February

Mask, kaleidoscope and
Gourd Birdhouses at the GCNJ
Flower Show

Although faced with significant competition this year from elementary, middle and high school participants from across the state and within specific categories, 11 participating Rake and Hoe youth each won one or more blue ribbons. Item and photo courtesy of Paula Long

WESTFIELD

Rake & Hoe Garden Club 'Juniors' recognized at show

March – April

Fairy Tale Flower designs, Tussie Mussies and Dried Flower Art by the Juniors in the Rake & Hoe Flower show in April.

Westfield Monthly
March 2017

(above) Rake & Hoe Garden Club "Juniors" prepared for New Jersey Flower & Garden Show.

May

After weeding and planting at the Shadowlawn Garden (and eating ice-cream), there was a miniature flower design workshop.

Below is the Shadowlawn Butterfly Garden in August

September

Youth Co-Chair Diane Genco giving a talk on Monarch butterflies. The girls learned about their migration patterns and life cycle. Diane is a member of the Monarch Teachers Network and she had all stages of the monarch—from caterpillar to chrysalis to adult butterfly. At the end, the girls released some butterflies into the wild.

October

Clean-up of the Fern Garden at the Miller-Cory Museum. Then the juniors collected ferns and leaves and learned how to make monoprints with water soluble inks and rollers.

November

Barbara Mullen and the juniors with their L flower designs

December

Decorating headbands and planting terrariums for the GCNJ Flower Show

January

Treasure Chests for the GCNJ Flower Show

Financial statement

The Junior youth pay a \$20 registration fee. The annual budget from Rake & Hoe is \$700.

Summary

It was a very busy year for the Junior Youth Group. Besides their regular commitment to the Shadowlawn Butterfly Garden and the Fern Garden at the Miller-Cory Museum, they had two flower shows to prepare for. We still were able to do some fun and interesting projects, like the monoprinting and butterfly program.
