To All Paid In Advance Subscribers

NATIONAL MONTHLY

Large, High Class Magazine, Same Size Pages as Collier's and Saturday Evening Post, Beautifully illustrated and with Handsome Colored Covers.

Will be MAILED FREE Each Month to Every Paid in Advance Subscriber to the

Rahway News-Herald

We now take pleasure in stating that through special clubbing arrangements with Mr. Norman E. Mack publisher of NATIONAL MONTHLY we are going to mail a copy of this fine magazine to every NEW or RENEWAL paid in advance subscriber of the RAHWAY NEWS. HERALD

This is the most extraordinary and by far the most liberal offer ever made by a newspaper in the United States, as we are actually giving you the two publications for the regular price of THE RAHWAY NEWS-HERALD only, and not asking you to pay one cent either for the NATIONAL MONTHLY magazine or postage on same.

As you probably know NATIONAL MONTHLY is one of the highest class magazines published in the United States, beautifully illustrated and printed on fine paper with handsome multicolored covers.

It is without question the most talked of magazine in the country today. Every month the leading newspapers throughout the country devote large space in reviewing the articles which appear in its columns.

In addition to political articles every item contains a mass of general magazine articles and finely illustrated stories by the greatest living magazine authors which makes it the equal of any ten or fifteen cent magazine, and a welcome visitor each month to every member of the family.

The regular subscription price of NATIONAL MONTHLY is one \$ dollar per annum, so you can see what a great offer we are making you.

REMEMBER-every NEW or RENEWAL paid in advance subscrber will receive a copy of the NATIONAL MONTHLY mailed, post paid to them every month.

Take advantade of this remarkable opportunity NOW, before it is the # late. Address all aubscriptions to

J. W. GREENE'S SWEEPING MID-WINTER CLEARANCE SALE is in full swing. will feature the first week of the great selling event with some marvelous bargains in Stoves, Ranges and Heaters. The announcement of this sale heralds the gleaning of a golden harvest for wise home-makers. No half-hearted price cuts; no penny-ante reductions; no fictitious or inflated values. We have made a no-limb, all 'round smash-up of prices and slaughter of values that will make the everage wage-earner leap for joy.

\$10,000 STOCK OF STOVES AND RANGES SACRIFICED

The time to buy a Range is now. The place to buy the right Stove is here. This is not mere advertising talk. We went into the Stove question deeply before we decided to handle the makes we sell. Then we placed our big 10-store order at a big price concession.

Women of Good Judgment Use the Matchless "Beaver" Range Order one of these Ranges—try it for 30 days. If you're not satisfied, we'll take it back. In other words, this offer to you amounts to a demonstration. We want to show those who come after you. Don't take our word about these famous "Beaver" Ranges. Get your information first hand by using one yourself and testing the good qualities we claim for it. Then, and only then, you'll know that all we claim is true.

you'll burn 25 per cent. less of it than with MA STATE old-fashioned ranges, because of the heavy, tight castings and scientific design. It will bread in town can't do justice to pay you to sell your old stove for junk and her skill if she uses a range that begin to save money with a "Beaver."

A simple explanation of the Player Piano situation that gives you the correct basis for your investigation

IS IT NOT A FACT ITHAT NO OTHER POINT OF CONTACT IN A PLAYER PIANO IS CORRECT EXCEPT THAT WHICH THE HUMAN FINGERS WOULD NATURALLY SERK?

IT IS A FACT that the Apollo is the only Player Piano in the world in which the pneumatic finger touches down on the piano key just as a pianist plays the piano. (Please give us credit for being blessed with intelligence enough to know that if we expect to sell you an Apollo Piano at the price an Apollo mus bring, we must have your confidence. Now we would hardly take a chance o Weats, Groceries, a were the least possibility of your subsequently learning that a chance of there were the least possibility of your subsequently learning that we had in any degree misled you.) We can make it very plain to you why no other manufacturer employs this correct method of construction. This information is bound to better qualify you to use your own judgement in deciding the Player Piano question. Spend ten minutes to get this information, then spend as much time as you like in verifyin it.
