

NOT A PASSENGER  
KILLED ON P. R. R. THIS YEAR

Not a single passenger out of the 188,411,576 carried in 1914 on all of the 26,158 miles of track of the entire Pennsylvania Railroad System was killed in a train accident.

Reports compiled for all the lines of the system, show figures for the last month estimated, show that Pennsylvania passenger trains traveled 67,333,351 miles in 1914. More than 3,000 trains were operated every day—more than a million trains in the year.

The Pennsylvania Railroad lines East of Pittsburgh in the past two years carried 31,673,704 passengers and not one of them was killed in an accident to a train in four of the past seven years 1908, 1910, 1913 and 1914, more than 588,000,000 passengers—the times the population of this country—were carried by the Pennsylvania Lines East of Pittsburgh with not a single one being killed in a train accident.

The Pennsylvania management regards every accident of any kind on its property as one too many. Every effort is being continually directed to the end that the number of accidents and deaths may be eventually reduced, and if possible, avoided.

## ABOUT VOTING

**WHO GAVE THE MEN THEIR RIGHT TO VOTE, AND WHEN?**

Can all men vote in the United States? Yes, if they are over 21, and are native-born or naturalized. (In some States they must be able to read, also.)

Have ALL these men asked for the right to vote? No, NOT ONE of them asked. The right is given to them by the law of the land.

When the laws are made did all the men ASK for the right to vote?

No, the representatives who made the laws were far-sighted enough to know that they could not found a republic out of the few citizens who were allowed to vote in Colonial times—those men who could qualify as to religion, birth and property—so all those qualifications were swept away, and the MAJORITY of men received the vote.

NOTICE, it was for political reasons and NOT because the men ASKED for the vote.

The DESCENDANTS of these men have voted ever since.

**Who Will Give WOMEN Their Right to Vote, and When?**

Can all women vote in the United States? No, only those who live in the Equal Suffrage States. Have ALL the women in the United States asked for the right to vote?

No, but the NUMBER OF WOMEN WHO HAVE ASKED to vote is LARGER than the NUMBER OF MEN WHO HAVE EVER ASKED for ANYTHING in the whole history of our country.

Women are citizens of this country, "whether officially recognized or not."

Women should receive their right to vote for the same POLITICAL REASONS that men received theirs, and not BECAUSE they ASK.

WHAT ARE the political reasons for giving the vote to women?

1. Women are people; no one would dare deny that. Abraham Lincoln defined an ideal republic as a "government of the people, by the people and for the people," but ours is a government of the people by HALF the people.

2. We cannot make this an ideal republic if we leave half the people IRRESPONSIBLE and UNPROTECTED.

3. The country NEEDS the working power of ALL its citizens.

4. Men and women need the chance to make good TOGETHER and on equal terms.

WHO can give women their right to vote?

CONGRESSMEN elected by a National Assembly.

LEGISLATURES can do it by State Amendments.

WHEN will they do it? Ask their constituents.

## PLAINFIELD SHOWS "SOME" FORM BUT RED AND BLACK WIN OUT

By Score of 31 to 23 Locals Vanquish Old Rivals—Game Was Fast and Clean

### BIG CROWD ENJOY CONTEST

Rahway high school basketball team made a successful start of a strenuous week's work by taking the Plainfield high school quietest into camp on the local Y. M. C. A. court Wednesday afternoon by the score of 31-23. The game was an exciting one, due to the unexpected strong showing of the Queen City team. The teamwork of the visitors did not equal Rahway's and they showed a tendency to shoot as soon as they laid their hands on the ball instead of playing a passing game. How fortunate they were at this style of game is shown by Plainfield's score. He dropped in four field goals and every one of them were long shots.

To the great surprise of the local team's supporters, who tilted the early lead, Plainfield took the game to the heart of the contest. This was the first time this season that a visitor team held such a lead over the home team. Plainfield began to play better, and to the "hot-headed" it began to play better. Eddie Durand and "Mack" Armstrong soon got going through and tied up the score. The locals took lead in the first half and were never headed. The score at the end of the first half stood 15-10 in favor of Rahway. The locals had passed all over the Plainfielders in the first half, but in the second half they were worked down the floor under their basket, and the red and black players generally showed up poor form and let the ball get away without a tally. "Mack" Armstrong, "captain" of the team, was in his usual form.

The shooting of the red and black warriors took a turn for the better in the second period. They continued to display greater ability in the passing game than did the visitors. Peacock, the plucky football player who came very near defeating Rahway this past season, was "hot" on Johnny Peacock. That Peacock did good work. Peacock's score gives much evidence.

# NEW COUNCIL STARTS TO WORK

(Continued From Page One)

An ordinance or resolution be passed to have the city purchase all police uniforms, and the amount of uniform received by each officer to be paid for in monthly installments, until paid for. This should be so in order that the uniforms would be in the same shade of blue and the same make-up.

I respectfully ask that a new book of police rules be made up. Such police rules as we have today are in adequate and ancient as to police rules governing police departments of the present day and times.

There should also be a traffic or ordinance enacted, and traffic signs and lights at each intersecting street where such are needed. We are far behind smaller municipalities in this respect, and it is highly necessary for the safety of life and limb.

I respectfully ask that some kind of a metal plate be made to correspond with license number issued to be put on rear of motor vehicles. The same as on other cities, so that a patrolman can tell at a glance if said vehicle has our proper city license.

In behalf of the men in the department, and myself, we as a unit, thank the honorable mayor and the outgoing council for their services to the city.

I have with me a tabulated list of the arrests during 1914, as follows:

Violation of building ordinance 7  
Disorderly person 35  
Intoxication 35  
Surreptitious person 4  
Falling to support 5  
Drunk and disorderly 5  
Trespassing 6  
Breach of the peace 16  
Driving without license 3  
Driving while intoxicated 3  
Gambling house 10  
Collecting for unlawful purpose 10  
Carrying concealed weapons 10  
Feeding without license 10  
Burglary 11  
Larceny 11  
Bastardy 11  
Riding bicycle without light 11  
Rape 11  
Assault and battery 11  
Reckless driving 11  
Not stopping after accident 11  
False alarm of fire 11  
Riding bicycle on sidewalk 11  
Driving auto without light 11  
Grand larceny 11

Total arrests during 1914 392  
Number of lodgers at the station house during 1914 1,713.

I herewith submit a statement of the amount of property stolen, and the amount of property recovered, and of the amount of property recovered, as follows:

Total value of property stolen \$317,858  
Total value of property recovered \$32,588

The department, through the watchfulness of patrolman James Graham, was the means of the arrest and conviction of Elmer Crites, and the recovery of \$2,000 worth of jewelry and clothing, stolen in Middlesex and Monmouth counties.

Respectfully submitted,  
DAVID H. RAMSEY,  
Chief of Police.

Appropriations for 1915

The report and recommendations of the finance committee passed second reading. Rules were suspended and the ordinance passed an third reading, all of the committee voting affirmatively.

The ordinance (Resolved): That the annual appropriation for the year 1915 for the purpose of the various municipalities should be made through the Board of Chosen Freeholders before December 1, 1914.

Assessment for lighting to ground

For street lighting assessment 2,453  
For interest on adjustment school and other funds 24,500  
For use of funds of Health 35,000  
For contingent expenses of city 18,000  
For support of Fire Department 8,000  
For lighting the streets 8,000  
For maintaining keeping the streets and collection of garbage 13,000  
For support of the poor 3,000  
For support of police dept 14,500  
For care and maintenance of the fire hydrants 500  
Total \$104,500

The board of Charles A. Grove was reported approved.

Communications

From the Union County Magistrate Commission, requesting that the number of 24th dumps in this city and the aggregated number of yards of same be forwarded to the commission, as ash dumps according to the Magistrate Commission's statement are breeding of mosquitoes. Referred to Street Committee.

Max Clos of 75 Irving street made application for position as chauffeur in police department. Referred to the mayor.

Councilman Gage, of the Fire and Water Committee, reported that damage to the Independence room and Le-Joe Company's apparatus during a recent fire had been adjusted.

# OFFICIAL MINUTES OF BOARD OF CHOSEN FREEHOLDERS OF UNION COUNTY

The regular monthly meeting of the Board of Chosen Freeholders of the County of Union was held in the Court House, Elizabeth, N. J., on Thursday, November 6, 1914 at 2:30 p. m. The meeting was called to order by Director Gage, with the following members present: Director Gage and Freeholders Bourdon, Carroll, Darcy, Doane, Hall, Hennessy, Jones, Krouse, McKenna, Meier, Meyerhols, Perry, Smith, Tice, Thoen, van Wilburg, Woodruff and Noah Woodruff. Absent: Freeholders Randolph and Tremblor.

On motion by Freeholder McKenna the reading of the minutes of meetings October 1, 1914, and special meeting October 24, 1914 were dispensed with, and they were approved as printed copies on members' desks.

COMUNICATIONS

October 28, 1914.

Board of Freeholders:

Gentlemen—The Township Committee are in receipt of a notice from the Board of Chosen Freeholders of the County of Union, dated October 28, 1914, advising that application for State aid for the improvement of the roads in the various municipalities should be made through the Board of Chosen Freeholders before December 1, 1914.

Some years ago, before the automobile came into general use, Springfield Avenue in this township was improved with the assistance of the State aid of a construction not intended to meet the demands of the present day travel. The result has been that by reason of the large number of automobiles directed to it from the various municipalities, the line of Westfield, it is in very bad repair and would be rebuilt in a manner to withstand the unusual heavy travel to which it is now subjected.

By improving this road a shorter route will be afforded to the travel to Springfield and Rahway roads than the present one through Westfield, and with a proper connection, which can be provided between Union Avenue and the State road on North-Westfield in the vicinity of the bridge over the Rahway river, a direct connection will be provided with the city of Elizabeth.

Following the instruction of Commissioner Stevens, the Township Committee directed the Board of Chosen Freeholders and request that they provide some way of lighting this bridge during night time, and it was suggested that a light be placed in the center of both sides of the bridge.

Very respectfully,  
A. R. DENMAN, Township Clerk.

On motion by Freeholder Teller this communication was received and referred to the road committee, with the instructions to reply to the Township Committee.

Board of Freeholders:

THE CASTORIA COMPANY, 77 N. 4TH STREET, NEW YORK

15. Inst. Mr. Buckley brought up a matter in regard to the dark construction of the Hamilton street bridge during the night time. It was suggested that the city clerk communicate with the Board of Chosen Freeholders and request that they provide some way of lighting this bridge during night time, and it was suggested that a light be placed in the center of both sides of the bridge.

Very respectfully,  
CHAS. H. LAMBERT, City Clerk.

On motion by Freeholder Teller this communication was received and referred to the Board of Chosen Freeholders, with the instructions to reply to the Board of Chosen Freeholders.

Board of Freeholders:

Gentlemen—On the evening of October 19, 1914 at 9 p. m. I was directed by

during which time it has maintained an enviable reputation in all branches of military activity. It has been particularly notable in the field of rifle marksmanship, having been mentioned in the adjutant general's report practices by every year since its organization as one of the six leading rifle companies of the whole State in rifle companies of Company K appreciates the courtesies previously extended by your honorable body, thoroughly realizing that without your aid it could not have continued its existence.

Very respectfully,  
CHARLES A. PETERSON,  
Commander of Company K.

On motion by Freeholder Doane this communication was received and referred to a special committee of five. The director appointed as said committee Freeholders Doane, Wilbur, Teller, Thompson and Bourdon.

Elizabeth, N. J., Oct. 29, 1914.

Board of Freeholders:

Gentlemen—As owner of the school or Hoffman, of Elizabeth, N. J., I have occasion to come up the Elizabeth River at all hours of the day and night. On several occasions I blew my horn before reaching the Spencer street bridge, which is a signal for the bridge tender to open bridge, but this time, absolutely refused to open the bridge and I was compelled to wait several hours until the tide receded, causing considerable loss of time and money.

Sometimes when he thinks you have waited long enough he will turn the bridge and operation he generally performs by pulling on the rope lane, once on this side and once on the other. All of the above can be verified by any boat owner who has occasion to use this bridge and as a citizen of Union County, I ask that some definite action be taken to remedy this situation.

That better service be rendered to the boat owners along the Elizabeth River in the opening of this bridge.

Yours respectfully,  
ALFRED POST, Captain.

On motion by Freeholder Hennessy this communication was received and referred to the Elizabeth drawbridge committee.

Understand you were punished in school yesterday. Thomas said Mr. Bacon to his twelve-year-old boy. "Yes, sir," promptly replied the truth-telling Thomas. "It was for calling the truth out."

"Your teacher said it was for some reflection you made on her age."

"That's the way she took it, father. You see, she drew a picture of a basket of eggs on the blackboard, and while she was out of the room I just wrote under them:

## EXEMPT FIREMEN ELECT OFFICERS

Important Matters Considered  
Among Them Disposal of  
Several Thousand Dollars

Volunteers to Organize

An enthusiastic meeting of the  
Exempt Firemen's Association was  
held Friday evening in the City Hall.

Officers for the ensuing year  
were elected, preliminary steps taken  
towards the establishment of a fire-  
men's club house, and a discussion re-  
lative to the disposition of the funds  
of the Exempt Firemen's Association  
after the abolition of the volunteer  
fire department.

Robert Kinney, one of the oldest  
members in the city, and one of the  
most ardent workers in the organiza-  
tion, was re-elected president. Other  
officers are: Vice-president, George  
W. Crowell; recording secretary,  
Frank Lins; financial secretary, Louis  
B. Dunn; treasurer, Edward C. Fox;

Schaefer; sergeant-at-arms, Amos  
Troyell.

The question of the distribution of  
the funds of the Relief Association  
was discussed. It was found that the  
money must either go into the balance  
of the Exempt Firemen's Association  
or be given to the poor department.

There was a difference of opinion as  
to which would be the most desirable.  
A. T. Crane, Jr., treasurer of the Re-  
lief Association, advised that the total  
assets of the organization are \$16,455.95—and  
that the cash balance is \$550.95. The total  
receipts for the year were \$833.37  
and the disbursements were \$1,826.05.

A communication received from an  
official of the Exempt Firemen's As-  
sociation of Hackensack, advised that  
local association to transfer the funds  
of the Relief Association to the Ex-  
empt Association, as the writer  
thought it a safe and more practical  
way. Most of those present thought  
this was a very wise move, and the
