## CASA YBEL SOLD FOR \$2,613,300

Sanibel's Casa Ybel Resort was sold last week for \$2,613,300. A group of Naples investors, headed by Walter R. Condon, a Naples attorney, purchased the Resort from L. Dayton of Daytona Beach and members of his family.

There are 30 buildings in the 57 unit Casa Ybel complex, including two structures which are believed to be original buildings. In 1966 a fire destroyed the resort's main dining room and lounge area and it has been replaced with a large modern structure that includes a convention hall with seating for about 250 people.

The new owners are now actively planning a number of improvement projects including adding tennis courts to the facility's recreational pavilion and expanding the main club building.

The resort presently has eight employees, including Manager Bryant, but normally has about 16 employees during the summer months and as many as 40 during the winter.

The resort was started in the late 1880s as the Three Sisters Hotel. The early history of the hotel is uncertain but it is believed to have remained under the same ownership until 1918 when it was purchased by Charles J. Knapp.

The point of land that juts out into the Gulf of Mexico where the resort is located for many years was known as Knapp's Point and it was under his ownership that the name of the resort was changed to Casa Ybel, meaning house with beauty.

Howard L. Dayton bought the resort from Knapp in 1943 and it was under his guidance that additional lands surrounding the resort were purchased. Last week's sale to Condon by Dayton included about 195 acres around the resort and 150 acres in a landing field. The property is about half a mile square.

## PTA HEAD IS KARL WIGHTMAN

At the Tuesday, May 4 meeting of the Sanibel Parent-Teachers Association, new PTA officers were elected for the 1971-72 year. Mr. Karl Wightman was named president; vice president, Charles Holland; secretary, Mrs. Edythe Stokes; treasurer, Mrs. June Muench.

Mr. George Dissette will come to the Sanibel Elementary School from Michigan Elementary School to replace Mr. Douglas Santini who will go to the Michigan School as principal. Mr. Santini will be greatly missed by both pupils and teachers alike, as he has held a unique place in the hearts of all.

## SCHOLARSHIP FUND

The Herbert Lewis Memorial Scholarship Fund for the use of students in the Lee County School system doing scientific work on the Islands has been established by an anonymous donation to the Sanibel-Captiva Conservation Foundation.

Mr. Lewis, a winter resident of Sanibel, died at his home in St. Paul, Minnesota, May 5. Mrs. Lewis, a long time winter resident of Sanibel, has expressed approval of the memorial fund.

This is designed to assist in the promotion of the Environmental Science Educational Program being developed by Mr. William Hammond, Science Consultant for the Lee County Schools and supervisor of the \$322,000 federal grant for this project. Mr. Hammond is also a director of the Sanibel-Captiva Conservation Foundation, as is Mrs. Lewis. Mrs. Lewis was the first chairman of the board of the Foundation, having served as chairman of the J. N. "Ding" Darling Memorial Committee from its inception shortly after the death of Mr. Darling in 1962. It was this organization which was responsible for the creation of the Darling Refuge.

Donations for the Scholarship Fund should be made to the Sanibel-Captiva Conservation Foundation, earmarked for the Herbert Lewis Memorial Fund.

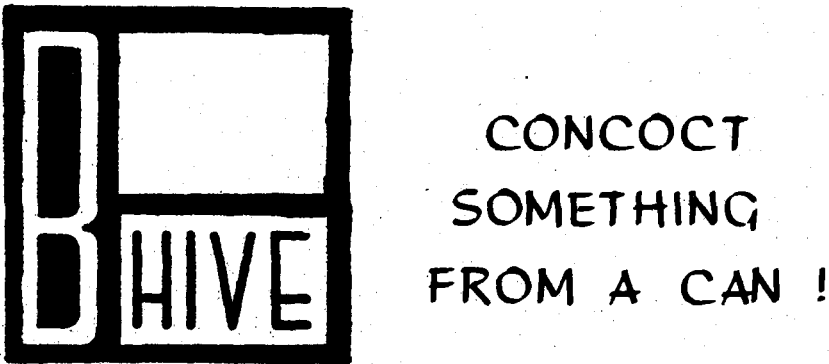

## ZONING CHANGE REQUEST DROPPED

In an amicable meeting with board members of the Sanibel-Captiva Planning Board, Inc., and their attorney, Judge Archie Odom, Mr. Eric Trost of Frankfurt, Germany, presented new plans for developing his property west of Casa Ybel on Sanibel. With him was his attorney, George Klutz, project manager, Peter Mannchen, also of Germany, and Bob Dormer, whose firm, San Carlos Realty, will handle the real estate dealings.

The new concept plan would utilize land already zoned business for a motel or condominiums while the 102 acre tract previously requested for apartments will become instead, single family dwellings on lots 100' x 150'. Also proposed were circular parking, bicycle trails and a sewage disposal plant as well as measures to prevent ecological damage or the pollution of the Sanibel River.

Also under discussion at Tuesday's meeting was the proposed plan of Nationwide Realty for a development at Wulfert on Sanibel. This had been presented last summer to members of the Sanibel-Captiva Conservation Foundation and Planning Board members, at which time those present had generally approved the low density figures and efforts to preserve the local ecology. At a recent hearing of the Lee County Zoning Board, however, Malcolm Beattle, representing the Sanibel-Captiva Planning Board, opposed the petition of this developer for a zoning change of approximately 10 acres to RU-3. This is in line with present Planning Board policy to oppose all such changes to multiple housing until guide lines can be laid down. Nevertheless, the Lee County Zoning Board did approve the change.

Meetings are to begin soon to start work on an overall land use plan for Sanibel and Captiva and will include Commissioners Walter Shirey and James Sweeney as well as representatives of the Lee County Zoning Board and the Sanibel-Captiva Planning Board.

**McCABE-LOCKE WED**

The marriage of Miss Alice Frances McCabe, daughter of Mr. & Mrs. Matthew J. McCabe of Sanibel Island, Florida, to Mr. Thomas B. Locke of Bridgeport, Conn., took place Saturday, April 17, at 11 a.m. in St. Charles Borromeo Roman Catholic Church, Bridgeport. The Rev. Francis V. Wieland, C.M., performed the ceremony. A reception followed at the Holiday Inn in Bridgeport.

Escorted by her father, the bride had her sister, Mrs. Robert J. McCarthy, as matron of honor. The other attendants were Mary Kathryn McCabe, sister of the bride, Patricia Ann Locke, sister of the groom, and Janet Lynn Sanzo.

George Chmiel was best man. The ushers were Brian Locke, brother of the groom, John McCabe, brother of the bride, and Robert McCarthy, the bride's brother-in-law.

Mrs. Locke attended Catholic University and is presently employed by the Federal Bureau of Investigation. The couple will reside in Oxon Hill, Maryland.

**MITCHELL'S CASTAWAYS**

New York State Trouper Peter Rough-ead came down from Buffalo, N.Y., on his Honda and reported rain all the way from Buffalo to Atlanta. Seems all the senior Roughheads and even some of the grandchildren knew he was coming but it came as a complete shock to Mama Roughhead, and a wonderful one for her too, as she has not seen son Peter in some time.

**SHELL HARBOR INN**

Mr. William Taggart and a companion were fishing below the Causeway and he caught a 21 pound snook, while his friend latched on to an 18 pounder.

A new and colorful tropical fish picture graces the Inn's lobby. The picture was done by Gary Holtzman, son of the owners, and exhibits some talent, but we understand it is but one of many talents he has.

Guests this week at the Inn are the A. W. Fletchers of Chicago, Ill., the Kenneth Weldons of Ridgewood, N.J., and the C. Lehman family of Mount Prospect, Ill. Miss Linda Blair of Louisville came down after the Derby for a little relaxation on the beach.

The E. H. Clark family is down from Philadelphia for the same reason. Other guests seen on the beach are Mr. & Mrs. L. N. Pearce of Bradley, Ill., and the Tomczaks of Milwaukee, Wis., Mr. & Mrs. S. A. Bullard are here from Signal Mountain, Tenn., and the Bedells are here for a visit from the east coast. The John Hoff family from Ironton, Mo., reports a late spring in their home town as do the D. Blacks of Skokie, Ill., and the Trapps of Peoria, Ill. Mr. & Mrs. Arthur Hammer of New York City are part of the beach scene and Miss Marcie Grace of Cincinnati, Ohio, along with the Herbert Grothers of Miami, who are friends of the Rakos, who came in last week.

Mr. & Mrs. SID and GLADYSCOLLACOTT of Lagoon Estates have their son and daughter-in-law, Mr. and Mrs. WILLIAM BROWN and her grandson and granddaughter, Lt. and Mrs. TERRY BROWN of Virginia visiting them. The William Browns are from North Lima, Ohio, and a grand and happy family reunion is in progress.

Rear Admiral & Mrs. CARLOSCARDEZA have returned to their home, The Mooring, in Sanibel Isles. House guests Mr. and Mrs. CHARLES EDWARDS SCHLAYER of Camp Hill, Pa., spent a month enjoying an Island vacation. They are the parents of Mrs. Cardeza.

Mr. & Mrs. J. NORMAN MILLER of Merchantville, N.J., are here for a month's vacation in their cottage "Sea Oats." Mr. Miller's brother and sister-in-law, Mr. & Mrs. HARRY N. MILLER from Bridgewater, England were visiting with them in New Jersey and came to Sanibel to spend a few days before returning to England. They loved the island with all its natural beauty and enjoyed the Ding Darling Sanctuary. During this time, Mrs. Norman Miller was fortunate in finding a lovely golden olive which was the first she has found in her sixteen years of shelling on Sanibel.

Mr. & Mrs. HERBERT KLUM are the new owners of the Driftwood Apts. on Tulipa Way, having moved in as of April 30, and we are happy to welcome them to the Islands, though they have been frequent visitors over the years.

The Klums retired from the Chicago area in 1966 where Mr. Klum was a supervisor for General Motors. "We were looking for our own Shangri-La, and we found it here," says Mr. K. Son Peter will be visiting soon to see the new home they have purchased, and they are busy readying it for his visit.

Some of the nice people visiting at the Surfrider are Mr. & Mrs. Roderick O'Conner and son and Mr. & Mrs. Brendon O'Conner and children all of Ft. Lauderdale, here to spend a few quiet days resting and getting some sun and doing a lot of shelling.

Mr. & Mrs. Richard Samuels and children of Berwyn, Ill., are enjoying the

**CASA YBEL NEWS**

Casa Ybel is a bustle of activity these days, and it has everyone caught up in the thing. Everywhere you go you see some one cleaning up the yards; or, in the main house, beautiful shiny waxed floors. The reason? It is getting close to the busy summer season, and we are all looking forward to its start. It is so nice to welcome back old friends. The noise of children at the swimming pool, the endless questions they ask; but it is all part of Casa Ybel, and we know at last summer is really here.

Recreation is going to be the key word at Casa Ybel Resort with the starting of two new tennis courts. The improvement of the pool area, getting the shuffle boards and the badmitten court into shape; a possible pool area concession; all of this will make this resort a vacation haven. Also when you call Casa Ybel Resort in the near future the desk will answer with "ISLAND BEACH CLUB." This will be the new name of the resort. It might take a little bit of getting used to after so many years, and we will try and show the name Casa Ybel on all correspondence for awhile, until old friends and the many new ones who find us, know that they are coming to the improved resort, more recreation fun, improved beach, better shelling area, and a much larger fun area, which is what people go on vacation for.

Former night auditor Dick Wolfe and his wife Molly are happily on their way to the cool north lands, taking their time trailering along. Dick has went on a strict diet and tells us via mail that he can take the belt in at least two notches. We will be looking for a real skinny fellow when he returns to Sanibel Island.

Nick Nickerson (Casa Ybel Chief of Maintenance) and wife Ruth (Casa Ybel Housekeeper) have landed into the cold state of Maine, and the word that we received was that Nick and Ruth were kicking the snow off the boots. Oh well, we here on Sanibel Island are kicking hot sand off the shoes and loving it.

A welcome sight, enjoyed by all southwest Florida, RAIN! It is so good to see the grass grow, the trees getting a little green back, the ponds filling up, and a happier look on the animals faces (human and sub-human).

Walter Bielowos has been promoted to Casa Ybel's night auditor by General Manager Bryce Bryant. Walter has been doing a fine job of learning all phases of motel-resort operation, having worked as bartender, maintenance man, desk clerk, and night auditor. We do wish him loads of luck, and to his forthcoming marriage to former wife Pat. Congrats to them both. Walter and Pat have two fine children, Lisa and Walter.

It has been an unusual busy May for Casa Ybel Resort, mostly one, two and three day rentals. The folks from the north are still coming to Florida; we have had them from Chicago, Detroit, Cleveland, and believe it or not from California. We are looking forward to a very busy summer being almost 100% rented for the upcoming holiday. This makes us believe this summer will exceed last summer tremendously.

beach, pool and doing quite a lot of shelling.

Other folks here from a little further north are Miss Jeanne Young and companion of Washington, D.C.; Mr. Richard Bondy of Southgate, Mich.; his fiancée and her mother, Mrs. Sarah Sjoborg of Flat Rock, Mich.; Mrs. R. B. Thorstenberg of Reston, Va.; Mr. & Mrs. Roy Christianson of Racine, Wis.; Mr. & Mrs. Roger Hoffert of Bedford Heights, Ohio, and Dr. and Mrs. Paul Seideman of Cornwell Heights, Pa.

Other guests enjoying the sun and beach and getting plenty of R&R are Mr. & Mrs. Peter Froehlich of Ft. Lauderdale and family; Mr. & Mrs. David Parker of Ft. Lauderdale; Mr. & Mrs. Fredericks and children from Coral Gables; Mr. & Mrs. Jacobson of Winter Park; Mr. & Mrs. J. B. Smith of Merritt Island; and Mr. & Mrs. Harvey Henderson of N. Miami Beach.

Visiting over the weekend were Mr. & Mrs. Wm. H. Vrooman, Orlando; Mr. & Mrs. David Bergman of New York City; Mr. & Mrs. William Dantel, Sarasota; the Donald Bonham family of Miami; Col. & Mrs. Edward Seale of Bradenton; Mr. & Mrs. Sam Salomone of Chicago, Ill.; Mr. & Mrs. E. T. Brown of Naples; Mr. & Mrs. Glen Marshall, Lake Wales, Fla.; Mr. & Mrs. Robert Zelle and son of Hackettstown, N.J.; and Mr. & Mrs. Sanford J. Burger of Miami.

Returning to the Reef for their 11th annual visit are Mr. & Mrs. David Miller of Fort Lauderdale. Also returning for annual visits are Mr. & Mrs. J. Laur's, Coral Gables, Fla.; Mr. & Mrs. E. R. Ware, Medford Lakes, Conn.; Mr. & Mrs. Albert Ruerat, Foster, R.I., and Mrs. Ruerat's brother, E. Elmer Johnson of Warwick, R.I.; Mr. & Mrs. Jack Ganz, Warren, N.J.; and Mr. & Mrs. John Bodansky of St. Petersburg, Fla. Newcomers include Mr. & Mrs. H. N. McWhirter, St. Petersburg; Mr. & Mrs. W. L. Rohn, Plainfield, Ind.; and Mr. & Mrs. Thomas Locey from Port Washington, N.Y.

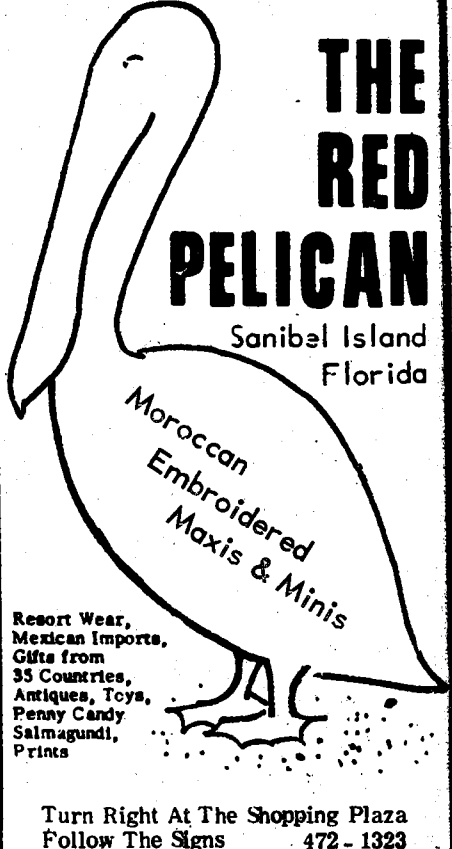

Guests at The Colony this week are Mr. & Mrs. Herbert Richard from Freeport, L.I., N.Y.; Rev. & Mrs. Robert E. Lee of Atlanta, Ga.; and from Florida, Mr. & Mrs. William R. Jones, Jr. and family from Miami; Lcdr. & Mrs. W. E. Pulling and family from Orange Park; Mrs. Norman Lewis Jr. from Ft. Lauderdale; Mr. & Mrs. Don Murphy of Palm Beach Gardens; Mr. & Mrs. L. F. Van Nelson of Jacksonville; Mr. & Mrs. A. E. Fitzgerald, Mr. & Mrs. George Knapp and Mr. & Mrs. Charles Crowley from Lauderdale-by-the-Sea and from the Miami area, Mr. & Mrs. Anthony Faraldo and family; the Peter Tarjan family; and Mr. Edwin Pope and daughter, Mr. Pope is the sports editor for the Miami Herald.

# Letter To The Editor

TO THE ISLANDER:

A copy of the following letter was sent to The Islander for publication:  
 Mr. Paul Stahlin  
 Chairman, Planning Commission  
 of Lee County  
 Fort Myers, Fla.  
 Dear Paul:

I have read with interest the report of the County Commissioners dealing with the entire problem of erosion on Captiva at a meeting held on April 14, as reported in the Sanibel-Captiva Islander of April 15, 1971.

As a property owner on Captiva, and as a private citizen interested in the problems of Florida beach erosion since 1952, I will not remain silent any longer concerning your handling of this specific problem.

I have watched you, as executive manager of the Captiva Erosion Prevention District, proceed with plans and projects dating back to the 1950's in a futile effort to prevent beach erosion from occurring on the island of Captiva. I have personally paid the mill rate on property taxes on Captiva, and in doing so have unwittingly contributed to your futile efforts.

Over three years ago I voiced my alarm to you in person, while you were at South Seas Plantation, over your proposed use of nylon sandbags to prevent erosion from occurring on the Captiva road. I told you then, and I tell you again now, that impermeable barriers have never stopped erosion and will never stop erosion.

Furthermore, I tell you now, and will tell you in the future, that the plan to pour concrete over limerock along the eroding road will be another example of an impermeable barrier that will fail in its purpose. One has only to look at the barrier beaches of our eastern shores stretching from Nantucket Island and extending through New Jersey, North and South Carolina, Georgia, and Florida to see the remains of huge chunks of concrete thrown up by the force of ocean storms. Florida Highway A1A, running from St. Augustine through Daytona Beach to Cocoa Beach, and U.S. Highway No. 1 and State Highway A1A running from Vero Beach through Hobe Sound and Jupiter to Palm Beach are littered with examples of concrete thrown up by the ocean.

Although little has been written about

the field, any research will reveal that impermeable groins will never serve our purpose. I am prepared to make my entire research file and complete library of the work that I have done in this matter since 1962 available to you immediately, if it will serve your purpose and prevent this useless expenditure of time and effort.

I would like to end this letter by saying that I cannot as yet offer a solution to our beach erosion problem on Captiva, and in this posture I am accompanied by the Corps of Engineers of the United States Army and most of the other erosion control experts in the field. We may in fact find that there is no solution to beach erosion and that people who build homes and maintain property near eroding beaches must learn that erosion may be an unstoppable fact of life.

/s/ Terence G. O'Brien  
 St. Paul, Minn.

TO THE ISLANDER:

The proposed extension of Gulf Drive through the Combs and Kuder property would convenience a few and deprive many. The first thing to go would be a small Eden known as "Woodmere Preserve", a natural arboretum which contains not only plants unique to Sanibel but some found no where else in the world. Although privately owned, it has always been hospitably open to all who wished a guided tour including numerous school children from all over Lee County. The destruction of it simply to run a road in a straight line makes no sense at all and a bypass must be found, for this lovely sanctuary is not only a source of joy and pride to its owners but a great asset to Sanibel.

We have shown great concern, and rightfully, for our marine environment, but perhaps not enough for the interesting and beautiful plants on our islands. There must be a stop to this mindless rape of the land for it deprives us not only of our natural beauty but shade, coolness and moisture, without which we become highly susceptible to fires and drought.

Even without endangering this par-

ticular parcel, it would be ill-advised to build this road as proposed for Gulf Drive is a quiet, residential neighborhood not suitable for a highway. Like our rare and serene little garden, it would be ruined by the "racetrack" traffic such a thoroughfare would engender. While we would not deprive any property owner of access, no one can deny that there are always alternatives and one must be found that better serves Sanibel. I think we should write our commissioner, Mr. Walter Shirey, and urge him to do this.

/s/ Elinore Dormer

## THANK YOU FOR MEALS FOR MILLIONS HELP

Edmond J. Clinton has now taken over the Foundation's work, and says of his father, "He was not a man to rest easy where there was loneliness of spirit, or barrenness of surroundings or corruption in the city, or hunger in the land or or in the world. He felt compelled to tackle problems like these -- to act. He followed the truth as he saw it, with courage, boldness, imagination, and total dedication and determination."

Ruth Hunter is sending many thanks to all purchasers of her book, "Barefoot Girl on Broadway," her story of her life on Broadway as the original Ellie May of Tobacco Road.

This season she autographed over 50 copies. Coupled with some donations, almost \$275,00 was sent to Meals for Millions Foundation to help feed the hungry throughout the world.

### JOINS AUDUBON PANEL

Joseph Warner, Jr., who is a senior at Cypress Lake High School, and will be remembered on Sanibel as the student with the in-depth marine ecological study of so much interest to visitors to the Shell Fair, has been selected to be on a panel with other high school and college students across the nation for their outstanding accomplishments in conservation fields.

The students will attend the Audubon National Convention in Milwaukee on May 21, and the student panel will discuss student activism and the solving of environmental problems.

### BLUE CIRCLE

The last meeting of the Blue Circle for this season was held at the Captiva home of Mrs. Ernest Dickey.

On hand to roll bandages for the Catholic Medical Mission Board were Betsy Reddy, Sally Kirby, Betsy Steygart, Miriam Johnson, Linn Kuder, Mary Callahan, Pin Mills, Dot Seymour and Ruth Hunter. Mrs. Dickey, (Dorothy), treated her friends to a tour of the charming Dickey home built in 1905 and once visited by Teddy Roosevelt who sat in his special rocker to admire the prancing Gulf and pleasant bay.

### OTIS O. ROWE

Otis O. Rowe, 96, whose daughters Margaret and Emma own a home on Sanibel where he had been a frequent visitor, died April 30 in Palm Springs General Hospital. He had been a resident of Miami since 1940.

Mr. Rowe was a veteran of the Spanish-American War, and was a teacher for several years in Michigan before going to South Dakota to homestead. He and his daughters have been coming to Sanibel for many years.

### HERBERT L. LEWIS

Herbert L. Lewis, 72, and a winter resident of Sanibel for eight years, died of cancer at his home in St. Paul, Minn., on May 5.

Mr. Lewis was the editor of the St. Paul Dispatch and Pioneer Press for 14 years. Though he retired in 1964, Mr. Lewis continued as editorial consultant to these papers, with which he had been associated since 1916. He is survived by his widow.

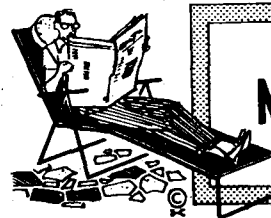

Other survivors include three children, Piers Ingersoll Lewis; Bermidji; Mrs. Charles W. Anderson, Los Alamos, N. M., and Herbert Finlay Lewis, Minneapolis. There are six grandchildren.

Memorials may be made to the donor's favorite charity.

# PROGRESS REPORT

May 1, 1971

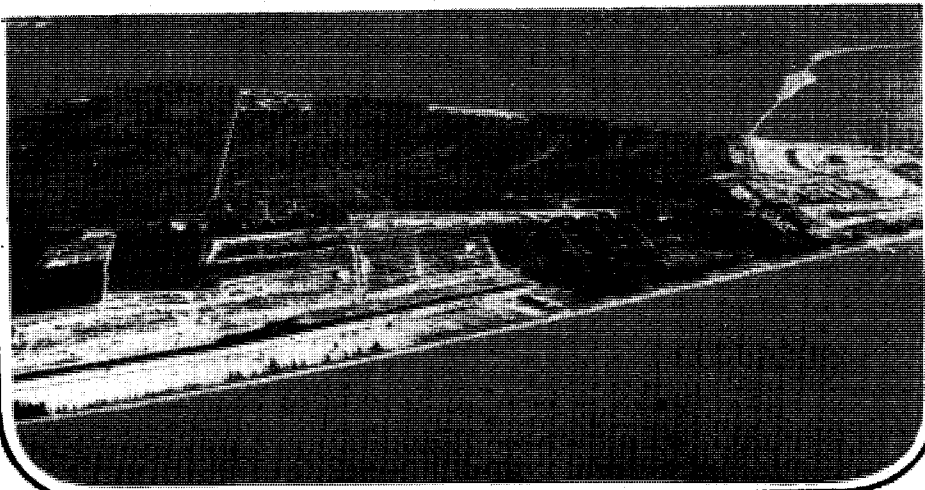

Development of Sanibel's first and only golf course is moving forward quite well.

1. Buildup and contouring of greens for the first nine holes is almost complete.
2. Elevation and drainage preparations are being finalized along with paving.
3. Seeding is scheduled in May with actual play anticipated in November this year.
4. Plans are underway for clubhouse facilities.
5. The course will be open for island residents and guests.

## ENVIRONMENTAL EDUCATION CONFERENCE

At the tenth annual meeting of the Florida Chapter, The Nature Conservancy, held in Naples, May 7 through 9, Roy Bazire, executive director of the Sanibel-Captiva Conservation Foundation, was re-elected a vice president of the state organization.

Also attending the sessions from Sanibel were Mr. & Mrs. Willis Combs and Dr. and Mrs. F. G. Kuder.

Mrs. George Winterbotham, chairman of the Board of the Sanibel-Captiva Conservation Foundation and Mr. Robert Haynie, its treasurer, along with Bazire, met with Mr. Richards Saturday morning to discuss progress on the land acquisition for the Sanibel Fresh Water Wetlands Refuge, and plans for future actions.

## THE NATURE CONSERVANCY

The first annual Southwest Florida Environmental Education Conference was held in Fort Myers at the Ramada Inn, May 14.

The meeting was funded by a federal grant to the Lee County School system for the proposed Environmental Education Project being directed by Mr. William Hammond, Science Consultant for the Lee County Schools. This is a three-year, \$322,000 pilot project to develop an environmental science program from kindergarten through the 12th grade.

The evening before the conference, the Environmental Education Advisory Council met in Fort Myers. Attending were Mr. Robert Barber, director of J. N. "Ding" Darling National Wildlife Refuge; Mr. Charles LeBuff, Jr., Biological Technician with the Refuge and director, Caretta Research; and Roy Bazire, executive director of the Sanibel-Captiva Conservation Foundation. Mr. Hammond is also a member of the board of directors of the local Conservation Foundation.

The Sanibel-Captiva Conservation Foundation is one of four community organizations represented on the Community Advisory Council which is to assist in the planning of the Environmental Education Project. Funding is through the Dept. of Health, Education and Welfare.

## AMERICAN LEGION NEWS

Sanibel-Captiva American Legion Post 123 has announced its nominee to attend the 1971 Boys State Session in Tallahassee scheduled for June 21 through July 3, 1971. John Carter, son of Mr. & Mrs. John Carter of Anchors Aweigh, Sanibel, and a junior at Cypress Lake School, was selected by a committee of Post 123 headed by Robert Dormer and Preston Woodring. Post 123 was unanimous in its approval of the nominee. The committee and Post made their selection on the basis of strict and rigid guidelines as set by Boys State and the Florida American Legion Boys State, Inc. based in Orlando, Fla. The nominee must exhibit singular qualities of citizenship, leadership and interest in community affairs, as well as scholastic achievements. While in session in Tallahassee, Boys State will also select from their group three outstanding young men to go to Washington for further work and study of governmental structures at the higher federal level. In sponsoring its nominee for this session of Boys State 1971, American Legion Post 123 feels it has an exemplary nominee in the person of John Carter.
