The Board of Directors of the Sanibel-Captiva Planning Board want to be certain that all islanders and interested persons are aware of a public hearing on September 13, 1972.

This will be a hearing at the Court House in the Commissioners hearing room at 10a.m. on September 13. It will be for the purpose of publically discussing the establishment of a Sanibel-Captiva Sewer District. This will be the time and place to become informed on one of the major projects contemplated for the islands.

The financing of this project will be discussed later, in November when many of the residents have returned to the islands.

MR. AND MRS. MICHAEL SPEAR and family from Nashville, Tenn. are visiting BILL AND JEANNE SOWERS at Castaways. Michael is Jeanne's brother, and the Spears brought along some friends, the BROOKS FAULKNER family from Nashville, too, and everybody has been soaking up some sun and relaxing in between sightseeing in and around Fort Myers.

The new manager of the Castaways Restaurant is working feverishly to get the restaurant in order for a Labor Day opening. He is MR. JACK ROBERTS who is well-known in the Fort Lauderdale area as manager of the Sunrise Country Club. The Roberts own a home on Fort Myers Beach and have been coming down for week-ends of relaxation.

GEORGE WATTERSON will be attending the Miami showing of Gift items and purchasing a new and exciting group of goodies, while he leaves his good wife home to mind the store. The Wattersons just returned from a trip to the Keys where they did some plain and fancy skin diving and got to know a few creatures like Moray eels, barracuda, sharks, etc.

MR. AND MRS. DANIEL MERLIN and daughter HEATHER from Walpole Mass. are down visiting their mother and father, Mr. and Mrs. JAMES F. MURPHY of Captiva. They will be here a few weeks sight-seeing and exploring the beaches and fishing.

And at long last we found out the name of the beautiful white blooming tree in the dooryard of the Red Pelican. Thanks to SARITA VAN VLECK, who tells us it is a Jamaica Dogwood.

Visitors to the By The Sea Cottages are KRIST ARDIS, who has been vacationing on the island since 1961, and BERNICE GRIMM who has been resorting here for twenty-five years from Hollywood, Fla. And also from Hollywood is ELIZABETH MACY, who is fast becoming acclimated and an island lover too. All are friends of EDITH MUGRIDGE, and Krist is from Romulus, Michigan.

REAL ESTATE SALES

Laughrey & Holtz Island Real Estate, Inc. announce the following recent closings of realty sales on Sanibel: From Mr. and Mrs. Dale Krinn of Uniondale, Indiana, to Mr. and Mrs. F. Lowell Devasure of Tekamah, Nebraska, a duplex-zoned parcel of land in the Shell Basket.

From Miss Rosa G. Hamlett of Orville, Alabama, to Mr. and Mrs. F. Peter Jung of Miami, a residential lot on Lake Murex in that subdivision.

From Robert and William Hill of Naugatuck, Connecticut, to Mr. and Mrs. Charles Frankel of Wanamassa, New Jersey, a lot in Shell Harbor; this sale made in cooperation with James D. Newton and Associates of Fort Myers Beach.

From Mr. and Mrs. William Snyder of Sanibel to Robert L. Johnson, Trustee of Ann Arbor, Michigan, 300 feet of Multiple-Zone Gulf frontage in the Sedgemoor subdivision.

WHO'S WHO AND WHY

Labor Day weekend will bring back some old guests as well as greet some new ones. MR. and MRS. ROBERT JENNER of Fort Lauderdale are here for two weeks of relaxation. MR. and MRS. STANLEY YABLONSKY also from Fort Lauderdale and the FRANK PROCTAS of near-by Plantation are here for a few days before school resumes. Also from the east coast are the MICHAEL FERGUSON family of Titusville, MR. and MRS. PAROBECK of Miramar and the JAMES NELSON party of Miami.

And now for the sad story of the week. EDITH MUGRIDGE had to have loveable little poodle CHERIE put to sleep. She had grown stone deaf, blind, and lived in terror and confusion, and we know she has gone to dog heaven.

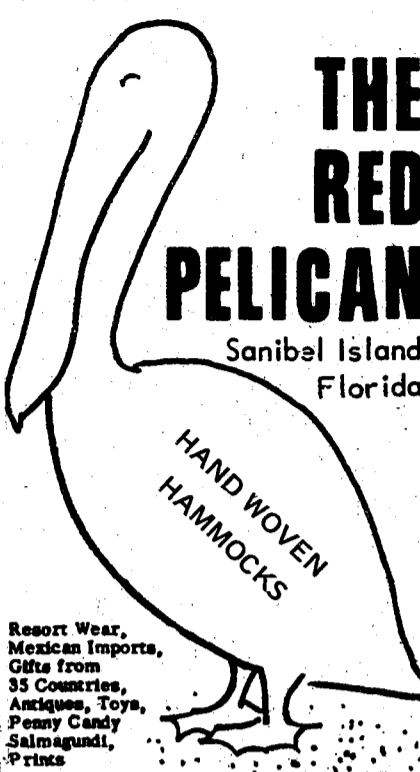

MRS. JOHN GLASS has been busy as a beaver entertaining guests and loving every minute of it, because she lets them entertain themselves. MRS. LOUISE HARRIS and her three children and MISS FAYE OOTEN all of Dayton, Tenn. have been having a visit to remember. There have been no bugs, and the children have lived in the Gulf, staying until long after dark. Then they have been followed by MR. AND MRS. WILLIAM CROMWELL from Austin, Texas, and Hawaii. It rained, and they really were thrilled, because "It just never rains in Texas", they said. And now Mrs. Glass' grandson FRANKLIN ELMORE GLASS, his wife and their son JOHN PURNELL are here for a visit from Dayton. They will take CRISTINE GLASS, Mrs. G's grand-daughter back home with them, and all the island will mourn her going. Cristine has been into everything on the islands, and a lot of the young people will miss her. She has run Miss Willie's Jeep all over, taking a group to go water skiing, not to mention the clean-up tours around the islands. Mrs. Glass was busy cleaning five pounds of shrimp preparatory to a shrimp feast for the visitors when we talked to her, in a flurry of anticipation.

MRS. GLEN RHODES of State Road 867, Sanibel, is welcoming her son RAYMOND RHODES and his sweet wife home. Raymond just completed college, receiving his AB degree, majoring in Education, at the University of South Florida in Tampa. He made the Dean's list while at the University and did counseling also, and is having a vacation before considering positions being offered him.

ROBIN AND GENE KARR OF Jacksonville and former residents of Sanibel are proud parents of a son, HUNTER MATTHEW KARR, born Aug. 16th, weighing 7 lbs. 12 oz. Gene is well known on the island, having worked at the B-Hive for several years. He was graduated last year from Jacksonville University and is employed by Prudential Insurance Company. Robin is the daughter of Ruth and Philip Hunter of Pirate Playhouse. The Hunters have not yet seen their little grandson, as they are vacationing in Canada.

We had the pleasure of a delectful guided tour of one of the new island condominiums, the Sandy Bend Apartments. They are completed and are now being furnished and awaiting three occupants who are moving in shortly. TIM AND PRIS NORPELL and daughter KATHY will occupy one of the spacious two bedroom, two bath units. Then JACK AND BETTY O'NEILL and son ROBERT will occupy another, and DICK AND BARBARA VOCKEL will be moving in also. The Unit has three stories, and the top one commands a magnificent view of the Gulf. Lovely spacious screen porches face the water. RUTH AND WOODY ANDERSON are the new managers. You will remember Ruth as the former Ruth Jones. There will be some rental units too.

"RUSSIA TODAY" SUBJECT OF NEXT SANIBEL COMMUNITY ASSOC. MEETING

At the next meeting of the Sanibel Community Association, to be held Sept. 5, members will be treated to a special report on "Russia Today" by one of their own members, Dr. Gerry Schnelle.

Dr. Schnelle visited Russia as a member of a select group of 31 specialists, representing the eastern states agricultural leaders and was able to see many Russian customs, not normally experienced by an average visitor.

Dr. Schnelle will speak on travel, transportation, education, living conditions, recreation, etc., as well as farming. He will illustrate his points with 100 beautiful slides which he took himself.

While the regular dinner meeting scheduled for 6:30 is for members only, the general public is always welcome to attend these special presentations at 8 p.m.

The facts about the Zoning Request which will be decided by the County Commissioners next Tuesday are printed here by permission of the Sanibel-Captiva Planning Board.

NEWSLETTER AUGUST 15, 1972

On July 24th the Lee County Zoning Board recommended to the County Commissioners a change in zoning from GU (General Use) to RU-3, which permits apartment and motel construction, for a tract of land located north of Gulf Drive opposite the Shalimar Motel. The new owner of that motel owns the subject property, as well as all the land eastward from that parcel to Tarpon Bay Road. The sketch below shows the land and its location.

At the Zoning Board meeting your Planning Board representatives asked the owner to defer his request, so that he could meet with the Directors of the Planning Board, to explore the possibility of developing an agreement leading to mutually acceptable plans. The owner denied our request, and pressed the Zoning Board for a recommendation for approval, which it then granted over our protest.

The owner plans to build 147 motel units on the westerly parcel north of Gulf Drive. This is a density of 21.9 units per acre, and would result in a fully occupied maximum population of over 500 people.

The County Commission will consider this recommendation on September 5.

We oppose this rezoning on the following grounds:

1. Apartment and motel zoning in this area will dangerously extend the area of high density which has for years been confined to the south side of Gulf Drive.
2. Each downgrading of zoning tends to set a pattern, and to make it easier to obtain further approvals.

3. IF THE BALANCE OF THE LAND BETWEEN THE SUBJECT PROPERTY AND TARPON BAY ROAD WERE TO BE REZONED IN THE SAME CLASSIFICATION, THE RESULTING POPULATION, OF THAT PARCEL ONLY, COULD BE TWICE THE PRESENT PERMANENT POPULATION OF SANIBEL AND CAPTIVA. THE PROPERTY OWNER HAS SAID THAT HE HAS NOT FORMULATED HIS PLANS FOR THE EASTERLY PARCELS. HE DID DESCRIBE A BUSINESS VENTURE THAT HE SOLD BEFORE COMING TO THIS AREA. IT INCLUDED A RECREATIONAL OR AMUSEMENT CENTER, WITH RENTAL ROWBOATS, MINIATURE GOLF, AND FEATURES OF THAT SORT. HE STATED THAT AN ENTERPRISE OF THIS KIND WOULD BE GOOD FOR SANIBEL. WHEN WE SUGGESTED THAT THE USE OF HIS PROPERTY SHOULD BE DISCUSSED AS A WHOLE, HE DECLINED TO CONTINUE THE CONVERSATION, BEYOND MENTIONING THAT PERHAPS THE PERIMETER OF THE PROPERTY SHOULD BE ZONED FOR BUSINESS AND COMMERCIAL ACTIVITIES. WE ASSUMED THAT HE WOULD RETAIN THE INTERIOR FOR THE AMUSEMENT CENTER.

4. The easterly parcel, consisting of 66 acres, abuts the Bailey Sanctuary along the south line of the Sanctuary. We are convinced that a commercial development of this size and probable uses would be detrimental to the wildlife in this Sanctuary.

The land covered by this zoning request does not abut the Sanctuary but is only 120 feet away from it at its northerly end. We consider this in itself to be dangerously close, and coupled with the much larger risk of the easterly 66 acres in the same ownership, plus the probability of further zoning requests in the same pattern, we feel that every effort should be made to convince the County Commissioners that this is bad zoning.

5. We are all aware of the difficulties facing the Island Water Association in its efforts to provide sufficient water for the community. The extension of high density zoning can only aggravate these problems.

6. Highway congestion is already severe in the tourist season, and again high density will compound that congestion.

7. There is already on Sanibel more than enough RU-3 zoned land; more than 750 acres of land so zoned are not now being used, as compared to about 210 acres of RU-3 zoned land which are now in use.

We ask you to attend the hearing before the Commissioners on September 5, or at least to write or wire them your opinion of this request. The item is late in the days agenda, and will probably not be heard before three P.M. The request number is 72-7-32.

The Commissioners are:

Mr. Kenneth Daniels, Chairman
Mr. Walter Shirey (this district)
Mr. James Sweeney
Mr. Julian Hudson
Mr. Charles Edwards

They should be addressed at the

Lee County Building
Fort Myers,
Florida 33901

The struggle goes on, and we need your help.

CIMATO - STOVALL

St. Isabel Catholic Mission on Sanibel Island was scene of the wedding of Miss Anna Barbara Cimato and Samuel James Stovall at 12 noon Saturday. The Rev. Gerrard Beauregard conducted the double-ring ceremony. Music was presented by Mrs. Harold Clark, organist, and Miss Mary Springer, vocalist. The sanctuary was decorated with vases of white gladioli and mums.

The bride is the daughter of Mrs. Anne R. Cimato of 1547 Periwinkle Way on Sanibel and the late Ralph V. Cimato. Mr. Stovall's parents are Mr. and Mrs. James B. Stovall of Waycross, Ga.

The bride was given in marriage by her brother, Joseph Vincet Cimato. She wore an organza empire gown with lantern sleeves. The dress features Venise lace overlay on the bodice, sleeves and down the front of the skirt. Her lace edged illusion veil was held in place by a lace and organza bow headpiece. She carried a colonial bouquet of white carnations, roses and babies breath.

The bride's attendants wore empire style gowns of sheer polyester trimmed with white lace interwoven with lime green, apricot and yellow ribbon. Maid of honor, Miss Jean Mieloch, of Fort Lauderdale, cousin of the bride, wore apricot, Miss Barbara Ann Rumprik, bridesmaid, was in lime green and Miss Andrea Susan Sain of Springfield, Ohio, bridesmaid, was in yellow. They wore lace crowns and carried carnation nosegays the same color as their dresses.

John Stovall was his brother's best man. Ushers were Alex Weaver of Waycross, Ga., Denny Thompson of Thomasville, Ga. and John Cimato, brother of the bride. Ralph Cimato, brother of the bride, was ring bearer.

The bride's chosen colors were used in the table decorations at the reception given by the bride's mother at the Sanibel Community House. Gladioli centered the bride's table.

Mrs. Don Humphries kept the bride's book. Assisting with the hospitalities were Miss Jeanne Hopwood, Mrs. Don Bissell, Miss Patricia Bissell, Miss Minona Stovall, sister of the bridegroom, Mrs. Charles Rumprik, Mrs. Frank Culpepper and Miss Susan Holtz.

After a south Florida honeymoon, Mr. and Mrs. Stovall will live at 410 Cedar St. in Carrolton, Ga., where he is a junior at the University of West Georgia. Prior to her marriage, the bride was employed at the Jolly Roger Friendship Inn on Sanibel.

LETTERS TO THE EDITOR

Dear Sanibel Friends:

Many thanks, dear friends, for the overwhelming kindness and concern you have extended to us during my brief illness.

Encouraged by Jenny's daily visits to the hospital made possible by your generous assistance, and the support of so many well-wishers, I have quickly recovered and in a few weeks I shall be out and about again.

The very special loving kindness you have shown us at this time will always be cherished. It can never be repaid.

/s/ Leslie Waller

TO THE ISLANDER:

"AS OTHERS SEE US"

In a report to the United Nations, Secretary-General Kurt Waldheim had this to say, according to the Fort Myers News-Press, August 21:

"A major threat to the development, maintenance, protection and survival of tourist attractions is tourism itself.

"Overcrowding, high-density development, and the mushrooming of hotels and other tourist-related structures resulting from unplanned development at many famous resorts not only damage the landscape but isolate tourists from any direct contact with the natural environment.

"Consequently, the interest in visiting such places, and their economies, decline markedly.

"Tourism, therefore - originally the main force for economic development of the area - thus becomes a force for the destruction of both the environment and the economy."

The Secretary-General, with his family, vacationed on Sanibel last season.

GEORGE WILLIAMS CONSIDERS THESE TO BE THE TEN MOST SERIOUS PROBLEMS OF THE LEE COUNTY SCHOOL SYSTEM:

1. Waste of tax monies and the lack of administrative accountability
2. Ineffective educational processes — high dropout rate
3. Widespread use of drugs in many of the schools
4. Lack of discipline or control
5. The hiring of many unskilled classroom teachers in recent years
6. Shortages of books, equipment and supplies
7. Too much secrecy and indecision within the administration of our schools
8. Busing and housing of students
9. Over emphasis on the administration, supervision and coordination and not enough emphasis on the curriculum, classroom procedures and teaching methods
10. Lack of parent, student, teacher and community involvement in educational decision making.
