Sanibel Rescue Reports

American Red Cross Advanced First Aid certificates were presented to two new members of the Sanibel Rescue Squad upon completion of sixteen-week courses; Tom Schnabel and Ray Davis.

Eight-week refresher courses and re-certification were presented to Mary Holtz, Alan Nave, Preston Woodring and Chuck Nave. Mary Holtz, R.N., was the instructor and followed the new comprehensive format as used in similar courses at Ediston College including the full gamut of first-aid procedures. The other active members of the Sanibel Rescue are Jerry Muench, Ralph Woodring, Phil Verdung and Jeff Woodring. The Sanibel Rescue has responded to over fifty emergency rescue calls since January 1st of this year. Needless to say, this represents some of the finest and most devoted volunteer work performed on the islands, that of trying to save human lives and care for the injured. The cooperation of the residents, as well as visitors, is asked to call the Sanibel Rescue only in cases of EMERGENCY-RESCUE. In all other cases, call the Lee County Ambulance by telephoning 334-2494.

Sanibel Fire Control District

All calls to the Sanibel Fire and Rescue during the hours of 8 a.m. and 4 p.m. should be reported on 472-1414. If no answer then use 472-1717. All calls before 8 a.m. and after 4 p.m. report on 472-1717. This is the emergency phone number and to be used only in an emergency.

All fire calls west of Wulfert Road should be reported to Captiva Fire Dept. on 472-1313 at all times.

All calls for the Sheriff's office should be reported on 472-1711. If no answer, call Fort Myers Beach on 463-6163.

The Lee County Ambulance number is 1-334-2494.

These important phone numbers should be kept as close to your telephone as possible. By dialing the correct number the first time it will save precious minutes in dispatching the Rescue or Fire Units. These precious minutes could save your own life.

Also when reporting an emergency try to keep your cool and be specific in pin pointing the emergency. If possible meet the unit on the road. At night a moving flashlight does wonders when you see the Rescue Unit coming.

Also when you see the blinking lights and hear the horn blowing on private vehicles these are not "nuts on a joy ride." They are volunteer fire and rescue men on their way to an emergency. Please cooperate by pulling your car off the road as soon as possible so they can pass you safely. Any vehicle doing this other than authorized vehicles are subject to fines and even jail sentences.

We would also like to make it clear that we are not an ambulance service. Any one that can be taken to the doctor or hospital either by car or Lee County Ambulance should be taken in this manner. This leaves our unit for some one that may need it much more. If everyone cooperates it will help make Sanibel and Captiva healthier and safer islands to live on.

/s/ Phil Verdung

Don't Break The Law

A few days ago several advertising signs were put up along Periwinkle, Donas and Tulipa; all these signs are illegal.

The Sign Ordinance Coordinating Committee is taking action to have the law enforced and the signs removed. It would be helpful to have everyone on the islands write our Commissioners, Mr. Walter Shirey, Lee County Courthouse, Fort Myers, and express support of the laws that protect our islands from an unsightly multiplication of signs.

Dr. & Mrs. JOSEPH F. GIALTINI from New York City, are visiting on the islands and making their headquarters at Shalimar. Mrs. Gialtini is a doctor also, hold a degree in Psychiatry, and both are thrilled with the quiet island charm. Dr. Gialtini said, "It reminds me of my youth on Long Island, when it too, used to be a quiet haven with not too many people. I was the school reporter at Northport, and when we came here it is like turning back the hands of time to my childhood."

LUCIA FISHBURNE has returned to Sanibel after successfully completing the advanced studies program at Stetson University in Deland this summer.

Lucia, who completed her junior year at Cypress Lake High School last June, will return to Stetson in September as a full-fledged freshman with 9 semester hours in English and psychology to her credit.

JUDITH RHODES of Sanford is visiting the FISHBURNES on Sanibel. Judith also has completed the advanced study program at Stetson where she and Lucia will be roommates this fall.

Mr. & Mrs. RICHARD SULLIVAN of Springfield, Ill., are honeymooning at the cottage of their aunt and uncle, Dr. & Mrs. R. M. GOVAIA on Henderson Road. Diane (Mrs. Sullivan) has vacationed on various occasions on Sanibel and there was no place under the sun she would rather spend her honeymoon. The Sullivans were married Aug. 12 in Springfield, Ill.

DONALD ROUGHHEAD of Randolph, N.Y., is visiting his grandparents, Mr. & Mrs. ROUGHHEAD, for an extended time. He is busy fishing and shelling and is having a good time. He has even started a salt water aquarium with sea horses, live shells and fish; all small ones.

Mr. & Mrs. LOUIS MOSCA an family, MARI, PEGGY and VINNIE of Monaca, Pa., were recently on Sanibel visiting their son TOM, who works for Nave Plumbing and daughter, PAT SLATER, who lives and works at Song of the Sea. Other Monaca residents on the island at that time were Mr. & Mrs. ELMER HUTCHINSON and children, JULIE and DAVID, and Mr. & Mrs. STEPHEN BABIR and son DAVID, who both were guests at Song of the Sea. While here Tom and Julie were honored at a party celebrating their birthdays of July 19 and 20. The Moscas left July 29 for home, with a brief visit in Atlanta, after spending five weeks on the Island at Tom's home on Nerita St.

THE COLONY GUESTS

Staying at The Colony this week from Florida are Mr. & Mrs. Kenneth Titus and family from Boca Raton; Mr. & Mrs. Laughlin from Ft. Lauderdale; the Ken Musselman family from Jacksonville; Mr. & Mrs. John B. Early and family from Orlando; Dr. & Mrs. Dario Duque and family from Miami Shores; and from Coral Gables, Mr. & Mrs. B. C. Pressman and family.

Out of state guests include Mr. & Mrs. Donald L. Dohm and family from St. Louis, Mo.; Mr. & Mrs. S. LaVett and family from Orchard Park, N.Y.; Mr. & Mrs. John L. Sullivan from Elmhurst, Ill.; and from Alabama, Mr. & Mrs. H. M. Thompson and family from Montgomery, and from Dothan, Mr. & Mrs. Earle Miskell and family.

WHO'S WHO AND WHY

Honeymooning at Captiva are the former JAMIE RENEE SISSON and JAMES LOUIS MICHAEL Jr., who were married last Saturday at Fort Myers Beach.

Mrs. ROBERT HAUSER just returned from a visit with daughter DIANNE HOLCOMBE of Fort Hood, Texas, and she stepped right into a military household as Dianne is a former Captain in the U. S. Army Nurse Corps, who is also the daughter of a retired Master Sgt., and she is married to a Second Lieutenant graduate of West Point, and he, in turn is the son of a retired Lt. Col. in the Army. Dianne is expecting her first born, and we would not be surprised if he were born saluting like mad. Mr. Robert Hauser is general manager of the Island Beach Club.

Mrs. BETTY PIECH from Wilmington, Delaware, is spending her 13th summer on the islands and is visiting EDITH MUGRIDGE this time. Mrs. Piech told her friend, Dr. ABBOTT, who operates a museum in Wilmington, that she would bring back scads of ordinary island shells, but she had not been able to find too many for him, and she refuses to take any live ones. So if you have any to spare, leave them with Edith at the Glory of the Sea.

DOTTI and MIKE McQUADE are not so far away, but up in the North Carolina Blue Ridge. They bought a home near Franklin on the Culasaga Gorge. How we envy them in all this heat! They plan to return soon.

Mrs. DOROTHY POTE of Sanibel just returned from the wedding of her son in Stamford, Conn. Her son, WARREN ABAD married DENISE KATHLEEN HAMILTON, daughter of Mr. & Mrs. DARRELL E. HAMILTON of Stamford. The lovely morning ceremony was performed by Rev. Normand Methe of St. Gabriel's church with a reception following at the High Ridge Country Club. The Abads will live in Stamford following a Canadian honeymoon. Mr. Abad served in the U. S. Navy before taking a civilian position with the Stamford Police Dept.

YVETTE REMUS is back home from the hospital and on the slow road to recovery from what started out to be a simple operation, but turned into something else. She will be incapacitated for awhile, but wants all her friends who wished her well to know that she appreciates their kind thoughts and messages of cheer. She hopes to resume her embroidery classes next week.

B-HIVE FUNNIES

"Our customers are always right. Misinformed, perhaps, inexact, bullheaded, fickle, even downright stupid, but never wrong!"

SCHOOL REGISTRATIONS

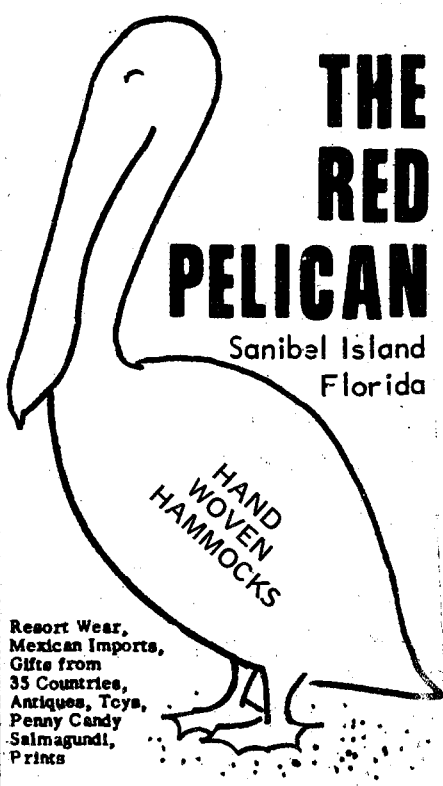

Special pre-school registrations have been in progress and will continue through Aug. 23. School starts officially on Aug. 24 at 8 a.m. New first graders must present a birth certificate or proof of birth date along with their certificates of immunization for tetanus, diphtheria, whooping cough, measles and rubella, and they must have a certificate showing them free of any communicable disease.

The registrations will continue for new students through Aug. 23. Nurses will have already been at the Community House on Sanibel to bring shot records up to date on Tuesday. Sanibel Elementary School will again have their kindergarten classes this year for preschool children according to Mr. G. L. Disette, principal.

Children are requested to bring sandwich lunches until further notice, for although there is a hot lunch program scheduled for this semester, complete equipment has not yet arrived for the preparation of the lunches.

BEACHVIEW COTTAGES

Pete Bertram is back in the reins at his Beachview, although he is still recuperating from disk surgery in early July.

The Salvatore Lauries of Miami are back for the second time within a month for another round of pool, shelling and back to the pool again.

From Huntsville, Ala., are the Walter Petersons; the Al Mlots from Rockville, Md., and Mrs. Cleteos Brungard and her mother, Mrs. Cleteos Stevenson of Vandalia, Ill., who are thoroughly enjoying their visit in No. 3 cottage.

Earl and Nancy Kock and two children of Rocky River, Ohio, are staying in No. 2 cottage. Their son had a little excitement when he walked into a small sting ray while wading. With the Island's doctor's care he came through with flying colors.

George Brenner and his wife Artes and daughter, Kim, are the happy, outgoing people on Palm Drive. William

Guilfoyle of Mendota, Ill., loves to fish and proved it. "Preacher" J. Brown of Houston, Texas, traveled a long, long way with his family to see the fabulous shelling island. Mary McLaughlin and Cardine Whittington of Baltimore, Md., could show up any man here with their seining for bait fish. The Donald Guinees of New Orleans, brought some of the old world charm with them to our Island. From Covington, La., came the J. Norcom Jackson Jr. family and from St. Louis, Mo., the R. E. Snyders. Gust Conrad and his wife traveled from Euclid, Ohio.

Florida guests include the George Tuceks from Fort Myers; the John S. Wilsons of Ft. Pierce, here on their honeymoon; the Robert Attys of Daytona Beach; the Edward Duclos of Homestead; James E. Blatt and his family from Winter Park; John R. Randall from Miami; Gary Pike from Maitland; and Dr. Adolfo Pereira of Coral Gables.

THE WORLD OF THE SNAKE

"The World of the Snake" is a new story with pictures of island reptiles and others by Hal Harrison of Sanibel. MacIntosh is featuring this book, and whether you like snakes or not, it is still a fascinating book, and thrilling to learn of the good snakes do in the ecological setup.

RETURNS FROM
EUROPEAN TRIP

Cute little Alice Aleck has returned from her European trip all aglow with reports of a wonderful trip in experiences not soon to be forgotten. Their trip started when a group of 7 children and two chaperones under the auspices of the American Institute of Foreign Study, travelled to England by plane from Fort Myers. Then they went by boat train to France, seeing the Eiffel Tower and Luxembourg Gardens, the Louvre and other Parisian sights. They then travelled through Austria, Germany, and Italy, taking in all the grandeur that was Rome and loving the Austrian Tyrol, and particularly Germany. "Every home and apartment had its flower boxes bright with geraniums and other lovely garden flowers in Germany. You saw them in the most unexpected places, and the landscape was beautiful with its lovely old trees in full leaf."

Alice loved Munich, where preparations are in progress for the Olympics; and Oberamgau and the Bavarian Alps. "I brought back some fabulous pictures and souvenirs. I saw Germany's highest mountain, the Zugspitz, and for the first time in my life saw snow! It was a first for some of the other kids, too. And don't let them tell you they would rather live abroad. They fussed like mad about tiny inconveniences over there, just like other Americans do, and they were as glad to be home as I was. I loved the trip and travel and all the wonderful experiences, but after all, there's no place like the good old U.S.A."

Alice was most impressed by a trip in the Austrian salt mines. "The minerals in the rocks were fabulous. We donned a typical outfit worn by the miners; black belted jacket and bloomers. This is so you can slide on the bamboo slides that lowered one to another level in the mines. Then we returned by narrow gauge train, and back into the bright sunlight of an Austrian summer."

The group spent about three weeks at the Salzburg School with 250 other students from all over the world, and they studied German language, history and their culture. We are hoping Alice will share her pictures with us.

LETTERS TO THE EDITOR

TO THE ISLANDER:
Congratulations to Deputy Sheriff Lou Secari for stopping and warning a fast moving dump truck that was spewing its overload of fill dirt along the Causeway and Periwinkle Way and into the faces and radiators of the other drivers along the road.

Since such occurrences are becoming more frequent, it is time for the Sheriff's Office to post signs near the toll gate reminding drivers of such overloaded trucks that the law requires the cargo to be covered with a tarpaulin to prevent the littering that otherwise results. The Causeway Commission should also be officially instructed to refuse passage to such illegally operated vehicles until they are properly rigged with the required covering.

Dear Guys and Gals:
Being back home from the hospital again, I want to thank all of you who sent get well wishes, made phone calls about my health, and sent gifts and cards for my speedy recovery from my messy gall bladder operation. I tell you truly it sure makes a person feel good to know that he has friends thinking of him when he is under the weather. I hope I can make some of my friends feel so good, when, and if they are ever in a similar situation.

My sincere thanks again,
/s/ Herb Purdy

TO THE ISLANDER:
Behold, the wondrous lake!
The water which man doth take.
Yea, but alas no mar,
For the slut and the tar,
The muck and the cans,
The dykes and the dams,
Have made they wondrous lake
A fake!

/s/ David Lawrence Woods

This "I & R" Man is working for you...

An Installer-Repairman physically connects a "pair" of wires from a phone to the nearest switching center... a necessity for your phone to interconnect with all others.

Of all United Telephone employees, an Installer-Repairman is probably the most familiar to most people. Like Alvin Efrick, in the above photo, who works out of our Punta Gorda office. He is identified by a familiar truck . . . a tool-laden belt . . . and a friendly, helpful manner.

Al and his 125 fellow "I & R" men know where the "action" is. They cover a lot of territory . . . in 13 Florida counties . . . where new developments and population growth have stimulated an unprecedented demand for communications services.

An I & R man makes things happen! He will put you in touch with your family doctor or your cousin Sadie in Syracuse. Although he'd like to immediately complete every service request, he sometimes must wait until additional cable projects or other technical facilities are engineered and constructed.

Our I & R men are trained to be versatile, mobile and even docile. They work atop poles and under buildings . . . contend with unfriendly dogs and, occasionally, rattlesnakes . . . and always, but always, have a keen regard for any "little people" in your neighborhood who may innocently park a tricycle behind one of our trucks.

We are proud of our I & R men and also the 1,500 other men and women who are working for you at United Telephone of Florida.
