling the surface of New Jersey politics, they think ferred stock and \$12,000,000 common they have raised a tempest. Whenever they induce a few politicians to talk, stock. How much of this of pure they think they have secured an expression of popular sentiment. When water does not appear in the news they hear the yeipings of a few seared office holders, they regard it as a great popular outery. They give so much beed to the screeching of the few

informed that of the \$53,000,000 capt that they fall to note the deep voice of the multitude.

tal of the National Biscuit company

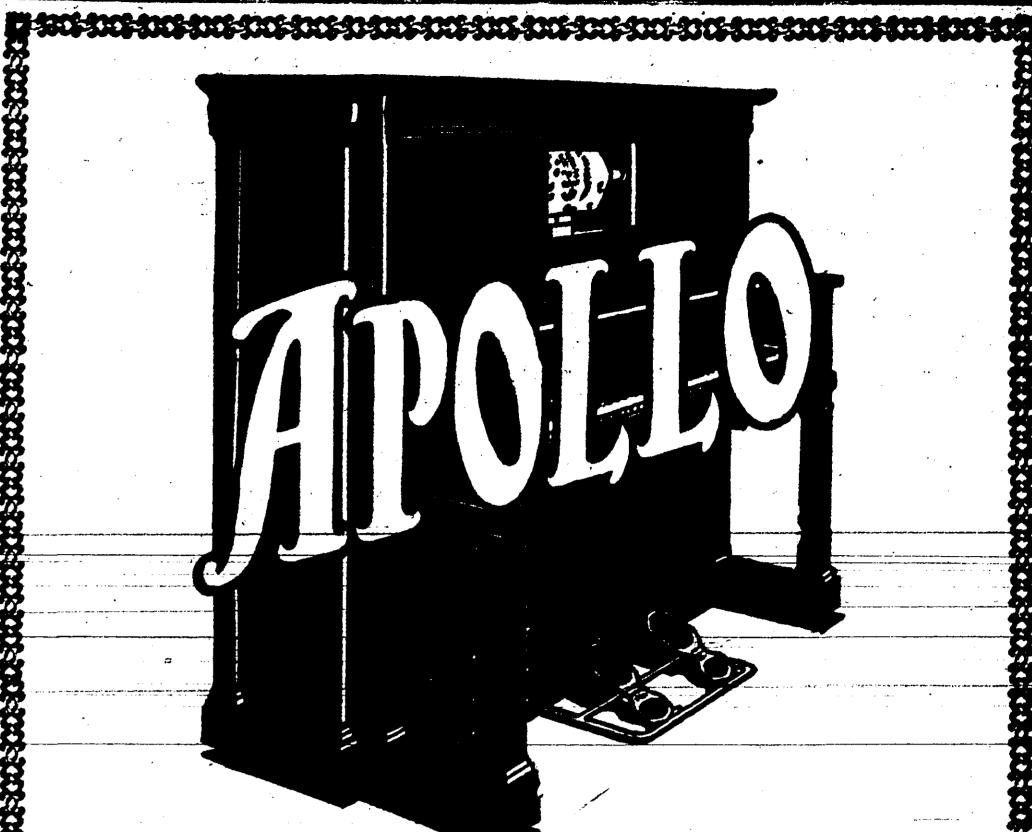

In all New Jersey, in all the weeks that Woodrow Wilson's candidacy ceeded in getting not more than a very few hundred—and that estimate is ample—to make an outspoken declaration against him. Yet, they affect to regard this as public opinion.

And that is where they make their mistake. THAT IS WHERE LITTLE BOSSES ALWAYS MAKE MISTAKES. What about the people? What difference does it make how the Republican machine and its little circle of politicians regard Wilson? What about the hundreds of politicians who are not politicians?

Put all the bosses in New Jersey in one bunes, and give them all the potiinto force the duty on all bisenits was ticians, big and little; give them all the office holders, give them all the 20 per cent ad valorem. This was newspapers that they are able to buy, give them all the ward healers that surely liberal protection for American they are able to influence with premises of john, and WHAT POWER HAVE biscuit manufacturers in view of the THEY AGAINST THE GREAT, DEEP, UNDERLYING SENTIMENT OF THE to import the flour from this country and hundreds of thousands of intelligent, honest voters, who KNOW that in to make the biscuits and pay the the nomination and election of Woodrow Wilson to the Governorship freight both ways before they could New Jersey lies the greatest opportunity to improve public conditions in this enter the American market. But the state that has come to the secole in a concretion?

BOSSES AND POLITICIANS AND OFFICE SEEKERS ARE ALWAYS that oftentimes a few selfish politicians and their friends, constituting in all But this is not all. The customs off- a body of a few hundred, make more NOISE than a hundred thousand men

on the plea that all biscuits were more thousand men seattered through New York state, who, if the bosses give the word, will shout and rail at Roosevelt, in fact be able to make so much noise ident. But does anybody suppose that Woodruff can annihilate Roosevelt? And does anybody suppose that the Republican machine of New Jersey, with all its kundreds of dependents, can annihilate Wilson, when three hundred thousand honest, conscientious, unpurchasable voters, silent though they be, are against their kind and are with Wilson's-True-American.

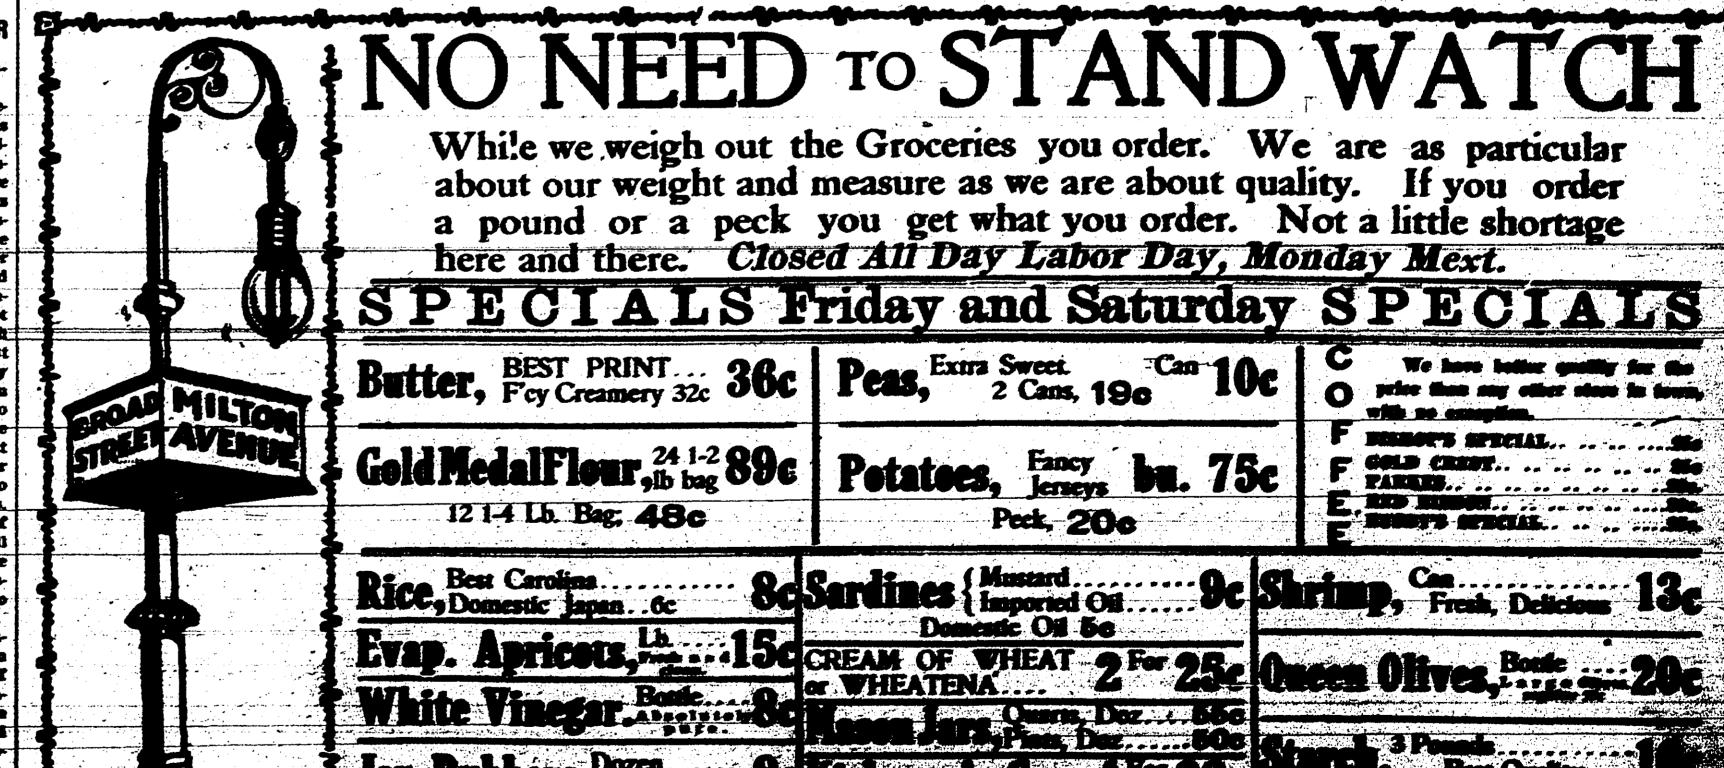

A simple explanation of the Player Piano situation that gives you the correct basis for your investigation

IT NOT A FACT THAT PADERWESKI OF ANY OTHER PLANS THE DIAKO BY

EXCEPT THAT WHICH THE HUMAN FINGERS WOULD NATURALLY SEEK?

IT IS A FACT that the Apollo is the only Player Piano in the world in which the pneumatic finger touches down on the piano key just as a pianist plays the piano. (Please give us credit for being blessed with intelligence enough to know that if we expect to sell you an Apollo Piano at the price an Apollo must bring, we must have your confidence. Now we would hardly take a chance of foreseiting that confidence by making the above unqualified statement if there were the least possibility of your subsequently learning that we had in any degree misled von.) We can make it very plain to you why no other manufacturer employs this correct method of construction. This information is bound to better qualify you to use your own judgement in deciding the Player Piano question. Spend ten minutes to get this information, then spend as much time as you like in verifying it.
