POLITICS IN DETOUR WORK

Commissioners Intimate Outside Influence Prevents Naming of Traffic Officers

Intimation that political influence is affecting arrangement of details connected with the detour through this city, caused by beginning of proposed new pavement for St. George avenue, was given at the meeting of the Board of City Commissioners held Wednesday night. This related to the appointment of traffic officers for dangerous corners and curves along the detour route. Mayor Trembley said that he had handed a list of men satisfactory to the city for traffic officers to State Highway Commissioner Collins, of Elizabeth, previous to the opening of the detour and up to the time of meeting Wednesday night none of them had been appointed or any effort made to control the traffic or protect the public.

Commissioner Farrell said that the delay is dangerous to the public and that people are suffering thereby. Traffic shifts from street to street and everyone should be properly advised of the detour route and not use every street in the city. He asked Mayor Trembley if someone other than the Mayor had not attempted to name some of the traffic officers.

"That question lets the matter out," replied the Mayor, who then said that a certain well-known citizen had approached him with two names and wanted them appointed as traffic officers. The Mayor said he had replied that he would place one of the names on his list and that the other would not be given any consideration whatever because of past experience. No doubt this party had approached Commissioner Collins the Mayor said. He said he asked the citizen how long he had been in charge of the police department and gave him to understand that no appointments made by Commissioner Collins unsatisfactory to the city would be recognized by the city. It had been reported around the city the Mayor said, that the citizen and not the Mayor would choose the traffic officers.

Commissioner Farrell said that the previous detour cost the city about \$5,000 and that a similar experience should be avoided this time if possible. He thought that pressure should be brought to bear on Commissioner Collins to take action at once. Mayor Trembley said he would have another conference with Commissioner Collins Thursday morning and urge him to keep his agreement.

Wants Reward Divided
Attorney Adolph Ulbrich, of this city, of the firm of Leavitt & Ulbrich, Elizabeth, appeared before the commissioners in behalf of Special Officer George Bierwirth, who claims part of the \$500 reward received by Motor City Officer Frank Remer, for recovery of stolen auto and contents in this city. Judge Orlando H. Dey represents Officer Remer in the case.

Attorney Ulbrich said he wanted the case decided in a fair and impartial manner. He said he had proof that Chief Ramsey knew the reward should have been shared by others than Remer when the money was paid over to the latter. "The chief had been told," Attorney Ulbrich said, "and if anyone thought he was going to turn money over so quickly I would have served a notice on him that he would not have dared to violate and the matter would have to be threshed out in the court of Chancery."

Owing to the expense incurred of taking the matter into the Court of Chancery Ulbrich asked that the city commissioners hear the evidence and decide the case at a convenient time to all parties concerned. Mayor Trembley replied that the commissioners would take the matter up with others at a special conference to be held Monday night and that Mr. Ulbrich would then be informed whether the commissioners would consider the matter or not. The Mayor expressed his opinion that the matter had gone beyond their jurisdiction.

Having a bearing on the Bierwirth matter and other things was a letter read by City Clerk Lambert. The letter was evidently written by a practical joker. It contained the following: "Mayor and Commissioners: Gents—When is Officer Bierwirth going to get his \$300? I think it is about time. Come to life and do something."

"I protest most vigorously about Chief Ramsey leading the prisoners into Riverside bowl Monday P. M. A number of our prominent citizens took him for one of the convicts. Keep him out hereafter, if you can."

"Yours in haste,
"N. O. Flysonne."

The letter was "received" as snickers were heard from the gallery.

Main Street Detour
From the Board of Freeholders was received a notice that \$500 had been appropriated to cover the cost to Rahway for the detour necessary by the proposed paving of Main street from the Second Presbyterian church to East Hazlewood avenue. The detour was set in resolution offered by Commissioner Farrell and naturally covered New Brunswick Avenue and the section of East Hazlewood avenue to the intersection of Main street. Attention was called by Commissioner Farrell to the straightforward manner in which the Freeholders acted in regard to the detour—as compared with the dillying of state highway representatives.

Upon resolution of Commissioner Farrell David Peters, of Elizabeth, was permitted to operate his jitney bus over the detour instead of streets laid down in the license.

Indications of the work done in street department were given in report of labor charges for week ending Sept. 2, as given by City Engineer Peter as follows: Garbage collection, \$1.00; street cleaning, \$1.00; (Continued on Page Four)

LAKEWOOD GROVE BUSY

At the meeting of Lakewood Grove, No. 16, Woodmen Circle, held Wednesday night Mrs. Albert Fagan was elected and installed manager. One candidate was initiated. State Manager William Andrews, of Elizabeth, was an honored guest. Invitations were accepted to visit Garwood Grove next Tuesday and Pine Grove, of Elizabeth, on Sept. 21. A social time and refreshments following meeting. Report showed that the contest for campsite to be closed Oct. 6 is progressing satisfactorily.

HONORED BY LEGIONNAIRES

**C. A. Jacobus Given Farewell
Dinner and Purse of \$50 by
Rahway Post Members**

Recognition of the efficient and valuable services of Vice-Commander C. A. Jacobus and the high esteem in which he is held by members of Rahway Post, No. 5, American Legion, was manifested Wednesday night at the Elks' Home where Mr. Jacobus was the guest of honor at a surprise farewell gathering in anticipation of his leaving this city for Ilium, N. Y. He was tendered a farewell dinner and presented a purse of \$50 in gold by members of Rahway Post headed by Commander Samuel R. Morton.

In making the presentation, Commander Morton expressed deep regret at the departure of Mr. Jacobus and said that words were inadequate to express his feelings, or those of the Post. "The city as well as the American Legion is losing a valuable man. Although Mr. Jacobus was not the organizer, yet as one of the charter members of Rahway Post he has done a lion's share of the work and much of the success achieved by the Post has been due to his untiring and intelligent efforts."

Mr. Jacobus feelingly expressed his appreciation for the good will and spirit shown by the members of the Post. He said he had a deep personal interest in the welfare of the organization. "I saw the magnitude and possibilities of the movement and didn't want Rahway to be behind any city in the progressiveness of its Post." He expressed hearty thanks to the individuals who aided him in the work and urged them to continue their support of the Post and other officers. He expressed regret that his business called him from the city. In order to keep up the standard of the work he ordered the filling of his place as quickly as possible and starting the work where he left off, carrying it to new success and achievement.

All members present made fitting remarks expressing deep regret at the departure of Mr. Jacobus and wishing him Godspeed and the best of luck in his new field of activity. There was a unanimous request that he present the Post with his picture so that it might be given a place of honor in the Post Headquarters.

Mr. Jacobus, who was chairman of the delegates to the State convention at Asbury Park next week, turned over his duties to Henry J. Miller, while his positions as chairman of Bonus Committee and Committee on Compensation were left for Post to fill.

Great enthusiasm was aroused by Mr. Jacobus when he declared that he would never withdraw his membership from Rahway Post and if possible would return each Memorial Day to march with the boys. It was suggested by Legionnaires present that he be made a life member of Rahway Post.

Mr. Jacobus left yesterday to accept a fine position with the Remington Cash Register Company, Ilium, N. Y. Mr. Jacobus was given a tender farewell by the Ladies' Auxiliary to the American Legion Tuesday night. As a battalion bugler of the First Battery, Twenty-second Infantry, being later transferred to 18th Coast Artillery band as cornetist, where he served until after war was over. He enlisted at Battle Creek Mich. Being interested in welfare work in the army camps he volunteered to the Y. M. C. A. War Work Council at Syracuse, N. Y., and was sent as social secretary to the Government Hospital at Columbia.

While there he organized a hospital band of twenty pieces including wounded and detachment men. He also organized a chess club and taught classes in chess and music, besides directing all the social work. Parties, dances, shows and other things to break the monotony of camp life were arranged through his efforts. When the Columbia Hospital closed Mr. Jacobus located in Rahway. Previous to accepting the position at Ilium Mr. Jacobus was foreman of the paint department of the Steel Equipment Company at Avenel.

Mr. Jacobus is secretary of the Americanization Committee in charge of the Fourth of July program and besides promoting the work of the American Legion and looking after the welfare of the ex-service men in general he has taken a deep interest in city affairs and always stood for the best for the city. He is a member of Rahway Lodge of Elks. He was a leading musician and organized and maintained the ex-service men's orchestra which played on many occasions. He also played with the West End Band. As vice-commander and adjutant of Rahway Post he rendered invaluable services. The departure of Mr. and Mrs. Jacobus is greatly regretted by all as their places in the community life will be hard to fill. Those present were: Commander Samuel R. Morton, Adjutant Hal B. Alston, Vice Commander Jacobus, Max Herman, Joseph Bast, David Roll, William Schwartz, Reginald Hall, Lester Crane, Henry J. Miller, Edward J. Hally and Benjamin Pachman.

WATER EXPERT HERE NEXT WEEK

**Engineer for Layne & Fowler Co. of Memphis
Tenn. Will Make Investigation and Decide
on Supply Without Cost to City**

"Our firm comes here to sell water, not wells or pumps" was the terse declaration made to the Citizens' Investigating Committee by Contracting Engineer A. O. Beauchemin, of the firm of Layne & Fowler Co., Memphis Tenn., in a conference Wednesday relative to the possibility of procuring a new municipal water supply. This firm, the only one of its kind in the country, after investigation by engineer tells municipality whether or not an ample supply of water can be obtained. It does not cost the city a cent for the investigation.

Taking up this phase of the plan the committee engaged Engineer Beauchemin to come here Monday and make the necessary investigation which he said he could complete by Thursday and at that time tell definitely what the outlook is and present a thorough report at that time covering cost, pressure requirements, power consumption and innumerable details showing what is necessary to link up a new supply from wells with present water main system.

No contract will be started until quality of water is acceptable to State Department of Health. The municipality pays ten per cent of the cost price when contract is started, 85 per cent when equipment is put in and balance later. Supply is guaranteed for one year. When asked as to probable cost of providing a three-million gallon supply per day for Rahway Engineer Beauchemin rather surprised the committee by stating it would cost from \$30,000 to \$55,000. A supply of two million gallons per day was recently obtained in Camden at a cost of \$42,000. In the contract it provides that the city shall finance the plan and if not successful the municipality is reimbursed by the American Surety Company, through whom Layne & Fowler provide a bond.

HEALTH BOARD WANTS ACTION

**Cranford Pollution Must Cease
or Appeal Will be Made to
State Authorities**

Unless Cranford health authorities take action to improve the sewerage facilities in the Normandie Park section, where cesspools at times overflow and pollute the Rahway river, the State Department of Health will take the matter up at their meeting slated for Sept. 13 and formulate a plan of action. This was indicated in a letter read by Secretary Williams before the Board of Health at its meeting Tuesday night.

The matter was brought to the attention of the State Board after two letters had been written to Alfred H. Miller, secretary of the Cranford Board of Health, who did not even show the courtesy of a reply. Mr. Williams wrote his first letter on June 14 and another on August 3 and neither communication received a reply. On August 20 the facts were laid before the State Board and Director Price gave the reply referred to above.

After an extended campaign of about ten years the Board of Health has finally succeeded in having the last outside toilet in Essex street removed. There was a group of about ten such outhouses not far from the corner of Monroe street and the removal of these is considered a big step toward better sanitary conditions for that section.

STEADY GROWTH IS INDICATED

**Many Building Permits Issued
for Business and Residential
Improvements the Past Week**

Steady improvement of the business section of the city and the continued expansion of the residential localities is indicated in issuance of building permits in the past few days. Some parts of the business section for many years have been handicapped in appearance by deteriorating properties, the best in the city in their day, but have suffered from the ravages of time and the progress of civilization. These are gradually giving way to modern structures which are a credit to the city.

Another of these is about to be transformed into a first-class structure. The large building at 151 Main street is to be changed into a modern business and dwelling house by its new owner Stefano Rodolghino, who plans to spend \$4,000 or more on the structure. Contractor Tomassi will begin work at once.

Brick piers will be put into the building two stories made of the lower floor, hollow tile partitions constructed, roof lowered in rear, iron girders set in place and various changes made (Continued on Page Four)

11 CARS IN FREIGHT WRECK

**Brake Beam Breaks Causing
Bad Smash Up on Shore
Branch Near Junction**

Breaking and dropping on the rails of a heavy freight beam on fast freight No. 20 a. m. today derailed and wrecked eleven cars on the shore branch of the Pennsylvania Railroad about a short distance from where it joins the main line at Inman and New Brunswick avenues. No one was injured but several freight cars were demolished and their contents scattered through the debris.

One of the most serious features of the wreck was the disabling of the signal system one of the cars falling on the large metal container and raising havoc with the wires.

The wrecked cars were in the middle of the train, with about ten cars on either side of them. One open car heavily laden with iron pipe plowed down the embankment and buried one end several feet in the dirt.

Wrecking crews from New Brunswick and Perth Amboy with over 100 men are at work clearing away the debris. The ties and roadbed were considerably damaged.

DECIDING GAME SUNDAY
The third and deciding game of the series between the Garwood A. C. and the Rahway Knights of Columbus will be played Sunday afternoon at Garwood. The Rahway contingent will leave on the 2:05 p. m. trolley. Early and Vansco will be the Rahway battery.

MISS BELLAMY BECOMES BRIDE

**Niece of Mr. and Mrs. G. B.
MacWhinney Married to L. D.
Pearsall in New York City**

Many local friends are interested in the marriage Wednesday at the Church of Transfiguration, New York City, of Miss Ethel May Bellamy, niece of Mr. and Mrs. George B. MacWhinney, of 75 Bryant street, and Latham Durland Pearsall, of Rumson. The ceremony was performed by Dr. Cleveland in the presence of immediate relatives numbering about fifty. The bride was given in marriage by her uncle, William Henry MacKenzie, of 75 Bryant street, this city. The best man was Elmer Pearsall, a brother of the bridegroom, while Sarah Elizabeth Robertson, a little niece of the bride was flower girl.

The bride was very prettily attired in traveling suit of cadet blue and wore a corsage bouquet of orchids. Following the ceremony Mr. and Mrs. Pearsall left for a wedding trip to Washington and Virginia. They will make their home at Rumson.

Among those from this city who attended the ceremony were W. H. MacKenzie, Mrs. George B. MacWhinney, Everett, Bruce and Dorothy MacWhinney, Mr. and Mrs. J. T. Haviland. The bride, accompanied by Mr. and Mrs. Lewis Temple Robertson and daughter, Sarah Elizabeth, of Boston, were guests at the MacWhinney residence here Sunday. Mrs. Robertson is a sister of the bride.

Mrs. Pearsall is a graduate nurse of the Presbyterian Hospital New York and went overseas with the Presbyterian hospital unit in the World War being located at Etretat, rendering valuable service throughout the conflict. After the war Mrs. Pearsall returned to the United States and resumed her profession. While visiting in this city she addressed a number of prominent local women's clubs giving able accounts of war experiences. She has many friends here.

Mr. Pearsall is a well-known contractor and builder.

ACTIVE OCTOGONARIAN

Despite the fact that she is 81 years old Mrs. E. A. Harris, mother of Mrs. John G. Corson, of 160 Levesville avenue, is as spry and active as many who are years her junior. She has just come from her home in Ashaway, R. I. for a visit here. Mrs. I. Trope, of Brooklyn, is also a guest at the Corson home. Although an octogenarian Mrs. Harris is alert and retains the use of her faculties to a remarkable degree.

Ladies' Singles—Mrs. Lindsay Dunham vs. Miss Margaret Carson, of which match Miss Lucy Catherine Carson plays the winner; Miss Irene Harriman vs. Mrs. Charles Corbin, Miss Helen Gibbons vs. Miss Mildred Ludlow, with Miss Adele Mershon playing the winner; Miss Dorothy Marsh vs. Miss Elsie Durand.

Edwin M. Squier has very generously offered a silver loving cup for the winner under similar conditions as the men's cup he presented last year. Ladies' Doubles—Mrs. Lindsay Dunham and Mrs. Ethan Lauer vs. Mrs. Charles Corbin and partner, with Miss Mildred Ludlow and Miss Lucy Catherine Carson playing the winners; Miss Irene Harriman and Mrs. Jan Van Herwerden vs. Miss Adele Mershon and Miss Elsie Durand, Miss Marjorie Bliss and Miss Dorothy Marsh vs. Miss Helen Gibbons and Miss Margaret Carson.

Mixed Doubles—Clifford Miller and Miss Margaret Carson vs. Newell Chase and Miss Dorothy Marsh, Chas. Corbin and Miss Helen Gibbons vs. Carlton Jones and Mrs. Charles Corbin of which match the winning team plays Woodruff Johnson and Miss Adele Mershon; Brainerd Lindsay and Miss Irene Harriman vs. Charles Howe and Miss Mildred Ludlow with Earl R. Silvers and Miss Elsie Durand playing the winners.

Walter Freeman and Mrs. Ethan Lauer vs. Blanchard Durand and Mrs. Lindsay Dunham.

An innovation in the Ilderan Tournament Week will be the singles Tournament for the Junior Championship of the Club. Seventeen juvenile players are entered and the first round matches are as follows: Stanley Jones vs. Oscar Wilkerson, Fred Hyer vs. Robert Lindsay, Sidney Johnson vs. Robert Jones, Edward Freeman vs. Dorsey Forrest, Alexander Ackley vs. William Peterson, Schuyler Terrill vs. Walton Selover, Reginald Rollinson vs. Leroy Bliss, Charles Alioth vs. Fred Bunn, Jake Ackley vs. winner of Alioth-Bunn match.

Play-in-all tournaments will begin tomorrow afternoon at 2 p. m.

PROSPECTS FOR FOOTBALL TEAM

**Physical Director Walter Pre-
paring H. S. Boys for Com-
bats on the Gridiron**

If a new backfield can be successfully developed the chances for a creditable season by the Rahway High School football team appear bright. That Physical Director Earl H. Walter is losing no time in getting started was indicated this week. School opened Wednesday and that afternoon he had some of the prospective players "kicking the pigskin" and getting in shape. Yesterday more definite workout was given.

Although the team lost a large number of letter men by graduation there is still a good nucleus around which to build a fast team. Among the letter men lost by graduation were Albert Reitmeyer, Alexander Gaydos, John Meier, Bertram Berry, Robert Watson, Addison Mundy, Robert Carson and Foster Cramer. Jack Miller, who gave a good account of himself last year, is not going to play this year and the same is true of Abe Greenwald.

It is probable that Norman Lutz and Wallace Albertson, last year's ends, will again appear in the lineup. Others who played last year and showed up well—were William Howard, Arthur Forrest, Paul Estelle, Amil Borden and Captain Joe Casaleggi. Among the other promising candidates are: Mausner, Kay, Scaff, Alden Dubow, Kryzenski, Thorn, Dura, Brocco, Ennis Griggs, Ramsey, Conran A. Lutz, John Casaleggi and Doty. This makes about twenty-two promising players.

Besides the ends above mentioned there is Forrest for quarterback Howard, Casaleggi, Estelle and Borden, who are experienced line men. Captain Casaleggi is also good fullback. Of the new material Mausner, Kay, Scaff, Thorn, Dura and Ramsey are very promising. Forrest may be called upon to do the kicking this year and is well qualified for the task.

EUCHERE PARTY AND DANCE

An enjoyable euchere party and dance was held last evening by the Ladies' Auxiliary to the A. O. H. at St. Mary's hall. First prizes in euchere were won by Edward McMahon, of Campbell street and Miss Katherine Bartell. Other prizes were awarded to J. E. Ryan, William McCartney, Mrs. A. H. Mainzer, M. J. McMahon, Miss Ella Mahoney, Mrs. Thomas O'Donnell, Miss Mary Tierney, Edward J. Best, Thomas Healey, Mrs. Matthew Turney, Thomas Doyle, Mrs. Joanna Ford, Mr. Benson.

Excellent music for dancing was provided by Miss Margaret McCarthy. The committee in charge comprised Mrs. M. P. Ennis, chairman; Mrs. Joanna Ford, Mrs. Emil Glatow, Mrs. Thomas Sullivan, Miss Emma Ryan, Miss Katherine Kelly, Miss Emma Keeshan, Miss Grace Kearney, Mrs. Charles Bligh.

PUBLIC SCHOOL REGISTRATION

The largest registration in the history of the city was obtained Wednesday at opening of public schools. There were 2,045 enrolled, a comparison with 1,895 on corresponding day a year ago, a gain of 237. The enrollment is as follows: High School, 356; 8th grade 152; Columbian School, 195; Washington 382; Lincoln, 403; Franklin, 347. It is probable that the registration will climb to 2,200 during year. Part time for tow classes in Washington School will probably be necessary.

HEALTH BOARD WANTS ACTION

(Continued From Page One)

Similar conditions existing in the Milton section were discussed and it is probable that a campaign will be started for the clean-up of that section.

Final reading and passage of the amendment to the Sanitary Code regulating the keeping of animals and fowls took place without a single objection being raised. The measure provides that any person desiring to keep horses, cattle, goats, swine, sheep, fowls or other animals, must make application in writing to health officer, stating location, kind of animals, or fowls and approximate number. The health officer will investigate such application and present it to Board of Health and then permit will be granted if conditions are satisfactory. There will be no charge for permits. Permit may be revoked at any time by Board of Health on good cause shown after notice and hearing. No animal or fowl as mentioned above shall be kept within less than twenty feet of any dwelling. A penalty of \$10 is attached for each violation of this ordinance. Each day violation exists shall be considered a separate offense.

Official Reports

Secretary Williams reported nineteen births, including eleven females and eight males, during August. There were five marriages and eight deaths. Causes of death were given as follows: Carcinoma of colon, one; asthma and malnutrition, one; carcinoma of peritoneum, one; acute appendicitis, one; septic cholecystitis, one; cerebral hemorrhage, one; prolonged and difficult birth, one; chronic arthritis, one.

Contagious and infectious diseases reported were whooping cough, nine; tuberculosis, one; typhoid, fever one; rabies in dogs, two.

That Child Hygiene Nurse Miss Emma S. Redfern is kept busy was indicated by her report showing 229 cases on visiting list, including 200 birth record, twenty-five pre-natal and four casual, together with 85 second year cases. For August 270 home visits were made. The new cases were twenty-three birth record and eight pre-natal. The terminated cases were twenty-one birth record; seven pre-natal. There were 131 babies at clinics during August, who were weighed and measured. One baby died during month. Two unreported birth cases are on list.

A plumbing license was granted to Fred A. Vanderwee, of Roselle Park, who passed examination and filed bond. The bond of Hedeman & Macann was also accepted.

Bills amounting to \$257.67 were ordered paid.

In the absence of President W. H. Randolph, Vice-President S. C. Terrell presided. Commissioners Joseph Oxman and William F. Davis and Secretary Fred M. Williams were other officials present.

GETS JAIL SENTENCE

John Ciccolini, Arrested Here, Gets Three Months—Appeal Taken

Three months in the county jail was the sentence given by Judge Pierce at Elizabeth for violation of the Van Ness law in transporting liquor. Ciccolini was arrested in this city on Sunday, August 28, Motorcycle Officer Harry Orr on a charge of having improper registration for his car. In the machine were found eighteen bottles of "Old Kentucky" whiskey. It was also claimed that Ciccolini was driving a stolen car.

After Ciccolini was arrested the automobile was placed in Hoblitzell's garage. It was not searched by the police. On the following Tuesday two men claiming ownership of the car wanted to remove some packages from the machine. Mr. Hoblitzell said he would store the goods for them and would not let them depart with the packages. When the men were gone he turned the whiskey over to the police. Russell Hoblitzell, Chief of Police Ramsey and Motorcycle Officer Orr were called as witnesses in the case at Elizabeth Tuesday.

Ciccolini and two of his companions claimed that there was no liquor in the car when it was seized by the police. As the police did not search the car thoroughly the presence of the liquor was not known until Mr. Hoblitzell reported it.

Attorney Salvatore F. LaCorte, who defended Ciccolini, gave notice of appeal as soon as Judge Pierce pronounced sentence.

BIG RABBIT CROP WILL IMPROVE UPLAND HUNTING

From every section of New Jersey come reports that rabbits are unusually plentiful this season. Farmers and sportsmen agree that it has been many years since the cottontails were so numerous. Autoists tell of the bunnies racing across the roads in every rural section. Confused by the automobile headlights at night, many rabbits are killed by cars on the highways.

The reports also indicate there is a bountiful supply of pheasants and quail this year. A dry summer is usually credited with insuring a big crop of young game and every farmer can testify to the thoroughness of the drought during the last few months. Other factors that had added to the game increase have been the liberal restocking with birds by the Fish and Game Commission and the increased efficiency in the enforcement of game conservation laws. These factors are helping the State meet the increase in the number of sportsmen with an increase of game for all.

TO FACE MURDER CHARGE

Owing to the death of Fred Kunzman, of Roosevelt at Rahway Hospital, Wednesday, Paul Kulus, of Chrome, will probably be charged with murder. Kunzman is alleged to have died from revolver shot fired by Kulus, who was arrested by the Roosevelt police soon after the shooting on August 18. Kunzman and his wife were living apart and Kulus is said to have been calling on Kunzman's wife. Kunzman was spying on them to get evidence for a divorce when Kulus came out of the house and followed Kunzman across the street and shot him. It is said, Kunzman gave this information to the Roosevelt police in an ante-mortem statement.

LIBERTYS WIN FROM MERCK NINE

Hard Hitting by Victors and Poor Fielding of Opponents Caused Chemists Defeat

Hard hitting by the Libertys coupled with ragged work by Merck's infield gave the former a 9 to 5 victory over the chemists in a twilight game Tuesday night at Riverside Park. The game was called on account of darkness after Libertys had their bats in the first half of the sixth inning, the score standing 11 to 5 in their favor. The official score naturally reverted back to even five innings.

Way pitched four innings for the Merck nine and was hit hard, seven safe hits being made from his delivery. Bumgarner fared little better, three hits being made while he was in the box two innings. Mackie was wild at the outset of the game, but steadied down and held Merck to seven blunders. The batting of Thomas and Connors was the feature for Libertys, while Rushmore wielded the willow best for Merck.

Jones contributed some fine catches. Thomas made a brilliant catch in center field and a splendid throw to the plate in the third, preventing Shivel from scoring.

Doubles by Connors and Collins and a single by Thomas gave Libertys two tallies in first inning. With two down Coffey hit safely in fourth, Sullivan was safe on Rushmore's error. Connors singled and Thorn and Eugene Mainzer were safe on an error by Jones in fifth and scored on Sullivan's double along right field foul line. In the half of the sixth that was discarded Thomas doubled. E. Mainzer walked and Mackie hit safe.

Thomas scored on Shivel's error. Merck made three tallies in first frame. Shivel reached second on E. Mainzer's overthrow to first. Jones walked, Rushmore and Way singled while Mackie helped with a "wild" pitch and Thorn passed ball. In the fifth a double by Witheridge—single by Shivel and Jones' out gave Merck two runs.

CURE CONSTIPATION WITH PROPER FOOD AND EXERCISE

Headaches, a general "tired feeling", and much more serious ills can almost always be traced to that great American complaint, constipation. And yet why should so many people be afflicted when this trouble is so easily cured?

Faulty food habits, lack of exercise and irregular habits are the 3 outstanding causes of this trouble, according to Dr. Florence Powdermaker, nutrition specialist of the New Jersey State Agricultural College. Her advice is to avoid medicine, to treat the body right and to let nature affect the cure.

Plenty of the coarse and succulent vegetables and fruit will stimulate the intestines to action, and there is such an abundant variety from which to choose that every taste can be satisfied. Cabbage, spinach, Swiss chard, cauliflower, lettuce, celery, string beans, peas, asparagus, squash, tomatoes, turnips, carrots, beets, parsnips, and onions are among the more common recommended vegetables, and fruits suggested are oranges, apples, prunes, peaches, plums, pears, grapes, cherries, berries, melons, dates and figs.

Drink at least six glasses of water a day is the specialist's advice, two glasses before breakfast being recommended. Buttermilk and fruit juices are excellent.

Avoid eating too much meat, and when using cereals choose those which contain the outer layers of the

kernel, or bran may be added to refined cereal. Caution should be used, however, in the eating of bran as it sometimes causes diarrhea. Let laxative drugs alone unless a doctor orders them. Normally the intestines should be able to do their own work, and will soon become flabby if assisted by the use of stimulants. In this age of automobiles very few people get exercise enough. Walking and active games are highly to be recommended specially for those who sit at their work during a large part of the day. One simple exercise which anyone can take consists in lying on the floor or bed and raising the legs at right angles to the body without bending the knees. After all, curing constipation by these methods is only treating the body as it should be treated.

Buster Brown's

Buster Brown Shoes represent a new era in juvenile footwear—a new principle in shoemaking.

Just as going to school trains the mind of your boy or girl—step by step, from grade to grade—so will Buster Brown Shoes train the feet.

Buster Brown Shoes are a form of foot insurance. They mean comfort for the feet now and in the future. They keep the feet from growing old before their time.

While it is best to train the feet correctly from the very beginning, no matter what shoes your boy or girl has been wearing previously, you can begin now to train their feet properly with Buster Brown Shoes, and while the bones are still soft and pliable they may be reformed, if necessary, in Nature's way.

that will completely alter the appear-
ance of the building.
Another big improvement in the
business center will be the new busi-
ness building to be erected at 18 Cher-
ry street by the J. J. Marsh estate,
replacing a frame structure of less
imposing appearance. This new
structure will be two stories in height
and will cost at least \$7,000. It will be
built of hollow block and brick.
Other business sections of the city
are also developing. Custer & Veech
are to have erected in Cross street in
the Milton section a 1½ story ware-
house, 24x48 feet, costing fully \$3,000.
Heeren Brothers, bakers, 230 West

Health of Trees.
Just as with folks health is of the
utmost importance in shade trees and
no agency is more potent in marring
the appearance of these trees than in-
sects, says the American Forestry
Magazine of Washington. A defoliated
or otherwise bedraggled shade
tree is not only worse than none at
all but, as a result of insect injury, it
is a menace to the health or life of
stumpier trees in the neighborhood.

POLITICS IN DETOUR WORK

(Continued From Page One)
\$54.60; carting ashes, \$54; cleaning gutters, \$47.90; grading Lake avenue, \$63.80; laying six-inch water line at Hazlewood and Pierpont street, \$54.50 building culvert at Jefferson and Hazlewood avenues, \$13.20; cutting weeds in roadways, \$63.70; laying six-inch water line at Hamilton street and Jefferson avenue, \$91.40; grading Hazlewood avenue, \$84.30; cutting woods on sidewalks, \$27; collecting tree trimmings, \$1.30; labor at water works, \$4.50; general work in street and water departments, \$76.55; total, \$806.11.

River Water Conditions
Concerning the sanitary and physical characteristics of the city water for period from July 24 to August 27 an extensive report was made by Bacteriologist Waldo S. Coulter as follows:

Section, \$139.36; street cleaning, \$139.36. This period was marked by a single occurrence of high turbidity of the raw river water, following the heavy shower of the night of August 7 and 8th. The turbidity of the raw water reached a maximum corresponding to 290 parts per million of silica and gradually diminished to normal on August 11. During this period the filtration plant was operated on the double system and the turbidity of the filtered water was zero.

Beginning on August 2, the character, as well as the intensity, of odor of the filtered and chlorinated water has been recorded daily. Since the taste, odor, color and turbidity, or what may be termed the nuisance characteristics of a water, require attention, as well as freedom from pathogenic bacteria, (the index of its disease-producing qualities), we are making every effort to secure an unbroken daily record of these features. With these data available throughout a term of months, a reasonable judgment may be formed as to the pre-disposing causes. Such a record will be of great value later on.

"During the period covered by this report the ordinary intensity of the odor of the filtered water was 1. U. S. Public Health Association standard. Following the rain of August 7 and 8, and coincident with the turbidity previously mentioned, the intensity of the odor rose to 2, this maximum intensity lasting for four days, viz. August 8, 9, 10 and 11.

"Beginning August 5, a record of the character of the odor of the filtered and chlorinated water has been kept. During the period of maximum turbidity referred to above, Aug. 8-11 the odor was reported as earthy. For the remainder of the month, during the period the odor character was recorded, it was reported as vegetable. The vegetable odors are closely akin to the earthy, so much so that it is difficult to separately distinguish them; they are commonly associated in the same sample.

"In my opinion an earthy odor may almost always be considered a vegetable odor. This odor in the filtered water is caused by organic matter, other than living organisms, in solution.
"No conclusions can be drawn at this time relative to the causes of odors. These will vary in character and method of occurrence, and in degree of offensiveness and any attempt to draw definite conclusion prior to the accumulation of data, would be premature.

The color of the filtered water has been reported as uniformly 5, platinum-cobalt standard. This is very slight and is considered satisfactory.
"Through the entire period covered by this report, the filtered and chlorinated water has been free from disease-producing bacteria, as determined by the B-coli presumptive test."

Miscellaneous Matters
Building Inspector Peter Tillman reported twenty permits issued during August for construction amounting to \$38,415, including \$34,450 for new buildings and \$4,175 for garages, additions and alterations.

Washington Hose Company sent in names of Charles W. Mintel and William Cornelius to succeed Lewis D. Barn, deceased and David McCarthy dropped from roll. This was referred to Mayor.

Bills amounting to \$120.85 were ordered paid including \$100.05 in city departments and \$20 in water department.

Officials present were: Mayor David H. Trembley, City Commissioners John Farrell and Harry Simmons, City Clerk Charles H. Lambert, City Engineer Levi Price, Water Engineer David Gage, Fire Captain Joseph Mohr.

No mention was made of zoning ordinance or Central avenue paving project.

AT ST. MARY'S SCHOOL

The largest registration in the history of St. Mary's parochial school was made with the opening of school Wednesday, there being 306 enrolled, or 32 more than last year. Considering the fact that 28 graduated it shows a notable increase.

BOWLING ALLEYS IMPROVED

Extensive work has been done this week to the bowling alleys at P. J. McCartney's 126 Main street. They have been planed and polished and put in first-class condition in anticipation of the starting of the Industrial League at an early date.

Dr. Edward Rowland, chiropractor, has returned from his vacation.

Rev. Robert W. Elliott, of 165 Seminary avenue, officiated at the funeral of a friend at Chester yesterday.

Arrangement of Books.

Stories are told of people who buy shelves of books in blue, green or red bindings to match the color scheme that they plan for their libraries or living rooms. They altogether disregard the subjects of the books. Of course none of us have been guilty of doing this, so we have books of many colored bindings on our shelves. If it doesn't interfere too much with the arrangement of subjects, why not place them somewhat according to colors which blend? In this way book-cases may be made real objects of decoration. If those with lighter colored bindings are placed nearer the top and the darker ones toward the lower part of the case, it helps the case retain its balance.

Playing Safe.

Amelia—"I understand that Mr. Henry and his sweetheart have had a quarrel." Jane—"Yes, but it is nothing serious. She is a prudent girl, and wants to make sure that she can manage him when he is angry."—Stray Stories.

ACCIDENTALLY SHOT

While aiding a friend in cleaning a rifle Robert Brown, 18, of Port Reading, was accidentally shot through the abdomen yesterday when the gun was discharged. Brown is in a serious condition at Rahway Hospital.

PROCTOR'S NEWARK THEATRE

One of the outstanding features of a great show at Proctor's Palace Theatre, Newark, Monday, Tuesday and Wednesday, will be the production of "King Solomon, Jr." a two-act play that includes in a distinguished cast, Franklin Ardell, the well-known comedian.

Joe Cook, the famous clown who styles his act "The One Man Vaudeville Show" will be seen with his company, which includes the Alexander Brothers and Evelyn.

Many other standard acts and novelties will go to make up the remainder of the bill for the first part of the week. The latest and best photoplays always precede the vaudeville, one hour before it starts matinee and evening. An entirely new program will hold sway for the last half of the week.

Among the headliners for the coming season are the Dooleys and their big company; Armand Kalis and his production of "Temptation"; J. C. Mack and his big company; George Jessel's "Troubles of 1922," and many others of metropolitan note.

BROAD ST. THEATRE NEWARK

One of the comedy treats of the season will be offered local theatre goers when Sam H. Harris presents Roland Young in Charles Kummer's successful play, "Rollo's Wild Oat" at the Broad Street Theatre, Newark, for the week beginning Monday, Sept. 12. "Rollo's Wild Oat" scored a great success in New York where it ran all season at the Punch and Juddy Theatre. It comes direct to Newark with the original cast and production intact.

Matinees will be given on Wednesday and Saturday during the engagement at the Broad street Theatre.

"TWINKLE TOES" AT MINER'S

The "Twinkle Toe" company, who are the present attraction at Miner's Empire Theatre, Newark; have struck a popular stride and are playing to capacity audiences at every performance. The fun element is unusually keen never letting up at any part of the entertainment. The cast is a talented one and there is a pretty and effective chorus.

STATE DELEGATES NAMED

Ladies' Auxiliary Plans Armistice Day Dinner for American Legion
At the meeting of the Ladies' Auxiliary to Rahway Post, No. 6, American Legion, held Tuesday night Mrs. R. V. Watson, Mrs. Richard J. Stephens and Mrs. Edward Milnes were elected delegates to the State convention at Asbury Park Sept. 15 to 17. Plans were started for serving a dinner to the American Legion on Armistice Day.
Mrs. C. A. Jacobus, who is to leave the city, was tendered a farewell re-

ception. Many regrets were expressed at her departure and all wished her happiness and success in her new home.
During the meeting a letter of thanks was read from the Mulvey family expressing their appreciation for the part taken by the Ladies' Auxiliary in the tribute paid to the memory of Corporal John J. Mulvey, the first Rahway boy to fall in action in the World War. The letter read as follows:
"May we thank each one of you for the kindness you have shown the family of Corporal John J. Mulvey."

We feel so proud to think that his memory will not be forgotten even by the ladies of Rahway. The floral offering which you sent was beautiful. If at any time the family of Corporal Mulvey can be of assistance to the Ladies' Auxiliary kindly call on us.

"Thanking you all from the bottom of our hearts, we beg to remain
"Gratefully yours,
"His Mother, Sisters and Brothers."
Following the meeting a social time was enjoyed and refreshments served.

GIVES FACTS OF

BRYANT BOY'S DEATH
Editor of Record:—Several conflicting stories regarding the death and burial of my brother, Cushing Bryant, have been published in the Newark, Elizabeth and Rahway papers and I write to ask you to publish the correct facts surrounding his death.

My brother, Cushing Bryant, son of Dr. Percy Bryant and Josephine Myrick (Webb) Bryant of Newcastle, Me. died of acute endocarditis at St. Michael's hospital, Newark, August 31, at 2 p. m. My father and I were notified of his death at ten o'clock that night by Sergeant Remer. Cushing had been missing from home since last April and the police had not been able to locate him up to the time of his death. We, my father and I, went to the hospital early the following morning. We corroborated the police report and found that the body had been removed to Mullin's Morgue. It was interred in Potter's Field before we could arrive to identify it.

Why the hospital authorities did not themselves notify us of our brother's presence and death at the hospital, and why the body was buried so quickly has not been definitely determined. It would seem that Cushing refused to divulge his identity until it was too late. I have seen the hospital records and they show that my father's address was known and also the address and telephone number of Mr. Robert N. Riddle.

It was through the courtesy of Mr. Edward Hager of Newark and Sergeant Jacob Remer of Rahway that we were able to locate the remains of Cushing Bryant and give him a proper funeral and burial and I deeply appreciate all that they have done. The remains were shipped to Newcastle Me on the Bar Harbor Express from the Pennsylvania Station on Friday, my mother accompanying the body. The

funeral services were held at St. Andrew's Episcopal Church of Newcastle, Sunday, September fourth, the Reverend Mr. Griffiths officiating. The body was interred in the Bryant lot in the church cemetery in possession of the family since 1772.

Thor Washers and Ironers

Perfect Ironing The Thor Way

The Thor will do a big washing in an hour. It washes everything, laces, linens, blankets. The clothes come out of the cylinder absolutely clean, without the wear and tear inflicted upon them by wash board methods.

Push a button, the Thor does the work, even the wringing.

The newest Thor model has a perforated cylinder of Luminoid, the only cylinder on the market that need not be cleaned after use. Grease, scum, dirt cannot possibly adhere to it. Price \$175.00.

No standard washing machine on the market sells for so little as the No. 25 wooden cylinder Thor model.

Cash price, \$118.75
On convenient terms,
\$125.00.

The Thor ironer has proved itself to be one of the most helpful labor-saving devices that has ever been used in the home. It irons perfectly all the things that you used to spend hours over. Men's shirts, skirts, ruffled things even. So simple to operate that a child could do it. Thor prices are lower. No need to iron now by the wearying old-time method.

Cash \$142.50
On convenient terms \$150

WATER EXPERT HERE NEXT WEEK

(Continued From Page One)

Ordinarily the Layne & Bowler firm do not sink their wells below 250 feet as they have found from experience that a permanent supply of water of sufficient quantity is not obtainable at a greater depth. The depth of their wells range from 60 to 250 feet. Mr. Beauchemin told the committee that the underground supply is even more dependable than the surface supply. No filtration or chemical treatment is necessary for the water. A test well from six to eight inches in diameter is first made, while the supply wells are three feet in diameter.

Engineer Beauchemin explained in detail the plan and operation of the apparatus installed by his firm.

Work that was estimated would cost \$5,000 to rehabilitate the system for Flatbush was done by the Layne & Bowler method for \$125,000. The plan unit is only about ten feet square. Flatbush contains one of the most complete units in the world.

Layne & Bowler have been in business about thirty years and for fifteen years have specialized in municipal water supplies. The concern has three departments—one devoted to industrial and municipal water; the second to mine drainage and the third to irrigation.

All sorts of questions were asked Mr. Beauchemin by members of the committee and he answered them readily. Others he said would be a part of his report.

Members of committee present were Acting Chairman P. R. Forman, Fred. H. Trussler, S. C. Terrill, F. W. Sell, Frank H. Trussler and City Commissioner John Farrell, together with Engineer Beauchemin and William J. Sullivan, of the Layne & Bowler firm.

Previous to the meeting Mr. Trussler had obtained from various municipalities and concerns in different parts of the country statements concerning the work done for them by the Layne & Bowler concern. In every instance the results were creditable.

From Savannah, Ga., Mr. Trussler received a letter showing that seven wells had been installed there by the Layne & Bowler firm, furnishing 21,000,000 gallons of water and costing \$125,000.

Other letters were from Chicago, Ill., Flatbush, L. I., Lake County, Wis., Chicago Heights and Evanston, Ill., Montgomery, Ala., and the United States and Armour & Co., Chicago. The plan so far as the city has just contracted for more work by Layne & Bowler.

The Layne & Bowler method it was pointed out of the amount expended in the plan, gives a saving of about 10 per cent on fuel and 15 per cent on maintenance, etc.

It was a accident that the committee was the trail of this concern. Mr. Forman had an advance representative of the firm was sent to Rahway to make for South Amboy and the City Commissioner Farrell was brought into contact with the City Committee when the nature of the business became known.

Chairman Forman exhibited his extraordinary hospitality by entertaining the group at luncheon at the city hall.

STATE WILL EXHIBIT LIVE FISH AND GAME AT FAIRS
The unfortunate man who never has experienced the thrills of trout and bass fishing in New Jersey will have an opportunity to at least view these famous game fish in their native element in exhibits of live fish and game which the State Fish and Game Commission is planning to stage at fairs at three fairs during the fall. The exhibits will have an interest for the "been there" sportsman who rarely sees his fish in the water until it reaches his land net.

Hundreds of thousands of these magnificent fish, reared at the State Fish and Game hatcheries at Hackettstown have been exhibited in public waters this year. The commission has labored to make the exhibits as attractive as possible to sportsmen to make the display an anglers' paradise.

A part of the exhibit which is being an exhibit to the trout and bass of every hunter will contain specimens of game animals and birds of New Jersey, from the Forest and Game farm. There will be a lot of wild turkeys, wild geese and ducks and an interesting collection of game, including pheasants, quail and rabbits.

The commission's exhibits will be shown at the Interstate Fair, at Trenton and at the county fairs at Mount Holly and Morristown.

I Spent \$1.25 on Rat-Snap and Saved the Price of a Hog.

James McGuire, famous Hog Raiser of New Jersey, says: "I advise every farmer troubled with rats to use RAT-SNAP. Tried everything to get rid of rats. Spent \$1.25 on RAT-SNAP. Figured the rats it killed saved the price of a hog." RAT-SNAP comes in cake form. No mixing with other food. Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by T. H. Roberts.

RAHWAY EVIDENCE FOR RAHWAY PEOPLE

The Statements of Rahway Residents Are Surely More Reliable Than Those of Utter Strangers. Home testimony is real proof. Public statements of Rahway people carry real weight.

What a friend or neighbor says commands respect.

The word of one whose home is far away invites your doubts. Here's a Rahway man's statement. And it's for Rahway people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills. Ask your neighbor!

Thomas M. Marsh, retired farmer, 24 Lawrence street, says: "I have used Doan's Kidney Pills with good results and I am glad to endorse them. My kidneys were weak and I had occasional attacks of backache and soreness over my kidneys that made it hard for me to stoop. My kidneys did not act right. I used Doan's Kidney Pills from Kratoch's Drug Store and they soon corrected the trouble, strengthening my kidneys and relieving the backaches."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Kratoch's Drug Store sells.

SLAIN HOLD-UP MEN
SEIZE MOTOR TRUCK
Report was made to local police headquarters at 1.50 Wednesday morning by Linden police that they had been notified of a motor truck held up at the corner of Milton and St. George avenues in this city. Eight men including one negro and also a man dressed as a motorcycle officer were in the hold-up group it was claimed. The man who claimed to have lost the truck is Morris B. Rose, of 632 South Seventeenth street, Newark, who was accompanied by his son, Joseph, and also by Samuel Gillson, of 296 Fairmount avenue, Newark.

similar stories and said the hold-up group were armed with several revolvers. Why a gang of hold-up men should seize a truck claimed by Rose to be empty is a puzzle to the police, who are of the opinion that transportation of whiskey played a part in the affair. Investigation of the story by the police shows that the truck was stopped in Linden avenue and not at St. George and Milton avenues and that the machine was later found abandoned not far distant in Linden Township.

AT NEW LYRIC, NEWARK
The admirable stock company for the New Lyric Theatre by Jack X. Lewis, is a host in himself, and whose performance in the "Rosary" which concludes its week's run this Sunday evening, will be seen this Monday night and the rest of the week, including Thursday, Saturday and Sunday, in W. C. Herman's celebrated comedy drama "Another Man's Wife." Following "Another Man's Wife" the Lyric will present in the order named, "The Shepherd of the Hills" and "A Pair of Sixes."

AT NEWARK THEATRE
Written by Booth Tarkington and starring Thomas Meighan, Paragon of manhood, is the Newark's companion mount's production of "The Copquest of Ganan," to be presented the week starting this Saturday at the Newark Theatre, must be considered one of the notable events in filmdom.

Peter B. Kyne's story of a drab, colorless desk slave who has worn his life away drudging waiting for a ten-dollar raise so that he might marry the head stenographer and be a family man "like the others;" who when the raise is never forthcoming kicks over the traces and asserts his manhood, is the Newark's companion feature.

The usual additional features of high-class vocal and instrumental selection.

Read What C. S. Dept. of Agriculture Says About What Two Rats Can Do. According to government figures, two rats breeding continually for three years produce 359,709,482 individual rats. Act when you see the first rat, don't wait. RAT-SNAP is the surest, cleanest, most convenient exterminator. No mixing with other foods. Dries up after killing—leaves no smell. BENEFIT GAME ENDS IN A 2-2 TIE

Fierce Battle for 7 Innings
Between Rahway A. A. and
Goodwill's All Stars

After battling for seven innings until darkness halted the contest the score stood 2-2 in the benefit game between the Rahway A. A. and Goodwill's All Stars. The proceeds of the

game were for Herman Schultz, one of Rahway's best known players, who broke three bones in one ankle sliding to third base last Saturday.

The proceeds of the game to be turned over to Schultz amount to \$159.70.

The honors were quite evenly divided throughout. It was a pretty pitcher's battle between Eddie Durand and Early. Durand did not get as many strikeouts as Early, but did not allow a pass and kept the hits more scattered. Both pitchers showed excellent form.

Brilliant and spectacular plays featured the game. Eddie Brennan pulled down a couple of catches in the right garden, while Collins nabbed one.

Grassick got a great ovation in the fifth when he caught Hasbrouck's fly to center and threw Brady out at the plate. It was one of the best throws seen at Riverside Park this season and stopped the scoring of the Rahway A. A.

Hasbrouck played a splendid game at second, while Mesick and B. Durand contributed several fine stops and throws. Fred Witheridge covered third well for All Stars.

Brady and Laurent, Armstrong and Brennan led their respective sides at bat. The first three getting three hits each in as many trips to plate, while Brennan got a pair, one a triple.

The All Stars scored first. With two down in second inning Armstrong doubled to left. Early hit a hard one to B. Durand, who dropped the ball and then threw to the plate. It was a close decision and Umpire Kelly called Armstrong safe. In the fifth the All Stars got their second tally. Brennan tripled and Witheridge hit to B. Durand, the latter making a poor throw to the plate, Brennan scoring.

In the last half of the fifth the Rahway A. A. scored. Ford, Brady and Laurent singled, the former scoring. In the seventh the Rahway A. A. tied the score. Brady tripled to center and Laurent singled. Frank Witheridge went in as pinch hitter and drew a pass. With two on bases and only one down the A. A. looked like winners, but Early fanned Hasbrouck and Mesick was thrown out by Witheridge.

VALLEY FORGE

IN THE picturesque valley of the Schuylkill river, twenty miles north-west of Philadelphia, there is a sacred spot at which every American should give himself the privilege of worshiping sometime during his or her lifetime.

It is the then unattractive site, lined with barren, frozen hillsides, where General George Washington and his little army of about 10,000 half-starved, poorly clad patriots bivouacked, suffering unthinkable hardships, from December, 1777, to June, 1778, following the tragic battle of the Brandywine and the occupancy of Philadelphia by the British.

This circumstance of history bequeathed to this hallowed place a glory and a fame which will attach to it throughout the ages to come as will the more recent struggle to the region of the Argonne in France.

A tract of about 500 acres has been purchased by the state of Pennsylvania and the government, with patient determination and admirable completeness, is restoring ancient landmarks and transforming this historic camp-site of the Continental army into an everlasting National Shrine.

The Daughters of the American Revolution have erected a noble shaft to the unknown who sleep here and the Valley Forge Museum of American History contains many relics of the day. One fills with emotion as he enters the little cottage where General Washington had his simple headquarters and feels the odor of sanctity as he steps into the Washington Memorial Chapel, sometimes called "The Westminster of America."

"It Must Have Been Dead at Least 6 Months But Didn't Smell!"
"Saw a big rat in our cellar last Fall," writes Mrs. Joanny, "and bought a 35c cake of RAT-SNAP, broke it up into small pieces. Last week while moving we came across the dead rat. Must have been dead six months, didn't smell. RAT-SNAP is wonderful." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by T. H. Roberts.

REV. L. V. GRAHAM, Minister

The regular morning and evening services will be held this Sunday at 11 a. m. and 7:45 p. m. The Pastor will preach at both services. Strangers and visitors in Rahway attending our services, are asked to make themselves known to the pastor. We extend a cordial invitation to all who have no regular place of worship to come with us.

Your Wedding Flowers
We carry out your ideas in regard to Wedding Flowers and also do Church and House decorations. Our novelties will enable you to make your decorations unusual.
Let us give you an estimate on your Wedding Flowers and Decorations
