## FIRE AT CASA YBEL

At 9 a.m. fire destroyed a gulf front cottage at Casa Ybel last Sunday. Fire Chief Allen Nave stated that it was probably caused by faulty wiring in the kitchen area. The efficiency unit sustained approximately \$9,000 damage.

The vacationers in the cottage were out by the time the department arrived, about 9:20, but lost all of their belongings in the fire. One of the two Sanibel trucks stayed at Casa Ybel until mid-afternoon, the other and the Captiva truck assisting them returned home shortly after 10 a.m. Smoke from the blaze could be seen as far as Fort Myers Beach.

The 14 year old building is part of the Casa Ybel complex owned by Howard Dayton of Daytona Beach.

Mr. & Mrs. B. M. JONES and daughter, Miss MAURA JONES, of Jackson Heights, New York are at The Trade Winds. They arrived July 28th and will return home Labor Day. It is their third summer to vacation at Sanibel Island.

Mr. Jones is a New York Times foreign trade reporter and an assistant editor of the year end annual editions. He made his fifth trip to African countries for the 1968 African edition of the paper. His articles and photographs appear each year in this special edition.

Miss Jones is an honor student at Newtown High School in New York. She received a scholarship from the French Government to attend the French Center of Dramatic Art in New York during the past school year. She portrayed the leading role in the Center's production of "English As It Is Spoken" which was presented in New York in June.

Mr. and Mrs. FORSYTHE, guests of the Gallery have been shelling on Sanibel for the past 11 years. While shelling the other day they found an eggshell cockle which is quite an unusual find. They really have something to be proud of.

#### LOCAL ARTIST TO DISPLAY

Mrs. Roger Wilcox of Amagansett, N.Y. will be showing a group of paintings and sculptures at the Benson Gallery in Bridgehampton, N.Y. this week and next. It is classed as one of the best displays in the gallery this year.

Mrs. Wilcox, who is a well known artist, says, "My painting is essentially intuitive. I follow my inner vision, which guides my whole life."

"From my observation I see no difference between natural and supernatural. There is magic which makes each painting a mysterious event, a new image of human feeling."

"I might use any technique to express my vision. The means may change but the spirit is the same."

"No two days are alike." Mrs. Wilcox and her husband have their winter home on Blind Pass.

Dr. Curtis R. House (left) of Sanibel and Stephen Guylee of Sheffield, England brought in 12 snook, 6 reds and released 10 snook all in 3-1/2 hours. Their guide was Bob Sabatino.

#### THREE TIME WINNER

Mario Hutton is back on the Islands after visiting Orlando, Winter Park and Maitland, where he was able to indulge in the promotion of "photo-verse," to attend meetings of the Florida Wildlife Federation, and discuss plans for the November Convention on Sanibel with leaders of the Florida Audubon Society. Mario celebrated his return by winning the jackpot on the Blue Heron for the second consecutive week, and the third time in the past five weeks.

Mr. John Allen (right) of Coral Gables and Sanibel, Mrs. Beverly Bechamps of Miami and Sanibel and Red Mauler caught the above 14 snook and 2 reds. They were fishing with guide, Bob Sabatino.

#### LEGION AUXILIARY MEET

The American Legion Auxiliary, Unit 123 had their monthly meeting on August 5, at 8 p.m. at the Legion Hall. Plans were discussed for many interesting new activities, and all members are urged to attend the next meeting which will be held the first Monday in September at the Legion Hall.

ARTHUR (Mr. B-HIVE) ORLOFF, has just returned from his annual trip to the Fancy Food Show in New York City.

The choices were better than ever this year. The B-Hive will be the place to visit this winter when these unusual foods arrive!

#### EARLY CHRISTMAS

Christmas is coming three months ahead of time to the Lee County Chapter of the Red Cross in 1968. This year there will be 576,000 Christmas ditty bags sent to the Pacific by the American National Red Cross, of which the quota for Lee County is 300.

Col. Kenneth W. Dalton, Chairman of the Lee County chapter, said, "RED CROSS SHOP EARLY--VIETNAM 1968 is intended to be a thankful way for Americans to say we care about our troops in Vietnam."

The pulse of the nation today is such that many people are eager to participate in filling these bags. Mrs. A. S. Lowell, Chairman of Production, and volunteers, have the sewing all completed and we are asking that individuals, church groups and any organization wishing to help us fill these will call us and we will make certain that everyone can help. The Red Cross office has complete lists of the items suggested. It doesn't cost much to fill one bag. When the bags are

finished each will contain a Holiday greeting card, and names of contributors are permitted.

Work on filling the bags has started and will continue until the Lee County quota of three hundred is finished. The deadline is Sept. 15. This is indeed an opportunity for everyone and every group to bring cheer to our troops on Christmas Day. Of the thousands of letters received thanking the Red Cross for these cheerful ditty bags, here is just one example that seems to sum up their feelings.

"On this Christmas day I want to thank you very much and let you know that our entire battalion of 800 men are all talking and praising the people back home. Our morals went up several degrees when our Chaplain distributed the gifts from your Chapter of the Red Cross. I know that a lot of hard work and kind heartedness went into the making up of these outstanding kits. Much of the materials in them are very hard to come by in this advance combat area. We thank you very much."

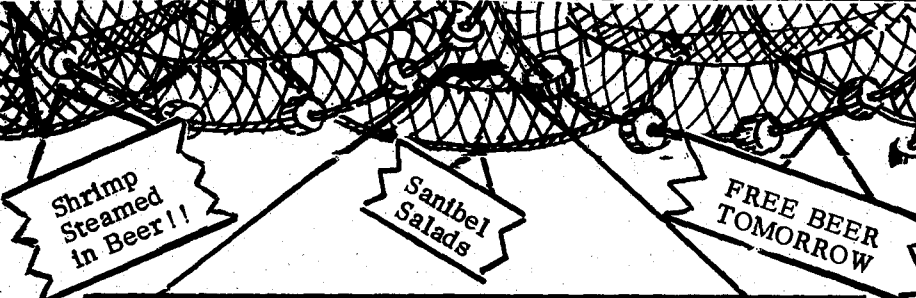

#### FISH FRY

Sanibel-Captiva Sharks Men's Soft Ball Team will hold a benefit fish fry on the Sanibel Causeway on Sunday, September 1st. Proceeds from the fish fry will be used to complete construction of the Sanibel school athletic field.

The platters, at \$1.25 per person, will consist of fried fish, hush puppies, cole slaw and baked beans. Soft drinks and coffee will be available.

Tickets are now on sale and may be bought from members of the team in advance or at the causeway on Fish Fry day.

Lets turn out for a delicious lunch and help support a worthwhile community project.
