BELIEVE IT OR NOT

Baileys store was broken into again last Wednesday. This time they, or he, got in through a fairly small hole out through the roof of the stockroom. The safe was blown open and all monies were taken, quite a large amount, we hear, except for one lone roll of pennies.

One regular customer, of rather large girth, arrived at the store early Thursday morning to shop and joined a number of waiting customers, in the usual guessing game of "Who Done It?" He finally left in disgust when one of the bystanders said to him, "You couldn't have done it, the hole is too small."

As we go to press we still haven't heard "Who Done It."

The ALLAN R. MARTIN family from Cincinnati, Ohio returned to Casa Ybel for vacation again this year much to the delight of their many friends here. Unfortunately, Mr. Martin suffered an injury to his hand in a boating accident and we hope it is on the mend. We remember him for his lovely poem last summer and thought the islanders would enjoy his poetic contribution for this year, "The Spell."

"THE SPELL"

Shell collecting casts its spell
On those who visit Sanibel
And soon our hopes and dreams
all ride
On vagaries of wind and tide.

A tiny pecten - yellow/gold
Becomes a treasure to behold;
Junonias in colored dress
Impart a special happiness;
And olives with a golden hue
Can make collecting dreams
come true.

But each new shell we chance to see
Each wondrous new variety
Reminds us that we never can
Completely "fathom" natures plan.

Yet we can marvel happily
At every shells pure artistry
And thank the fates that we may
shell

On lovely, tropic Sanibel,
/s/ Allan Martin

Mr. & Mrs. BILL SHANNON, of Captiva, are spending this week in Franklin, N.C. Bill will be hunting rocks as usual but we hear Mae is spending most of her time with the Jeremiassens, long time friends and neighbors on Captiva.

JOHN PEURIFOY'S many friends will be glad to know that he is back home and doing just fine. John went to Bradenton on June 20 for a regular check-up and received the unpleasant news that another operation was necessary. He entered the University Clinics at Gainesville, Fla. for the operation and was allowed to drive home on the 19th of this month. He has to take it easy for a while but with his splendid recuperative power, it won't be long until he is fit as a fiddle.

Mr. & Mrs. HERB PURDY'S son SKIP, who is stationed in Vietnam, has called home twice this month by ham radio. Skip is now a sergeant and will be home in December, but will return to duty for his third tour of six months which will bring to a finish his service in the Army. A fine young man, your son, Mr. and Mrs. Purdy.

Mr. & Mrs. FINLEY LA BAR of Columbus, Ind., are spending the week at Song of the Sea.

HUMANE SOCIETY

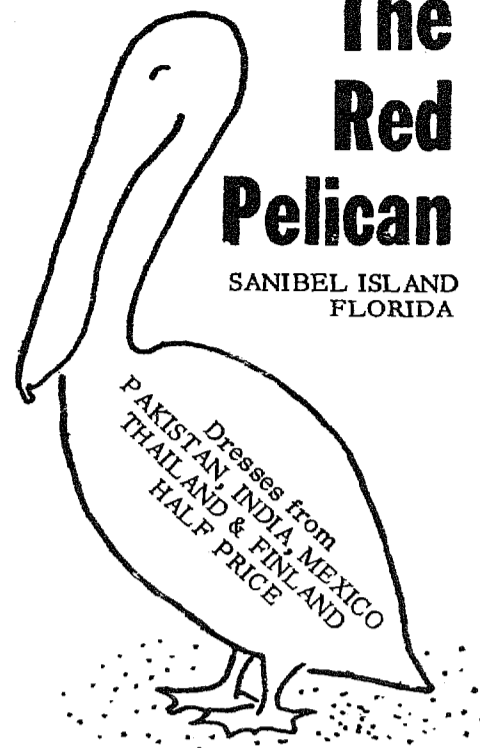

Mrs. Velna Ridge, president of the Sanibel-Captiva Humane Society, is very busy these days getting ready for the White Elephant Sales and Bazaars held each winter season to raise funds for the welfare of our little animal friends. She is mending, sewing on buttons, pressing garments and hanging them in garment bags and packing in cartons the items already donated by our many supporters here on the Islands. However, we want to remind you that now is the time to get rid of your white elephants such as dresses, jackets, sweaters and bathing suits (they sell like mad) that you can't wear since your diet made that beautiful new figure for you or, heaven forbid, you can't wear because you didn't diet. Be sure to go through your jewelry box. You will never use that earring you lost the mate to, nor that pin that won't pin anymore or that old strand of pearls with a broken clasp. Velna takes the jewels out of the setting and makes beautiful gee-gaws which ever one wants to buy.

It would be so nice of you to bring your donations to Velna at The Sanibel Traller Resort as she is so busy, but if you can't, call Peggy Maloney (GR 2-4661) and she will do her best to pick them up.

Exclusive Living on SANIBEL

SUNSET SOUTH GARDEN APARTMENT CONDOMINIUM

The Sunset South Condominium concept is one rarely aimed at providing exclusive luxury living for a comparable few, in deliberate contrast to the current trend of city-type, cliff-dwelling, high-rise structures. These are spacious two-bedroom, 2 bathroom apartments with just 4 units to a building. Our master plan of only 14 buildings will limit occupancy to a select few, 7 are already under construction. Sound clubby? It is! With private fresh water pool, cabanas, putting green, club house, etc. — the works. You'll have the proposed new Country Club and Golf Course on one side and the wide, sparkling white sandy beach of the Gulf of Mexico on the other. There is still time to qualify. Price range — \$35,500 to \$49,500.

MRS. LEBUFF BECOMES
GRANDMOTHER

Mrs. Jean LeBuff, much to her consternation, became the grandmother of between five to nine hundred (her estimate) baby loggerhead turtles. When they started to hatch, Charles being away from home, Jean sent out an SOS to neighbors and friends, such as Mrs. Louise Wood and Mrs. Willie Mae Glass who came to her rescue along with many others and even some tourists. All available bath tubs were soon filled with salt water and as the babies kept popping their eggs open like a string of firecrackers, they were collected in buckets of salt water and escorted to their bath tub nurseries.

Jean, not knowing what might happen next, tried to get Charles by radio which she didn't know how to use too well. She kept pushing buttons and calling out Charles until she finally hit the right button and Charles said, "Is that you Jean?" And when she said yes, he said, "that's a #&c* of a way to use a radio, and Jean said, "You never showed me how, but you had better hurry home, you are the grandfather of about nine hundred baby turtles."

That's how we got the idea that Jean was their grandmother. We are glad to report that Charles did hurry home and it's a good thing too, as three more nests have hatched since and the baby turtles are doing fine.

The need for blood is constantly increasing at the rate of about 12 percent annually, says Dr. Frank Coleman of Tampa, president of the American Association of Blood Banks.

Mrs. MARJORIE SPANG, of Captiva Island left here July 10 and returned on July 22. She was in Vandergrift, Pa., for her eldest son's 29th birthday. She also visited the families of her son, Mr. ARTHUR SPRANG, her son Mr. BOYD SPRANG, her daughter Mrs. SAM HENDERSON and she went to Apollo, Pa. to visit her sister, Mrs. HARRY WALKER and to Home, Pa., for a visit with her mother, Mrs. CHARLES WINGARD. A very busy vacation but Marge said she loved every minute of it.

Florida leads all states in planting trees and, during 1966-68, there were some 212 million acres of forests in the state, according to the Florida Forest Service.
