

**Brief Items of Local Interest
For Quick Perusal.**

Cambrai, receiving therefore special mention in the British official orders. In the group of engineers is Emil Kiger, son of Mr. and Mrs. Louis Kiger, of Lafayette, La. Since the fire in Cherry street which practically wiped out the A. & P. store boys have made daily raids on the damaged cookies, crackers, etc. Four of them were caught tonight and are presently with the army full of "goats." They were reprimanded and warned and then released.

Word has been received from Fred

physical training. Mr. Myer's thoughts are beginning to have the dancing. It will soon be time for the semi-annual dance. The Seniors are beginning to have the dancing. It will soon be time for the semi-annual dance.

Begining Week of Janu-
ary 7th.
