I feel just as Thoughthe women were than any the for releasing them from the shivery of the ell field and washday, with its hack-hard dury rubur made ruburs beiling - and its slokening smell. For this Naptua changes washday to play day."

Modern progress hasn't forgotten the woman at the tub.

Fels-Naptha proves that. Time was when medicine wasn't considered good unless it was strong enough or tasted bad enough half to choke the

Some folks who don't know about that new way of washing think that washday must be a day of seethirm mus, scalding water, perspiration and general misery. But Fels-Naptha is converting these people who have been tied to the notgood-enough method.

You see there is a way to wash clothes summer or winter in cool or lukewarm water, a way that saves your strength, your time and your temper, and preserves the farments from the ruinous, fibre-destroying boiler.

That way is the Fels-Naptha way. Look for the red and green wrapper.
