SANIBEL COMMUNITY ASSOC.

The popular monthly buffet dinners of the Sanibel Community Association verify the fact that more people are staying on the Island year round. In May members and guests exceeded 65 with hosts Elsie Malone, Priscilla Murphy and Tom and Mary Nix ably assisted by Elsie Malone Jr. and Riley and Donna Black.

In June more than 45 joined the fun with Mr. and Mrs. Wallace Cousins and Mr. and Mrs. Earl Skinner hosting. Mr. Cousins had created a space motif for the officers table featuring earth, moon and lunar capsule in orbit around the moon.

The July dinner was hosted by Mr. & Mrs. Charles Muller and Mr. and Mrs. Isadore Burrell. Large shells and shell ceramics were filled with flowers and colorful croton leaves on all the tables. More than 50 members and guests were 'aboard' for a lovely evening.

Following dinner a brief business meeting was conducted by vice president, Marshall Holtz. Most chairmen for the 1970 Sanibel Shell Fair have been named. Bob and Jean Aycock will handle exhibits, Jean Culpepper is already at work on the brochure, Mary Nix, shell table, Ed Webb will again have the live exhibit, Faye Muller and Holly Moore the Driftwood booth, Wilb and Dina Snyder the art exhibit and Marshall Tabacchi will again serve as traffic chairman.

The Board of Directors has been very active in efforts to assure

better electric service to the islands and letters had been received from Senator Spessard Holland and Congressman James Haley who are both contacting R.E.A. on our behalf.

Bob Dormer presented a resume covering efforts of the board of directors toward bringing a doctor to the Islands.

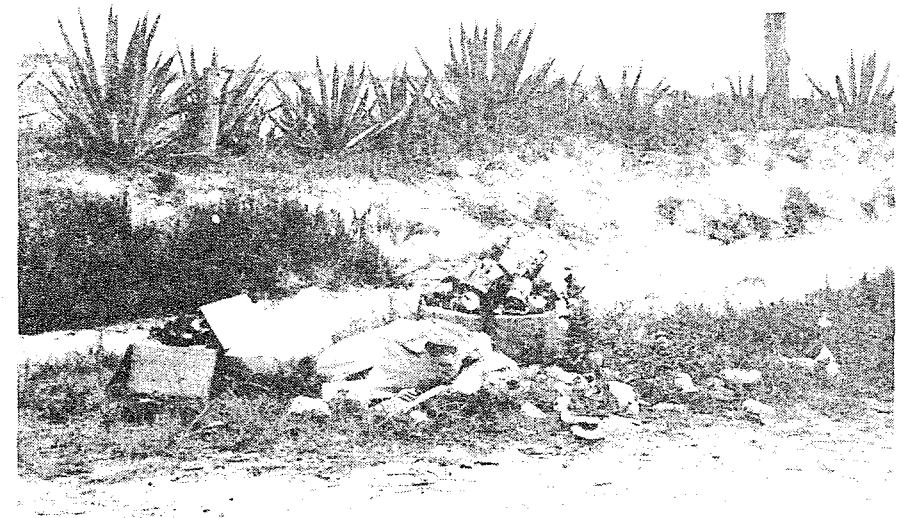

These pictures were taken near the Sanibel Gulf beach by Mrs. Willie Glass. This is only a fraction of the trash removed by Lions, Boy Scouts, and Island volunteers during the recent cleanup. Trash cans and holders were put in place two years ago by the Sanibel Community Association Improvement Committee. Notice that one can is missing --- and that there were several near misses by the can standing. Mrs. Glass drove her jeep during the cleanup and helped load it many times with the beer cans, cottles and other trash collected. She more than held her own with the men and boys cleaning rubbish from the roadsides and beaches

"Happenings" are where you find or make them whether it be on Sanibel or Timbuctu. Recently two Sanibel residents went on an adventure right here at home and came away richer for the experience and with a real story to tell. Mrs. Forrest (Julie) Miller of Dinkens Bayou and Mrs. Morrison (Kay) Casparis, of Blind Pass Cottages rented a canoe for a tour of the Sanibel River, a trip that had held a fascination for them both for several years. Being relative newcomers to the island they asked Jeanne Hopwood to go along as guide to help identify all they hoped to see of the natural flora and fauna of the area. All three were completely delighted with the abundance of birds and wildlife they encountered. Blue Herons, Black and Yellow Crowned Night Herons, Snowy Egrets, Gallinules, nesting Anhingas and a Florida Banded Water snake, quite harmless, coiled around a branch of mangrove peacefully sunning himself. Everywhere they were close enough to reach out and touch these creatures of the wild.

They were so enthused about their adventure that Julie went right home and wrote their experiences into story form and asked Jeanne to illustrate the most telling incidents which they sent off to the Florida Naturalist, the publication of the Florida Audubon Society. If you have seen this July issue of the Naturalist you will be able to enjoy that same trip through Julie's words and Jeanne's pen starting on page 126.

But if you are of a more venturesome spirit you can rent a canoe for yourself and drift leisurely on the Sanibel River to your own rendezvous with nature and can reach out to touch the natural beauties hidden off the normal tourists lanes. No trip is ever the same in the ever changing world of Nether Natures hideaway in the interior of Sanibel.

We do thank Julie, Kay and Jeanne for sharing all these simple pleasures with us.

TO SANIBEL VIA CUBA

Mr. & Mrs. William Horst and their daughter Laurie, 13, from Hummelstown, Pa. were probably the first visitors to arrive to Sanibel via Cuba. Here is the story.

On Saturday, June 28, the Horsts drove to Baltimore to catch a flight to Miami and then planned to rent a car and drive to the Colony. 20 minutes out of Miami the pilot announced calmly there would be a side trip to Cuba.

Shortly afterwards they arrived in a very dismal airport and were ushered off the plane to a waiting room. All names, addresses, ages, and occupations were written down. Then the people were directed to another room where they waited for two hours.

Everyone was friendly except the military. The soldiers were sent on board the plane to retrieve the hijacker who was drunk and traveling first class.

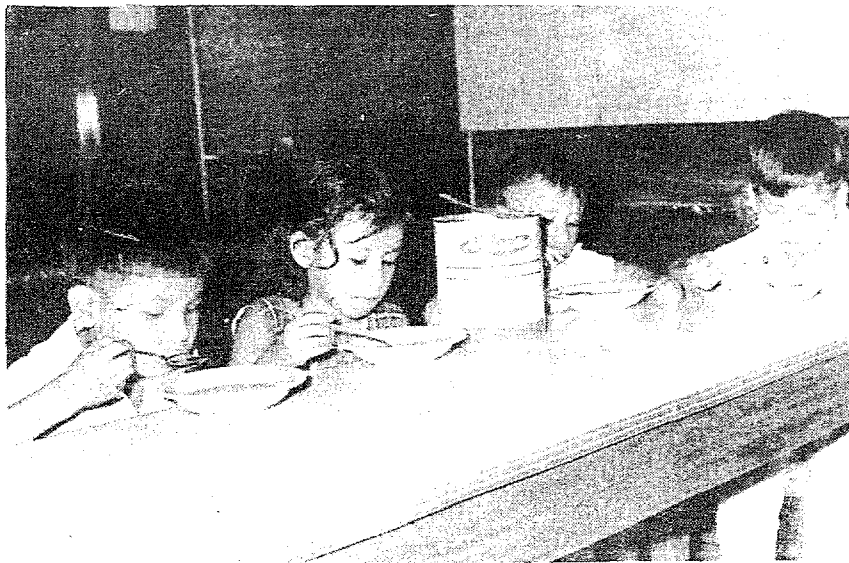

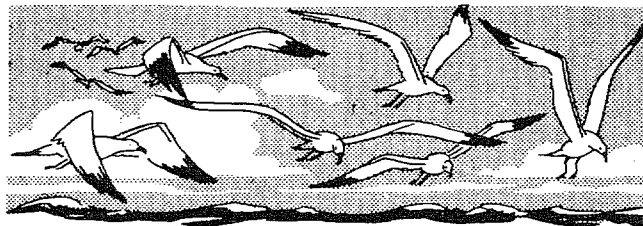

The people were all taken upstairs to a restaurant. Bean salad, cucumbers, home fried potatoes in grease, one olive, and some unidentifiable meat was served. The food was awful and the odor in the building was even worse.

After dinner, free cigarettes, cigars, matches, beer, and coke was served. (Where do they get the Coke?) The U.S. Government pays for all this, naturally.

The soldiers made a mess of the plane finding all the cameras and destroying all the film.

Returning to Miami, everyone went through customs having left the states and had to fill out a form for the FBI.

The Horsts rented a car at 1:00 p.m. and finally made it to The Colony by 5:30. (They got lost on the way.)

THANK YOU FROM NICARAGUA

This picture shows you a few of the children from Nicaraguan Mission enjoying their multiple purpose food which you furnished with your contribution to meals

for millions through the Pirate Playhouse. Ruth Hunter thanks you with a reminder that she will send her book, Barefoot Girl On Broadway, to anyone who will send her a check for \$4.00 made out to the Foundation.

ORLOFF - KAPLAN

Karen Marie Orloff, the daughter of Mr. & Mrs. Arthur E. Orloff, was married on June 22 to Dr. Kenneth Lawrence Kaplan.

Dr. Kaplan is on the faculty of Tufts Medical School.

The couple will make their home in Boston.

AMERICAN LEGION POST 123

The American Legion Post 123 gratefully received a gift of a new pool table from Homer Thacker, owner of the Snack Shack and member of the Post. Many, many thanks are offered to Homer for this priceless gift which will be enjoyed for years by the Legionnaires. Needless to say, it "Fits in" to the expanded facilities of the Clubhouse.

ANNOUNCEMENT

Tetanus and smallpox immunizations should be renewed at least every ten (10) years and a booster at time of any traumatic injury. Also, under Florida law, ALL persons handling food and beverage are required to carry an active Health Card. These services, rendered by the Lee County Health Department, FREE, are available at the Sanibel Community House on the third Tuesday of each month. You are urged to make use of these services.

NIHILISTS NOTE

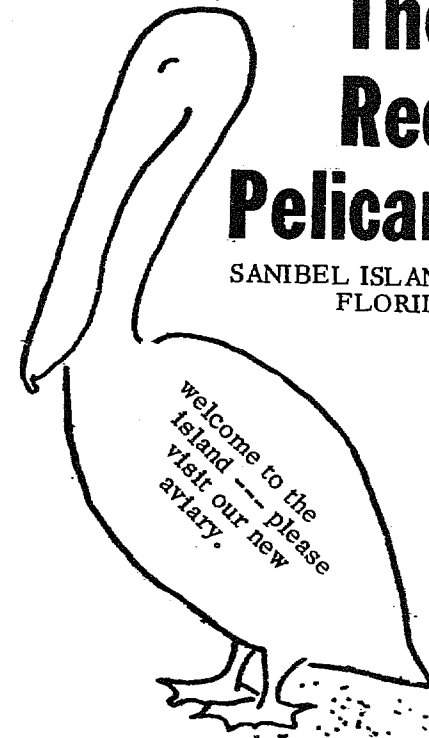

The declension from liberalism to anarchy can be rapid.

After periods of radical and protracted change, when it becomes obvious that modification is not necessarily panacea and that diversity often breeds only insecurity, there develops an instinct for authority and for the refuge that total submission affords. Quoted from RICHELIEU by O'Connor.
