of Rahway, is shown with Frank Brunette, Superintendent of Rahway Public Schools and Anthony Rocca, Board of Education administrator. At the last weekly meeting of the club, Brunette and Rocca explained the passage of the 1986-87 school budget which was only the fourth budget to win passage in the last 26 years. Brunotte said after the budget defeat last year, it was noted that less than 800 had voted. He asked teachers and other school administrators to get involved with getting more people to vote. Gene Warga was in charge of "VALUE" (Voter Approval Lifts Up Education). Voter registration drives and presentations were made to many interested groups. The result was that 1,977 voters made it to the polls with a large increase in younger citizens voting. Rocca noted that Rahway is providing education at a lower cost than many nearby communities. # CAN BE SEEN IN THEATRE WINDOW

We call it a "Seat of Recognition." Other arts centers have different names for it, but the objective is the same: GIVE CONTRIBUTORS THE OPPORTUNITY TO PROVIDE FINANCIAL AID TO THE PROJECT WHILE, AT THE SAME TIME, PERPETUATING THE MEMORY OF A LOVED ONE VIA AN IN-SCRIBED PLAQUE ON THE BACK OF AN AUDITORIUM CHAIR.

Ours is a bargain compared with some others. For example, an arts center in San Diego requires a \$5000 donation, spread over five years, for a single commemorative seatback plaque. (For the same size donation, we offer a distinctive individual wall plaque in the lobby.) Our required minimum donation for a Seat of Recognition: only \$1000 — total.

It should be made clear that the Seat of Recognition is merely a perpetual memorial, and does NOT grant the contributor a permanently reserved seat for attendance at future shows. The honoree may be a person living or deceased, an organization, a pet, a memorable event, ... There are no specific stipulations. However, the wording will be negotiable, the number of words being limited mainly by the approximately 4 x 6 inch uniform size of the plaque. Location within the auditorium may be freely chosen from among available seats in designated areas.

As a bonus, the contributor is granted a 3-year complimentary membership in Rahway Landmarks (the nonprofit organization operating the arts center), and the honoree's name will be listed in all future printed programs.
