RAHWAY RECORD, PRICAY JULY 10, 1914.

IS-REINSTATE

(Continued From Page One)

due June 1st, on funding bonds \$1,500school bands, \$625; Reuben Tharp, for the present month. treasurer sinking fund, excise feez. sewel, \$12.02; Irving street paving, Ocheltree dropped from roll.

hand June 30th. \$42,983,81. \$1\$6.24: lamps. \$4.048.81; roads. \$4.] 484.24; poor, \$1,674.93; police,

The treasurer also reported the fo \$86.42; Hamilton street. \$9.00; Jaques avenue extension No. 1, \$109.28; Main and Haydock streets, \$18.92; E. Milton avenue sewer, \$141.34;

Superintendent Harrison of the almshouse reported that with eleven in mates he had receipts for the mont of \$85, and expenses of \$71,23. Superintendent of the poor J. W. Harriman reported total orders for the month (\$441.25, and that he had collected and pald over for non-support cases, (3) he meeting, the poor and aims com mittee reported it had plans for erec. tion of a new almshouse. This was referred to the poor and alms committee_again,_in__conjunction_wit hrough councilman Gage, reported

A claus was added to the contract t be signed between the city and t Public Service Co. for street lighting, whereby the street lights shall be placed exactly where the council reouires them, and not to suit the venience of the Public Service Co. Service Co. relative to an extension of the single fare zone on trolley cars was read, in which the company stated that it would not accede to the request of the council for an extension. This was acted upon by a resolution that the communication be referred to the city attorney to bring it before the Public Utility Commission

An ordinance to pave Irving street from Poplar street to Milton avenue, and under the railroad arch to Main street was passed on third reading, with the proviso that the work be done under direction of the city engineer. The engineer was instructed to advertise for bids. On resolution by councilman-at-large F. C. Engelbart it was voted that the Public Service Co., the Rahway Gas Co., and others complete all taps and connections in these streets within 80 days. A short discussion was held on the report of the Board of Estimate for the school budget for the ananing year. but action was deferred in view of the probability that the Board would be reconvened and the budget reconstructed

An application from George Miller to move his lunch wagon to corner of Cherry and Irving streets was refered back to him, as N was stated that the location was on P. R. R. Title to first reading was taken on

an ordinance to amend the building code. A communication from W. E. Bowles, P. R. R. engineer of construction, regarding plans for a new station at Scott avenue, was laid over until next meeting. A warrant was ordered drawn for

\$15.99 in favor of Edward Cook, to repay taxes paid on property in Haydock street.

Some discussion arose over a request by contractor P. J. Monahan for avenue sower. Mr. Buckley_stated that he wanted some assurance that the city was fully protected before he would vote for the advance. City

that the city had an ample margin and member of Franklin Engine Co. Also Grand street from Irving street to St. Glesel he dropped from membership seck Blood Bitters made me a George avenue, by Mr. Larrison was of Franklin Hose Co., and that Joseph woman."-Mrs. Chas. Freitor, Mon received and filed. William Gission Kelly, Frank Clark and Isaac Williams ested refunding of license he paid be approved as members as a vegetable peddler. Request re

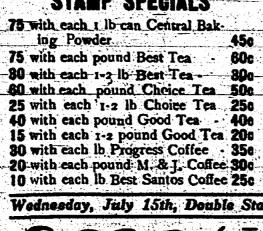

of an 8 inch tile sewer at the meeting of Reliance Lodge 101, to entertain the petition, in advice of day evening:-Chancellor Commander the City afforney who stated that the John Boerner; Vice Chancellor, Anastruction of the sewer was manda drew Mancuso; Preiste, John Barton through the Board of Health and Master at Arms, Samuel Gerufsky; hat council could not stand in the Master of Works, S. R. Clark; Inside

A protest from Chas. T. McKenzis Angelo Mancuso. The newly elected .00; paid Elizabethport Banking Co. sgainst assessment for opening sewer officers will be installed on Tues-Main street paving assessments col: in St. George avenue was received and day evening, July 21 warrants, \$137.55; tax and as- Bills to the amount of \$11,587.55 sessment sales redemptions, \$85.40; were ordered paid. These included eposited in Rahway National Bank warrants for the salary of Chief of o meet interest due July 1st., on 1910 Police Ramsey of \$66 in June, and \$45 endence Hook and Ladder Co reported the election of Neil J. Daving, \$2,426.18: Lawpence street Sullivan to membership, and James fire. port recommended that Samuel Ayers

\$124.54: lamps, \$728.92; roads, \$2,184. and Herbert Klein be approved as fire 18; poor, \$295.75; police, \$1,002.51; wardens of Protection Hose Co. Ber sinking fund, \$115.50. Total common nard Wimmer granted exemption; also Il-warrants \$5,705.59. Total dis- Samuel A. Harned and John C. Bobursements, \$21.259.29. Balance on znng - John-Henry taken from roll 2 Lincoln Hook and Ladder Co., And The city treasurer also reported the Robert L. Guttridge approved to all following amounts in the various vacancy also Edward Leonard and funds .- Contingent, \$6,065.08; fire; Fred Toms be approved as wardens.

He appealed to Shorty Young and Shorty answered sters were unable to score in their the appeal. He accepted nine chances without an error and got a hit when half of the sixth. The Uptown boys the Huntley is gone back, we him to third on a sacrifice bunt. "Mac" we needed it most. Some of his fielding stunts were of the hardest kind, tailied twice more in the seventh and der that the local pets certainly came home when a low heave from with a man on third when a miss would have meant a run. But each time he jonce in the eighth. Starting in the their batting clothes on Sat Huntley struck the raised plate and stood up to the task and gladdened the hearts of the Rahway rooters. Chet

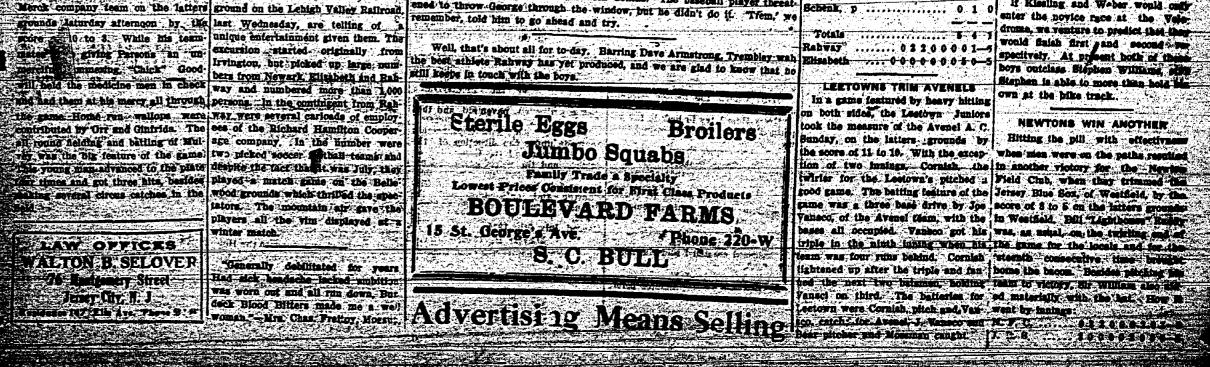

We printed in Friday's issue a letter from George Trembley who, althoug wing anarysed and that due to and singles by Brooks and Toung put thousands of miles away, still follows Rahway sport activities through the out to Johnny Brooks and was due to and singles by Brooks and roung put thousands of miles away, still follows Rahway sport activities through the him on third from where he came home when one of Huntley's low ones home when one of Huntley's low ones is truck the plate and bounced away is the best athletes that ever sported the colors of the Red an plack. It must is a low in the absence of Smiley and let from Davis. That ended the scoring funny to 'Trem' to read about the 'kids' growing up and tiking their N. F. C. ..., 0.2.0:1.0.3.2.1:0-3 dropping out of things. "Trem'-played baseball, football, basketball and bocky. We didn't have]]

any track teams in those days, or he would undoubtably have run. "Trem" RAHWAY MOOS could do anything; he was our ideal, lis strongest point was footb Johnny Brooks made the All-State team last year, but at his best he was not one whit better than Trembley when the latter was captain of the high school eleven. We never saw a player who enjoyed an athletic contest more e than the gentleman who is now making a name for himself in Portugal. D Everybody looked alike to him, he would have found as much pleasure in tackling Ted Coy as he would in tackling Ted Gibson. He was absolutely I fearless and the roughest player we have ever seen. He did everything by main strength, and if he met a man stronger than he was, he just gritted his ieeth and bucked the line a little harder. This is what made him such a wonderini football player.

About six or seven years ago high school played the Tiger A. C. of New ark in one of the hardest fought football games the old West End Park ever staged. We had two ringers in that game, Frank Strong, who was a teacher in the school, and Trembley. The Tiger team was composed of a mixture of seventh inning, when he weakened if Frender League teaders in the school and Trembley. 4.0.1.0.0-0 in the school, and Trembley. The Tiger team was composed of a mixture of 4.0.0.1.0.0 college players and 'roughnecks'. They had one halfback who was a wonder, 8.1.1.6.1.0 We know, because at end, we bucked up against him. Rahway received the to push five runs across the ylate, the 8 0 1 0 2 0 ball on the blokoff, and at the first rush we butted pell mell lifto the balfback to push five runs across the ylate, tie he is getting along at the Veledr

Well, we were talking about Trembley. The Tigers scored in the first Woodward if period but falled to sick the goal. In the second half Rahway made a desper-

"It certainly was a desuming boat it was very, very long with two us white sails. On either end of the boat stood a big green frog. They acted as steerers. They looked very fine indeed in their bright green suits. They "simost looked as if they'd bought their suits new for the occasion. "But, when the fairles got in the boat the biggest surprise was waiting them, for it was far from being an ordinary boat. The bottom of the boat was all class . The fabries cried out with delight when they saw it, and the her meen was so happy that they liked it . Then they started on a lovely trip around the lake, then up and down the Then they started on a sover; in paround the lake, then up and up which are lake. Not only could they see the pretty above, but through the giass they scould see all the fabris and arren prasses and weeds that grew down under that white. Never had the fairies been able to see such interesting things. They watched some of the denses playing and swimming around .. Other they watched have sleeping onite pracefully: At Of tome lie fair queen is always perfectly happy as long a third are bypy. The full of the first of the first over that it was the most interesting fault the full after the bad ever had."

nu Nicholson in a special acticla recent issue of the World bets orth what he says are the three grades, of Feminiam, The Record has oon requosted by a member of the Anti-Suffrage cause to publish the same which is as follows: "Feminism has three grades: 1. Woman is a person; she is human being; she is an individual;

she is an entity. Therefore she has right to a yolos in governmen berefore, she is entitled to entrus rself. Therefore she should vote. 2. Woman being an independen entity she should support herself berefore she should be dependent ipon no other person for maintenance. Therefore she should secure economi

8. Woman being an independ entity and economically free she whim of some man to marry her or not as he chooses; but she is entitled to settle the question of motherfor herself, to take it or leave as she pleases. She should be free to produce offspring in wodlock or out ci t, as it suits her convenience, by or father or by several. In a word, fem inism in its complete form applies the root-idea of independence to all three provinces of human life-to the sconomic, to the political, to the parental, "The 'advanced' woman (becom every year more common in Europe but as yet rare here), who as a selfsupporting, voting unmarried mother has climbed the whole length of the fominist ladder is not a more wickey woman than the demurest of respect able suffragiate; she is morel more daring woman-and a more los

"The_full-fledged feminist -- know that feminism and the family are inherently and irrevocably incompatibl nd she accepts the fact."

THE MESSIAH AT ODEAN GROVE What promises to beathe greatest production of Handel's Messiah will be given at Ocean Grove on Saturday evening. July 18th by five combined choruses New York, Brooklyn, Jertey City, Newark and Ocean Greve,over a thousand voices, under the direction of Tall Esen Morgan. The soloists will be Elisabeth Tudor

Elizabeth and Newark. The first sec ion will run express to Elizabeth,-Special trains from New York Wark, Elizabeth and Rahway.

AT THEATRES

For twenty years Proctor's 23rd S heatre has held its plays among Amusement Loyers as the Plonee Playhouse in New York catering al-most exclusively to Ladies and Chil dren. Though the last few year have wrought many changes in the Realms of Entertainment, it can safely be said that Proctor's 28rd St. has held its place well and is still in its infancy as to safe, sane clean and lesome amusement. Entirely ren wated during the past year this cos ttla Theatre still aniors a phio patronage of vandeville lovers, com olned with a goodly portion of Photo play patrons. The programs ar hanged bi-weekly and throughout th seven days there are presented four teen novelty features every perform

The prices of admission are trivi urn, but this one feature if ponbeen the cause of 23rd Street's continued success. One may be positively certain at all times, that If this Playhouse is selected for a blweekly visit that patrons can be surp of seeing only the most superior yaudeville-cleansed of all objectionabl features to ladies and children the nost modern of Photo-Plays and ous attention at the hands o employees long in the service of Mr Proctor. Hours of operating 11 a. m o 11 p. m.
