PERCETON DAT RETURNS

of the sold Property of William States of the management of

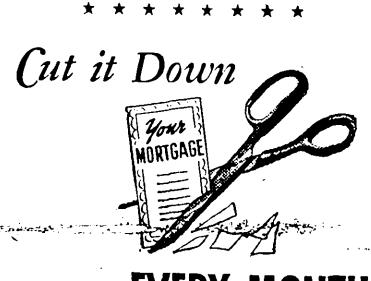

come for set of the difference of the total of the money

I mostly night tog before the pollock sed, handreds beautiful to et a composiof crition started to collect at the city hall in an engine I cote po decre to learn the returns of the local election. Many hundreds others stayed at home to learn how the falloting on naturnal and state candidates would turn out. In each crace n intonse interest that definet for the most part seem of the borner of about any orderdual proty, was exhibited -The core direct charge from a hat has been going on borne and closer of for the nast or venta. No hinger are he politican and off bolder the oph are it welled in the exect in action of what is a property of the management here who expert the there in the charge is not to be a construction of the state of the processing the same

continued on the district of the second section of the second second continued by apt of the the same property of the other all a contract of to some the crosses for the independence of many and are some reapplication of the appropriate and assembly to before Mines of the graph of the high to the many she knows the hackground of the industry in meation to gramman to mp if it have he is fully grasp just a partie pump on and why the gould naches seemed a full program. that abtained that would provide the nation of the property quantities of both recognitive and other in me. The me.d. Rulphit by a non-mediantic field of a larger perminate use of speed regardless shoot on the death and injury for legislation that will to some measure bring about a left in the legislation that will to some measure bring about a left in the legislation of conditions. Certainly a schicle rates more stable condition in industry by making all responsible to the stable parties do their part without shirking or acolding that responsibility that been apparent for some time. The weters of the polls Tuesday showed that the ave ago citizen is now interested in government from now on this in terest may produce more active interest on the part of the

office to the an arrange to other the many American prob-

election. The Popublican ports on the bigs of the slight majority in the First Ward controls the Common Coun cil, which is the governing bods of the city. The ineversity which two years ago turned from Republican to Demo cratic, has now turned back to the G.O.P. A balance of the 1016.) power exists in Rahway resulting from the existence of five wards. Three are normally Democratic and two are Republican Changes in population have changed some of the districts in some of the wards, resulting in a change secutive year margin is six-five ing vote which in some wards has during the past decade turned the majority one way and another. The responsithe Republicans. Rahway does not provide for the Mayor tor and steal \$300. to be a member of the Governing body and have a vote in city affairs. But the Mayor has many appointments and is recognized as the chief executive of the city.

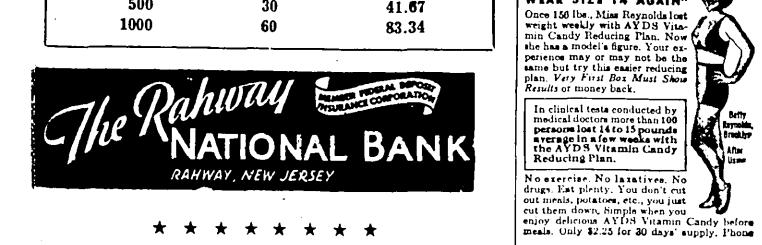

EVERY MONTH

A MORTGAGE LOAN is a debt for which your home is security. You'll probably never own your home completely unless you arrange to retire the debt bit by bit.

To those who plan to buy or refinance, we offer mortgage loans that provide for regular reduction of principal. It will cost you nothing to come in and get the facts and figures.
