Market

lant gayety that has marked so many of the allied fighting men does not fall in the morning and continuing them wholly even in such circumstances. Lance Corporal Charles W. and throughout the day. There are about throughout the day. Baker, who recently recounted his prison experiences in the Metropolitum Magazine, wastes no pathos on blum-sald or a bit without matches are anticipated. The affair is under the grounds committee conthey falled to get safe away through Rollins Moore and E. E. Lauer. they falled to get safe away through their ingenious tunnel, and can even see a funny side to the affair.

Some of the other prisoners had begun the tunnel and had worked upon it daily for a month before they let him into the secret, which finally became known to several hundred of the

the opened from the last but at the end of the back row and was headed for the only clump of bushes anywhere near the camp. The soll was so sandy that it was impossible to make a tunnel in the ordinary way; a long time passed before the boys hit on a plan. After our own packages had begun to come and we had white bread to eat, says the corporal, some genius had a happy thought of using the war bread for bricks. The war bread is us tough and as hard as rubber and of about Main street. The Fifth Division will and as hard as rubber and of about Main street. The Fifth Division will the size and shape of a small stone form on Main street with right resting block that you use for paving streets, on Milton avenue. The Sixth Division We kept the bread buried until hight.
Then we piled it up in a kind of crate, and when the scattles were out of seventh Division will form on New sight we highed tower to the tunnel. It is seventh Division will form on New Serventh Division with form on New Serventh Division with the resting to the property of the pr sew. The sides were built up like on Commerce street. The Eighth Dibrick walls, and the roof was a perfect vision will form on Main street with arch. The sand that we took out was right resting on New Brunswick av

such. The sand that we took out was right resting on New Brunswick avethe same color as the sand of the
camp, and as the ground was almost
always wet you couldn't tell the difference. We would take it out in small
tinfuls and scatter it all over the places
and with several thousand men walking round there was no way of detect
the collowing route: Main to
Monroe to corner of East Grand and
tag it.

Bond streets, countermarch through Of course it was allow work making Monroe street to Main to Hamilton to the tunnel, for we had to accumulate St. George avenue to West Grand war bread, and so to smuse ourselves street to Irving street to Fulton to we fixed it all up. We stuck pictures Huzelwood avene to Jaques avenue t we fixed it all up. We stuck pictures Hazelwood avone to Jaques avonue to from newspapers on the wall, and we even rath a wire down from the cook house and lighted it all up with electricity. We took some of the lamps, and when the guard wanted to know where they were we said they had got broken.

A hundred and tractive production of them. Parada will start recombly at them. A hundred and twenty vards had them. Parade will start promptly at

fifty that the tunnel had to go when a be in Main street near Monroe streewith his captors, betrayed the secret. Hag into Main-are to be used for for-The other French prisoners concerned mation of divisions. Solder States the were wild with rage and shame; and when the whole camp was fined up for and marines will form in Elizabeth investigation and punishment the avenue between Main and Grand French non-commissioned conficers streets and will be escorted to position stepped forward and begged "for the in line. honor of the French army" to be al- School children who do not march lowed to take not only their own share will line up in Elm avenue between mishment but that of all the oth- Pierpont and Campbell streets.

But of course, says Corporal Baker, the British wouldn't have that, and the gen-commissioned British officers gave themselves up. It was a regular bowing and scraping. "You-first-my-dear Alphonse" sert of proceeding. A few signal for the ringing of bells and of the meny were given dvy mounts in blacking of whiteher or whiteher or bells and of the men were given due months in blowing of whistles as Rahway's welolltary, but most of them got off pret- come and the parade will start promp ty easy, because the German officers by at 10 o'clock.

Were so much mused. They thought —Airships will hover over the thing that could be used for tunnel building, but they never thought of the war brend. German oricers came from mites round to use the famel. They wouldn't let us destroy it but kept it indily volunteer them and deliver use a curiosity. Even the general of them to Secretary Turner, 62 Elm aveging the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the fillest place of sappared to the said it was the sai
