support and confidence and we should never forget it. But having the confidence of the public does not relieve us from doing what is right. If anything, i should make us more com mitted than ever to giving and abilities to solving the problem. It is our responsibility to educate our citizens as to the seriousness

of the solid waste crisis and how it affects them. We must also remember for four years now our city government has given its bipartisan support; with only one exception, to hosting a resource recovery facility if met. This also should make

Knights thank Yule party givers

I'd like to take the time to thank everyone who helped to make our annual Christmas Party-for-retarded-children on Dec. 18, 1984, such an overwhelming success. MANAGEMENT OF THE PAPERS. As chairman of such an affdir I enlisted the aid of many generous people. Over 100 people, mostly retarded, enjoyed themselves in the true spirit of Christmas because of the charity and kindness of the people involved. Hot dogs, hamburgers, chicken, ice cream, candy and cookies were donated and served to all. Each child received toys

and gifts from Santa, along with a picture sitting on Santa's lap. In addition to all the goodies a large sum of money was collected from benevolent merchants and businessmen in our area. This money was dispursed among the children to put in their banks. A special thanks must to go Joe Gatto and his Band, who donated the music and entertainment that added a special glitter to the entire party. Dancing and singing, the

children thoroughly enjoyed themselves, and warmed the hearts of everyone present. Special thanks must also go to the bowlers at Clark Lanes, who donated so willingly to the third. Monday of the Santa when he visited the lanes. Again, let me thank everyone involved in this annual program for their generosity and thoughtfulness. I am sure your kindness will be returned to you a hundredfold

throughout the coming year. chairman Bishop Justin J. McCarthy Council No. 5503 Knights of Columbus 27 Westfield Ave.
