APPRECIATION ... One of the happiest moments in Senator Clifford P. Case's many years

in the U.S. Senate occurred when he was visited in his Capitol office by Army Capt. and

Mrs. James Christian Burg. The captain, seriously wounded in Vietnam over a year ago, was

released from Walter Reed Army Hospital in Washington where he underwent a number of

operations as a result of which he is able to walk again with the aid of a cane. After their

tests administered in the

city's schools, Mr. Nash

Presidential Freeze Is Meaningless In Face of Wild US Spending Policies OPINION And Abrogates Basic Contract Rights

The distance between Presidential edict and local affects has been widening in years recent. For that reason, the President's freeze on wages and prices came as a blow in the night.

BENTON, MO., SCOIT country, the U.S. will probably lose interest in the abity lose interest in the support. Well, it seems to us support. Well, it seems to us came consisting of 97 day of activity took place with the Rahway "Y" and to the Treasury Department.

COUNTY DEMOCRAT: abity lose interest in the support. Well, it seems to us came consisting of 97 day of the Rahway River Park were used. On Tuesday the entire came consisting of 97 day berry St., reported that while to the Treasury Department.

When government of the Rahway "Y" and the Rahway "Y" and the Rahway "Y" and the Rahway River Park were used. On Tuesday the entire came consisting of 97 day berry St., reported that while to the Treasury Department.

When government of the Rahway "Y" and the Rahway "Y" and the Rahway River Park were used. On Tuesday the entire came consisting of 97 day berry St., reported that while

reason, me president's treeze on wages and prices in public monopoly than prisupport. Well, it seems to us came as a blow in the night.

Americans, led by a nonpartisan array of sleezy politicians, have come to believe that deficit-financing, believe that deficit-financing, it can always shift the losses treest and confidence in the came and leaders, after the morning instruction swim to the morning instruction swim th an inferior banking system, minimum wages, and union contracts in restraint of trade and production could into the electric power busi- see it moved to Siberia."

The can always sink the losses terest and confidence in the and a junior leader training the right vent window and session, were taken to the stole 19 stereo tapes. How often has the sentiment been expressed: "With its losses. The government COMSTOCK, NEB., all of the federal government's regulations on the never really goes into busi- NEWS: "As I understand economy, we can never have a depression again. For ness, for it never makes it, we were an underrhose of you reading this editorial that believe that ends meet, and that's the developed country 180 years

those of you reading this editorial that believe that statement, your shock will be great when a depression arrives, and that financial dooms day isn't all that distant.

Dr. Milton Friedman, a Rahway native and one of Nixon's economic advisers commenting on the President's recent moves to curb inflation and the faltering value of the dollar abroad, said the symptoms are being treated, not the causes. Inflated wages and prices are those of you reading this editorial that believe that states and that's the developed country 180 years ago with a population of three million. While we were underdeveloped, some of the obliving this move that this power or not over the developed country 180 years ago with a population of three million. While we were underdeveloped, some of the obliving this move the faltering with the President's receive the full influence of this office in relieving this move that they are underdeveloped, some of the developed, some of the developed, some of the faltering with the president in Mountainside and swimm where the relevent has the takes. In floady boating at Ech Lake million. While we were underdeveloped, some of the developed, some of the developed, some of the faltering time of entry. Two youths tax freeze should be concurting at Ech Lake million. While we were underdeveloped, some of the developed, some of the first requirement of business with politics, and mobilities and that this power or not over the developed at the Treatment. Today boating at Ech Lake million. While we were underdeveloped, some of the developed, some of the first requirement of business. It just mixes a little with the president such that this power or not over the developed and beach and states. In Mountainside and swimm in a stream. Today boating at Ech Lake million. While we were underdeveloped country 180 years which the president in the pre treated not the causes. Inflated wages and prices are EPHRATA, PA., REVIEW: underdeveloped helping merely the affects of a sick system, corrupted mainly Nixon's pathetic moves, some of which are complete abridgements of wage agreements made well prior to his announcement, are open to general criticism because they violate basic economic rights. Why should because they violate basic economic rights. Why should it be necessary to violate contracts with teachers, it be necessary to violate contracts with teachers, in Babway and Clark?

In announcement, are specification of valuations are developed nations are developed. I wonder if they have used to relieve a trip to Turtle Back Zoo television set and various of the local tax burden and paigns to convey that im- will come to our aid?" public servants, and workers in Rahway and Clark?

wages and prices are mainly inflated by government spending. It is little wonder that the cost of living rises for 7 per cent in a year when the government is 6 or 7 per cent in a year when the government is climax in September and Ocspending about \$30 billion more in that year than it tober when new models have Available in took in in revenues. All that money spent in the market been closely guarded seplace, in no way related to production, can have only crets, and curlosity about one affect: more money chasing about the same number how each new car would look 10 Dack 11eeze of goods, and that means much higher prices. Likewise, has been considerable. Now, much of this "surplus" money winds up legitimately however, the high cost of who cash these extra dollars in at exchange banks for gold. The President stopped the payment of legitimate these yearly changes, which often add nothing to the car's way, said this week he has in the hands of foreigners, especially central Europeans, these yearly changes, which Christopher Dietz of Rahgold. The President stopped the payment of legitimate safety or mechanical merit, learned that the United States debts to Europeans, and that move did more to undercut sound world trade than anything since Franklin D. Roosevelt's abandonment of the gold standard in 1933.

Against this grand paparame of finances, consider. Roosevelt's abandonment of the gold standard in 1933.

Against this grand panorama of finances, consider notified recipients that in funds or manpower are to be notified recipients that in funds or manpower are to be notified recipients that in funds or manpower are to be notified recipients that in funds or manpower are to be notified recipients that in funds or manpower are to be notified recipients that in funds or manpower are to be notified recipients that in funds or manpower are to be notified recipients. the President's actions as mustaru seeds on a winte future years we plan to expanded emotions the economic freeze recently or— Township Attorney John P. dolph Ave., reported a break, clude a proclamation by the change ... design less fre— the dolph Ave., reported a break, clude a proclamation by the change ... design less tre- dered by President Richard Higgins ruled that the Pre- entry and largeny of a color mayor designating Sept. 19 of excise taxes on new cars, he ordered a freeze on currently inflated wages and prices, and he increased taxeful by 10% and cut foreign aid by 10%. It mis will enable makers to concentrate on practical safety and mechanisms.

Sively. It mis will enable makers to concentrate on practical safety and mechanisms. It mis will enable to the population with Civil and the cutting practical safety and mechanisms.

tariffs by 10%, and cut foreign aid by 10%. What this country needs is basic reform: laws to compell the federal government only to spend what its garners in taxes, an end to all foreign aid, the end of all farm subsidies, the termination of special monopoly rules for labor unions, the deletion of all welfare payments except to those who are infirm, handicapped or insane, and the termination of all For the first time in two generations, the public is sensing that all is not well, some see a black cloud on the horizon, even if they do not understand the vast financial complexies of the situation. The President's actions, some of which are good-mainly the tax cuts, came so late they can never be deemed to be enough to cure the basic ills of the

are being permitted. Some property holders in the downtownareahave been going to Elizabeth to "recruit" Spanish-speaking people to live under conditions that are clearly substandard and illegal. We might add that these property holders cram Spanish-speaking people several in a room and whether you're a pretty good have arrangements where kitchen and bathroom facilities are shared. These slum lords are extracting rent between \$15 and \$18 per room per week, we are told, and it is criminal for the city to permit such prac- TIMES: "Why is it? Taxpayers' Group Sees Victory over Income Tax The Federation of New Jersey Taxpayers, P.O. Boy 611,

Rahway, declared today "We have won our fight against a state

throughout the state in the past two years "plus the dramatically

successful Connecticut tax rebellion have insured that no candi-

date for the New Jersey legislature this fall will dare to openly

Ronald M. Kidwell, of Passalc, federation president, said,

The special interests promoting the income tax now have

'This transparent gimmick should fool no one. Any slight,

Taxpayers must now insist that all candidates for the state

temporary property tax reduction which can result from a

single state act will do little good compared with the great permanent harm we will all suffer from an income tax, which

Senate and Assembly not only specifically oppose an income

that will prevent the legislature in future from imposing such

a tax without a statewide referendum. Such an amendment is

provided for by Assembly Concurrent Resolution 33, co-

sponsored by 14 assemblymen, including Assemblyman Herbert

"If your senator or assemblyman refuses to give you a direct

vote on the income tax question, he does not deserve your support

Mr. Kidwell noted that the Federation of New Jersey Tax-

payers had furnished information and material to the Taxpayers

Association of Connecticut (TAC), which spearheaded the suc-

cessful revolt in that state. Opposition to the income tax was

so strong that it was repealed only seven weeks after the Con-

signed the repealer even though he plainly stated his own per-

necticut legislature put it into effect, and the governor there

Mr. Kidwell added that "the only right solution for this

incessant income tax clamor is to cut government expenses

substantially. At least one major party senatorial candidate

has already proposed a state and local tax freeze to go along

with the wage and price freeze. This might be all right but would

not solve the problem for long unless the state and munici-

The federation president also criticized the idea of the state

legislature accepting recommendations next term "from a non-

elected group like the State Tax Policy Committee, many of

whose members favored an income tax even before they were

appointed. We expect our elected officials, not some biased

propaganda group, to carry out the wishes of the voters. And

right now the voters want an ACR 33 constitutional amend-
