ZONING MEETING

On May 26th the Lee County Zoning Board recommended by a vote of 4 to 2, that Jamestown-Beachview, Inc., be granted rezoning of certain Sanibel property in approaches and environs of the Sanibel Causeway -- 22 acres for business and approximately 90 acres of high density multifamily zoning.

The County Commissioners will either approve or reject this zoning recommendation on JULY 2. All Island residents are encouraged to be present at the hearing because now is the time to voice your opinion as to how the islands should develop.

SANIBEL MAN HONORED

Delta Air Lines, in recognizing more than 22 years of outstanding service to the airline industry, has commissioned Howard Schriener, Jr. (retired) a Delta Flying Colonel. Presentation took place while Schriener, former Senior Vice President of Delta's advertising agency BBDO in Atlanta, was conducting research work in a remote area of Central Florida. Schriener, who retired at the age of 55, heads the newly founded Malacological Research Expeditions organization.

The organization conducts field studies of sea shell fossils and recent sea shells for universities, institutes and private groups throughout the country. The Delta award was made by former Advertising Director George E. Bounds (retired) now a consultant for the Airline on Florida's West Coast. Bounds founded the Flying Colonels in 1940. Schriener lives on Sanibel Island, from where he is leading expeditions into remote areas of Florida, Georgia and surrounding waters. The Land Rover in the background is part of the equipment used in the more rugged terrain in search of rare fossil sea shell specimens.

EJC-SGA SET UP NEW DEPT.

The Student Government As-
sociation of Edison Junior
College has established a Public
Information Department who will
work closely with Mrs. Quave,
the E.J.C. Public Information
Director.

Within the month, the Public
Information Department will be-
gin to submit a weekly summary
of current and forthcoming stu-
dent activities. The department
will also handle inquiries con-
cerning student activities.

In addition, the department
will maintain a Speakers' Bureau,
consisting of Student Government
Officers, and other student lead-
ers. These students are available
now and throughout the year for
interviews with the news media
on any topic you may specify.

Speakers for EJC-SGA are
Mark Adams, President; Jim
Richards, Vice-President; Susan
Baughman, Secretary; Karen
Reed, Treasurer.

GOODWILL-SUNCOAST NEWS

Repair and upholstering of used furniture and the reconditioning of household appliances are major training programs for handicapped persons at Goodwill Rehabilitation Centers serving 29 West Florida counties.

Goodwill urgently needs donations of used or unwanted furniture and appliances at this time in order to sustain the training of workers in these skills. After the items are repaired, they are sold through 24 Goodwill bargain stores, providing income to pay the wages of handicapped men and women.

Goodwill operates a home pickup service for materials too large for the familiar Goodwill deposit boxes at supermarkets. This pickup service is presently available in Pinellas, Hillsborough, Manatee and Sarasota counties. Also at Tallahassee, the Ft. Myers area including Naples, Punta Gorda and Port Charlotte and in the Lakeland region including Winter Haven, Bartow, Lake Wales, Ocala, Auburndale, Plant City and Haines City.

Residents in these counties and cities are asked to call their local Goodwill phone number for furniture and appliance pickup. Their generosity in donating used and unwanted items will help train handicapped persons for employment in private business.

On Friday night, May 30, Mrs. RICHARD B. JORDAN of Pompano Beach, Florida found two golden olives, real beauties.

Fishing was good for Joe and Gloria Shetler of Pompano Beach. They are staying at the Jolly Rodger Motel and Bob Sabatino was their guide.

To The Islander:

I note in your paper of June 5 an article, signed by Informed, stating that the old ferry road on Sanibel is a public road from bay to gulf.

This road, 70 ft. wide from bay to gulf, is a dedicated road for the use of land owners adjacent thereto and is not a public road. This said strip of land is dedicated for street and highway purposes for the use of the owners of the land on each side of said highway forever. This land was dedicated April 23, 1937, and the record of the dedication can be found in Miscellaneous Book 18, pages 191-192 of the public records of Lee County.

/s/ E. B. Kinzie

Owner of properties on each side of above described road.

To The Islander:

Recently, a friend of mine sent me a copy of The Islander with the date of 5-29-69. On page 4, it was very interesting to see a picture of Bill Vossler, and Herb and Skip Purdy displaying a beautiful catch of snook. There is much of this picture which cannot be seen, such as the top of Mr. Vossler's head, and would you believe that Herb Purdy had taken 37 pictures before he got one that properly blacked out Mr. Vossler. Would you also believe that Mr. Herb Purdy only gets to eat fresh fish when Mr. Vossler comes to Sanibel and catches them for him. As a matter of fact, in that very picture, the only fish that Herb Purdy caught was one of the little ones, and it was a red fish. The snook were caught by Mr. Vossler, Skip Purdy, who was home on leave from Vietnam, and Bob Sabatino, all 12 of them. Did you know that during the winter, Mr. Vossler occasionally sends Mr. Herb Purdy a can of salmon or sardines so that he will have fish to eat?

In view of this, so that I may call other things to your attention please enter my subscription for The Islander.

/s/ Bill Vossler
Huntington, W. Va.

TRAILERS MEAN "HITCHING UP" TO EXTRA DUTIES

Drivers who tow a trailer on their summer outings are "hitching up" to added responsibilities the Florida Highway Patrol said today.

Col. H. N. Kirkman, Director of the Department of Public Safety said, "Increasing numbers of Florida families will be taking along something extra on their summer outings. That 'something' will be a trailer and the added responsibilities of driving safely while towing it."

Kirkman emphasized safety checking taillights, brake lights and turn signals before leaving and at intervals during the trip.

A strong axle or frame mounted hitch is recommended by the Patrol chief and he reminded drivers that Florida statutes require a safety chain from the trailer to the towing vehicle to restrain the trailer if the hitch should fail.

"Remember your extra length and allow more room for turning, changing lanes and passing. Increase following distances to allow for stopping because of the added weight," said Kirkman.

Kirkman concluded by saying other drivers should remember that motorists pulling trailers have these extra responsibilities and should display a little extra courtesy toward them.

NOTICE

Are you looking for someone to mow your lawn or vacant lot? If you are, just call Mrs. Chris South at the Fort Myers-Lee County Chamber of Commerce for the names of students in your area registered at the Chamber for summer mowing.

"The response to the pleas for student mowers has been excellent," Mrs. South stated. "But what we need now is more effort on the part of the property owners to get the mowing done."

The Chamber is offering during June only a referral service, furnishing names of student mowers to people needing someone to mow their lawns and vacant lots.

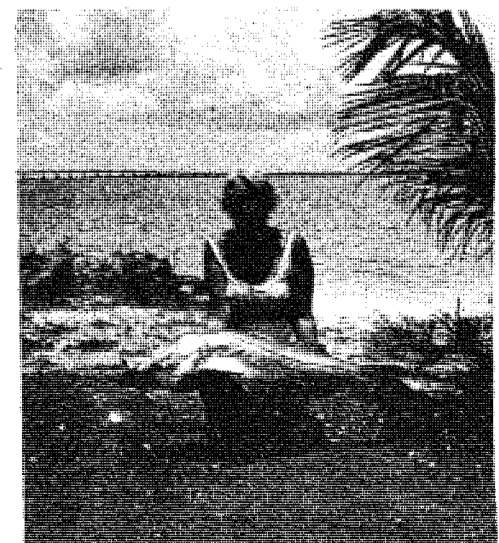

The Fort Myers-Lee County Chamber of Commerce and the Fort Myers-Lee County Garden

Council jointly urge property owners to mow their lawns and vacant lots during June, Weed Cutting Month in Lee County.

The weaker sex?

Pictured above displaying their catch are Bill and Elizabeth Shope of Hollywood, Fla. They are staying at the Casa Turquesa Motel and their guide was Bob Sabatino.
