Approval Sought for 20 Apartments

OLD—The Rahway Brake Service occupied this building at 1269 Main St. before selling the site to the Redevelopment Agency as part of the Lower Main St. Urban Renewal Project. The building was on property in the project's clearance area which will be used for new apartments. (Photo by Freeman.)

NEW—Samuel Gassaway's Rahway Brake Service has been relocated in this new building on Monroe St., near the Rahway River bridge. Also in the edifice is Sally's Country Store, which is operated by Mrs. Sally Gassaway, wife of the proprietor of the brake repair firm. (Photo by Freeman.)

Esterbrook Avenue Proposed as Site

A public hearing on an application to construct a 20-unit apartment house at 1330 Esterbrook Ave., adjoining the Post Office will be conducted by the Board of Adjustment on Monday at 8 p. m. in the Municipal Council chamber of City Hall.

The applicants are Mr. and Mrs. Peter Charney who seek to erect the apartment project on Lot 8-A-1 of Block 462. A variance is required because the proposed apartment site is in an "A" residential zone.

Two other hearings also are scheduled by the board for Monday night.

Alexander Dulinski of 434 Albermarle St. has applied for a variance to permit construction of an attached garage on a new house on Plainfield Ave. The dwelling is on Lots 24, 25 and 26 of Block 602. The variance is needed by the applicant because the construction would create insufficient sideyard. The hearing is slated for 7:30 p. m.

An application for a variance is sought by Mr. and Mrs. Irving Goldner of 1288 Maple Ter. who are planning to convert a one-family house into a two-family dwelling. The house, on Lot 22 of Block 445, is in an "A" residential zone. The hearing is set for 7:45 p. m.

The board, meeting on Monday night, voted to recommend to Municipal Council that two variances be granted.

Courtney Clarke received a favorable response to his application to use an unoccupied house at 384 Regina Ave. for his television and radio repair business. Mr. Clarke told the board the house will be improved.

The board also gave its approval to the application by Arthur J. Rosenberger who plans to convert a one-family house at 661 Linden Ave. for two-family use. The house is in an "A" residential zone.

It was announced on Monday that St. George Realty has withdrawn an application for a variance to permit construction of a professional building at Col-

Day Camp Schedules Carnival

A new session, the fourth period of YMCA Camp Fairweather, will begin on Monday morning. But before that time many things will take place this week, final week of the third period, it was announced yesterday by B. U. Smith, general secretary of the YMCA which conducts the day camp program.

Today there will be the annual World Service Carnival. Through the years, a group of junior leaders, headed by Richard Van Pelt, have planned an afternoon and evening of fun, including a fun house, a palm-reader, a booth to allow day campers to throw water-laden sponges at their counselors and (Continued on Page 8)

Children's Title to Be Awarded

The judging of the "Little Miss Rahway" contest of the Rahway Jaycees will take place tonight at 8 o'clock in the Municipal Council chamber of City Hall.

The 12 semi-finalists are Donna Blaine of 2312 Winfield St., Karen Berry of 2244 Winfield St., Gilda Di Benedetto of 385 Stanton St., Laurie Erdmann of 1214 Elm Ter., Debra Jacobson of 503 Lower Alden Dr., Zoe Ann Kolpen of 755 Dianne Court, Lynne Melchior of 277 Berthold Ave., Sharon Porter of 2118 Lufberry St., Susan Riley of 31 Richmond Ter., Karen Scialabba of 251 Russell Ave., Patricia Spugant of 1075 Baumann Court and Karen White of 831 Nicholas Pl.

The judges will be Miss Christine Ebright, who is "Miss Union County" and first runner-up in the "Miss New Jersey" contest; William Reddy of the Theatrical Art Center and Dr. T. L. Brown.

The semi-finalists were selected by Jaycee-edged judges from 93 girls during competitions at Veterans Memorial and Tully Fields.

Annual Exhibit Opens Monday

The annual Arts and Crafts Exhibit of the Recreation Department's 13 playgrounds will be held from Monday through Friday of next week in the lobby of the State Bank of Rahway.

Awards for the best craft exhibits will be presented to the children by the bank. The entries will be judged on Monday morning and the awards will be given to the winners on Wednesday.

Mrs. Marcel Truppa, arts and crafts supervisor, is directing the exhibit. Assisting her are Miss Margaret Ritter, Miss Connie Delmonaco, Miss Mary Jane Gava, Miss Carol Rotella and Mrs. Carmella Schiest.

Bids Due Wed. For Firehouse

Bids for general construction work on the proposed new Fire Department headquarters at East Emerson Ave. and Main St. will be received on Wednesday at 2:30 p. m. by Business Administrator Robert W. Schrot in City Hall.

Redevelopment Agency Reports On Relocations in This City

At the time the Rahway Redevelopment Agency commenced acquisition of properties and relocation, the Lower Main St. Urban Renewal Project clearance area contained a total of 138 structures.

A total of 123 were structurally substandard and required clearance; the remaining eight were structurally sound but warranted clearance in order to carry out the objectives of the Urban Renewal Project. These structures housed 142 families and individuals, a church, rooming houses and 22 businesses.

A breakdown of the residential moves shows the following:

	White	Non-White	Total
Families Relocated	42	78	120
Individuals Relocated	10	12	22
Total Relocated	52	90	142
Percentage of total re-			
located remaining in			
Rahway			86
Total relocated outside			
Rahway	9	11	20
Relocated in federal			
Housing	5	18	23
Percentage of non-white			
located outside Rahway			17
Percentage of non-white re-			
located outside Rahway			13

The objectives of relocation state that: Families displaced by an Urban Renewal Project shall have the full opportunity to occupy housing that is decent, safe, and sanitary; that is within their financial means and that is in a reasonably convenient location. In every case except two which were self-relocated, this has been done. The other three moved out of the state, too far from Rahway for inspection.

Regarding the 22 businesses, the church and the rooming houses, ten relocated to new sites within Rahway, three relocated outside of Rahway, three are still on site, and six dis-

continued operations. The discontinued businesses were marginal types of rooming houses and none of the three relocated outside of the city were of any substance. Of the 10 on new sites within the city and the three remaining on site, six have already built or are building new enlarged quarters.

Of special interest in the business moves are the locations of their new quarters. In each case they are relocated in areas which are properly zoned for such usages. Rahway Lumber Co. is located on East Hazelwood Ave. at the U.S. Highway #1 overpass, Cooper & First, automotive supplies, is on St. George Ave.; Rahway Brake Service is on Monroe St. near the bridge; Gulf Oil Service Station has moved directly across the street at East Hazelwood Ave. and Main Sts.; Johnny's Auto Repair Garage is moving to Bridge St. and Clark St.

The Progressive Baptist Church is building new facilities on Main St. near East Hazelwood Ave. Some of the business tenants who were required to relocate, such as Vic's Barber Shop and Fred Barden's Barber Shop, rented stores which would otherwise be empty in the downtown area. The relocations into new buildings will provide increased ratables to the City of Rahway.

For the transfer of property where the old firehouse is presently located on Augusta St. and East Milton Ave. and the new site for the firehouse at Main St. and East Emerson Ave., the value of both sites has been determined by two professional appraisers in concurrence with the Urban Renewal Administration.

The City of Rahway will receive a credit towards its one-quarter share of project cost for the existing fire building and land and the existing public works facility. The cost to the city for the new firehouse site will be the same.

Newspaper for Clark to Be Published by News-Record

A newspaper for Clark, the Clark Patriot, will be published by the News Record Printing Co., Loree Collins, publisher of the Rahway News-Record, announced yesterday.

The Clark Patriot will make its first appearance next Thursday morning when it will be distributed to Clark homes, Mr. Collins said.

The Clark Jaycees, who have been instrumental in getting the newspaper started, will start a door-to-door campaign for subscriptions on Aug. 16. The Jaycees cooperated with the Rahway News Record to plan the new publication. The Jaycees, under the leadership of John F. Boyle, community develop-

ment chairman, worked to give the people of Clark a badly-needed means of communication.

Plans have been made for the Clark Patriot over a period of many weeks by Mr. Collins, Miss Barbara Curran, associate editor, and the Jaycees.

After the publication of the sample issues on Aug. 12 and 19, the Clark Patriot will make its appearance regularly on Thursday mornings, starting Sept. 2.

"I would like to urge all readers of the Clark Patriot to patronize the merchants who are going to advertise in it," Mr. Collins said.

Late News

In Viet Nam

Capt. Martin B. O'Connor, son of Mr. and Mrs. Martin D. O'Connor of 598 Harrison St., is serving with the Marine Corps units defending the airfield in the Qud Minh sector of Viet Nam.

The Marines arrived at the south-central Viet Nam outpost on July 7 and immediately began search-and-clear operations. Such operations are a vital part of the Marines' role of providing proper defense of military installations they have been assigned to protect. (Continued on Page 8)

Former Township Official Succumbs

CLARK — Former Township Committeeman Walter F. Lilley Sr. of 400 Oak Ridge Rd. died of a heart attack on Tuesday at the River Vale Country Club, River Vale. He was 55.

Mr. Lilley, a Republican, was a member of the Township Committee from 1955 to 1960. He declined to seek election when the municipality changed from the committee form of government to the mayor and council form under the Faulkner Act.

A native of Jersey City, Mr. Lilley had resided in Clark for 25 years. He was employed as territorial sales manager for the C. H. Masland & Sons Carpet Co., Carlisle, Pa., for 14 years. He held an executive position with the Bigelow Carpet Co. for 25 years before joining the Masland firm.

Active in community affairs, he was one of the founders of the Clark Little League.

Surviving are his wife, Mrs. Eleanor Patterson Lilley; a daughter, Mrs. Joan Shook of Westwood; a son, Pvt. Walter F. Lilley Jr., who is receiving Army basic training at Fort Dix; five brothers, Edward and Archer Lilley of Livingston, Robert Lilley of Ithaca, N.Y.; Warren Lilley of Toms River and John Lilley of Glen Rock.

Funeral services will be conducted on Saturday at 9:15 a. m. in the Thomas F. Higgins' Sons Funeral Home, 1116 Bryant St., and at 10 a. m. in St. Agnes Church where a Solemn High Mass of Requiem will be celebrated.

Long Wait

The waiting times at the Rahway motor vehicle inspection station ranged from 52 minutes on July 26 to 11 minutes on July 23, it was reported yesterday by Miss June Strelecki, state motor vehicle director.

Pleasant

Yesterday's temperature went to a dry, pleasant 85 degrees during the afternoon.

Warn Dog Owners To Confine Pets

Canines of this area apparently have the mistaken idea that Dog Days are being observed strictly for their benefit.

Dogs in Rahway, Clark and Colonia have given letter carriers severe and painful bites within recent weeks, Postmaster Warren T. Moulton reported yesterday.

"With several of our staff having suffered painful dog bites in recent weeks, it becomes necessary to insist that all dogs be kept indoors or securely tied where the dog cannot interfere with delivery of mail," Postmaster Moulton said in a statement.

Postmaster Moulton pointed out that "the Post Office Department has issued instructions not to deliver mail where the safety of the letter carrier is threatened by a dog running loose."

The postmaster said that the Post Office Department and the letter carriers "endeavor to give good service and would rather deliver the mail than return it to the Post Office be-

Skeeters Gain During Week

Rain during the past week enabled the mosquitoes of the Rahway-Linden-Elizabeth-Winfield area to recoup their earlier losses of the season.

The mosquito control index (the average number of mosquitoes caught in one trap in one night) was 6.1 for the past week. The index for the previous week was 4.4. The averages this year, however, are lower than the 1964 average when they were three times higher than this season's record.

Jules Small Singing With Operetta Group

Jules J. Small Jr., son of Mr. and Mrs. Small of 877 Crescent Dr., has been singing with the American Savoyards, the nation's foremost Gilbert and Sullivan operetta company.

Mr. Small, who joined Dorothy Raeder's Savoyards in April, has been in the chorus. He is looking forward to the possibility of singing a role in some future production of the company.

The American Savoyards perform in the Jan Hus Auditorium at 351 East 74th St., New York City. The five productions being staged by the group at present are "HMS Pinafore," "The Mikado," "The Yeomen of the Guard," "The Gondoliers" and "Iolanthe."

Delay Construction Of New Firehouse

New bids are to be received by the City of Rahway on Wednesday at 2:30 p.m. for the general construction of a new Fire Department headquarters. Previous bids, received by the city last month, were rejected when the total amounted to \$303,000. The Municipal Council had approved the expenditure of \$225,000 for the new firehouse proposed for the Lower Main St. Urban Renewal Project site at East Emerson Ave. and Main St.

Last month's bids were for general construction, electrical work, plumbing, heating, ventilating and structural steel.

Rather than receive bids for only the general construction work on a firehouse it would be better to amend the plans for the proposed structure or, better still, postpone the project until a later date.

There certainly is no reason for haste. The development project site is available to the city. The city may continue to use the East Milton Ave. firehouse or consolidate temporarily with the Seminary Ave. and Maple Ave. firehouses.

Expenditure of nearly one-third of a million dollars at this time does not seem to be in the best interests of the city or its taxpayers. Other city projects include the Redevelopment Agency projects, the new city yard and the new library.

The question is just how much can be done at one time. We believe a new fire headquarters can be placed on the waiting list for consideration when new Police Department headquarters are built.

Taxpayer Studies

The fact that Rahway's tax rate, \$8.40, is the highest in Union County, except for Winfield Township's \$34.24, has made Rahway taxpayers sit up and take notice.

There are rumblings of the formation of taxpayers' organizations, the threat of political action in next year's city election, and of organized opposition to larger budgets for the city and the public schools.

The Rahway News-Record has been receiving weekly letters to the editor concerning city problems from a group of citizens. They have been asking questions but so far have not been receiving any answers.

There is no doubt in our mind that a citizens' group, with intelligent direction, could do much to bring facts about the city government before the other citizens of Rahway. The taxpayers might begin with a study of the reasons for this city's high tax rate. They might continue with a study of the city's future needs so some planning might be done. The taxpayers then might study the rising tide of tenements which threaten to undermine the community as a desirable place to own a home.

Policy Needed

In addition to the prospect that Rahway may be overwhelmed with apartment projects, there is the increasing danger that "A" residential areas may become the sites for two-family houses crowded onto undersized lots.

The Board of Adjustment's job is to determine whether such projects are in the best interest of the city and its residents. Should a project receive the favorable recommendation of that board, the Municipal Council has the right to reject such projects.

While a variance is needed for construction of a two-family dwelling in an "A" residential zone, the trend today seems to be to seek to erect such houses on lots in "A" zones and also to build such houses on less than the area which would be required if the houses were erected in a "B" zone where such dwellings are permitted.

We are not against construction of two-family dwellings but there should be some policy concerning their construction in "A" residential zones and in "B" zones where a variance is required because the lot size is sub-standard.

Man has proved that he can walk safely in space. Now wouldn't it be great if he could walk the city streets safely at night.

Anybody who thinks the sky's the limit has no imagination.

Family Life Today

Anger releases energy that we must use in some way. Letting out energy by constructive actions is much better than by screaming, by temper tantrums, by breaking dishes, or by throwing things on the floor. Often, anger is shown by cruel words for which a person is sorry later.

Isn't it better to frankly admit anger and release anger-energy by thoroughly doing some job. For instance, we can work off steam by finishing the dishes and by polishing the sink until it shines or tackling the job of cleaning out the attic.

Let us recognize that we as a family are only human beings. We are not cold to the point where nothing ruffles us. We do feel fear and anger as well as love and affection. Let's admit it and be constructive about our family quarrels.

Apathy in Rahway

Editor, News-Record:
We understand that the mayor of Westfield has contacted the officials of five neighboring communities, including Rahway, in regard to seeing what could be done about the nuisance caused by the numerous low-flying airplanes, especially jets, going to and from the Newark and the Municipal New York airports. We are wondering what Rahway's mayor and Municipal Council have in mind about this and if they are going along with a protest to the proper authorities.

It seems that the situation is not getting any better but worse. In fact, all one has to do is to read the advertisements of these airplane lines and one finds that they are bragging about the number of flights made each day. The city fathers in the past have been lax in their vigilance and failed to take cognizance of the threat to the community. At present, it seems rather silly on the one hand to clear out the slums, erect better housing, try to improve the municipality, clean up the river, flood control, re-plant streets, etc., and on the other hand, to permit vast corporate entities who have no interest in the city to create a nuisance. Rahway has not been a quiet town since the railroad was elevated. At present, anyone within a mile from the railroad is subject to noise from the switching freight makeup which used to be done in the old yards but now is done between Milton Ave. and Lake Ave. on the main line. Who permitted this?

Outsiders who are aware of Rahway's situation are not prospective homeowners or even renters. Those poor unfortunates who were compelled by circumstances to reside near the old "El" trains in New York ultimately became used to it but no one by choice would live there. If Rahway expects to attract homeowners, it had better do something about the noisy conditions. Otherwise, Gresham's law will be furthered. Let the citizens inform Council that they are interested in this matter and perhaps we will get some action. The apathy of the local citizenry is due in part to a lack of civic pride, with many, and with others, disgust due to the playing of politics with respect to most issues instead of looking after the best interests of the city.

It is up to the people to see that their representatives are more vigilant. We would like to enjoy the summer and be able to hear the radio and or television without the constant racket.

...and their increasing influence in elections. Progress has been made under Medicare. The local governments are building low-rent housing and providing recreation for the aged.

However, we feel that one of the quickest methods to help the aged and at the same time all other citizens is to keep the real estate taxes from increasing.

One method for keeping the expenses of new schools at a minimum is for the state to allow a city building a new school to use the plans of a school which was built in a neighboring city. Do contractors building many houses have plans for each house?

Or, to facilitate the selection of plans and keep costs down, the state should maintain a file of all plans of all new schools built so that the municipalities' Boards of Education can select a plan from this file and cut expenses.

Keeping the costs of schools low, keeps the taxes low and is the surest way to help all citizens as well as our senior citizens.

Gemini 4 Flight

All over our great Nation that has been glorified with Gemini 4 triumph this year.

Whites walk into space, a real thrill for all the world to cheer.

On and on they traveled, some sensation, they had no fear,

Nothing like it, will be the topic for days to come, what we will hear.

During this flight James and Edward hoped the day to land on Moon was near,

Endearing themselves to their loved ones and friends everywhere.

Realizing their ability this great feat to win, were joyful and minds clear,

Families gathered by the television, watched faithfully in that old rocking chair.

Life as no higher or nobler accomplishments then always be fair,

Interested in the well being of each of us as the hours and days disappeared.

Grand news as Gemini 4 landed safe, a joy for all to share,

Happy faces of their wives and children, a twinkle in their eyes, have a certain glare,

Trusting no ill effects, from long endurance will they have to bear.

Calm, collective all the way, as God had them under His care,
Ever Pals, McDivitt and White, God bless them, a grand pair.

Business Scene

By Reynolds Knight

Taxes we have always with us. Reduce one levy and another is almost sure to be raised, and the rise generally is greater than the cut.

Hard on the heels of the federal government's reduction is excise taxes and its relief for the buying public, some 29 states have offset the slash in the federal take by raising local levies by \$1 billion.

Another 14 states are planning action that will raise local taxes by an additional \$2.2 billion. The Tax Foundation has pointed out to harried taxpayers that such rises in state taxes may very well mean that the individual ends up paying a greater total tax bill than before the excise tax was cut.

THINGS TO COME - Disposable toothbrush carries its own paste... Windshield for bicycles, tricycles and regular motorbikes, adjustable and attached by chrome-finished brackets... Portable burglar alarm to be placed on window-sill, behind a door, in an auto. Sounds off when jostled, or upset... Safety ash tray for forgetful smoker, dumps the ash and finally drops burned-out cigarette into tray... Magnetic weather guide for autos, tells temperature and changes in humidity... Pots and pan strainer, adjustable to two, three and four quart pans, permits pouring off of water from cooked foods without danger of hand scalding.

BITS 'O' BUSINESS - A proposed plan of national standards for air pollution could cost business and industry billions of dollars for compliance. The plan is now before Congress... Wheat stocks on July 1 were reported at a 12-year low of 819 million bushels... Rising foreign competition has brought price cuts by three leading U.S. flat glass manufacturers... Federal aid to education is booming the textbook publishing business as schools at all levels use more books and more expensive ones... The Northeast's water shortage brings to light the fact that 85 per cent of all water facilities in the nation are operated by municipal governments... Fasten your seat belts every time you drive or ride in your car, especially during this Fourth of July holiday. Last year more than half of the accidents happened within ten miles of the driver's home and one-fourth within five miles.

School Appoints New Instructors

CLARK - The appointment of new instructors, including a minister, principal and designer, at Union County Regional Adult School has been announced by Dr. Monroe L. Spivak, director of adult education.

Among those named were Caesar R. Marrone, principal of Abraham Clark School here; the Rev. Morell Rubey, pastor of Diamond Hill Community (Church), Berkeley Heights, and Mrs. Bertha Walsh of Union.

Mr. Marrone, who has been associated with the Clark school system since 1950, was principal of the Valley Road and Charles Brewer Schools. He will teach a course, "The Practice of the 8-subject Teacher."

Mrs. Walsh will teach a military course at the adult school at Governor Livingston Regional High School, Berkeley Heights. A native of France,

she studied at the Traphagen School of Design.

The Rev. Mr. Rubey, a lecturer and public speaker, will teach a public speaking course at Gov. Livingston.

Other new instructors of the school, serving 3,500 Union County adult residents, are Mrs. Mae Kaufman of Berkeley Heights, who will lead a choral music course. She is a graduate of Juilliard School of Music in New York City and has taught choral music.

Arthur Plotkin of 24 Rummymede Rd., an industrial engineer with the American Cyanamid Co., Linden, will instruct the new course, "Politics in Action."

Randolph Masters of 415 Summit Rd., Mountainside, will teach popular piano.

Mrs. Valentine Mubynsky of Irvington will lead a Russian course.

Henry Rogers of Plainfield will teach German I to 4 at the adult school at Jonathan Dayton Regional High School, Springfield. Mr. Rogers, treasurer of the New Jersey Modern Language Teachers Association and principal of the "German Language of Plainfield" is a member of the Union County Regional Adult School board. He is a language teacher at Dayton Regional.

Circus Will Be In City Sept. 4

William Papirnik, chairman for the Rahway Lions Club, has warned area residents, "Don't be alarmed if you see a herd of elephants on Sept. 4."

"It'll be circus day in Rahway," Mr. Papirnik explained. "We're bringing the 28th annual edition of Mills Bros. Three-Ring Circus here on behalf of our local City Conservation and Community Activities. We decided to sponsor the circus because we feel there are thousands of children and young-hearted adults, who will welcome an opportunity to see America's largest and greatest tented circus."

"We also want to stress the fact that the Rahway Lions

Club receives a high percentage of all advance tickets sold by our organization. When a member asks you to buy a group of tickets for your family, remember that you will save a substantial amount by getting your tickets before show day."

Mills Bros., acclaimed as one of the outstanding circus performers in the world, promotes two action-packed performances here. There'll be a herd of performing elephants, liberty horses, dogs, ponies, llamas, chimpanzees and camels.

Newly-imported acts scheduled to appear include acrobats, jugglers, tumblers, contortionists, clowns, wire-walkers, perch-pole artists, trapeze stars, an Arabian Nights spectacle, bareback riders, an aerial ballet, traditional

blaring circus band and all the spangled and sequined wonders that make a circus a world with magic.

Recreations Defeat Clark and CYRC

Behind the line relief pitching of Tom Kennedy the Recreations came from behind to score a 5-4 decision over the Clark nine on Saturday morning.

Kennedy, who is now 6-0 for the season, came in with the score tied at 4-4 and allowed one hit the remainder of the game.

Rahway won the game in the top of the seventh when Willie Smith opened the final inning with a line drive hit to center, was safe on an error by the catcher, stole third and scored as Craig Jenkins was being thrown out.

Rahway scored three times in the fourth on hits by Smith and Angelo.

Last Wednesday the Recreations scored a 5-0 win over the CYRC Chiefs to win the city championship.

John Shipley's double around two bases on balls featured the inning. Hits by Paul Starkowski and Bob Smith, added by a stolen base and free pass, were good for two more runs in the second. The final tally was scored in the fifth on two hits by Shipley and Dave Bullock. Kennedy struck out 10 batters.

Le Sabres Will Begin Softball Tourney Play

Tomorrow at 9 p.m. under the lights at Elizabeth's Brophy Field, Rahway Le Sabres will play the Norton A. C. of Huntington, Long Island, N.Y., winner of the New York City Metropolitan District ASA women's softball championship in the opening game of the Mid-Atlantic Regional Tournament.

Coach Norman Davis's green-shirted Warriors will send Ruth Terris, with a season record of 9-2, against the hard-hitting Long Islanders who beat Rahway last season. Behind the plate for the opening game will be Pat Hopper, who has joined the local club from the North Bergen CoEds. At first will be the hard-hitting Audrey Roach, who knocked two home runs last weekend.

Second base will be handled by Joyce Spain, who has been catching since the start of the season. At third will be Glyceria Crawley, a fine defensive infielder and good hitter. At short will be the long-ball hitter of the club, Karin Barnett.

In the outergardens will be Jean Longstreet, in left, Sue Goodwin of the Trenton All-Americans, in center, and Betty Robinson, at right.

Janette Mobley, with a record of 7-2, will be hard in reserve or will start the game on Saturday afternoon.

Other members of the team who will see action if needed during the long weekend are Marion Saunders and Margo Litrid and May Land, infielders, and two outfielders, Audrey Connell and Joyce Thomas. Gert Allen is the reserve catcher. The manager, George Van Dunk, is assisted by Floyd Mobley.

The winner of the tournament will play in the ASA World Series to be held later this month. The Elizabeth Key Ford Marauders, also of Union County, are entered in the tourney which has five teams in the double elimination play.

Brophy Field, is located on First St., Elizabeth, near the old Singer plant. Games will be played every two hours, starting at 2 p.m. on Saturday and Sunday.

Following is the Le Sabres tournament schedule:

Friday, August 6 - 9 p.m. - Norton A.C. of Huntington, Long Island, vs Rahway Le Sabres.

Saturday, August 7 - 2 p.m.

Ray's Corner

By RAY HOAGLAND

We are pleased to report that the veteran umpire Bill Hoodzow has been very busy this year. He just finished his 22nd year of calling "balls and strikes." Bill has always said that he gives all of his umpiring credit to the veteran Walter "Pop" Cio, who started him in the game.

Hoodzow helped to organize the New Jersey New York Metropolitan Baseball Umpires Association, new affiliated with the Eastern College Athletic Conference. He has served on the board of directors of the association for the past two seasons.

During the past season, he umpired a total of 44 games, including 27 college games, five high school contests and 12 American Legion games. Bill was the umpire-in-chief in 19 of the games and was on the bases in 25 games.

Bill worked the Metropolitan Baseball Conference championships game at Coffey Field at Fordham University on May 22. On May 28 and 29 he handled the NCAA's District 2 Championships at Clarke Field on the grounds of Princeton University. The third NCAA Atlantic Coast regional championship on June 9 at Yankee Stadium used Bill's services.

He has worked in the Union-Essex County American League All-Star games, District 2 regional play and championship Legion play.

Old Timers Nine Still Unbeaten

The Recreation Department umpires and managers' Old Timers team ran its unbeaten win streak to four straight as it defeated the All'ed Co. team of the Piedmont League, 2-0, behind the six-hit pitching of Dick Gritschke.

The Old Timers scored five runs in the second inning on Ted Thompson's triple, singles by Jerry Finnegan and Frankie and Ray Duffy's two-run double to right field.

The Old Timers increased their lead to 7-0 in the fifth inning when Tom Finnegan walked, Ted Thompson singled and Jack Feiver doubled both runners home.

A bid for the shutout failed in the seventh when the Allied called for two runs as Tom Leone walked, George Hehrick surprised the drawn in out fielders with a single to left and Jerry Maranck, the losing pitcher, helped his cause with a line drive double scoring both runners.

Stellar fielding plays, including a picture double play by Maranck and Mike and Tom Finnegan.

Maranck allowed seven hits and fanned seven, while Gritschke was touched for four singles. The umpires were by Hooper and Jack Carr.

Celtics Defeat Lakers, Win Cage League Title

In the seventh game of the season, the Celtics clinched the league title by pinning the Lakers to 40.

Dave Holland's outstanding board work and shooting for the Celtics were the decisive factors in his team's victory over the Lakers. Holland's 15 points and Greg Sangiacomo's 13 points led the Celtics in scoring. Chuck Matte, Clark standout, led all scorers for the night with 16 points as his Lakers suffered their first defeat.

In the eighth game, the Celtics clobbered the Knicks, 54-33. Charles Edgars of the Bullets, with 22 points and 20 rebounds, led both teams in three departments. Donny Cure and Reggie Williams gave Edgars all the support he needed as they chipped in for 25 points between who are not members of any private club and who are 16 years of age and over.

The first 31 low-scoring qualifiers will join Dave Muraskin of Elizabeth, the 1964 champion, and play in the championship flight. The remaining qualifiers will be paired in flights of 16.

The first round of the championship flight will start on Aug. 22, with the second round on Aug. 28 and the third round on Aug. 29. The semi-final round will be played on Sept. 4 and the final round of 27 holes will be played on Sept. 5.

The winner will be awarded the Daniel J. Kenely Memorial Trophy, awarded annually in memory of Galloping Hill's former pro. Other awards will be made to winners and runners-up in each flight.

Entries will close with George T. Cron, superintendent of recreation, Union County Park Commission, Box 275, Elizabeth, at noon, on Monday.

The Fourth Ward Democratic Club will sponsor a trip to the Newark Bears and Toronto Rifles football game on Aug. 29 at School Stadium, Bloomfield Ave., Newark. Tickets may be purchased from the Pipe Shop, Amorelli's Sports Shop and from James Crowell, 87 East Emerson Avenue. Buses will leave from Elm Ave. and West Main St. at 6 p.m.

Joe Williams of the Rifles will play in this area again on Nov. 13 at Temple Stadium, Philadelphia. The Rifles will open the regular season on Aug. 14 at 8 p.m. with Wheeling at home and then travel to Hartford, Conn. for a game on Aug. 21 before playing in Newark.

Freehold Raceway will open next Monday afternoon for its 113th year of harness racing.

The oldest harness track faces the new 60-day season with a record that defies description. In the last years both attendance and wagering has increased more than 100 per cent. Last year the largest crowd was an unbelievable 15,747 who sent \$830,874 through the pari-mutuel machines.

Monmouth Park's final week of racing brings the \$100,000-guaranteed Sapling Stakes for two-year olds. The Sapling, to be raced on Saturday, has provided the closing feature of the meeting for several years and is expected to draw 40,000 fans. The favorite should be Edgell Farm's Our Michael, with Handsome Boy a close second.

The final of the AAU development track meet will be held next Tuesday, starting at 6 p.m. All the first three finishers in the first 10 development program have been invited back for this special program.

The junior championship will be held on Sunday at 1 p.m. at Camp Kilmer. The public is invited to attend free of charge.

The AAU has announced the expansion of a national youth program in athletics and physical fitness made possible by an agreement between the AAU and the Quaker Oats Co.

The CYRC Chiefs dropped a 3-1 decision to the Berkeley Heights PAL on Saturday morning. The two local teams completed their seasons last night as Union VFW played the Chiefs at Veterans Field and the Recreation traveled to Hillside to play the league leaders.

Joseph F. Walker, state athletic commissioner, announced today the appointment of George R. Hoagland of Rahway his staff as an inspector at professional boxing and wrestling matches. Mr. Hoagland replaced the late James McGee of Rahway.

The defeat of the USA track team by the Russians over the weekend will keep the fire going in the NCAA-AAU battle. From this corner, it was just a win by a stronger well-balanced team.

The New York Jets and the Buffalo Bills will play at Rutgers University Stadium on Aug. 21 while the Giants and Eagles will play at Princeton the following Saturday in the annual Jaycee game.

Carl Rich's Amorelli team leads the Union County Baseball League by a 2 1/2-game margin as of today. The team also is in first place in the Union County Industrial League.

Tom Schweitzer played in the Union County American Legion All-Star game against the Sussex team in Newton last Saturday. The Union team won, 7-5, for their second inter-county victory.

The Tenners, reminiscent of America's Old West but with an Australian accent, will arrive with the new, free circus Monday at Olympic Park. The troupe from Australia's back country is adept at rope spinning and whip-cracking.

Featured in next week's show at the Irvington-Maplewood amusement park, however, will be the Hilldays, aerialists who proved popular last season. And the children's favorite, Tibor's Seals, will round out the circus to be offered at 4 and 9:30 p.m. daily.

More than \$500 worth of savings bonds and trophies will be presented Aug. 21 to winners of Olympic's 50th annual baby parade.

Pitcher Tossed 3 No-Hitters

HARRY RUBRIGHT of the American Legion team, champions of the Recreation Department's 9-10 year-old Seaboard League, turned in the program's finest pitching performance as he pitched three no-hit, no-run games and one no hit game in compiling his overall season record of 13 wins and one loss.

Harry, a righthander, relied on speed and pinpoint control to win his 13 games.

He pitched the team to a 32-0 win over the Merck Giants and then double no-hit the strong Amorelli Mets team by scores of 2-0 and 19-0. The biggest win of the season was in the game that decided the first round title. He held the Merck Yankees hitless but lost his shutout early on a walk and a fielder's error. But his mates rallied late in the game for a 4-1 win.

Harry's only loss was in the city championship game a heart breaking 5-4 loss to the Coastal League champions, the Elks Club.

Rubright, a good fielding pitcher, also was one of the team's leading hitters and is rated a player to be watched in the future.

Award Contracts For Cafeteria

The Board of Education moved one step nearer its goal of providing adequate cafeteria facilities for the student body of Grover Cleveland School with the awarding of contracts on July 23 for construction work in the amount of \$13,069. The figure includes only the cost of general construction, equipment and electrical work. There will be additional costs for the plumbing, board officials announced.

The Manuzza Co., Linden, presented a low bid of \$3,150 for general construction. The Fellermano bid of \$9,794 was low for equipment and the \$1,125 bid of Stewart Electric was lowest for the electrical work. All successful bidders indicated they would start work immediately to bring the project to an early completion.

onia Blvd. and Remsen Ave., an "A" residential zone. A similar application was rejected by the board last year.

The rehearing of the application by Menlo Park Building Co., headed by Michael Dunn of Linden, was conducted on Thursday night. The rehearing was continued until next Monday night to give any person outside of a 200-foot radius of the site at Lambert St. and Broadway a chance to register objections. Herbert H. Klein, board secretary, pointed out that the public had not been given sufficient notice about last Thursday's meeting as required by the board's rules.

Menlo Park Building Co. seeks to erect four two-family dwellings on the 20,800 square feet of property in the "A" residential zone. Mr. Klein pointed out that a minimum of 30,000 square feet would be required for the four houses if erected in a "B" residential zone. A similar request by the applicant was denied by the board on July 13. The rehearing was requested by Leo Santowasso, board member. The applicant submitted revised plans which call for two-bedroom houses instead of three-bedroom dwellings.

Girl Scouts at Roundup Gain in Understanding

EDITOR'S NOTE: The following news story about the 1965 Girl Scout Roundup in Farragut, Idaho, was written by Miss Nancy Irwin of 521, Rahway Ave., Woodbridge, one of the representatives of Crossroads Council attending the national event.

By NANCY IRWIN
Although there has been cloudy and muggy weather in New Jersey, the Senior Girl Scouts in Farragut, Idaho, have been enjoying sunny skies and cool breezes.

The Shipwrecks, our girls in Area B at the Roundup, are as follows: Patrol leader, Carol McClure of Rahway; assistant patrol leader, Kathy Cook of South Amboy; Loretta Romond of Woodbridge, Mary Ann Co-man of South Amboy, Jackie Weeks of Laurence Harbor, Lorraine Dai of Colonia and Janice Lucas and Nancy Irwin, both of Rahway.

Several days ago these girls were privileged to be members of Platoon A in the huge Roundup flag ceremony. This flag ceremony, which takes place in the Avenue of Flags every morning, consists of the raising of more than 50 flags. All these flags are raised at the same time with three girls working on each flag.

The day after the flag ceremony, the girls in all of Area B went on a conservation tour, visiting the forests in a large area surrounding the Roundup site, the girls went by bus and were delighted with the scenery. They saw Lake Coeur d'Alene, Lake Pend Oreille and many rivers. They also stopped

along the way and learned some things about smoke jumping.

Every day from 2 to 4 o'clock in the afternoon girls participate in discussions known as forums. Two tickets are available in each troop. Since there are four patrols of eight girls in a troop, most girls do not get to go to the special forums on such subjects as "Our Country," "Help," "Yesterday, Today and Tomorrow," "God," and "Obeying the Girl Scout Laws."

There are career forums in the mornings, however, and no tickets are necessary.

Recently there was another all-Roundup Arena. The theme was "Girl Scouting - A Promise in Action." At the Arena, a Roundup camper from the Michigan Roundup, one from the Colorado Roundup, one from the Vermont Roundup and one from this Roundup gave speeches about what Roundup had done for them. The girls sang songs and did serious thinking about how they were going to use Roundup when they got home.

Each girl submitted a self-addressed envelope with their thoughts written on cards inside. Later on, these envelopes will be mailed to the girls to remind them of their promise. Before coming to the Arena, each girl was given a candle. Region by region, every candle was lit. It was so bright that not many of us could believe it. It certainly was beautiful to see the glow of 10,000 candles held by 10,000 girls who had gained a deeper understanding of life in a very short time.
