CHANGE-CHILDREN'S DAY AT TRENTON FAI

Monday Selected For Their Visit to Educational Exposition.

are to be given especial attention a Prenton Interstate Pairs which will be held from Nept. 28 to Oct. 1. Under Puesday to Monday. Tuesday is given over to the ladies. Attractions that will be of great interest have been booked for both days.

A visit to the Fair has an education al value for the youngsters, as they will suggest new ideas to them. The relaxation they get will also benefit them for deeper application to two when they return to their classes. From tickets are given the children through for them. The displays will be placed in position earlier than formerly, and everything will be in readiness for th woods that have been placed on view In the contest for prizes, and attractive antiquements will be scheduled for them. The open air program will have

performers from all parts of the country in squational acts.
The Fair management is endeayoring to make the Exposition of greater rest to the indies, and as an extra to be reduced from 50 cents to 20

inder the new plan the week will be 'uenday, ladies; Wednesday, farmers; SECRET OF THE PARIS HAT.

earn what it is that makes the Paris hat so bewitching sought work in one of the largest exporting houses. name to conjure with. One afternoon saw her scated upon a bench with gay, Deft fingers flew with chattering tongues, confusing her by the hewildering creations called into boing with

When night came the loneliness she

drended did not come, so filled was her seen and beard, and so hard did her brain work to digest all the wonders. Would she, could she, in two months grasp the "something" and take it home to 'America, and in so doing reach another stepping stone in her and every clock and watch said 8but she was blone. In half an bour ber companions of yesterday began-to stray in casually. Dull of eye and listically they came. No bubbling laugh, no gay chatter filled the room, and what was more surprising, no work was attempted. Some great calamity must have occurred! The whole nation must be suffering death

and facing calamity. Questions failed to bring forth answers, and the junuale grew. Were all her dreams to vaulable with the night? The "house" must have failed was her final thought. "Around 10 or 11 o'clock the party woke up for dejeuper, and with their return came a breath of the spirit of the afternoon before. Increasing gay ety and brilliant ideas grew with the hours, and the wonder of it was more and more mexplicable. The mornings were one long turture, the afternoons

were one long torture, the afternoons
a jey. One day all was revealed. A
tiny hypodermic needle filled with the
stuff that dreams are made of is the
spirit of the Paris hat!

The workers until sufficiently "doped" cannot work; cannot produce and
hitlessly idle the morning bours till
hypodermic needle and abshift creare the gay, chainering designer, who Arings forth the joy giving Paris hat.— Jessie Belyes in National Magazine.
