Parking Bans for Buses and Trucks

Improves Residential Neighborhoods Parking by trucks and busses overnight in residential zones has been a dilemma for many Clark homeowners. Seeking the full enjoyment of their properties, they have been exposed to noise at unreasonably early and

lare hours and denied parking in front of their homes on many occasions. - It was well that the township council decided to ban overnight parking of busses and trucks over two tons weight unloaded. We know many homeowners will find the use of their homes improved by the passage of this ordinance, and its maximum fine of \$15 and maximum sentence of 15 days in jail will deter truckers and bus line owners from violating its provisions. At the same meeting when the overnight ban was finally adopted council also acted wisely to order street parking illegal during snow emergencies. The Union County Board of Freeholders has passed similar

prohibitions and found that traffic on county roads has lowed-much freer when cars are not parked in the streets, denying access to snow plows, Even wid streets with cars parked on both sides and snow pile against them create narrow roadways where the like-In addition to the foregoing ordinances adopted on final reading, council introduced an ordinance to ban parking and standing on certain sections of Terminal Avenue which has been a nightmare for drivers. Religious Devotion By Rev. James W. Ealey

EDITOR'S NOTE: This is the ninth in a series of sermons by Rahway clergymen. This week's supplement was written by the pastor of the Second Baptist Church, 378 E. Milton Ave., Rahway.

'Wherewith shall I come before Jehovah, and bow myself before the high God? Shall I come with burnt offerings, with calves a year old? Will Jehovah be pleased with thousands of rams, or with ten thousands rivers of oil? Shall I give my first born for my transgression, the fruit of my body of the sin in my soul? He hath shown thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love kindness, and to walk humbly with thy God?"

No Fault Insurance Bill Needs

More Study, Several Amendments

in addition to mandating compensation, the measure

would provide a 25% decrease in insurance premiums on

the supposition that legal costs would be eliminated in

many accidents. This may or may not be the case,

since sponsors of the bill cannot point to any examples

where this sort of cut in legal costs has been experi-

enced. Massachusetts is the only state where a limit-

ed form of no - fault insurance has been instituted,

insurance only.

effective Jan. 1 of this year. No meaningful results

denied in such an eventuality, but it appears that it

would, given the provisions of this bill.

Assemblyman Kiehn, in urging adoption of his bill, Compulsory no - fault insurance systems will bring said that it should not be necessary. That is certainly on a lively debate almost anywhere in New Jersey. That true. Admittedly singing or playing of the National they should is understandable, -since the outcome of a Anthem, and accord of proper respect when the anthembill introduced in the state assembly will markedly is played or sung, are patriotic gestures.
