Mayor: Vote on April 15

As Mayor and also as titular head of the Rahway Democratic Party, I wish to make it known that neither "city hall" nor the Democratic Party are involved in the current Board of Education election. Our position regarding the educational system is to do whatever we can to support it, but not to get involved in its operations or elections. For example, we were pleased to successfully endorse and work for the renovation of Rahway High School, We will always do whatever we can to help the children of our community. As for the school elections, we wish all the candidates good luck and urge all citizens to vote.

School Budget

On April 15th every registered voter in Rahway will be asked this question, "Of what value are the children of this community? As a mother of three young children, I do have a vested interest. The larger question is this, "Was man put on this earth to pursue selfish interest or to value the greater good of the community?" The children are the I recently moved to Rahway. In Jersey City my laughter worked on a computer in kindergarten. Here in Rahway we fight for basic needs like a full-time school nurse. How will our children compete for college entrance when they had no librarian in elementary school? The school budget that will be put before the voters does not represent an increase in services to our children. but if it is not passed, a bad situation will become critical. The way things are now, our schools desperately need teachers, text books, and teaching supplies. Will you be the voter who will extend a helping hand or the one who would deny our children their future?

Vote YES and pass the school budget!

Farrell Assist Fund needs community support

Back in the early 20s and for over a decade Rahway had representation on the athletic field by the Rambler Athletic Club. The Ramblers participated in football. baseball, basketball, track and field. In 1934 the Union County A.A.U. Track and Field Championships were held at Riverside Park, now Veteran's Memorial Field. By playing football in Rahway River Park, I feel the Ramblers helped in the development of the park, and several thousands of people came to our games on Sundays to see the teams play. This was about the time there was a referendum to be voted on, granting more money. for the development of the park. In the early 40's it was decided to have a reunion din

ner and for 37 years these dinners were held. To give added meaning to the reunion dinners it was decided to sponsor an assist fund to help a graduate of Rahway High School seeking further education. The fund was called the J. Howard "Oggie" Farrell Assist Fund, Farrell, a graduate of Rahway High School, later played for the Ramblers, then for the Quantico Marines where he played for their outstanding football. team. This past year the reunion dinner was discontinued due to the poor attendance at the last dinner held. At present the plan is to continue the assist fund and letters have gone out to former members and friends asking for their help to earry on the fund. Those working on the committee are John Schmidt,

Ours is a bargain compared with some others. For example, an arts center in San Diego requires a \$5000 donation, spread over five years, for a single commemorative seatback plaque. (For the same size donation, we offer a distinctive individual wall plaque in the lobby.) Our required minimum donation for a Seat of Recognition: only \$1000 - total.

It should be made clear that the Seat of Recognition is merely a perpetual memorial, and does NOT grant the contributor a permanently reserved seat for attendance at future shows. The honoree may be a person living or deceased, an organization, a pet, a memorable event. . . . There are no specific stipulations. However, the wording will be negotiable, the number of words being limited mainly by the approximately 4 x 6 inch uniform size of the plaque. Location within the auditorium may be freely chosen from among available seats

As a bonus, the contributor is granted a 3-year complimentary membership in Rahway Landmarks (the nonprofit organization operating the arts center), and the honoree's name will be listed in all future printed programs. Membership benefits include receipt of the Arts Center Newsletter (six issues per year) and dis-

counts on souvenir items and on tickets to certain events. _______ Act Now: this offer will be limited to the first 200 seats only. Send in your check now to Union County Arts Center Seat of Recognition P.O. Box 1061 — Rahway N.J. 07065
