ADVENTURE AT HIGH SEA

It has just been brought to our attention that a group of five people went a-boating some days ago, and motored into Tarpon Bay where they planned to shell.

Shell they did --- but motor back they did not. The infernal machine decided to take a vaca-

tion, and refused to start.

But these intrepid sailors were not daunted in the least -- they carefully fashioned a sail out of a large beach towel which they attached to a long dip-net pole -- and merrily sailed back across safely to Dewy's Marina.

P.S. Was that Mrs. W.G. paddling?

Circulation of books at the Captiva Library during the fiscal year which ended Sept. 30 increased by more than 24% over that of last year, according to figures compiled by Mrs. Hervey Roberts, librarian.

During the year just completed, 490 books were added to the collection. 287 of these were gifts, 203 were purchased with funds supplied through the Lee County Library. The total collection now is approximately 3145 volumes. Of these, 2304 are the property of the Captiva Library and 841 belong to the Lee County Library.

Mrs. Roberts reports that 6 new bookcases have been acquired recently. One of these will be used to house a larger collection of paperbacks.

The addition to the Community Center which will be known as the Captiva Memorial Library is now under construction. The footings have been poured and the concrete blocks for the walls have been delivered.

" RE-OPENING OCTOBER 14th "
additions

The Southwest Conchologist Society of Ft. Myers sponsored a three day shelling trip to Key West Florida on September 20th 21st and 22nd. The Ranch House Motel, at Marathon Key was the headquarters for those participating. Trips were made to Harbor Beach at Marathon and Sheriff Island at Torch Key. The group was lead by Mr. Gregory. Part of the group continued their shelling at Key West and stopping on the return trip at Several Keys for more shelling. A good collection of shells were found.

We anticipate several more trips to surrounding areas this year, which should prove educational and very enjoyable.

Meetings are held on the second Tuesday of each month at the Lee County Cooperative, Inc., North Ft. Myers.

Mrs. HERVEY ROBERTS, of Captiva, noted artistic weaver, or should one say, noted weaving artist, discussed the Weaving Art before an interested audience Monday night at the Crawford Street meeting of the Art League of Fort Myers.

Mrs. Roberts has studied under Mrs. LIBBIE CRAWFORD at the Artists Guild in St. Louis, of which she was vice president. Right now she has examples of her work hanging in the St. Louis Art Museum.

This is her fourth year as a Captiva resident and during this period she has had two shows on

the Island, both joint shows with Mrs. PARKER MILLS' driftwood mobiles. Incidentally, her home is another display of beauties, as she has made curtains, rugs, bedspreads and wall hangings, all of which she herself has woven.

THE ISLAND SCHOOL NEWS

All parents and friends of the Sanibel School are urged to attend the Open House at the school on Monday, October 14 at 7:00 p.m. All classrooms will be open for inspection and samples of the students' work and activities will be on display.

The speaker for this first P.T.A. meeting of the year will be Mr. Ray Pottorf, Assistant Superintendent and Head of Administration for the Lee County schools. Mr. Pottorf will introduce parents to the new E.I.E. (Educational Improvement Expense) program and its direct affects on our school.

ZOO ANIMALS

Our second graders took an imaginary trip to the zoo. When they got back they wrote about some of their favorite zoo animals.

MONKEYS AND LIONS

by Johnny Rushworth

Monkeys are fun to see at the zoo.

Lions can kill you easily with claws.

THE MONKEYS

by John Hires

This is the favorite animal in the zoo. This is the important animal.

A WILD ANIMAL

by Darcy Turner

I like to see alligators in the zoo. They are fun to see.

They are long and big and scary. And they have big teeth.

LIONS AND LEOPARDS

by Andy Haughwout

Lions are scary and so are leopards. Jean my sister, is scared when they roar. Mom is too.

Fourth grader Gary Hunter also wrote an animal story.

THE MAD OLD LADY

One day when the sun was out a goat came walking down the road and went into a lady's garden and ate her flowers. When the lady came out of the house to water the plants, the sight of the goat made her hair stand up on her head. Then she told the goat, "If you think you can come in my garden and feast on my sweet garden plants that took me two years to

plant that took me two years of hard work, you must be out of your mind!" But the goat just seemed to be as happy as happy could be. But the lady was not as happy as happy could be. She was as mad as mad could be. But the goat just laid down and took it easy while the lady shouted her head off. And the goat just thought she was crazy.

MR. and MRS. JOE GAULT are in Miami attending the Southern Apparel Exhibitors where holiday resort and cruise wear will be shown. Plans for a big new addition to the Sea Horse Shop is underway and should be ready for next season.
