Reliability Is a Steadfast Rule Here

There is no exception—no deviation. For Forty-seven Years we have built this business with RELIABILITY as the corner-stone. What we tell you, whether in personal salesmanship or through our advertisements can be relied upon. If an article is veneered we will tell you so. Our goods must come up to representation—which we guarantee. Our prices for reliable goods are invariably lower than goods of equal quality can be purchased for elsewhere. PLAIN FIGURE PRICES and the most courteous treatment at all times makes RUCKELSHAUS a safe store to deal with.

Maple Avenue

RAHWAY, N. J

Bryant and Pierpont Sts.

Realizing the importance to Rahway of the opening of the Pennsylvania R. R. and the enormous increase in the great improvements of suburban traffic, the BONELLI-ADAMS CO., a Massachusetts corporation, one of the strongest in the United States, has acquired from the Suburban Homes and Realty Co. of this city, the entire tract on Maple Avenue, which has been renamed Adams Park. The Company realizes that in its first undertaking in Rahway, co-operation with the people of this City will be a great benefit not only to all who purchase, but to the Company itself. For this reason 200 of the lots will be sold to the highest bidders. The balance to be held for improvement and increase in value. But the Company has no preference as to which lots shall be held, and the lots will be offered in the order called

TO AVOID UNKIND CRITICISM: Do Nothing-Be Nothing.

Some time ago one Trembley stated in Common Council, that a "trap" had teen laid for Mayor Howard by the Council passing the elevation ordinance in an illegal manner. No one ever discovered -TRAPPED." the Mayor and the latter simply vetoed the ordinance as was expected of him by the citizens and taxpayers. Council has now sprung banother trap and it "worked." At the regular meeting last week it urged the Mayor to reach an early

Eim that he would decide within one week. This he did but decided against all those property owners who had protested against a second assessment \$4,000 more expense upon the city than the same material has been and car be purchased for. There was plenty of evidence to this effect. That the Council was laying a "trap" is now shown by the action at the special meeting on Wednesday evening, when it voted upunimously to post-

decis, how to the Main street paving ordinance and exacted a promise from

and justly criticized) elevation ordinance which was shoved through with out regard to the rights of the people because the railroad company was in such a great horry to begin the work. They have had the contract for months and have only just returned it for the mayor's signature. After he signs away the rights of the people the Pennsylvania Railroad Company will take their own sweet time, as they have already, in making the next move. What single thing has the Council done in a manner conforming to the principles used in private business! _____000_____

That the "boastinfg booster" is not "independent" has been demonstrated thrice within the short space of one week. It had the full story of the sneak thief who -INDEPENDENT" made way with contents of Mrs. Perkin's pocket-

suppression of the case?

The "boasting booster" demonstrates the correctness of that theory The "boasting booster" was represented at Common Council on Wednes day night as was well known to the audience when its representative was told to desist from smoking. Why did it omit some of the most important bowed head, was weeping as he shuffled out of the court room of Council proceedings? Is it delegated to conceal from the public the actand transactions and happenings at a public meeting of a public board? "The truth is the "boasting booster" is here for a purely selfick purpos It was never intended to serve the public, and by every act it has demonstrated that fact. It may "deceive all of the people part of the time, part of

"THIS, TOO, MUST PASS AWAY"

Ages and ages ago there was a legendary king in the land somewhere. For years and years he ruled wisely and justly and his kingdom flourished. Having always before them the exand prospered. Children were born to him, and they grew up to be strong ample of their ecclesiastical brethren. men and women who gave of their own manhood and womanhood for the bet- one might suppose that modern memterment of their father's subjets. The oldest child was a son, sturdy and bers of the medical profession would contra-word name strong and worthy to take his father's place as ruler of the kingdom. But be more practical in dealing with the as the years rolled on, and the king found himself nearing the brink of death, to divine rights to cut up and cure H. S. BIRNES, Local News Editor be felt growing in himself a desire to leave even more to his son than a us in the way that best suits them. As eritage of power and influence. For a time he was unable to decide what in the case of the church, the affairs this heritage should be, but finally, he determined that the greatest asset be of the doctors happen to be ould bestow upon his son was a thought, pure and true, which should help more particularly the affairs of the o mitigate the burden of sorrow and, at the same time, moderate the exulta- people, and since every year the peotion of success. And so, he advertised throughout his kingdom, asking for a life demonstrate or allege a greater motro worthy to be given to the future king. The great men in the country capacity to manage their own affairs.

ent their contributions and waited while the monarch made his choice. Pive thousand suggestions were made by the people and of this multitude stone as have from time to time d mottoes the king chose one. "This, too, shall pass away." Soon afterwards arrests and paysicians are becoming ne monarch died and his son, guided by the thought of the passing of all daily more question d and restricted sings, ruled moderately and well and caused his name to be handed in rever- Men learned, the trick of self-gov Now, as well as in the time of the legendary king, the motto has its to see that each one was his own significance. It is still able to lighten the burden of sorrow and to enflance best spiritual critic and guide. Go. dull the stinging pain of remorse or to soften the anguish of disappointment predicted the end of the world, just as which is seemingly unbearable Has death occurred in your family and someone from whom it is worse wholeson a tood are better than vivi

heart to bear? If the pain seems too great, remember that even this shall ish doctors any more than we abolished governors and priests. Time "Time speeds its course." Its flight is swift, unceasing. The world's and training have taught the doctors most powerful king, ruling with a hand of iron his millions of subjects, and many useful things, but since all causing to bend before him the nations of the earth, is powerless to clip the knowledge is nowadays as universal wings of time and stay its flight. Death is the ruler of the world: Time alone must quit trying to fool us and learn s unhindered by its approach. Men live and fall before the onslaughts of the that the more frank they are with us treat Reaper; monuments decay as the ages rush onward; forests are swept the better we shall get on together .away and flowers die, and only time goes on, until the years become centuries. Life.

longing for a presence that shall never be, seem too much for your bleeding surgery. We are not going to abol-

And time alone has the power to lessen the burden of sorrow. Humanity is itself a subject to the whims of time; we are all human, and Time, life's how an illegal action of Council could be used to trap great Moderator, alone can transform grief to indifference and indifference And so, if the burden of your sorrow seems too heavy to bear and the harpness of the pain seems to be piercing your very heart, remember the motto of the king that "This, too, shall pass away." Fate is inscrutable. Innocent men find themselves the victims of circumstance and are forced to bear punishments of which they are not deserving But Fate itself is powerless before the sweep of time, and even the his head and fight, for the motto of the king has said that "This, too, dull Have you ever striven toward a certain goal and expended all your eforts toward the attainment of an ideal, only to have it snatched from your

trasp at the final moment? Have you ever felt the disappointment of shat-

and hope and of unrealized ambition? If so, the bitter pain of the disap-

only the unjust and fateful remained. But the pain is not too great to bear; ime speeds its course and "This too, shall pass away." And finally, does the world seem fair and sorrow a stranger and sadness thing of the past? Remember that no joy or sorrow is lasting and that the good, with the bad fades into the dimness of the past when Time rolls on. And so, this is the lesson of the motto of the king: No sorrow is too great for man to bear, time will soften the despest grief and lull into forgetfulness even the truest sadness. And again, no exultation is permanent; in times of purest pleasure there often comes the greatest sorrows. Men then, should be prepared for whatever comes; accepting his measure of pleasure and sadness and remembering that "This, too, shall pass away."

COST OF BEING A GOOD FELLOW

In the night court in New York City last week, a threadbare, gray-hair escape through failure of Postmaster to hold him for examination by the derly conduct while intoxicated. His name was Owen B. McGuinness. The Police, and it published not a word. Why? Does the fact that the Post charge against him was pressed by a well-known lawyer, who refused to ac-Office and the "boasting booster" are allied have anything to do with the cept the apology which the old wreck of a man made. Then Magistrate House addressing the man who made the complaint, said:-Then it was fully cognizant of the report of the National Pourd of Fire | "Counsellor, I recognize this man as an old friend who years ago was Underwriters as printed in these columns on Tuesday and the condemnation one of the best known orators in New York. He is one of the best educated of the Volunteer are department, and it printed no single word of that re- men in the city. I have no hesitation in declaring in open court that port Why? Is it hedged about with such restrictions that it dares not would be glad to know as much as he knows. Twenty years ago the name of Owen McGuinness was one to conjure with. He met men of influence and The NEWS-HERALD has claimed, and there is abundent proof that no power and was led into temptation through his efforts to be a good fellow. man holding a public political appointive office can publish an independent He had a bright future before him and he might have had a high position. Now he is a wreck and cannot resist drink. He has no power left to fight The magistrate added that in such cases he had broad powers and that he was going to exercise them by suspending sentence. The old man, with

action of the magistrate, says the Harrisburg Patriot. There are in every city, almost every community, such derelicts as the one-time political grator They start out with the ambition to be known as "good fellows." fearful price they pay-the price of their own lives, body and soul-for a little cheap popularity among a class of men whose regard is not worth The man who consistently strives to be a good man never gets into the

THE TOWN WE LIVE IN.

Suppose a woman's club in every town this winter should forego the

study of Ibsen, of Italian art, or of what not, and take "The Town We Live" olies, so Gov. Hughes was put on the Supreme Court Bench and helped twist In" as a subject. Suppose a club of that sort should appoint one or more of the law to make it conform to the trust idea of what the Republican promise its women to see what is being done in the town with regard to the schoolhouse, its ventilation, the sanitation and the outside beautification of it. Let Add to Mr. Perkins' significant remark, the further fact that Hughes another woman be appointed to find out where the young people congregate bitterly opposed an income tax, and his qualifications as the Taft choice for during the evenings, and whether the schoolhouse, with a series of entertainments and dances, wouldn't be a better place. Another woman might see whether the native industries of the town are really being developed, and if there isn't some clever talent that could be brought together into an Arts and Some may say that I am intemperate of speech, but you are not tem- Crafts Society. Another woman might find the need of a tea-room which a perate when dealing with a rattle-snake or copper-head, which more aprly clever girl or woman, or the club itself, could start or a rest-room for the typlfies the Mormons", said Rev. C. C. Woo our at farmers' wives when they come into town, if the to in his farming interest That's the attitude of the NEWS-HERALD when "cleaning-up day", such as they are beginning to have in progressive cities it attacks recognized evils. It is no time to compro-jand towns, when every one cleans up his or her front and back yards and tions relate to a fire department overloaded, with drunks, to the excess of dangerous where it is used, and if an ordinance, could not be passed to do saloons, to the boss system in politics, to sacrifice of the city for reliesh in- | away with its the One or two women could look into the milk supply that terests or whatsoever the exil condition may be. There should be no come onto the town and see if it is pure. Then let each report to the club, and the club, in turn, arouse the interest of the local editors, who are only too glad to print surprising truths about the home town as the newsiest kind of news. The club could then put its findings before the local officials, and Ed C. Lusater, president of the Texus Cattle Ruisers' association, says insist that changes, where changes are vital, should be made. Of course the

\$25 Tailored Suits

Pray do not consider us boastful when we say that our \$25.00 suits are the best in Newark. They are and we know it.

Our \$25,00 Suits are not like the ones you see elsewhere. They possess individuality chic. The woman who wears a \$25.00 Bamberger Suit is exquisitely gowned.

Excellent quality serges, broadcloths, cheviots and mannish mixtures. Plain tailored, embroidered or prettily trimmed with braid. Coats lined with Skinner's satin. Skirt in charming new models.

Women's Suits at \$17.50-We are just as enthusiastic over our \$17.50 suits as we are over our \$25.00 line. They're aplendidly made and the models are splendid. Plain or diagonal serges serges of fine quality, cheviots and mixtures 17.50 affored or trimmed, at

Women's Dresses, \$25.00 - Exquisite dresses of chiffor messaline, net, crepe de chine or fine serge. Both Hight and dark colors - benefifully trimmed.

Dresses suitable for street, afternoon or OF AA evening wear. An excellent assortment

mould than the father. He was small treme. and undeveloped, his chin was weak, his mouth full and sensuous and his gaze shifting and sly. When the news of the fall of Sumpter reached his ears, he trembled inwardly and feared with the cowardness of the weak to meet the questioning eyes of his

Instead of going to the little brown house which he called his home, he took his skiff which was moored to Mathe dock near the bridge and rowed) Racross the river to the large, red Re house standing on the north bank. Ba Here the girl lived. She too had been moulded of the clay of weakness but between her and the boy had grown

a friendship which promised to ripen! into something more lasting and loyal. When the boy reached her home he hold of the outbreak of the war and! him to be among the arst volunteers. "I can't go," the boy complained pas-I would never see you again."

The girl, too selfish to experience any but personal feelings over the outbreak of the war begged her companion not to enlist but to remain bome in Rabway.

"I wouldn't know what to do myself every afternoon," she remarked bitterly, "you simply have to stay home with me

When the boy went home that evening it was with a firm resolve to withstand the challenge of his father and to refuse to fight for his country. At supper that hight the father was framing. silent. He was pondering over the outbreak of the war and calling back menories of the time when he was young and able to aght. In his beart t' ... burned a love for the nation a to perpetuate its name and to

... the people of the earth to pay : tribute. is the meal was over the mother guietly to the kitchen and

in and son were alone. An hour later the mother found the elder man sitting at the table, and the son gone. His head was resting in his arms, his shoulders rose and fell and from his lips there issued a sound which seemed to hint at some sorrow inexplicable. That night the boy told the girl of

the interview.

"I said that if I left you I would die, he related, and that I loved you more than anything in the world. But the old man said that love of country was the only true love and the manwho thought otherwise was a weakling. Then I told him that I wasn't going to enlist and he didn't answer ? and so I came over here! A short time afterwards the newsof the buttle of Bull Rub reached the little boose in low the breign father read, and as he restewed the Lattle his hips compressed into a the salury like with the even problems of the light of determination. He alle-

which the horrors of the light wit wividly set forth. They buy read and again his soul cringed with fear and the hand that held the paper trembled "I wish you to enlist to-morrow." said the father shortly, "your country

The boy begged and pleaded with the desperation of weakness, but the father was firm. The son on his

bended knees pleaded his cause. "I can't go," he said whimperingly, Twe love each other, only death can
