County Action

The County is planning to insure its buildings with Alexander and Alexander, and appraisal of all county owned property and equipment is authorized, but it will take about six weeks to complete the appraisal. The cost will be about \$6,000 just for the appraisal, as the county owns some \$20 million in buildings, equipment, etc., and it may even be closer to \$35 million according to Lavon Wisner, enumerating the Sanibel Causeway, Cape Coral bridge, plus the County Airport as properties which would increase the valuation.

The Pine Island water rate increase which would effect Sanibel too, must present its new proposal to its own association members. The increased rate was recommended by a Tampa fiscal specialist.

The developers of Sundial Beach and Tennis Club on Sanibel were given permission to put up directional signs to their project. The Sundial has 459 units in a resort type complex, but the Naples developers, Investment Dynamics Corp., will not be permitted to place signs on County-owned right of way, but must get permission from private interests on the island to place directional signs. County Attorney, Frank Pavese, warned them not to "abuse" the privilege.

Commissioner Election

At the time of the general election in November, resident free holders of the Sanibel Fire Control District will be asked to elect three candidates to serve as Commissioners of the district.

The district comprises that portion of Sanibel being east of Wulfurt Road to St. Isabel Point only and voters must be resident free holders.

The candidates must be resident free holders and must file notice of their candidacy with the Clerk of Circuit Court of Lee County thirty (30) days prior to such election and such notice shall be signed by ten (10) registered free holders of the Sanibel Fire Control District. No filing fee shall be paid by any candidate. The Board of County Commissioners of Lee County shall provide a separate paper ballot for the election of said board members.

Candidates for election shall be divided into Group One (1), Group Two (2) and Group Three (3), and the notice of each candidate shall designate the group number in which he qualifies. The candidate receiving the highest number of votes in each group shall be declared elected. The three candidates thus elected shall constitute the Sanibel Fire Control Board of Commissioners.

Members of the Board are elected for a term of four (4) years and shall receive no compensation. The Board, for and on behalf of the District, is authorized to buy, own and maintain a fire department within the district and to purchase, own and dispose of fire fighting equipment and property, real or personal, which the Board may, from time to time, deem necessary or desirable to prevent and extinguish fires within said district.

Members now serving as Commissions of the district are Floyd F. Pflough, Thomas J. Nix and Patrick O. Murphy.

Terrence Omar Menoher was killed in an auto accident on July 30. He lived at 1418 N.E. Fifth Lane, Cape Coral. Funeral arrangements will be announced later. He was employed as a waiter at South Seas Plantation.

WHO'S WHO AND WHY

The STANLEY LEVERETTES have been taking their niece and husband, Mr. & Mrs. RON MOORE sightseeing all over. The Moores hail from Murfreesboro, Tenn., and it is their first trip this far south in Florida, and their first vacation in four years, so they have been from one end of the islands to the other and on the city tour around Fort Myers. Sunday, they visited the Naples area and Cape Coral, and they have been swimming, fishing and shelling. Wish someone would put a fish on their line, just to show that it can be done.

Mrs. JOHN P. GLASS of Gulf Drive has been about the most popular lady around this summer. She has had her great granddaughters visiting her. FRANCES STEWART from Memphis, Tenn., and CHRISTINE GLASS from Dayton, Tenn., have been in a social whirl on Sanibel, and Sunday night attended a farewell party for them on the beach, which was also a welcome party for darling twins, PATRICIA and BARBARA LESINSKI, and their brother, ROBERT LESINSKI, who are visiting their grandparents, Mr. & Mrs. JOHN SHEPHERD. The Lesinskis came by auto-train, piggy-back from the Washington, D.C., are with their mother, Mrs. RAYMOND LESINSKI and drove down from Sanford, where the auto-train ends. The Lesinskis are from Matawan, N.J. Mrs. Glass will be saying goodbye shortly to Frances and Christine, and then Miss CAROL ELMORE of Wilmington, N.C., will come for a visit before school starts.

We are happy to report that BARBARA NAVE is back home from Lee Memorial and on the recovery list.

JOHN KENEDY was called to the bedside of his sister, ROSEMARY KENEDY in New York.

KATHY BUNNELL just returned from a visit with daughter, KATE CANTERBURY in Perrine.

The F. F. PFOUGHS of Tahiti Drive have been having a wonderful visit with their daughter Mrs. G. B. HALE from Deland, and granddaughter, BEVERLEY HALE. They have had a five weeks vacation on Sanibel, but Beverley must be back at school early, as she is captain of the cheer leaders this year. And soon the Pfoughs hope to be able to visit in Deland too, for that is their old home town of 25 years duration.

SEGUNDA APARTMENTS

Guests vacationing at the Segunda this week include. Mr. & Mrs. Peter Dolan of Lombard, Ill.; the Thomas Nation family of Owensboro, Ky.; Mr. & Mrs. J. F. Watt of Thomasville, Ga.; the family of Dr. & Mrs. Monroe Snyder of Silver Spring, Md.; and Mr. & Mrs. Joseph Rodrique of Manchester, Conn.

From Parma Heights, Ohio, we are glad to welcome back good friends, Mr. & Mrs. Henry Pamer. Hank and Marie graciously endured the height of the red tide last year, and we are happy that this year, for their annual Sanibel pilgrimage, we can promise ideal conditions for a fine vacation.

From around our own state come Mr. & Mrs. F. R. Leighton of West Palm Beach; the Walter Olsen family of Miramar; Mr. & Mrs. Raymond Cobb of Melbourne Beach; Mrs. Patricia D. Liese and family of Lake Wales; Mr. & Mrs. Robert A. Rohmann of Satellite Beach; and the Joseph Marchionni family from North Miami Beach.

**CAR MISHAP KILLS
MAN ON SANIBEL**

Daniel J. Mahoney, 44, was killed early Sunday morning when he was run over by a car in the parking lot of the Golden Sands Restaurant on Sanibel. He is Lee County's 33rd traffic fatality for the year.

The accident occurred around 2:40 a.m. when Mahoney, who lived and worked at the Island Beach Club was knocked down and run over by a car driven by Mrs. Sharon Clair Way, 29, of Sanibel. Although there were several witnesses, investigators said they still have not been able to determine exactly what happened.

Mrs. Way was arrested for driving while intoxicated and improper brakes. She was later released from Lee County Jail under \$380 bond.

**FAMILY ESCAPES
IN CRASH**

Four members of a Fort Lauderdale family escaped injury Sunday when their single-engine, six-passenger Beechcraft plane lost power on take-off and crashed in a wooded area just off Casa Ybel Road on Sanibel. The plane, valued at \$10,000, was described as a total loss.

According to Sheriff's investigators, Raymond Dagaró of 2825 59th Court, Fort Lauderdale, has just taken off from the grassy air strip at 4:55 p.m. when the engines of the plane cut out. The plane glided across the unpaved road at the end of the runway, then plowed into a thick clump of undergrowth which sheared one wheel but blunted the impact of the crash. Dagaró, his wife Mary, and children, Chet, 9 and Denise, 13, were shaken but walked away from the wreckage uninjured.

Investigators said the family had landed at Sanibel around 1 p.m. Sunday and was preparing to return home. A team from the Federal Aviation Agency will be at the scene to determine the exact cause of the crash.

SANIBEL COMMUNITY CHURCH

On August 6 and 13, the Sanibel Community Church will welcome a return visit by two of Florida's most outstanding musicians. Jack Wilson, Minister of Music at the First Presbyterian Church, Orlando, will present two sermons in music on those successive Sundays at the 11 a.m. service. His fellow artist in the presentation of sacred music will be Jesse Bookhardt, Jr., organist of the First Presbyterian Church of Orlando.

Those fortunate enough to have heard these two outstanding musicians last summer know what an unusual treat is in store for Islanders, and the Sanibel Community Church, with its newly enlarged facilities, can now welcome a greater number of visitors in increased comfort.

SANIBEL COMMUNITY CHURCH

We are in need of a small hand mower. If anyone has one they would like to donate or sell please call the Chairman of the Board of Trustees, Mr. Don Marshall, 472-2213.

NEW SANIBEL BUSINESS

Coming soon to Sanibel Island will be "Island Interiors by Bonnie," which will be one of the most unique furniture stores in this area. Bonnie Sweisberger, formerly associated with Berguin Interiors of Fort Myers Beach, hopes to be open by October 1. She has been an interior designer for over 10 years now and has served the Fort Myers area for the last four years. Also with her will be her husband, Gene Sweisberger, who will manage the new firm.

"Island Interiors by Bonnie" will be located in the Sanibel Center Bldg., corner of Periwinkle Way and Casa Ybel. Bonnie says she has plans already to do one model apartment and hopes to get several others after she opens. She will feature many fine lines of furniture and will carry carpet and draperies as well. She will specialize in complete design service both residential and contract.

The Sweisbergers have been area residents for the last four years and will remain living at 41 Fairview Blvd., Fort Myers Beach.

TO THE ISLANDER:

We just don't want people to think we are going out of business or that we are moving backwards. Actually we intend to have one of the finest jewelry stores in this entire area.

We shall even be offering services that are not available in most of the Fort Myers stores as we do all our own ring sizing, much of our stone setting, our own designing and creative work, casting, etc.

We shall also still be offering the individual work of several of our artist friends as we have in the past.

The House of Treasures will continue to operate, very much as it has since we started the shop twelve years ago, except that they will not be handling any of the fine solid gold jewelry items, genuine gem stones, fine crystal and china, etc. They will still have all the traditional gift lines that we have always carried, the works of the same artists, and, in fact, they will maintain a fine gift store and we, in turn, will concentrate on being a fine jewelry store.

TO THE ISLANDER:

A copy of the following letter was sent to the Islander for publication:
Lee County Commission
Lee County Building
Fort Myers, Fla.

Attention of Mr. Kenneth Daniels, Chairman, Mr. Walter Shirey, Mr. Julian Hudson, Mr. James Sweeney, Mr. Bruce Scott.

Your support of the present Zoning Board is understandable. It is unfortunate that your valuable time must be taken up by a problem which should be resolved by the Zoning Board and the Chairman in question.

I urge you to support the changes proposed in the Adley Plan which reflect the experience and knowledge of Adley Associates in the matter.

Commissioners have from time to time indicated difficulty in filling county needs with experts in various areas. I feel that Lee County is rich in resources of man power from all professional and technical fields. Within Lee County a host of talent of retired and semi-retired people is available to assist the county when requested to do so. A partial list of these people follows and is only a reflection of the strength that exists in Lee County. I hope you will make use of these people and others when appropriate.

Mr. W. T., An expert on pumps; Mr. W. E., Former Chief Engineer, T.V.A.; Mr. K, Retired Accountant, CPA; Mr. C. G., Agricultural Expert; Dr. V. G. M., Retired Asst. Surg. U.S., H.E.W.; Mr. M. B., Civil Engineer, Designer of Large Marketing Centers; Mr. J. R. M., Road Engineer, Designer of Penna. Turnpike; Mr. R. H., Retired president, Champion Fibers, South America; Mr. H. H., County Bond Expert; Mr. B. B., Lawyer of note nationally; Mr. C. R., Retired, laboratory equipment; Mr. F. B., Active marketing, large land holder, conservation; Adm. E. K., Expert on Airport Locations and Use, retired; Dr. I. H. S., Retired military expert on Health, All services; Mr. S. G., Retired famous architect; Mr. H. H., Writer and Naturalist of note; Mr. G. /s/ B. C. Tremaine
Sanibel, Fla.

TO THE ISLANDER:

Oh tourist while your staying here,
Please don't feed the gator.
For as you will now find out,
You'll soon regret it later.

He loves those fluffly marshmallows,
And he loves little Jimmey too.
And if you get too near to him,
He'll make a meal of you.

Remember tourist, they are wild,
They can move quite fast.
And on your body they can gouge,
A lovely little gash.

Now while your back is turned to him,
(This you'll be sure to find).
They have a sly uncanny way,
Of sneaking up behind.

So if you do not heed these words,
And he has you in his grip.
Don't worry much tourist dear,
The end is fast and quick.

**THE FRIDAYS SAY
"YOU DON'T FOOL THE
SANIBEL-CAPTIVA PEOPLE"**

"It was fun trying but it just can't be done," was the comment of Helen and Lee Roy Friday in announcing their plans for the continuation and expansion of their jewelry store operation here on Sanibel.

When they started their new building they had thought that by "off-hand" insinuations they could make people believe that the building was to be entirely occupied by others. Their friends and customers, however, knowing that it has been the dream and the goal of the Fridays to provide the Islands with the ultimate in a fine jewelry store surmised from the

beginning that this move was to be the answer to that dream.

By November 1, the Fridays expect to have the grand opening of their new jewelry store. The new store will be known as "The Fridays Creative Jewelry." They will be specializing in the finest of jewelry, crystal, china, porcelain, genuine gem stones, engraving, guaranteed watch and jewelry repair and the re-designing of customers own jewelry items. In fact, they intend to offer every service the people have a right to expect from a modern jewelry store and a competent jeweler.

Having provided the Islands' residents with most of their jewelry requirements over the past 12 years the Fridays are enthusiastic as they look forward to this opportunity to expand their services to their customers and friends in the years ahead.

**LIONS SPONSORED
SWIM CLASSES END**

Twenty-four advanced beginners in swimming and twenty-four beginners have just completed an eight weeks' course under the direction of Mrs. Anna F. Hughes. Mrs. Hughes is a registered Red Cross instructor in swimming, and commuted on Tuesdays from Cape Coral to teach the Sanibel youngsters in water safety and swimming. Travel expenses were paid by the Lions Club, but Mrs. Hughes received no other compensation. She was ably assisted by another instructor who is Red Cross certified, Mrs. Arthur Perry. Mrs. Perry helped with the organization also, and

even picked up children on the islands to bring them for instructions in water safety, a very necessary knowledge on these Islands.

The classes were held at the Cecil Rhodes pool at their home in Tahiti Shores. Two Lion representatives were on standby as life guards during the sessions, which lasted two hours each Tuesday. Others assisting in the program were Mrs. Karl Wightman and Mrs. Don Bissell. Miss Frances Stewart and Christine Glass also assisted.

Tests proving the youngsters had learned well were given on Tuesday this week at their last session, and Mrs. Hughes received thanks from the students.

LEES'
HOUSE OF TREASURES

Lee Roy and Helen Friday announced on August 1, 1972 that they have sold their "House of Treasures," Sanibel's distinctive gift shop, to Harley Lee and Sally Lee Woods of Sanibel.

The Woods are well versed in the gift shop business having an interest in two shops in Frankenmuth, Mich., and Sally has been working for the Fridays for most of the past year. They are both young, personable and progressive and are very anxious to continue the fine tradition of the House of Treasures which will now be known as "Lees' House of Treasures" in the heart of the Island.

The Woods, with their son Mark, came to Sanibel just one year ago from Saginaw, Mich., and now reside at 1075 Skiff Place. They are members of the Sanibel Community Church, Chamber of Commerce, Community Association and Mr. Woods is a member of the Sanibel-Captiva Lions Club. They love the enchanting islands and plan to live here forever.

ROY BAZIRE ATTENDS
ENVIRONMENTAL COLLEGE

Attending the week-long workshop at Edison Community College was Roy Bazire, president of the Sanibel-Captiva Conservation Foundation. The Foundation also funded the tuition for two county employees, Don Molloy, assistant zoning director and Ben Pratt, assistant engineer. The fees for the seminar cost \$125.00 per person, and several Lee County residents also attended, as did Wiley Parker and Martin Gundersen, architects.

The seminar was held to implement professional planners and environmentalists in basic information and know-how in dealing with the natural and man-made environment. Land usage and good water usage of natural resources was emphasized in the environmental planning and study. Lectures by Florida State University teachers and special speakers from the Division of State Planning and U. S. Geological Survey told of environmental planning and resource management with specific examples and pictures. Some problems were discussed with possible answers to their being solved, and all agreed that the seminar was timely and informative.

The heat and humidity is absolutely frightful - my hair has the "WILTS".

BEACHVIEW COTTAGES

The Auduboners, Catherine Horton, friends, the Crews and Knowles of Boynton Beach, Fla., were back again last week photographing our wildlife. They met Beachview guests, Mr. & Mrs. Alfred Viola of Wayland, Mass., amateur photographers of wildlife who just returned from recording on film, jungle birds in Trinidad. They reported that the Ding Darling Sanctuary is the only one in this part of the country where many species may be observed in a confined area at this time of year.

From other parts of the country come the Karl Schuetz' of Clark, N.J., and the L. B. Stozners of Huntsville, Ala., who are scouring the island for

dead shells; Mrs. Stozner exhibited acrylic paintings of hibiscus and palms in our office. The Robert J. Reardon family are here from Cleveland, Ohio; the A. J. Bonestroos of Des Moines, Iowa; the Edwin Geldreichs of Cincinnati, Ohio; the James Wests of Mokense, Ill., the Whalens of Maceo, Ky.; the Steve Modrichs of Chicago; E. J. Bingham of Decatur, Ga.; the Harry Snyders of McKeesport, Pa.; George Kirby and wife of Ocean Springs, Miss., who brought a colorful spark to the Cottages. Mr. & Mrs. John Watson of Macon, Ga., arrived with a bushel of huge Georgia peaches and generously distributed them to us natives. Also here are the Peter Krells of Nanuet, N.Y., and the David D. **BAKER ACT PASSED**

The Lee County Hospital Board has
approved a contract which would
permit the hospital to receive mentally
ill and indigent patients on an
emergency basis and also in-patient.
How the contract works is that Lee
County Mental Health Clinic

subcontracts for the in-patient care of
mentally ill and indigent patients that
were formerly sent to Arcadia or
relegated to the jails. The act calls for a
patient to go through a receiving facility
before being committed to a state
mental hospital, and the law is known as
the Baker Act.
